

Falcon Heights Council Workshop Minutes
July 18, 2012

Members present: Mayor Lindstrom, Council Members Long, Harris and Mercer-Taylor

Members absent: Gosline

Others present: City Administrator Bart Fischer, Public Works Director Tim Pittman, Finance Director Roland Olson, City Engineers Deb Bloom and Kris Giga (for road tour only)

Tour of Road/Street Conditions in Falcon Heights

In anticipation of upcoming budget discussions on capital improvements to roads, Council and staff toured a few of the roads in the City to witness their condition.

Discussion of Special Revenue and Debt Service Budgets

Staff presented initial drafts of the Special Revenue and Debt Service Budgets. Discussion was had and Council indicated comfort in generally moving forward with what was presented.

Staff also presented a proposal, during the Fund 209 Street Lighting discussion, for replacement of certain City maintained exterior lights with LED bulbs. Council directed staff to pursue replacement of bulbs as needed and within budgeted costs.

The workshop concluded at 7:30 p.m.

Respectfully submitted,
Bart Fischer
City Administrator
