- Council Liaison provided updates on why the council did not approved the resolution.
 - It targets a certain person.
 - It is more of a federal, national, and state level than local.
 - It is a negative-to-negative affect than negative to positive/hate with love.
- In conclusion: CEC members agreed to draft a new resolution that focuses on hate speech and bring it to the council in 2020.
 - The resolution will create a positive effect on the city.
 - Create a community conversation to help draft the resolution that reflects the city.
