Sack Thongvanh, City Administrator City of Falcon Heights 2077 Larpenteur Ave W Falcon Heights, MN 55113

Dear Sack,

First, we'd like to thank you for Falcon Heights's partnership with the North Suburban Communications Commission and Access Corporation (dba CTV North Suburbs). We truly value the Falcon Heights community and want to continue to support the city through enhancing your communications by making information available to all residents.

The cable and communications landscape continues to change. We are adapting with it. Historically, we have charged per hour for meeting coverage. We will be offering meeting coverage service as a flat rate per meeting. This makes it easier for our cities to budget, but it represents a more accurate account of our costs. The cost per meeting, when purchased in a bulk buy, is \$173 per meeting. For ala carte meetings, for emergency situations, the cost is \$207 per meeting.

We will not be increasing costs of webcasting and cablecasting this year because of the price structure change of meeting coverage.

Your Municipal Producer will continue to be Maureen Anderson. The benefit for using the CTV services is the peace of mind that the meetings will be executed properly, and there will always be a back-up operator available.

We will continue to offer the Neighborhood Network program for \$1 a year. If you chose to participate, CTV will produce at least 3 productions a year related to your city, which will also be webcasted, cable casted and archived for the city.

We are also offering a 20% discount in 2021 for our cities to utilize our social media coordination services. For your city, it would be \$4,576 for the year to have social media coordination support for your communications staff. If you would like this service added, please let us know.

Please let me know if you have any questions about the service agreement for 2021. We look forward to serving the city of Falcon Heights. Thank you.

Sincerely,

Dana Healy
Executive Director
North Suburban Access Corporation, CTV North Suburbs

North Suburban Access Corporation Professional and Technical Services Agreement

This contract is between the North Suburban Access Corporation, a Minnesota Municipal Corporation, (herein "the NSAC") and the <u>City of Falcon Heights, Minnesota</u> (herein "the City").

Recitals

- 1. Under Minnesota law, the NSAC is empowered to provide such professional and technical services as are desired by the City.
- 2. The City desires to engage the NSAC for video webcasting services and archiving services (herein "the Services").
- 3. The City represents that it is empowered to engage the NSAC.

Agreement

1. Term of Contract

- 1.1. **Duration.** This Agreement will become effective January 1, 2021 and will remain in effect for a period of one (1) year. At the expiration of the one (1) year period, the Agreement will automatically renew for another period of one (1) year, unless notice to terminate this Agreement is provided no less than ninety (90) days prior to the end of the current term. If this Agreement is terminated prior to the completion of a one (1) year period, the NSAC will be entitled to payment, determined on a *pro rata* basis, for Services satisfactorily performed.
- 1.2. Survival of Terms. The following clauses will remain in effect after the termination of the Agreement: Section 5. Liability, Section 6.Government Data Practices and Intellectual Property, Section 8.Governing Law, Jurisdiction, and Venue; and Section 9. Disclosure.

2. Services Provided

- 2.1. *Services.* The NSAC will provide the Services described in Schedule A (attached).
- 2.2. *Additional Services.* The City may also request additional services during the term of the Agreement (see Section 1.1. Duration). If accepted by the NSAC, Schedule A will be amended to include a description of the

additional services and according compensation. Unless otherwise specified, all terms of this Agreement will apply to any amendments to Schedule A.

- 2.3. **Standard of Care.** To the extent any property, such as camera or computer equipment, is loaned by the NSAC to the City, the City will exhibit a standard of care consistent with Minnesota law.
- 2.4. *City Assistance*. Depending on the nature of the Services, the NSAC may from time to time require access to public and private lands or property. To the extent the City is legally and reasonably able, the City will provide access to and make provisions to enable the NSAC or its agents or employees to enter upon public and private land and property as required for the NSAC to perform the Services.

The City will furnish the NSAC with a copy of any special standards or criteria promulgated by the City relating to the Services, including, but not limited to, design and construction standards, that is necessary for the NSAC to prepare for its performance of the Services.

3. Payment

- 3.1. *Compensation.* The City will pay for all Services to be performed by the Contractor as specified in Schedule A (attached).
- 3.2. *Fee Adjustment.* The NSAC reserves the right to annually adjust the fees associated with the Services specified in Schedule A. Such adjustments, if any, will be enacted on January 1 of a given year. Prior to enacting any fee adjustments, the NSAC must provide written notice of such to the City at least ninety (90) calendar days prior to the effective date of the fee adjustment.
- 3.3. *Invoices.* The City must promptly pay the NSAC after the NSAC presents an invoice for those Services that have been actually performed. The NSAC must timely submit invoices.
- 3.4. **Event Cancellation.** The City agrees to pay 70% of the expected event amount for any cancellation unless sufficient prior notice is provided. "Prior Notice" is defined as at least 10 business days (including the day of the event) before the scheduled event.

4. Assignment, Amendments, Waiver, and Completeness

4.1. *Assignment.* The City may not assign, license, or transfer any rights or obligation under this Agreement without prior written consent of the NSAC and a fully executed Assignment Agreement, executed and

- approved by the same parties who executed and approved this Agreement, or their successors in office.
- 4.2. *Amendments*. Any amendments to this contract must be made in writing and will not be effective until executed and approved by the same parties who executed and approved this Agreement, or their successors in office.
- 4.3. **Waiver.** If the NSAC fails to enforce in a timely manner any provision of this Agreement, that failure does not waive the provision or the NSAC's right to enforce the provision.
- 4.4. *Completeness.* This Agreement contains all negotiations and agreements between the NSAC and the City. No other understanding regarding this Agreement, whether written or oral, may be used to bind either party.

5. Liability

The City must indemnify and hold harmless the NSAC, its agents, and its employees from any claims or causes of action, including attorney's fees incurred by the NSAC arising from performance of this Agreement by the City, its agents, or its employees. The clause must not be construed to preempt any legal remedies the NSAC may have for the City's failure to fulfill its obligations under this Agreement.

6. Government Data Practices and Intellectual Property

6.1. *Government Data Practices*. To the extent applicable, the City and NSAC must comply with the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13. The civil remedies of Minn. Stat. § 13.08 apply to the release of the data referred to in this Clause by either the City or the NSAC.

Each Party shall notify the other of any Data Practices Act request for video recordings created pursuant to this Agreement. All requests for the release or sale of video recordings created pursuant to this Agreement shall be directed to and fulfilled by the NSAC.

7. Endorsement

The City must not claim that the NSAC endorses its products or services.

8. Governing Law, Jurisdiction, and Venue

Minnesota Law governs this Agreement. Venue for all legal proceedings arising from this Agreement shall be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

9. Disclosure

The City consents to disclosure of its social security number, federal employer tax identification number, and Minnesota tax identification number, to the Commission as is necessary for compliance with Minnesota and other applicable law.

10. Severability

If any section or clause of this Agreement is held to be invalid or unenforceable, then the meaning of that section or clause shall be construed so as to render it enforceable to the extent feasible. If no feasible interpretation would save the section or clause, it shall be severed from this Agreement with respect to the matter in question, and the remainder of the Agreement shall remain in full force and effect. However, in the event that such a section or clause is essential or substantially alters the Agreement, the Parties shall negotiate a replacement section or clause that will achieve the intent of such unenforceable section or clause to the extent permitted by law.

11. Employment

Employees of the NSAC performing work pursuant to this Agreement shall remain at all times employees only of the NSAC. The NSAC will be responsible for worker's compensation, salary, and training.

ORDINANCE NO. 20-XX

CITY OF FALCON HEIGHTS RAMSEY COUNTY, MINNESOTA

AN ORDINANCE AMENDING CHAPTERS 10 AND 113 OF THE FALCON HEIGHTS CITY CODE

THE CITY COUNCIL OF FALCON HEIGHTS ORDAINS:

SECTION 1 That the findings contained in the preamble to this Ordinance are as follows:

WHEREAS, honey bees (apis mellifera) are of benefit to humankind, and to Minnesota in particular, by providing agriculture, fruit and garden pollination services and by furnishing honey, and other useful products; and

WHEREAS, Minnesota is among the leading states in honey production and agricultural by products associated with beekeeping throughout the United States; and

WHEREAS, domestic strains of honey bees have been selectively bred for desirable traits, including gentleness, honey production, tendency not to swarm and non-aggressive behavior, characteristics which are desirable to foster and maintain; and

WHEREAS, gentle strains of honey bees can be maintained within populated areas in reasonable densities without causing a nuisance if the bees are properly located and carefully managed; and

WHEREAS, honeybees are bioindicators of environmental pollution and polinators for food crops and other ative and non-native plant communities; and

WHEREAS, home beekeeping is primarily a hobby or small-scale commercial enterprise for the production of honey

WHEREAS, home beekeeping enhances food security, provides a source of pure honey with known origin and composition and contributes to the environmental and food production knowledge of our citizenry

NOW THEREFORE, be it ordained and enacted by the City of Falcon Heights:

SECTION 2 In Chapter 10 – Animals of the City Code of Falcon Heights, Article V – Beekeeping and Section 10-37 – Beekeeping are added as follows:

ARTICLE V – BEEKEEPING

Section 10-37 - Beekeeping

(a) *Definitions*. As used in this article, the following words and terms shall have the meanings ascribed in this section unless the context of their usage indicates another usage.

Apiary means the assembly of one or more colonies of bees at a single location.

Beekeeper means a person who owns or has charge of one or more colonies of bees.

Beekeeping equipment means anything used in the operation of an apiary, such as hive bodies, supers, frames, top and bottom boards and extractors.

Colony means an aggregate of bees consisting principally of workers, but having, when perfect, one queen and at times drones, brood, combs, and honey.

Flyway barrier means a barrier that raises the flight path of bees as they come and go from a hive.

Hive means the receptacle inhabited by a colony that is manufactured for that purpose.

Honey bee means all life stages of the common domestic honey bee, apis mellifera species.

Lot means a contiguous parcel of land under common ownership.

Nucleus colony means a small quantity of bees with a queen housed in a smaller than usual hive box designed for a particular purpose.

Undeveloped property means any idle land that is not improved or actually in the process of being improved with residential, commercial, industrial, church, park, school or governmental facilities or other structures or improvements intended for human occupancy and the grounds maintained in associations therewith. The term shall be deemed to include property developed exclusively as a street or highway or property used for commercial agricultural purposes.

(b) *Purpose of Ordinance*. The purpose of this ordinance is to establish certain requirements for beekeeping within the City and to avoid issues which might otherwise be associated with beekeeping in populated areas. Compliance with this ordinance shall not be a defense to a proceeding alleging that a given colony constitutes a nuisance, but such compliance may be offered as evidence of the beekeeper's efforts to abate any proven nuisance. Compliance with this ordinance shall not be a defense to a proceeding alleging that a given colony violates applicable ordinances regarding public health, but such compliance may be offered as evidence of the beekeeper's compliance with acceptable standards of practice among hobby beekeepers in the State of Minnesota.

(c) Standards of practice.

- (1) Honey bee colonies shall be kept in hives with removable frames, which shall be kept in sound and usable condition.
- (2) Each beekeeper shall ensure that a convenient source of water, such as a bird bath or pet dish, is available on the lot so long as colonies remain active outside of the hive.

- (3) Each beekeeper shall ensure that no wax comb or other material that might encourage robbing by other bees are left upon the grounds of the apiary lot. Such materials once removed from the site shall be handled and stored in sealed containers, or placed within a building or other insect-proof container.
- (4) For each colony permitted to be maintained under this ordinance, there may also be maintained upon the same apiary lot, one nucleus colony in a hive structure not to exceed one standard 9-5/8 inch depth 10-frame hive body with no supers.
- (5) Each beekeeper shall maintain their beekeeping equipment in good condition, including keeping the hives painted if they have been painted but are peeling or flaking, and securing unused equipment from weather, potential theft or vandalism and occupancy by swarms. It shall not be a defense to this ordinance that a beekeeper's unused equipment attracted a swarm and that the beekeeper is not intentionally keeping bees.

(d) Colony density.

- (1) Colonies must be located in a rear yard and must meet setback and building separations as established in city zoning and building codes, except that colonies must maintain a 20-foot separation from dwellings on adjacent properties.
- (2) Except as otherwise provided in this ordinance, in each instance where a colony is kept less than 25 feet from a property line of the lot upon which the apiary is located, as measured from the nearest point on the hive to the property line, the beekeeper shall establish and maintain a flyway barrier at least 6 feet in height. The flyway barrier may consist of a wall, fence, dense vegetation or a combination thereof, such that bees will fly over rather than through the material to reach the colony. If a flyway barrier of dense vegetation is used, the initial planting may be 4 feet in height, so long as the vegetation normally reaches 6 feet in height or higher. If such a flyway barrier exists prior to establishing a colony, the beekeeper does not need to establish a new barrier.
- (3) If a flyway barrier is required, it must enclose the rear and side yards of the apiary lot, or contain the hive or hives in an enclosure at least 6 feet in height. All fences must meet the regulations of section 113-242 of the code.
- (4) A flyway barrier is not required if the property adjoining the apiary lot line is
 - a. undeveloped, or,
 - b. a wildlife management area or naturalistic park land with no horse or foot trails located within 25 feet of the apiary lot line.
- (5) No person is permitted to keep more than the following numbers of colonies on any lot within the City, based upon the size or configuration of the apiary lot:
 - a. One half acre or smaller lot, 2 colonies
 - b. Larger than 1/2 acre but smaller than 3/4 acre lot, 4 colonies

- c. Larger than 3/4 acre lot but smaller than 1 acre lot, 6 colonies
- d. Larger than one acre lot, 8 colonies
- (6) If the beekeeper serves the community by removing a swarm or swarms of honey bees from locations where they are not desired, the beekeeper shall not be considered in violation of this ordinance limiting the number of colonies if they temporarily house the swarm on the apiary lot in compliance with the standards of practice set out in this ordinance for no more than 30 days from the date acquired.

(e) Permit

- (1) No person shall keep, maintain or allow to be kept any hive or other facility for the housing of honeybees on or in any private property in the City without a permit.
- (2) Any person desiring a permit for the keeping of honeybees shall make written application to the City Administrator on a form provided, accompanied by a site plan of the real property upon which bees are to be kept, showing the number and location of hives and the provision for flyway barriers, water supply and any other conditions required by this section. The application shall include a statement that the applicant will at all times keep the bees in accordance with the provisions of this ordinance and any additional restrictions, limitation conditions or prohibitions specified in the permit as necessary to safeguard public health and general welfare.
- (3) The City Administrator may grant a beekeeping permit pursuant to this section only after the applicant has met approved educational requirement as established by the City Administrator.
- (4) Upon receipt of a permit application, mailed notice should be given by the City to the property owners or occupants within 100 feet of the property for which a beekeeping permit is sought. If any notified owner or occupant has a medically documented allergy to bees, the permit may be denied by the City Administrator. The medical documentation must be submitted to the City Administrator within 14 days for consideration of denial of the permit.
- (5) The initial permit is valid for up to two years beginning on the date the honey bees arrive on the site and ending on December 31 of the following year. Subsequent permits are valid from January 1 of one year to December 31 of the second year. The application fee for such permit shall be an amount established by the City Council. Should the permit be refused, denied or revoked, the fee paid with the application shall be retained by the City.
- (6) If an owner or occupant of property within 100 feet of the permitted location is found to have a medically documented allergy to bees after a permit has been issued, the City Administrator will consider revocation of the permit. The medical documentation must be submitted to the City Administrator for consideration of revocation of the permit.
- (7) Beekeeping permits are non-transferable and do not run with the land.

- (8) A permit is a license granted to the beekeeper by the city and does not create a vested zoning right.
- (f) *Inspection*. The City Administrator or designated official shall have the right to inspect any apiary for the purpose of ensuring compliance with this Ordinance once annually upon prior notice to the owner of the apiary property, and more often upon complaint without prior notice.
- (g) *Presumed Colony/Hive Value*. For the purpose of enforcing City ordinances against destruction of property, each colony/hive shall be presumed to have a value of \$275.

(h) Compliance.

- (1) Upon receipt of credible information that any colony located within the City is not being kept in compliance with this ordinance, the City Administrator shall cause an investigation to be conducted. If the investigation shows that a violation may exist and will continue, the City Administrator shall cause a written notice of hearing to be issued to the beekeeper, which notice shall set forth:
 - a. The date, the time and the place that the hearing will be held, which date shall be not less than 30 days' from the date of the notice;
 - b. The violation alleged;
 - c. That the beekeeper may appear in person or through counsel, present evidence, cross examine witnesses and request a court reporter, and
- (2) Notices may be served personally, or by mailing to the last known address of the owner and if the premises are occupied, to the premises. However, if the beekeeper cannot be located, then notice may be given by publication in a legal newspaper for the county in which the apiary property is located, at least seven days before the hearing.
- (3) The hearing shall be conducted by the City Council. The burden shall be on the City to demonstrate by a preponderance of evidence that the colony or colonies have been kept in violation of this ordinance. If the City Council finds a violation, then they may order that the bees be removed from the City or such other action as may address the violation, and that the apiary lot be disqualified for permitting under this ordinance for a period of two years from the date of the order, the apiary lot ownership changes, in which case the prohibition shall terminate. If the order has not been complied with within 20 days of the order, the City may remove or destroy the bees and charge the beekeeper with the cost thereof.
- (4) No hearing and no order shall be required for the destruction of honey bees not residing in a hive structure that is intended for beekeeping.
- (i) *Savings Clause*. In the event any part of this ordinance or its application to any person or property is held to be unenforceable for any reason, the unenforceability thereof will not affect the enforceability and application of the remainder of this ordinance, which will remain in full force and effect.

SECTION 2 Section 113-174(d) is amended as follows. Additions are shown with an <u>underline</u>.

Sec. 113-174 - One-family R-1 residential district

- (d) Permitted accessory uses. No accessory structures or use of land shall be permitted except for one or more of the following uses:
 - (14) Beekeeping as regulated by the Code

SECTION 3 Section 113-181(d) is amended as follows. Additions are shown with an <u>underline</u>.

Sec. 113-181 - R-4 high density multiple-family residential district-apartment buildings

- (d) Permitted accessory uses. The following uses shall be permitted accessory uses:
 - (3) All accessory uses as permitted in the R-1 and R-2 districts except that the keeping of chickens <u>and bees</u>, as regulated by the Code, is only allowed as accessory to a single-family or two-family home.

SECTION 4 This ordinance shall be effective upon its passage and a summary published in the official newspaper.

| Item | Discuss Draft Edible Landscaping Ordinance |
|-------------|--|
| Description | The City Council approved Interim Ordinance 20-04 in May 2020 to allow the City to study gardening in Falcon Heights. Shortly after the adoption of the Interim Ordinance, the City Council directed City Staff to convene a subcommittee of City Commission members to lead the effort in drafting a new Ordinance. The Garden Subcommittee consisted of members from the Environment and Planning Commissions. The subcommittee met five times between July and September to discuss the Ordinance. In late July, staff developed a web survey to gather feedback from community members about their thoughts on gardening in the city. Over the two and a half weeks that the survey was available, 322 people completed the survey. |
| | The subcommittee centered discussion around two concepts; residential gardens (gardening by owners or renters within their property), and community gardens (gardening by multiple individuals not residing on the property). The current version of the Ordinance allows residential gardening of edible landscaping as an accessory use in residential and business districts. In general, the parameters for residential gardening of edible landscaping follow those that were established for native landscaping. As such, edible gardens would not be limited in overall area, but would have to follow setback requirements. The Ordinance also states that retail sales of produce from residential gardening of edible landscaping activities would not be allowed. |
| | The Subcommittee originally formulated an allowance for community gardening of edible landscaping which would have been required to follow a number of procedures and requirements. The subcommittee initially considered a neighborhood consent provision, but after consultation from the City Attorney's office, removed that provision on due process grounds. The Subcommittee was also presented an option to allow community gardens as a conditional use. However, the consensus of the subcommittee was that they feel they could not formulate conditions that would universally address all circumstances. Ultimately, the subcommittee decided to remove community gardens altogether from the ordinance, thereby prohibiting the use. It should be noted that existing community gardens would be allow to continue as they do currently with legal nonconforming status. |
| | Following City Council discussion, the draft Ordinance will be brought before the |

| | Environment Commission at their October 12 th meeting, as well as the Planning Commission on October 27 th for a formal public hearing. The Ordinance would come back to the City Council for final approval. |

ORDINANCE NO. 20-XX

CITY OF FALCON HEIGHTS RAMSEY COUNTY, MINNESOTA

AN ORDINANCE AMENDING CHAPTERS 54 AND 113 OF THE FALCON HEIGHTS CITY CODE

THE CITY COUNCIL OF FALCON HEIGHTS ORDAINS:

<u>SECTION 1</u> Chapter 54 – Vegetation is amended as follows. Additions are shown with an <u>underline</u>, and deletions are shown with a <u>strikethrough</u>.

Section 54-38 – Regulations for private property

(b) Definitions. The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

<u>Edible landscaping</u> means the intentional planting, caring for, or otherwise cultivating plants that could produce food that is consumed by people. These plants include fruit and nut trees, berry bushes, vegetables, herbs, or edible flowers.

Native plants are those grasses (including prairie grasses), sedges (solid, triangular-stemmed plants resembling grasses), rushes, forbs (flowering broadleaf plants), vines, trees and shrubs that are plant species native to the state of Minnesota prior to European settlement.

Noxious weeds are annual, biennial, or perennial plants that the Commissioner of Agriculture designated to be injurious to public health, the environment, public roads, crops, livestock, or other property (Minnesota Noxious Weed Law, Minn. Stat. Sec. 18.75-18.91).

Ornamental plants means grasses, flowering annual, biennial, and perennial plants, shrubs, trees, and vines that may not be native to Minnesota, but are adapted. Ornamental grasses do not include turfgrasses.

Turf grass means commercially available cultured turf grass varieties, including bluegrass, fescue and ryegrass blends, commonly used in regularly cut lawn areas.

Planned landscape area means an area where ornamental plants, or native plants are planted pursuant to a plan.

Rain garden means a shallow excavated depression (typically no more than 18 inches deep) with loosened sub-soils in which ornamental or native plants that are adapted to moist conditions and have deep roots are planted for the purpose of infiltrating and filtering rain water and reducing storm water runoff. Temporary ponding of water in rain

gardens typically occurs for no more than 48 hours after rainfall assuming no subsequent rainfall.

<u>Residential garden</u> means an area of edible landscaping on a lot that is conducted by the property owners or residents of that lot.

Restoration area means an area where native plants are being, or have been, intentionally re-established

Weeds are (i) prohibited noxious weeds or (ii) any volunteer plant, except trees and other woody vegetation, which is not customarily or intentionally planted. For the purposes of this definition, weeds do not include dandelions or clover.

- (c) Location of restoration areas, and planned landscape areas, and edible landscaping areas.
 - (1) Setback. A restoration area, or a-planned landscape area, or residential garden must provide the following minimum setbacks:
 - a. Front lot line, corner side lot line, or rear lot line abutting a street or alley: two feet, and two feet from publicly maintained pavement or sidewalk
 - b. Interior side lot line or rear lot line not abutting a street or alley: two feet; provided, however, for the exception in the required side yard or rear yard setback, as described in section 54-38(c)(2).
 - (2) Mitigations for reductions in side or rear yard setback. A required interior side yard or rear yard (not abutting a street or alley) setback may be reduced to zero feet <u>for a restoration area</u>, planned landscape area, or residential garden if:
 - a. A fence at least three feet in height is installed on the lot line adjoining the restoration area, or planned landscape area, or residential garden; or
 - b. The restoration area, or planned landscape area, or residential garden abuts:
 - 1. A restoration area, <u>planned landscape area</u>, or <u>residential garden</u> on any adjoining lot;
 - 2. A public park or open space;
 - 3. A wetland, pond, lake or stream;
 - 4. Natural area; or
 - c. The restoration area or planned landscape area is located on slopes equal to, or greater than, three feet horizontal to one foot vertical (3:1).
- (d) Maintenance Standards. Every owner of property shall maintain the vegetation growing thereon according to the minimum standards set forth in this subsection:

- (1) The setback area required by section 54-38(c) shall be composed of a soil retention cover such as mulch, regularly mowed turf grasses or groundcovers maintained at six inches or less, native or ornamental plants maintained at ten inches or less, trees or shrubs, or as may be required by the city administrator to protect the soil and aesthetic values on the lot and adjacent property.
- (2) Non-woody vegetation in a planned landscape area shall be cut at least once annually between April 15 and July 15 to a height no greater than 10 inches.
- (3) It is unlawful to plant any tree or shrub within five feet of a property lot line abutting a right-of-way of a public street or alley.
- (4) Property owners shall prune trees and shrubs located on private property so they will not obstruct pedestrian sidewalk traffic, nor obstruct the view of any traffic sign, street, alley, or intersection. Overhanging portions of trees and shrubs must be pruned to maintain a minimum clearance of eight feet over all sidewalks, and 16 feet over all streets.
- (5) Properties shall be free of blight and blighting factors, as described in section 22-19.
- (6) Properties shall be free of public nuisances, as described in section 22-47.
- (7) The city may require the owner or occupant who has planted, or has allowed to be planted, native plants or other vegetation within a drainage or utility easement to remove the native plants or other vegetation from the drainage and utility easement at no expense to the city if the city determines the native plants or vegetation interferes with the utility easement. The city will not be responsible for damage to turfgrass and/or any landscaped areas resulting from public works improvements or snow removal activities within drainage and utility easements.
- (8) Retail sales of produce from edible landscaping activities shall not occur on the property.

SECTION 2 Subsection 113-174(d) is amended as follows. Additions are shown with an <u>underline</u>, and deletions are shown with a strikethrough.

Section 113-174 – One-family R-1 residential district

- (d) Permitted accessory uses. No accessory structures or use of land shall be permitted except for one or more of the following uses:
 - (1) Home occupations meeting the definitions and requirements of section 113-391.
 - (2) Private tennis courts, provided no portion of the paved or fenced area is within a required front yard or less than ten feet from a property line.
 - (3) One private garage or carport and parking space as regulated in section 113-240.
 - (4) Private automobile repair or reconditioning as regulated in section 113-250.

- (5) Gardening and other horticultural uses where no retail sale of products is conducted on the premises. Planned landscape areas and edible landscape areas, including residential gardens, as defined and regulated in section 54-38.
- (6) Keeping of domestic pets as required in the Code.
- (7) Signs as provided in subsection (g) of this section.
- (8) Decorative landscape features and fences as regulated herein.
- (9) Accessory buildings other than detached private garages as regulated herein. The design and placement of the accessory buildings must be approved by the planner as being in harmony with the surrounding residential neighborhood.
- (10) Buildings temporarily located for purposes of constructing on the premises for a period not to exceed the time necessary for such construction (approved by zoning administrator).
- (11) One composting area, or one compost structure as defined in section 113-240(1), of plant material including leaves, grass clippings, plant trimmings, fruits, vegetables and peels, but excluding animal derived materials such as bones, meat scraps and dairy products, not to cover more than 25 square feet in area and five feet in height in the rear yard. A larger composting area requires a permitted accessory use permit. A compost area must be set back at least five feet from any property line. The compost shall be maintained according to accepted composting practices for the residential yard.
- (12) Garage and residential boutique sales limited to four sales each calendar year per residential unit, not to exceed ten consecutive days or two consecutive weekends each.
- (13) Keeping of chickens as regulated by the Code.

SECTION 3 Subsection 113-177(e) is amended as follows. Additions are shown with an <u>underline</u>, and deletions are shown with a <u>strikethrough</u>.

Section 113-177 – B-1 neighborhood convenience district

- (e) Permitted accessory uses. The following uses shall be permitted accessory uses:
 - (1) Off-street parking and loading, signs, fences, and decorative landscape features as regulated herein.
 - (2) Temporary construction buildings (approved by zoning administrator).
 - (3) Accessory structures other than private garages as regulated herein. The design, placement, screening and size of the accessory buildings must be approved by the city council as being in harmony with the surrounding business district and neighborhood after review and recommendation by the planning commission.
 - (4) Essential service structures, provided no building shall be located within 30 feet of an abutting lot in an R district. The placement of the essential service structure must be approved by the city council as being in harmony with the surrounding business district and neighborhood after review and recommendation by the planning commission.

- (5) Public telephone booths or drive-up service. The placement of the telephone booth or drive-up service must be approved by the city council as being in harmony with the surrounding business district and neighborhood after review and recommendation by the planning commission
- (6) Planned landscape areas and edible landscape areas, including residential gardens, as defined and regulated in section 54-38.
- (67) Other as deemed to be normal, customary, and incidental by the zoning administrator.

SECTION 4 Ordinance 20-04 is repealed in its entirety.

SECTION 5 This ordinance shall be effective upon its passage and a summary published in the official newspaper.

| Item | The Hendrickson PUD Amendment Update |
|-------------|--|
| Description | The Urban Farm planned unit development (PUD) district provides the regulations for The Good Acre and The Hendrickson on Larpenteur Avenue. While construction at the Hendrickson was wrapping up in spring 2020, it was discovered that paver grass was not installed on the east side of the property, between the building and the garages on the Larpenteur Manor property. Paver grass was discussed during the project application process in 2018 and was included in the final site plan and landscaping plan. The property owner would like to remove the paver grass from the scope of the project. In order to do so, a PUD amendment is required, as well as updated plans for the City's files. |
| | Paver grass is a method of placing reinforcements (pavers) under sod so that the ground does not collapse when driven on but is still aesthetically pleasing. In the context of The Hendrickson, paver grass was considered as a possibly helpful addition on the east side of the building for light-duty truck access in the case of emergency. There is a surmountable curb on the north side of the east wall, but no corresponding drive-over curb on the south end. |
| | The Fire Marshall as well as Fire Chief from Roseville Fire Department visited the site. In their perspective, the paver grass is not a necessary component of the project. The building is fully sprinkled and could be accessed by hand ladders as well as hoses. The recommendation from the Fire Department is that the addition of a paver system would not be a great improvement on the current situation. |
| | Staff concur with this assessment and recommend approval of the ordinance amendment, which would remove the paver grass from the project scope for The Hendrickson. If approved by the City Council, no paver grass would have to be installed. If the amendment is not approved, the property owner would have to remove the current landscaping and install the paver. |
| | At their September 22 nd meeting the Planning Commission approved a motion on a 4-0 vote to recommend approval of the proposed Amendment. The City Council will consider the PUD amendment at the October 14 th meeting. |

August 31, 2020

TO: Falcon Heights Planning Commission/Falcon Heights City Council

RE: Request to Amend the Approved Site Plan

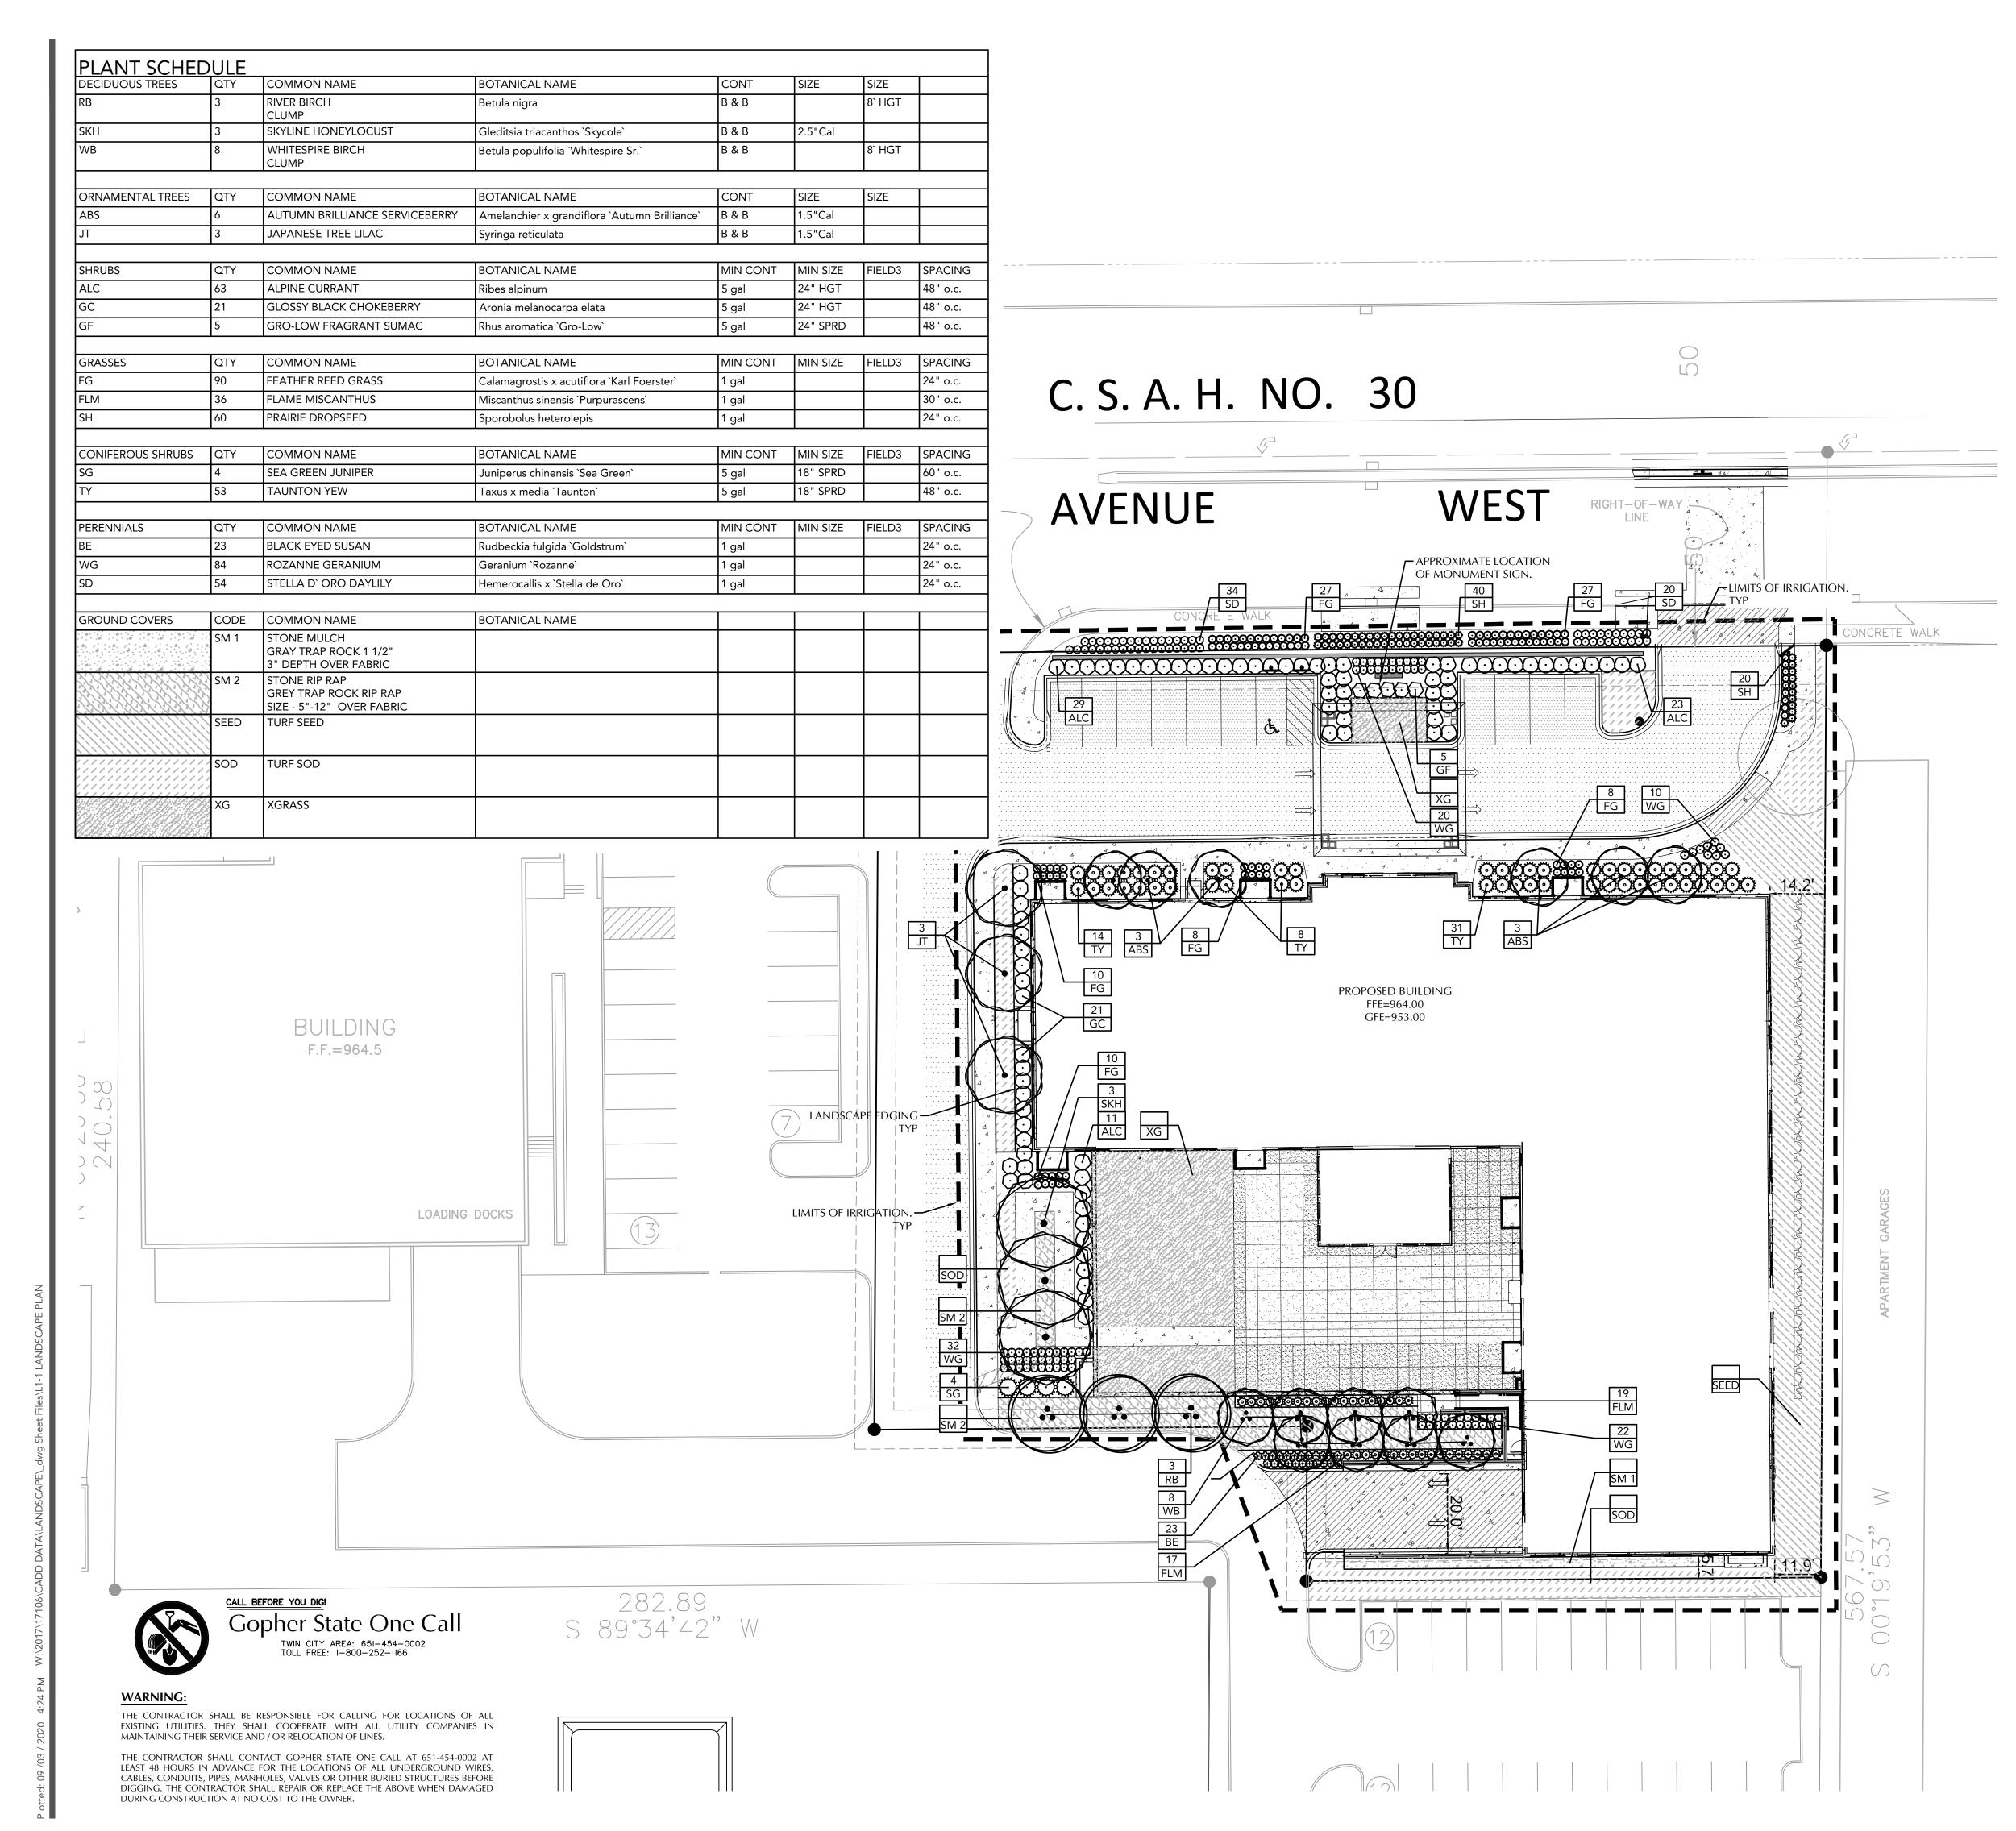

The planning commission approved the PUD amendment on 2/27/2018. The submission included a site plan and a landscaping plan. The site plan noted "Grass Pavers" on the east side of the building. The landscaping plan did not reference the "Grass Pavers" it just noted turf seed.

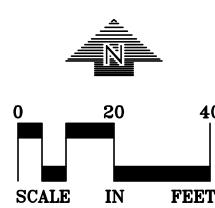

"Grass Pavers" were proposed because paving the area between the building and the neighboring garage buildings would be aesthetically unappealing. The "Grass Pavers" are designed to accommodate the weight of a fire truck.

The initial review of the site plan by the Fire Chief, included a recommendation to add a hydrant at the rear of the property. In further review of the fire code, since the building was 100% sprinkled, the additional hydrant was not required.

Our Architect was representing us in conversations with the city and the Fire Chief. We thought that probability of driving a fire truck along the east side of the building was discussed at that time. Our position was that by the time a fire truck arrived on site, the sprinkler system would have flooded the building. We were told the Fire Chief thought it would be have a drive lane wide enough to drive a pick-up truck between the building if necessary.

A pickup truck could drive on that side of the building without the need to Install the "Grass Pavers" at a cost of \$30K.

Contract City Managers,

Throughout the pandemic we have identified several items that would greatly improve the safety of our staff, decrease the likelihood they will contract COVID-19, and promote their ability to continue providing safe and professional public service to the citizens of the contract cities. The following items are listed and described in the order of the most immediate need.

| Item | Price | Quantity | Total | Vendor |
|-----------------------------|-----------|----------|------------|----------------|
| Helmet & Face Shield | 1157.98 | 95 | 110,385.09 | Team Wendy |
| Medical Bags & Contents for | 300.00 | 15 | 4500.00 | Galls / |
| Squads | | | | McKesson |
| Office Sneeze Guards | 1720.08 | N/A | 1720.08 | Rak |
| | | | | Construction |
| Mobile Fingerprint | 3,435.00 | 15 | 51,525.00 | DataWorks |
| Identification System | | | | Plus |
| PPE | 10,000.00 | N/A | 10,000.00 | Various |
| Conex Box | 2,940,00 | 1 | 2,940.00 | Big Blue Boxes |

- The helmets and face shield purchase will eliminate a shared item that retain germs.
 Acquiring this item will provide deputies with equipment that will prevent the spread of COVID-19 and protect them from deadly threats and other airborne objects propelled at them.
- The medical bag purchase will increase the amount of life-saving equipment available in our squad cars and reduce the need to share and transfer these items between squad cars and deputies. Acquiring more bags will reduce the number of surfaces and buildings each bag is deployed in and prevent the spread of COVID-19 and other viruses from one squad to the next and one deputy to another.
- The office sneeze guards will be installed around the high traffic area in the administrative cubicles. The guards will be installed in the two cubicles that experience the largest amount of employee visits. These will help protect our clerical staff from being overly exposed to COVID-19 and other viruses.
- The mobile fingerprint identification system will provide our deputies with the ability to immediately identify individuals they encounter. This purchase will prevent this device from being constantly shared and transferred among deputies and squad cars and prevent the spread of COVID-19. This purchase also serves to enhance equitable service by reducing the length of time people are detained for identification purposes.

- The personal protective equipment purchase would provide our employees with replacement masks, cleaning supplies, and other COVID-19 protective items. We have utilized multiple vendors to acquire items throughout the pandemic and these items are sporadically available at fluctuating prices. It is difficult to provide an accurate price and quantity for these purchases based on availability. The amount listed will assist our ability to provide our employees with the necessary protective equipment.
- The conex box is needed to contain replacement supplies due to a shortage of space in the PSSD building.

Table of Contents

- I. Introduction
- II. Purpose and Authority
- III. Objectives
- IV. General Criteria
- V. Program Guidelines
- VI. Application Process

I. INTRODUCTION

Small businesses and non-profits are integral and vital to the economic and social fabric of the City of Andover (City). Accordingly, the Andover Economic Development Authority has determined to offer locally owned and operated businesses and non-profits, within the community, a grant opportunity to address working capital needs upon the declaration of a state of emergency by the State of Minnesota (State) and the City. The COVID-19 Emergency Grant Program is administered by the Andover EDA.

II. PURPOSE AND AUTHORITY

- The purpose of this policy is to establish the Andover EDA's position relating to the use of the COVID-19 Emergency Grant Program. This policy shall be used as a guide in the processing and review of applications requesting grant funds.
- The criteria are to be used in conjunction with other relevant policies of the City and/or Andover EDA.
- The Andover EDA reserves the right to approve or reject projects on a case-by-case basis, taking into consideration factors considered appropriate by the City, in addition to established polices, criteria, and potential benefits. Meeting the criteria does not guarantee a COVID-19 Emergency Grant Program application shall be approved. Approval or denial of an application is at the sole discretion of the Andover EDA.

III. OBJECTIVES

The objective of the COVID-19 Emergency Grant Program is to deploy a local pool of funds to support local small businesses and non-profits in order to ensure viability as they move past the COVID-19 pandemic and seek to re-open or return to pre-pandemic operations. This may be accomplished by some or all of the following means:

- Provide needed finances to small businesses and non-profits within the community which have been negatively affected financially as a direct result of the COVID-19 pandemic;
- Ensure the viability of Andover businesses and non-profits moving past this crisis;
- Limiting the number of job losses as a direct result of the pandemic by assisting small businesses and non-profits in returning to their pre-pandemic employment levels;
- ➤ Limiting the number of small businesses and non-profits which would potentially permanently close due to COVID-19 pandemic impacts. Thereby also limiting the total number of potential vacancies in key commercial and industrial areas of the City.

IV. GENERAL CRITERIA

A. <u>ELIGIBLE EXPENDITURES</u>

The COVID-19 Emergency Grant Program is intended for those business that have been directly and adversely affected by the COVID-19 Health Pandemic. The COVID-19 Emergency Grant Program may be used for working capital purposes defined as:

- 1. Paying fixed debts;
- 2. Payroll costs;
- 3. Accounts payable;
- 4. Utility payments;
- 5. Inventory costs;
- 6. Paying other direct business-related bills.

B. <u>INELIGIBLE ACTIVIES</u>

The COVID-19 Emergency Grant Program may not be used for the following activities:

- 1. Agriculture (crop or livestock production, etc.);
- 2. Purchasing of machinery or vehicles;
- 3. Moving expenses;
- 4. Land acquisition for speculation;
- 5. Property taxes;
- 6. Expenses that would have normally occurred without the COVID-19 Health Pandemic.

C. <u>ELIGIBLE BUSINESS DETAILS</u>

To be eligible to receive a COVID-19 Emergency Grant, a business or non-profit must demonstrate that its operations have been directly and adversely, negatively, affected by the COVID-19 Health Pandemic and/or that it operates in a category named in Executive Orders 20-04 and 20-08. All applicants must meet the following criteria:

- Have been "in business by March 1, 2020" (Andover EDA shall have authority to determine "been in business");
- 2. Be considered an eligible business type, as defined in IV. C of this policy;
- 3. Have no more than 50 FTE (full-time equivalent) employees at the location address. Special consideration may be given to businesses and non-profits which utilize independent contractors and sole proprietors within their business;

- 4. The small business or non-profit must have a physical address within the City. Proof of address shall be required when applying;
- 5. All small business or non-profit applicants must be an allowed use through zoning of the property or be a legally non-conforming use;
- 6. The small business or non-profit must be a legal entity registered with the Minnesota Secretary of State, and be in good standing;
- 7. Any applicant must not have delinquent taxes, bills, or charges due to the City from February 1, 2020 or prior.
- 8. The applicant must demonstrate, through their narrative, that operations will not survive "but-for" a grant opportunity.
- 9. Applicants are strongly encouraged to claim all applicable private and public insurance and utilize all other sources of applicable assistance available from other private and public sources. Applicants are strongly encouraged to apply for an Economic Injury Disaster Loan through the Small Business Administration (SBA), a Small Business Emergency Loan through the Minnesota Department of Employment and Economic Development (DEED), and for a grant through Anoka County prior to applying for this grant.

D. ELIGIBLE BUSINESS TYPES

Eligible small businesses which may apply for the COVID-19 Emergency Grant Program include businesses which have been deemed non-essential by the State of Minnesota or those which have faced mandated closures per State of Minnesota orders.

The Andover EDA may allow for non-profits to apply to the COVID-19 Emergency Grant Program if they also have been deemed non-essential by the State of Minnesota or which have faced mandated closures per State of Minnesota orders.

E. <u>REQUIRED DOCUMENTS</u>

Application requirements include:

- 1. Basic details about the business:
- 2. Basic employment and annual gross revenue information;
- 3. Information on current operations including whether the business is currently closed or is providing reduced services;
- 4. Narrative descriptions and estimated calculations of the negative impacts on the business due to COVID-19;
- 5. Articles of Incorporation, or proof of business existence;
- 6. Information on the intended use of the grant funds.

F. <u>CONFLICT OF INTEREST</u>

An officer of the City will not have a personal financial interest or personally benefit financially from the business to be assisted. Minn. Stat. 471.87 and 471.88 provide guidance on conflict of interest.

G. GOVERNMENT DATA PRACTICES

Information contained in the application for assistance will become a matter of public record with the exception of those items protected under Minn. Stat. 13.591.

V. PROGRAM GUIDELINES

GRANT AMOUNT

 Actual loss up to \$50,000 (subject to total funds available and number of application submitted).

PROOF OF NEED

 All applicants shall be required to provide proof of financial need for grant funds prior to approval. This includes but is not limited to the previous year's annual gross revenue, average monthly gross revenue prior to COVID-19, and projected monthly gross revenue for the next two months.

PROOF OF EXPENSES

 Applicant shall provide proof of eligible expenses requested to be paid with grant funds (see eligible expenses in IV. A).

> DISBURSEMENT OF FUNDS:

 Funds shall be distributed within one to two weeks after a fully executed grant agreement has been received depending on how grant recipients elect to receive funds.

> TERMINATION:

 The Andover EDA retains the right to terminate any agreement under the COVID-19 Emergency Grant Program if a grant recipient is found to be in violation of any conditions set forth in the grant guidelines or grant agreement.

➤ RIGHT TO DENY:

The Andover EDA retains the right to deny any application for grant funding.

GRANT AGREEMENT:

 Upon a successful grant application being awarded funds, the grant recipient shall enter into a Grant Agreement with the Andover EDA. Funds will not be distributed for any grant award until a grant agreement has been executed by all required parties.

➤ REPORTING:

 As a condition for receiving grant funding, all grant recipients are required to submit a brief report to the Andover EDA within 60-days after an executed grant agreement, specifying how the entirety of the grant funds were utilized and providing evidence in the form of paid invoices, statements, or similar documentation.

> FUNDING AVAILABILITY:

 The COVID-19 Emergency Grant Program has a limited amount of funds available. Awards will be provided after an application deadline and selection process has occurred.

> INDEMNIFICATION:

 All grant recipients shall be required to indemnify the City, the Andover EDA, and any officers acting on their behalf.

VI. APPLICATION PROCESS

All applications for funding from the COVID-19 Emergency Grant Program will be until 4 pm on August 17, 2020. Applications will be required to be submitted to the Andover EDA (contact information is listed below). Upon submission of an application, Andover EDA Staff will review the application to ensure complete information is provided. If additional information is needed, Staff will request the needed information.

I. INTRODUCTION

Small businesses and non-profits are integral and vital to the economic and social fabric of the City of Big Lake (City). Accordingly, the Big Lake Economic Development Authority (BLEDA) has determined to offer locally owned and operated businesses and non-profits, within the community, a grant opportunity to address working capital needs upon the declaration of a state of emergency by the State of Minnesota (State) and the City. The COVID-19 Emergency Grant Program is administered by the BLEDA.

II. PURPOSE AND AUTHORITY

- The purpose of this policy is to establish the BLEDA's position relating to the use of the COVID-19 Emergency Grant Program. This policy shall be used as a guide in the processing and review of applications requesting grant funds.
- The criteria are to be used in conjunction with other relevant policies of the City and/or BLEDA.
- The BLEDA reserves the right to approve or reject projects on a case-by-case basis, taking into consideration factors considered appropriate by the City, in addition to established polices, criteria, and potential benefits. Meeting the criteria does not guarantee a COVID-19 Emergency Grant Program application shall be approved. Approval or denial of an application is at the sole discretion of the BLEDA.

III. OBJECTIVES

The objective of the COVID-19 Emergency Grant Program is to deploy a local pool of funds to support local small businesses and non-profits in order to ensure viability as they move past the COVID-19 pandemic and seek to re-open or return to pre-pandemic operations. - Ensure the viability of Big Lake businesses and non-profits moving past this crisis;
- Limiting the number of job losses as a direct result of the pandemic by assisting small businesses and non-profits in returning to their pre-pandemic employment levels;
- Limiting the number of small businesses and non-profits which would potentially permanently close due to COVID-19 pandemic impacts. Thereby also limiting the total number of potential vacancies in key commercial and industrial areas of the City.

IV. GENERAL CRITERIA

A. ELIGIBLE EXPENDITURES

The COVID-19 Emergency Grant Program may be used for working capital purposes defined as:

- 1. Paying fixed debts;
- 2. Payroll costs;
- 3. Accounts payable;
- 4. Utility payments;
- 5. Inventory costs;
- 6. Paying other direct business-related bills.

B. ELIGIBLE BUSINESS DETAILS

To be eligible to receive a COVID-19 Emergency Grant, a business or non-profit must demonstrate that its operations have been negatively affected by the COVID-19 Health Pandemic. All applicants must meet the following criteria:

- 1. Have been "in business by March 1, 2020" (BLEDA shall have authority to determine "been in business");
- 2. Be considered an eligible business type, as defined in IV. C of this policy;
- 3. Have no more than 100 FTE (full-time equivalent) employees at the location address. Special consideration may be given to businesses and non-profits which utilize independent contractors and sole proprietors within their business;
- 4. The small business or non-profit must have a physical address within the City. Proof of address shall be required when applying;
- 5. All small business or non-profit applicants must be an allowed use through zoning of the property or be a legally non-conforming use;
- 6. The small business or non-profit must be a legal entity registered with the Minnesota Secretary of State, and be in good standing;
- 7. Any applicant must not have delinquent taxes, bills, or charges due to the City from February 1, 2020 or prior.
- 8. The applicant must demonstrate, through their narrative, how the use of funds will be used to assist in recovery of the small business or non-profit.
- 9. Applicants are strongly encouraged to claim all applicable private and public insurance and utilize all other sources of applicable assistance available from other private and public sources. Applicants are strongly encouraged to apply for an Economic Injury Disaster Loan through the Small Business Administration (SBA), the Paycheck Protection Program (PPP) Ioan through the SBA, a Small Business Emergency Loan through the Minnesota Department of Employment and Economic Development (DEED), and for a grant through Sherburne County prior to applying for

this grant. Utilizing other funds does not disqualify an applicant from being awarded a COVID-19 Emergency Grant from the BLEDA.

C. ELIGIBLE BUSINESS TYPES

Eligible small businesses which may apply for the COVID-19 Emergency Grant Program include businesses which have been deemed non-essential by the State of Minnesota, those which have faced mandated closures per State of Minnesota orders, and those that can demonstrate their business has been interrupted by the COVID-19 pandemic.

The BLEDA may allow for non-profits to apply to the COVID-19 Emergency Grant Program if they also have been deemed non-essential by the State of Minnesota, have faced mandated closures per State of Minnesota orders, or can demonstrate their organization has been interrupted by the COVID-19 pandemic.

D. <u>INELIGIBLE ACTIVITIES</u>

The COVID-19 Emergency Grant Program may not be used for the following activities:

- 1. Agriculture (crop or livestock production, etc.);
- 2. Purchasing of machinery or vehicles;
- 3. Moving expenses;
- 4. Payment of property taxes;
- 5. Land acquisition for speculation.

F. <u>REQUIRED DOCUMENTS</u>

Application requirements include:

- 1. Basic details about the business;
- 2. Basic employment and annual gross revenue information;
- 3. Information on current operations including whether the business is currently closed or is providing reduced services;
- 4. Narrative descriptions and estimated calculations of the negative impacts on the business due to COVID-19;
- 5. Articles of Incorporation, or proof of business existence;
- 6. Information on the intended use of the grant funds.

H. CONFLICT OF INTEREST

An officer of the City will not have a personal financial interest or personally benefit financially from the business to be assisted. Minn. Stat. 471.87 and 471.88 provide guidance on conflict of interest.

I. GOVERNMENT DATA PRACTICES

Information contained in the application for assistance will become a matter of public record with the exception of those items protected under Minn. Stat. 13.591.

V. PROGRAM GUIDELINES

GRANT AMOUNT

 Actual loss (subject to total funds available and number of application submitted).

PROOF OF NEED

 All applicants shall be required to provide proof of financial need for grant funds prior to approval. This includes but is not limited to the previous year's annual gross revenue, average monthly gross revenue prior to COVID-19, and projected monthly gross revenue for the next two months.

PROOF OF EXPENSES

 Applicant shall provide proof of eligible expenses requested to be paid with grant funds (see eligible expenses in IV. A).

➤ DISBURSEMENT OF FUNDS:

 Funds shall be distributed within one to two weeks after a fully executed grant agreement has been received depending on how grant recipients elect to receive funds.

> TERMINATION:

 The BLEDA retains the right to terminate any agreement under the COVID-19 Emergency Grant Program if a grant recipient is found to be in violation of any conditions set forth in the grant guidelines or grant agreement.

> RIGHT TO DENY:

o The BLEDA retains the right to deny any application for grant funding.

➤ GRANT AGREEMENT:

 Upon a successful grant application being awarded funds, the grant recipient shall enter into a Grant Agreement with the BLEDA. Funds will not be distributed for any grant award until a grant agreement has been executed by all required parties.

REPORTING:

 As a condition for receiving grant funding, all grant recipients are required to submit a brief report to the BLEDA within 60-days after an executed grant agreement, specifying how the grant funds were utilized thus far and providing evidence in the form of paid invoices, statements, or similar documentation.

> FUNDING AVAILABILITY:

 The COVID-19 Emergency Grant Program has a limited amount of funds available. Awards will be provided after an application deadline and selection process has occurred.

> INDEMNIFICATION:

 All grant recipients shall be required to indemnify the City, the BLEDA, and any officers acting on their behalf.

VI. APPLICATION PROCESS

All applications for funding from the COVID-19 Emergency Grant Program will be accepted until 4 pm on August 5, 2020. **Applications must be physically in Big Lake City Hall by the deadline.** Applications will be required to be submitted to the BLEDA (contact information is listed below). Upon submission of an application, BLEDA Staff will review the application to ensure complete information is provided. If additional information is needed, Staff will request the needed information.

City of Houston CARES Business Relief Grant

Program Description

Introduction

The City of Houston City Council has allocated \$10,000 of city CARES Act Funds to be disbursed to small businesses (50 or fewer employees and \$5m or less in annual revenue) and nonprofits (not religiously affiliated and with a physical presence in the City of Houston) in the form of an economic development relief grant to partially reimburse the cost of business interruption caused by the COVID-19 pandemic due to mandatory shutdowns, restrictions, lack of business, or lost revenue as a result of the pandemic.

Grant Terms

- Grants will be awarded to eligible applicants on a first-come, first-served basis. Businesses and nonprofits
 may be prioritized based on impact.
- The City of Houston reserves the right to ask for additional information for any reason and to reject or modify any application or portions thereof that do not meet the guidelines or application process requirements in the interest of expedient processing. Incomplete applications will not be considered.
- Only one application per business will be accepted.
- All awarded grants are subject to an audit.
- Recipients must comply with all Federal and State CARES Act fund guidelines. They can be found at https://home.treasury.gov/policy-issues/cares.

Other Qualifying Criteria

- If the applicant has been awarded funds from other CARES Act programs, the applicant must not use the funds the applicant receives from this program for the same purpose.
- The City of Houston reserves the right to change these program guidelines and/or application at any time.

Timeline

- Applications will be accepted starting August 28, 2020. Applications should be e-mailed to houstoncaresgrant@cedausa.com.
- Applications are due by September 30, 2020.
- The City of Houston is working with Community and Economic Development Associates (CEDA) to help administer the review of applications. Questions should be directed to CEDA by e-mailing houstoncaresgrant@cedausa.com or calling 507-867-3164.
- Applications will be reviewed on a rolling basis as they are received. The city council will make the final
 award approval at either their September 2020 or October 2020 city council meeting, depending on when
 completed applications are submitted. All applications must be received by September 30, 2020 to be
 eligible. The city council retains the right of ultimate review and may reevaluate the program for changes
 if funding remains after their final review in October.

I. INTRODUCTION

Small businesses and non-profits are integral and vital to the economic and social fabric of the City St. Francis (City). Accordingly, the St. Francis Economic Development Authority (EDA) has determined to offer locally owned and operated businesses and non-profits, within the community, a grant opportunity to address working capital needs upon the declaration of a state of emergency by the State of Minnesota (State) and the City. The Small Business Relief Grant Program (Grant) is administered by the SFEDA.

II. PURPOSE AND AUTHORITY

- The purpose of this policy is to establish the EDA's position relating to the use of the Small Business Relief Grant Program. This policy shall be used as a guide in the processing and review of applications requesting grant funds.
- The criteria are to be used in conjunction with other relevant policies of the City and EDA.
- The EDA reserves the right to approve or reject projects on a case-by-case basis, taking into consideration factors considered appropriate by the City and EDA, in addition to established polices, criteria, and potential benefits. Meeting the criteria does not guarantee a Cares Act Small Business Relief Grant Program application shall be approved. Approval or denial of an application is at the sole discretion of the EDA.
- Funds are available due to the Federal CARES Act. City and EDA are creating a pass through for funds to create Grants for small business relief. Federal funds are subject to audit

III. OBJECTIVES

The objective of the Cares Act Grant is to deploy a local pool of funds to support local small businesses and non-profits in order to ensure viability as they move past the COVID-19 pandemic and seek to re-open or return to pre-pandemic operations. This may be accomplished by some or all of the following means:

- Provide needed finances to small businesses and non-profits within the community which have been negatively affected financially as a direct result of the COVID-19 pandemic;
- Ensure the viability of St. Francis businesses and non-profits moving past this crisis;
- Limiting the number of job losses as a direct result of the pandemic by assisting small businesses and non-profits in returning to their pre-pandemic employment levels;
- ➤ Limiting the number of small businesses and non-profits which would potentially permanently close due to COVID-19 pandemic impacts. Thereby also limiting the total number of potential vacancies in key commercial and industrial areas of the City.

IV. GENERAL CRITERIA

A. ELIGIBLE EXPENDITURES

Funds cannot be used to replace lost revenues.
