Fire Department-Tour of Fire Hall and Operations

1) Fire Department-Shared Services Closest Unit Dispatch Joint Powers Agreement

• The JPA would exist for the closest department to be dispatched but only for confirmed structural fire or a cardiac arrest call. The closest fire department will respond, and when the city fire department is on site it's the commanding department on scene. Anything below an eight hour fire call is not billable.

2) Extending Commission Terms

• There is a proposal to extend the length of the terms to two, four year terms.

3) Snow Removal Updates & Fee

• Snow removal fees have not determined. A recommendation based on what other cities do is a fee of \$100/hourr with a minimum fee of \$100. The code states that each property has until the 24 hour mark, once snow has stopped falling, to clear their sidewalk of snow and ice. Other cities have a street maintenance fee. There will be discussion this year on the remaining sidewalks that the city is maintaining and to look at comparisons with other cities.

| Item | Designated Signor for City funds, Investments, and Transfers |
|------------------------|---|
| Description | In accordance with Minnesota Statute 412.271 the Mayor and City Clerk are required to be the designated signors for any orders drawn on the city's funds. The signors currently are Mayor Peter Lindstrom and City Administrator/City Clerk Sack Thongvanh. Previously, two other council members (Chuck Long and Beth Mercer Taylor) had been granted signing authority by the city council to be used in emergency situations. Since they no longer serve as council members their authority needs to be rescinded. Also, council member Joseph Good Thunder has been chosen to serve as acting Mayor Pro Tem in Mayor Lindstrom's absence. Staff recommends approving council member Joseph Good Thunder to be designated signors for city funds with the intent to be used for emergency situations and Mayor Lindstrom's absence. Also, removing Council Member Pam Harris because Joseph Brown Thunder has been appointed as Mayor Pro Tem. |
| Budget Impact | N/A |
| Attachment(s) | N/A |
| Action(s) Requested | Continue designated signors for city funds for Mayor Peter Lindstrom and City Administrator/City Clerk Sack Thongvanh. Rescind singing authority for past council members Chuck Long, Beth Mercer Taylor and current council member Pamela Harris since there is no need with the approval of signing authority for council member Joseph Brown Thunder serving as acting Mayor Pro Tem. |

PROFILE

I am a highly motivated, ambitious individual with a strong work ethic. I have a powerful drive to help others, which has lead me down the career path of fire and EMS. I am constantly searching for opportunities to learn, and to better myself and an employee and an individual. What I enjoy most about working in public safety, is being able to be there for people, and to make a difference, when they do not know who to turn to.

RELEVANT EXPERIENCE

I three years of practical experience as a firefighter and an emergency medical technician. Until moving to Minnesota, I was employed in full-time capacity as a Firefighter/EMT. Now I work in a tremendously busy EMS system, where I have an opportunity to utilize my medical skills frequently.

WORK EXPERIENCE

PARAMEDIC, HENNEPIN EMS-MAR 2015-PRESENT

My duties include the provision of care and transportation for the sick or injured at the Paramedic level, and functioning within NIMS in supervisory roles, when indicated.

AEMT/CREW CHIEF, CAMBRIDGE AREA EMERGENCY MEDICAL SERVICE — MAR 2012-PRESENT

My duties include the provision of care and transportation to the sick or injured at the AEMT level, as well as fleet maintenance, station duties, public education, incident command, and field training. I served as training officer, maintaining minimal skills competencies of staff, and served on the board of advisors.

FIREFIGHTER/APPARATUS ENGINEER/AEMT, OREGON AREA FIRE/EMS DIST. —AUG 2012-FEB 2015

My duties included the response to, and mitigation of fires, rescues, and hazardous conditions, as well as the provision of care and transportation for the sick or injured at the AEMT level. I also participated in public relations and education, as well as fire safety inspections. I drove and operated fire apparatus and ambulances, and ensured that equipment is maintained and ready to respond.

FIREFIGHTER/PARAMEDIC, TOWN OF MADISON FIRE DEPARTMENT — NOV 2014-FEB 2015

My duties included the response to and mitigation of: fires, rescues, and hazardous conditions; the provision of advanced life support emergency care, as well as transportation to the sick or injured with a paramedic partner.

EDUCATION

Madison College, Vocational Degree, Paramedic: August 2014 Blackhawk Technical College, Vocational Degree, Advanced EMT: December 2012 Madison College, Vocational Degree, Emergency Medical Technician-Basic: August 2012 Madison College, Vocational Degree, Fire Service Certification: August 2012

Upon leaving Madison College, I completed two years of liberal arts studies. I am now enrolled in a bachelor's degree program, through Upper Iowa University. My Major is Disaster and Emergency response management.

1/22/2016 27 of 52 I decided when I was in high school, that I wanted to pursue a career as a Firefighter/Paramedic. I joined a fire explorer group, in Janesville Wisconsin, and participated for about 2.5 years while in high school. I learned so much about the fire service, and I affirmed that this was the career path I wanted to pursue. I had many opportunities to do ride-alongs, attend summer camps, and to listen to the many Firefighter, Paramedics, and instructors that participated in our trainings. I took an EMR class and earned my certification during my senior year, and began volunteering at a local ambulance service. Following the advice of my mentors, many of whom I remain in contact with, I applied to attend fire academy during the summer of 2012. I was accepted, and started the day after my high school graduation.

I was hired in Oregon Wisconsin, as a Firefighter/EMT Intern, shortly before completing my certification. The internship was a 3 year program, where myself and fellow interns worked 24 hour rotating shifts, and staffed the fire department and ambulance. In my 2 ½ years in Oregon, I learned much about myself and my abilities, and learned what to do, and what not to do. I also had the opportunity of completing my certification as a Driver/Operator, and Paramedic. The interim fire chief at the time was also the chief of the Town of Madison fire department, and he recruited me to work as a firemedic shortly after I completed my Paramedic certification. During this time, I also completed 2 years of liberal arts studies, which are now being applied towards a bachelor's degree. The experience that I gained as an intern was invaluable.

During that same time period, I also simultaneously remained a volunteer in Cambridge, the small town where my I started my EMS career. I came on to the service shortly after the previous directed had been ousted, and replaced with the current director. There were a lot of changes going on at this time, and being a small service with dwindling staffing, I worked hard and made an impression with the other volunteers and the director. I put a considerable amount of effort into bettering the service, taking on side projects, and stepping up for more responsibility. This is one of the greatest decisions I made, as shortly after completing my paramedic, I was hired as one of the first paid staff, and assumed the role of training officer at request of the director. I was responsible for the development of a field training program, and brought many continuing education topics to the members. I also was nominated by the membership to serve on the board of advisors. I am proud of where the service stands today, and to have played an active role in getting there.

As it would be, I was hired at Hennepin that spring, which was a big step for me, as it was my first "career" job. My coworkers were very supportive and excited that I was moving on to bigger and better things. Ironically, my resignation was not accepted at Cambridge EMS, and I still maintain my licensure, an occasionally will travel back for a visit. I really like my job now, I enjoy being a paramedic, but I miss being a firefighter at the same time. I would like to continue to practice the skills I have built, and to learn new ways of doing the job. I think that being a volunteer would be a great way to do that and I feel that I would be an excellent addition to your department.

| Item | Fire Department-Shared Services Closest Unit Dispatch Joint Powers Agreement |
|------------------------|---|
| Description | Fire Chief Rich Hinrichs will be present to discuss if the City of Falcon Heights should consider joining a joint powers agreement with the Cities of Maplewood, Saint Paul, Roseville, Little Canada, North Saint Paul, White Bear Lake, New Brighton and the Lake Johanna Fire Department Inc. to provide and receive automatic mutual aid to dispatch the closest equipment and personnel to emergency events to provide assistance in the form of fire, rescue, and related services. |
| | The City of Falcon Heights currently participates in a mutual aid agreement with the surrounding fire department, but the City has to request mutual aid when needed. With the proposed system, the closest unit would be dispatched. |
| | An example would be if we had a fire at the University Grove, and the closest unit was St. Paul because they have a full time unit. They would automatically be dispatched to the fire along with the Falcon Heights Fire Department. Where is the past, the City would be dispatched first and then the City would determine mutual aid. |
| | The process only changes internally, while the residents would only know that someone responded to the request for service. |
| Budget Impact | Additional services will be provided to the surrounding communities. |
| Attachment(s) | Closest Unit Dispatch Joint Powers Agreement |
| Action(s) Requested | Staff would recommend authorization for the Mayor Pro Tem and the City Administrator to execute all necessary documents and agreements. |

The notice shall include a fully executed copy of the termination resolution.

IV. AUTOMATIC MUTUAL AID PROCEDURE

1. Whenever a Party to this Agreement receives a call for Assistance for an Emergency Event occurring within its jurisdictional boundaries, that call will automatically be

dispatched to the Agency having primary jurisdiction, as well as to any Agency for which the Dispatcher or Computer Aided Dispatch System (CAD) determines may provide a more timely response. The Sending Party shall respond to the call and make necessary Assistance available without undue delay. The typical response from the Sending Party shall be one apparatus and crew.

The extent of Assistance provided by the Sending Party shall be determined solely by the Sending Party based on its established response criteria and procedures. In the event a Sending Party determines it will not be able to provide Assistance, the fire official for the Agency making that determination shall immediately notify the Requesting Party.

- 2. The first arriving unit shall be in command of the emergency scene, until relieved by the Requesting Party. The Sending Party's fire official shall retain direction and control of the Sending Party's fire personnel and equipment on the scene.
- 3. Each Party, whether it be the Requesting Party or a Sending Party, shall be responsible for injuries or death of its own personnel. Each Party shall maintain workers' compensation insurance or self-insurance coverage covering its own personnel while they are providing Assistance pursuant to this Agreement. Each Party waives the right to sue the other Party for any workers compensation benefits paid to its own employee or their dependents, even if the injuries were caused wholly or partially by the negligence of the other Party or its officers, employees.
- 4. Each Party shall be responsible for damages to or loss of its own equipment. Each Party waives the right to sue the other Party for any damages to or loss of its equipment, even if the damages or losses were caused wholly or partially by the negligence of the other Party or its officers, employees, or volunteers.
- 5. Specialized Activities of non-emergency nature may be requested and/or provided by both parties to the Agreement. There is no obligation on the part of a Sending Party to provide Specialized Activities.
- 6. No charge shall be made to either party for Assistance rendered under this Agreement for incidents with duration under eight (8) hours. Provided, however, that in the event the Requesting Party is reimbursed for said personnel, equipment, or any other costs from a party or parties responsible for the Emergency, or is otherwise reimbursed by a third party source, then reimbursement, on a pro-rata basis, shall be made to the Sending Party for any equipment or personnel charges.

V. COOPERATIVE IMPLEMENTATION

The Parties agree to work in good faith through their respective Agencies to cooperatively establish any specific response criteria or procedures as they may determine are needed to implement this Agreement. Such criteria and procedures do not necessarily need to be the same for each Party, but they shall not be contrary to the

1/22/2016 49 of 52

primary purpose of this Agreement. Each Party shall be responsible for communicating in writing its response criteria and procedures to each of the other Cities, the President, and the applicable County Emergency Communications Center.

VI. LIABILITY AND INDEMNIFICATION

- 1. For the purposes of the Minnesota Municipal Tort Liability Act (Minnesota Statutes, chapter 466), the employees and officers of the Sending Party are deemed to be employees (as defined in Minnesota Statutes, section 466.01, subdivision 6) of the Requesting Party. For all other purposes, all personnel remain the employees of their respective Party during the performance of duties under this Agreement.
- 2. The Requesting Party agrees to defend and indemnify the Sending Party against any claims brought or actions filed against the Sending Party or any officers, employees, or volunteers of the Sending Party for injury to or death of any third person or persons, or damage to the property of any third person or persons, arising out of the provision of Assistance by the Sending Party under this Agreement.

Under no circumstances, however, shall a Party be required to pay on behalf of itself and other Parties, any amounts in excess of the limits on liability established in Minnesota Statutes, chapter 466 applicable to any one Party. As provided in Minnesota Statutes, section 471.59, subdivision 1a, for the purposes of determining total liability the Parties shall be considered a single governmental unit and the total liability for the Parties shall not exceed the limits on governmental liability for a single governmental unit as specified in Minnesota Statutes, section 466.04, subdivision 1. Nothing in this Agreement shall be interpreted as any of the Parties waiving any exemptions or limitations on liability available to them under law.

The intent of the indemnification requirement of this section is to impose on each Requesting Party a limited duty to defend and indemnify any Sending Party for claims arising within the Requesting Party's jurisdiction subject to the liability limits under Minnesota Statutes, chapter 466. The purpose of creating this duty to defend and indemnify is to simplify the defense of liability claims by eliminating conflicts among defendants, and to permit liability claims against multiple defendants from a single occurrence to the defended by a single attorney.

3. No Party to this Agreement, nor any officer of any Party, shall be liable to any other Party or to any other person for failure of any Party to furnish Assistance to any other Party, or for recalling Assistance.

VII. ADDING MEMBERS

Any other city or town adjacent to the Protection Area may join this Agreement upon the written consent of all of the existing Parties to this Agreement that abut upon the boundaries of the joining city or town, the adoption by the joining city or town of a resolution authorizing execution of this Agreement, and the filing of a copy of the

executed resolution and this Agreement with the President. The Ramsey County Fire Chiefs may impose reasonable conditions on the admission of additional cities and establish procedures for removal of a Party for cause. The addition of a city or town to this Agreement as provided herein does not require an amendment to this Agreement. The joining city or town shall become subject to the terms and conditions of this Agreement as of the effective date of its participation in the sharing of services under this Agreement as determined by the President.

VIII. MISCELLANEOUS

- 1. This Agreement may be amended by written agreement of the all of the Parties.
- 2. The Parties will execute this Agreement in any number of duplicate originals, each of which constitutes an original, and all of which, collectively, constitute only one Agreement. Each Party will deliver enough executed counterpart signature pages so that all of the Parties will have a fully executed original of this Agreement. The President will coordinate the delivery of the signature pages and compiling and delivering originals of the Agreement to each of the Parties.
- 3. This Agreement is made under the law of the State of Minnesota.
- 4. This Agreement is entered into for the benefit of the Parties and is not intended to provide any rights to any third parties.
- 5. This Agreement is not exclusive and is not intended to replace any other mutual aid agreements any of the Parties may have in place.

IX. EXECUTION

Each Party has read, agreed to, and executed this Agreement on the date indicated below.
