- C. PRESENTATION
1. ~~League of Women Voters Presentation~~
 2. Peace Garden Update

Sharon Castle

Most of the hardscape work on the Philando Castile Memorial Peace Garden was wrapped up before the State Fair began on August 26. Very soon we will begin the plantings around the concrete pad. There are 7 trees that will be planted. A local artist was hired to do some etching on the concrete pad. There are plans to install permanent fixtures that people can put artwork on, but this is still evolving. Once the plantings are done and the mulching is done, the public will be welcome to visit the site.
