## Honorary Naming of Larpenteur Avenue

#	RESPONSES	DATE
1	This is the least we can do	1/27/2021 9:23 PM
2	This case is historic, thank God for video footage! HIS LIFE MATTERS	1/27/2021 9:09 PM
3	Justice wasn't served	1/27/2021 9:06 PM
4	A good hearted young man that should still be serving his community.	1/27/2021 5:12 PM
5	I believe it would be a lasting way to remember Philando. It would serve as a reminder to all that we need to fight for justice.	1/27/2021 3:39 PM
6	The murder of Philando is unjust and wrong. May changes like this be our daily reminder that we need to keep pushing for deep, systemic racial and social change to ensure this never happens again. May this be our reminder to push for even bolder change for black liberation, racial equity, defunding the police so that our community is safe and sound by systems built and sustained directly by the community.	1/27/2021 2:55 PM
7	Because it is a reminder for us to hold people accountable for adverse actions taken on human life. Often times we want people to be honored for perfection. But in the case of Mr. Castile, it wouldn't have mattered. His life was taken in a way thats changed the lives of many in the community. Makes you wonder if being the perfect model citizen really is enough to be considered good enough to live in the eyes of people who are sworn to serve in protect.	1/27/2021 1:49 PM
8	Its terrible what happened to him and he did good in the community. What happened needs to be remembered so it happens less. Hopefully one day it doesn't happen at all.	1/27/2021 1:06 PM
9	Philando deserves justice and a memorial dedicated to the great person he was in the community!	1/27/2021 7:34 AM
10	Black lives matter ♥	1/27/2021 7:11 AM
11	Philando lost his life on that street and received no justice . That's the least the city can do to honor him.	1/27/2021 7:11 AM
12	Justice	1/27/2021 7:10 AM
13	I knew of him and he was a nice and humble man. Tragic he was not honored in the justice system.	1/27/2021 7:10 AM
14	What happened to him was wrong. A street named in Castile's honor will remind law enforcement to think before shooting - I hope. It's the right thing to do.	1/27/2021 7:10 AM
15	He acted positively for others and deserves the same from us	1/27/2021 7:09 AM
16	His death was a tragedy that never should have happened and it was caused by a government paid employee who is supposed to protect and serve. The least that can be done is he have a street named after him and he is always remembered. This is not something that should be forgotten.	1/27/2021 6:10 AM
17	It's the right thing	1/27/2021 6:08 AM
18	He loved his community. He was respectful towards the officer. The officer didnt follow protocol	1/27/2021 5:14 AM
19	To remember the tragedy and educate about biases	1/27/2021 4:38 AM
20	Philando's murder shocked the world awake to the brutal and racist policing practices in our country and in our state. Lest we forget that this right-turn lane--on this avenue that welcomes millions of Minnesotans yearly to our State Fair celebrations--was the site of Philado's ritual killing, we must erect a memorial and rename this stretch of road. Think of it as our "right turn".	1/26/2021 6:02 PM
21	I support the honorary name change of Larpenteur Ave to honor the life of Philando Castille.	1/25/2021 11:41 AM
22	I support the honorary name change of Larpenteur Ave to honor the life of Philando Castille.	1/25/2021 11:40 AM
23	It's the least we can do.	1/23/2021 9:06 PM
24	We owe it to all Black community members to keep Philando's name on our tongues, that we might commit ourselves to being better allies and a safer neighborhood.	1/23/2021 5:32 PM

## Honorary Naming of Larpenteur Avenue

25	To honor Philando -- and acknowledge the senseless tragedy which occurred on Larpenteur in Falcon Heights.	1/23/2021 1:49 PM
26	It honors the loss that his family and the community felt. He died very young. It was a tragedy that could have been avoided.	1/23/2021 8:42 AM
27	Philandro should be remembered and his killing is something Falcon Heights should never forget. If we are to achieve true change we need to acknowledge the city's mistakes and honor those that lead us toward a more inclusive path.	1/23/2021 8:31 AM
28	We can never forget that this tragedy happened right here in our city.	1/22/2021 5:23 PM
29	History should be remembered	1/22/2021 5:20 PM
30	We were all diminished by the young man's death, and this is a way to show he mattered.	1/22/2021 4:23 PM
31	Philando Castile was a person. He deserves to be remembered. Our community and our nation needs to be reminded of how far we have to go to achieve racial equality.	1/20/2021 9:45 PM
32	Because Castille was killed unjustly, and on "our" watch. Though he may not have been a model citizen, by all measures he was a good person, a loving family member and a kind man. He should not have died. An honorary and official renaming would support that fact.	1/20/2021 3:16 PM
33	he needs memorialization	1/20/2021 11:01 AM
34	Because Philando deserves honor and respect—he was a loved, valued and important community member. He needs to be honored.	1/20/2021 7:52 AM
35	The city of falcon heights where he resided failed him as a resident of their city by not conducting a deeper investigation into the officers they were utilizing to police their community and in turn cost this man his life. Its the least they could do.	1/19/2021 8:18 PM
36	Seems like the least we can do to memorialize this much-loved community member who was unjustly cut down in his prime.	1/19/2021 7:14 PM
37	It is a way to honor a black man who was wrongfully killed.	1/19/2021 5:31 PM
38	I carefully read, again, the full story of the shooting and concluded that it was unjustified and the act was embedded in the racial injustice attitude commonly and thoughtlessly being applied as acceptable behavior. The honorary naming may help to keep the issue of social injustice up front long enough to remind those who read it that reform is not only humanly possible but essential for the health of our society. The act happened in Falcon Heights and a thoughtful and meaningful response from Falcon Heights is required.	1/19/2021 1:25 PM
39	A way to promote racial justice and some healing from his death	1/19/2021 10:05 AM
40	lest we forget	1/19/2021 9:37 AM
41	An innocent man was killed violently and with no justifiable reason at all. He was only driving while black and we need to give honor to his name and legacy in the very area he tragically lost his young loving life	1/18/2021 10:40 PM
42	He is a part of Falcon Heights history. After his death, so much of his good works have been revealed and people continue those good works in his names. It is the very least the community can do for him, his family and his legacy.	1/18/2021 7:19 PM
43	Black lives matter and i feel his life was taken without out merit and would be great to leave a legacy in his name.	1/18/2021 6:26 PM
44	Because he was wrongfully killed and we need to recognize this	1/18/2021 2:16 PM
45	So we don't forget!	1/18/2021 1:48 PM
46	To serve as a reminder to all who pass through and live here.	1/18/2021 9:41 AM
47	I live on Fry St and I see the memorial every day.	1/18/2021 9:12 AM
48	He deserved to Honored in the correct way and he deserves to forever be remembered	1/18/2021 2:07 AM
49	To memorialize a life well lived and a death at the hands of police that should not have happened.	1/17/2021 4:05 PM

## Honorary Naming of Larpenteur Avenue

50	This man worked quietly making a difference in his community. His life was taken because he "fit the profile" despite being open and honest with the officer about his conceal and carry and complying with the request for his ID. Let's not sweep his memory under the rug, but instead acknowledge and honor a desire to change and do better.	1/17/2021 2:33 PM
51	It's a reminder of that awful loss of life that shouldn't have happened.	1/17/2021 1:30 PM
52	To honor the life of Philando and remind us that we still have work to do to address racism.	1/17/2021 10:58 AM
53	It is a small way to honor the memory of a black man whose life was ended by a police officer and a reminder to the community and all who travel through the area. May we never forget and may we work together to end the systems that led to Philando's killing.	1/17/2021 8:36 AM
54	Philando Castille should still be alive today. The Least that can be done is to name a portion of street in his memory. May we never forget this kind man who served people humbly and with joy.	1/17/2021 8:02 AM
55	As long as it is a small portion of the street and honorary only. that might allow the temporary markers to be removed	1/16/2021 11:47 PM
56	The death of Philando Castile was a tragic, community-changing event that should be remembered and honored so that others will know what happened for years to come.	1/16/2021 6:11 PM
57	I honor his memory and mourn his unnecessary death. It's important for me to think of him as my nephew - like any loved young adult serving his community. I want him kept in our minds, so that we will work to undo the systemic and unconscious racism that allowed his being profiled and shot. I want people to ask "why is this street named for Philando Castile?" So that he will thus be remembered and his story told.	1/16/2021 5:54 PM
58	I think this act will serve as a reminder of a terrible act and in that way, this serves as a memorial to his death.	1/16/2021 4:38 PM
59	It is important to "say their names"	1/16/2021 4:07 PM
60	This is a positive way of remembering the tragedy and acknowledging it happened in our community.	1/16/2021 3:37 PM
61	He deserves to be recognized and this is one way of doing that. It also helps shine a light on what happened. The murder of philando Castile shall never be forgotten.	1/16/2021 3:35 PM
62	Philando Castile was an honorable man who cared about his community. His life was wrongfully taken from this world and we should always remember that. We should not become comfortable with police violence. This is one small way to keep his name alive and ensure no one forgets the tragedy that occurred on Larpenter.	1/16/2021 2:34 PM
63	Honestly, when I have to write about it, I don't think it's the best idea. It's not going to save one more life. I think more would be accomplished by a program that supports training for youth on how to respond to police. Police are humans, imperfect like all of us, trained to keep themselves and others safe. They are carrying loaded guns that can save us or kill us. I think an small assessment on our water or tax statement that supports short courses in Philando's honor would better serve the future.	1/16/2021 2:30 PM
64	It's a local tragedy that needs to be remembered - collective memory. A little park carved out of the memorial site off the Fair Grounds would however be the best option, perhaps even with a dedicated temporary parking turn out for visitation.	1/16/2021 1:27 PM
65	I think that having some public, official commemoration of this man's life is important.	1/16/2021 1:23 PM
66	Philando was a beautiful and generous person whose life should not have been cut short the way it was. He and his life deserve to be honored.	1/16/2021 1:16 PM
67	We need to honor Philando's life and not forgot about his tragic death.	1/16/2021 1:15 PM
68	So that we always remember what can happen if we become complacent. We took policing for granted, not collecting data or taking other actions to maintain fair and effective policing. The result was the brutal killing of an innocent black man.	1/16/2021 12:57 PM
69	The killing of Philando Castile made millions more aware of the dangers facing dark-skinned people who are moving through their days in normal activities. This heightened awareness benefits all of us.	1/16/2021 12:01 PM

## Honorary Naming of Larpenteur Avenue

70	The killing of Philando Castile right here in Falcon Heights was a transformational event that triggered a lot of reckoning for us who live here. Honorary naming of this stretch of Larpenteur Avenue is a tribute to a man who has touched many, during his lifetime and after his death.	1/16/2021 11:08 AM
71	What happened to Mr. Castile has global significance and the symbolic renaming of the street would be a strong (overdue) symbol of the steps toward healing that we ALL need.	1/16/2021 11:02 AM
72	It is important to remember Philando Castile as a Black man whose life was unjustly ended, to remember the circumstances of his death and to remind those who travel through that if it can happen here, it can happen anywhere.	1/16/2021 10:56 AM
73	Minnesota tends to forget and it's a reminder that fear shouldn't keep us from being neighbors.	1/16/2021 9:50 AM
74	A great injustice was done when Philando was murdered. Those who don't know their history are doomed to repeat it. This is one small thing that can be done to help educate future generations and remind current ones to work toward a more just society.	1/16/2021 8:19 AM
75	He was a good man who was beloved of n his community. He was murdered because he was black. He will forever be a reminder of injustice.	1/16/2021 1:32 AM
76	To remember someone from our community who did good work and whose life ended far too early and due to injustice.	1/16/2021 12:02 AM
77	My family owned property on Larpentuer from 1945 (or so) until 2020. Our family members went to FH elementary in 1950 and 2000-2012. Honor history and Mr Castile and his life and family by doing the easy thing and naming the avenue honorarily. Deepen the value of human kind, Mr Castile and the city of Falcon Heights. Mr Castile and the community deserve it.	1/15/2021 9:58 PM
78	It's a nice way to permanently remember Mr. Castile.	1/15/2021 8:38 PM
79	He made a significant difference in his community and he deserves to be remembered.	1/15/2021 7:34 PM
80	I think all the white and non-black ppl in MN really do need to remember his name. Although simply changing a street name isn't nearly enough, it's something I guess	1/15/2021 6:03 PM
81	We must remember the name Philando Castile and family friends need to have a place to mourn. For future generations, this must serve as a reminder of these historical and hard times that our country hopefully progressed through where we came out on the other side with public safety officers providing the same reactions to all citizens.	1/15/2021 5:18 PM
82	Actions speak louder than words. If we say that black lives matter, then let's be sure our actions reflect that.	1/15/2021 5:14 PM
83	Mr. Phil was a wonderful member of our community, beloved by the children he cooked and cared for in the St. Paul school system.	1/15/2021 4:38 PM
84	We must not let his death fade in our memories. Out of a tragic event came serious self-reflection and a quest for understanding. We must continue and we must keep his memory alive.	1/15/2021 4:17 PM
85	He needs to be remembered.	1/15/2021 3:55 PM
86	I support this change because Philando Castile should be publicly remembered for a long time. He represents more than a name. He represents a history of oppression and injustice toward men of color in MN.	1/15/2021 2:39 PM
87	Mr. Castile served students from St. Paul, Falcon Heights (through open enrollment at Chelsea), and Roseville. He lived a consequential life and though cut short, we should remember two things: that he cared for all his children at school regardless of ethnicity or economic background and that turning away from racism allows it to continue.	1/15/2021 1:15 PM
88	In a small way, showing his loved ones that his memory is honored.	1/15/2021 1:14 PM
89	it is important to remember and honor those who unjustly lost their life in our community	1/15/2021 11:57 AM
90	I would like to see the entire stretch of Larpenteur through the city limits so named.	1/15/2021 11:28 AM
91	Philando was an amazing man. His life, which was unjustly taken, should be honored as should the movement for justice that followed his murder. Let's remember the fallen and let the street name inspire people to work for a better world.	1/15/2021 10:52 AM

## Honorary Naming of Larpenteur Avenue

92	Say their names!	1/15/2021 10:20 AM
93	This is a clear signal that the leadership in Falcon Heights is committed to greater equity and inclusion and healing a direct trauma to our community. Put simply, it is just the right thing to do.	1/15/2021 10:14 AM
94	Any way we can extend our hearts to the African American community, we should do. Remember, his mother used the money she was given for his murder to pay for lunches that student's in the school where he worked could not pay. In other words, we in Falcon Heights, can help to play it forward also.	1/15/2021 9:41 AM
95	We should always remember Philando Castile and our responsibility in what happened to him.	1/15/2021 9:05 AM
96	To honor this man and to call attention to police brutality	1/15/2021 8:57 AM
97	His story deserves to be remembered	1/15/2021 8:49 AM
98	It's the least we can do considering the amount of violence and racism POC experience here.	1/15/2021 8:29 AM
99	I think Philando's impact on the community should be recognized.	1/15/2021 7:57 AM
100	Philando Castile Way	1/15/2021 6:05 AM
101	The city owes it to him & his family. This is the very least that could/should be done smh	1/15/2021 12:56 AM
102	A good man died too young at the hands of a cowardly racist cop and we need to remember.	1/15/2021 12:21 AM
103	He was a young man who lived his life giving back to his community.	1/14/2021 11:47 PM
104	I want our community to honor Philando's memory and to help ensure that he won' be forgotten.	1/14/2021 10:18 PM
105	He was foundational to the community and taken far too early from this Earth. He helped so many and his criminal death left a vacuum in terms of the hundreds of kids he supported through his selfish efforts. Naming a portion of the street he was murdered on after him is the least the County could do.	1/14/2021 10:17 PM
106	Black Lives Matter	1/14/2021 10:00 PM
107	Important to remember what happened that day - he did not deserve to die	1/14/2021 9:43 PM
108	We need to learn our history so we don't repeat it.	1/14/2021 8:44 PM
109	So we won't forget.	1/14/2021 8:31 PM
110	His death was a tragedy that held important lessons for us all, keeping his name alive will help to keep the work that needs to be done present and foremost in people's minds.	1/14/2021 8:29 PM
111	To honor Philando and ensure that he is remembered in our community	1/14/2021 8:28 PM
112	F.C.'s story is not a new or unique one. We need to find ways to keep these events visible and to integrate them into our lives. Calls for 'this is not who we are' are false, we have always been this way, let's pullback the curtain and remember all that is our history.	1/14/2021 7:53 PM
113	His death was a tragedy that has changed our community forever. It may be one of the most pivotal events in the history of Falcon Heights in how it caused us to think differently about who we are and who we want to be. Naming the street for him would be another way of showing we will not forget him and will not walk away from what we have committed.	1/14/2021 7:15 PM
114	May his memory be a blessing and a catalyst for change	1/14/2021 7:13 PM
115	Supports healing	1/14/2021 7:06 PM

282	It's the least we can do as a community to honor Philando and convey support for his family.	1/11/2021 6:49 PM
283	He was a beloved figure in the school system that was looked up to by many students and whose life was taken too soon and unjustly. He must be remembered and honored.	1/11/2021 6:47 PM
284	Because Philando was MURDERED and we miss him..its only right.	1/11/2021 6:41 PM
285	Philando Castile deserved better. The least we could do would be to honor him.	1/11/2021 6:27 PM
286	He was a good man with so much life yet to live!	1/11/2021 6:26 PM
287	HE DESERVES IT	1/11/2021 6:22 PM
288	He deserve recognition he should still be here	1/11/2021 6:19 PM
289	It's just the right thing to do.	1/11/2021 6:09 PM
290	When we remember our history, we can better shape our future.	1/11/2021 6:01 PM
291	Recognition of an injustice without messing with actual naming of street.	1/11/2021 5:50 PM
292	Philando Castile's murder at that location was a historic turning point with major significance for our country and the world. I think it deserves to be commemorated in this way so that what happened to him is not forgotten.	1/11/2021 5:49 PM
293	Philando was wrongly shot. His memory should be preserved through a memorial drive.	1/11/2021 5:49 PM
294	Respect for the young man who was killed	1/11/2021 5:32 PM
295	it's the least we can do to honor this man.	1/11/2021 5:22 PM
296	Good use of a public space. Also, no real need to honor Larpenteur. Would prefer the whole ave be officially renamed	1/11/2021 5:21 PM
297	An innocent, kind man! Was always about the students at his school. He is so deserving of this street being named in his honor!	1/11/2021 4:47 PM
298	In honor and lament for Philando. We live a short walk away, in Roseville.	1/11/2021 4:32 PM
299	My hope would be that it would honor Castile's life that was tragically taken and that it would be a visual reminder to us all of the work will still need to do to end individual and systemic racism.	1/11/2021 4:09 PM
300	It recognizes the legacy of Philando Castile and the ongoing fight for justice for Black folks	1/11/2021 3:52 PM
301	To honor a good man who was unjustly gunned down by police.	1/11/2021 3:36 PM
302	He was wrongfully killed by a policeman.	1/11/2021 3:33 PM
303	He deserves to be honored. He was murdered by our tax-funded police who are supposed to protect us.	1/11/2021 3:31 PM
304	Because not only did he love the children, but the children also loved him. The children are our future and they can tell their children of Philando's story hoping to make this world a better place.	1/11/2021 3:15 PM

## Honorary Naming of Larpenteur Avenue

305	I pass the site of his death every day to and from work (I live by Como Zoo in St. Paul and travel to Minneapolis). I am a teacher and I could have been his co-worker. His death was tragic and he needs to be remembered. I support the honorary naming and would also encourage working with the Castile Family in creating weather proof memorial.	1/11/2021 3:10 PM
306	It's crucial that we remember what happened to Mr. Castile, that others learn of it, and that it continues to serve as a critical reminder to all us to do better.	1/11/2021 2:42 PM
307	To not let the shooting slip away into oblivion	1/11/2021 2:34 PM
308	As a reminder of his life	1/11/2021 2:08 PM
309	Philandro was a caring and loving man who needlessly lost his life on this stretch of road. I would like to honor his memory and make sure his life is not forgotten.	1/11/2021 2:01 PM
310	He was a beloved member of the community who tragically died.	1/11/2021 1:45 PM
311	I believe that creating a public memorial for Philando is minimum the city can do for him, his family, and our community. We must continue to pursue justice for all lives stolen by police brutality, and a stretch of street is one thing that we can do to ensure that people remember his story and can work to prevent similar violence to what he experienced.	1/11/2021 1:45 PM
312	Castile was a humanitarian who looked out for school children, especially those experiencing food scarcity. And his life was taken violently while he was still young and could have accomplished so much more. As a resident of Falcon Heights, I strongly support honoring Castile, who died in our community.	1/11/2021 1:43 PM
313	Justice and so he wont be forgotten	1/11/2021 1:36 PM
314	Remember his name and the history.	1/11/2021 1:34 PM
315	This death is an event that occurred in the community that should not be forgotten.	1/11/2021 1:28 PM
316	Philando Castile was an exemplary man who inspired many at the school he worked at and was wrongfully murdered at the hands of police. Maybe by naming this street after him we can begin the process of the damage done by police brutality towards the Black community.	1/11/2021 1:20 PM
317	Because Castile did not get justice in the courts. He must be publicly memorialized until the city can confront that injustice.	1/11/2021 1:00 PM
318	It's an important part of our city's history.	1/11/2021 12:57 PM
319	The fight against police brutality cannot be effective if victims are not remembered. Every officer who sees the name Philando Castile will be reminded to not murder community members as it was done to Philando.	1/11/2021 12:51 PM
320	I think Philando Castile's death was very unfortunate and something he did not deserve to go through. I think he was a great member of the community and deserves to be respected and represented in the community in some way, since his life should not have been taken.	1/11/2021 12:41 PM
321	We need to more to recognize the pain and suffering caused by systemic racism. WE also need to drop the no gardening in the front yard as it is likely a racist convenient that has outlived its era.	1/11/2021 12:36 PM
322	It's appropriate and a nice way to commemorate a life lost too soon.	1/11/2021 12:28 PM
323	We should never forget what happened. His life mattered and it is a powerful way to honor the BLM movement and his legacy.	1/11/2021 12:27 PM
324	To show support for the black community, and the hope I have that white people will do the hard work to fix what they are doing wrong.	1/11/2021 12:23 PM
325	It will be a reminder that we all need to do better in making this world safer for all law-abiding people, no matter what their race or ethnic background.	1/11/2021 12:20 PM
326	I think it is important to recognize Mr. Castille's life and untimely death in our community; his life and death have impacted Falcon Heights forever, and this honorary naming will keep that impact and the racial justice we seek in the front of our minds.	1/11/2021 12:17 PM
327	To honor a life that was such an important part of our community. Naming a street seems like such a small gesture, but one that can do so much to help us heal as a community.	1/11/2021 12:15 PM

## Honorary Naming of Larpenteur Avenue

328	Philando Castile was a beloved member of the community, wrongfully harassed and ultimately murdered by police. This memorial would honor him and serve as a reminder for all of us to hold police accountable for their racist policies and violence actions.	1/11/2021 12:14 PM
329	It is important to remember, and it is important to honor the fallen. My parents lived in Falcon Heights for 58 years, moving in 2018 to assisted living in Roseville. My father called our place "the homestead." I lived in Falcon Heights for my student years, including Falcon Heights Elementary School for K-6. I returned to live in Falcon Heights from 2017-2018 to help my parents transition to their apartment. Now I live nearby in Saint Paul. I say this because I still consider Falcon Heights to be my home. -- Thank you, Jon Zimmer	1/11/2021 12:07 PM
330	I believe the children and families that loved him and children throughout our cities especially from the school he worked at, deserve to see respect given to his legacy. His wrongful death cannot be fixed but his legacy can be.	1/11/2021 12:06 PM
331	Wrongful death of an innocent young man.	1/11/2021 12:02 PM
332	Along with the memorial space I want to support efforts to bring different groups of people together to build understanding and appreciation of our differences and similarities.	1/11/2021 12:02 PM
333	An unfortunate event. It would honor a kind mans memory	1/11/2021 11:55 AM
334	Black Lives Matter. It is important to draw attention to history and that it is not forgotten.	1/11/2021 11:41 AM
335	It was a senseless shooting.	1/11/2021 11:39 AM
336	My awareness of police brutality forever changed with Philandros murder	1/11/2021 11:39 AM
337	I don't believe that Philando Castile behaved in a way that justified Officer Yanez shooting him resulting in death.	1/11/2021 11:26 AM
338	Because that's the least they can do for the injustice he and his family suffered	1/11/2021 11:17 AM
339	Philando Castile was murdered by a police officer employed by the City of Falcon Heights. He deserves to be memorialized by our community in this way.	1/11/2021 11:14 AM
340	Philando Castile was a beautiful soul, an important and beloved member of his community. The cop who murdered him should be paying for this. Larpenteur is an icky name anyway.	1/11/2021 11:06 AM
341	Renaming part of Larpenteur would be one way for the community to recognize the city, state, and country's struggle with racism. A memorial is already in place along the street and the additional renaming would reinforce that effort. Renaming is a simple, respectful to honor Castile, whose life was wrongfully taken. Plenty of other things are named after Auguste Larpenteur, sparing a section of this road would not take away from that.	1/11/2021 11:03 AM
342	Philando Castile was a gift to our community. His death was tragic and the least we can do is memorialize him at the place where he was killed.	1/11/2021 11:00 AM
343	We must never forget what happened to Philando Castile and memorializing the road he was killed on will be a good reminder to all who travel on Larpenteur Ave.	1/11/2021 10:54 AM
344	A good man did not deserve to die should be remembered!	1/11/2021 10:42 AM
345	I support Black Lives. America needs accountability and transparency. Recognizing history is part of that.	1/11/2021 10:42 AM
346	It's the least we can do to help memorialize a great man, a community centered man, and a man who sadly helped start a movement.	1/11/2021 10:36 AM
347	Phil was a colleague and friend of mine.	1/11/2021 10:35 AM
348	Philando did not deserve to be gunned down. I want everyone to remember his name.	1/11/2021 10:24 AM
349	He was a good, hard-working man. I was proud to know him and to be his supervisor. His character has been questioned by those who never knew him but I haven't met a single person who actually knew him to have anything negative to say. It should be noted that Phil wouldn't want the street named after him, he was that kind of guy.	1/11/2021 10:21 AM
350	I think about him every day. And I hope this will make everyone in the community too.	1/11/2021 10:12 AM
351	In honor of and in memory of P. C.	1/11/2021 10:11 AM

## Honorary Naming of Larpenteur Avenue

352	Philando Castile was unjustly killed and the officer who killed him never faced consequence for it. The least the city can do is honor and recognize Philando for who he was in life, and make sure we never forget a horrible tragedy.	1/11/2021 10:09 AM
353	Important to honor his memory	1/11/2021 10:07 AM
354	Because his mother is a leader in the requesting organization and supporting the healing of families of victims of police brutality is imperative. Phil's do was beloved in his community.	1/11/2021 10:04 AM
355	This is one small thing the city can do after killing one of its citizens and allowing the murderer to walk free.	1/11/2021 10:02 AM
356	I really think it would be a great idea due to everything that is going on around the world	1/11/2021 10:01 AM
357	Tragic situation, would go a long ways in keeping his memory alive. Pays respect to the man who did nothing wrong except to be a black man in the US.	1/11/2021 10:00 AM
358	To Help Stop Racial Inequality	1/11/2021 9:58 AM
359	It's a memorial action. We should never forget what happened and acknowledge his life and legacy.	1/11/2021 9:57 AM
360	It is the right thing to do	1/11/2021 9:54 AM
361	Because it is the right thing to do	1/11/2021 9:54 AM
362	Because it is absolutely the right thing to do so that we never forget the tragedy that occurred there, in Falcon Heights, and we must honor the man who was murdered.	1/11/2021 9:48 AM
363	It would be a small tribute to Philando and signify the progress Falcon Heights has made in dealing with issues of race. Less important to me but apparently important to others - the dual name approach would not cause much confusion about street addresses.	1/11/2021 9:47 AM
364	Philando Castile was an important member of the community whose life was violently taken. His life and name may serve as a reminder to protect the vulnerable, to fight against injustice, and serve one's community proudly and with empathy.	1/11/2021 9:46 AM
365	Because he deserves to be honored.	1/11/2021 9:44 AM
366	We need to memorialize Philando's murder and its significance for our community. We need to consciously become the change we wish for our community. Physical reminders will keep Philando's living memory awake to us.	1/11/2021 9:42 AM
367	He is part of our history and needs to be memorialized.	1/11/2021 9:41 AM
368	Philando should be alive today, and this is literally the least you could do to honor him. He was murdered in broad daylight by the state; honor the place where his life was taken.	1/11/2021 9:39 AM
369	His murder placed Falcon Heights in the national spotlight. This is a way to memorialize an innocent man and demonstrate that Falcon Heights takes its responsibility to ensure racial justice seriously.	1/11/2021 9:39 AM
370	After a conversation with the Falcon Heights city administrator it is my understanding that Larpenteur Avenue will remain Larpenteur Avenue. The proposal is to add additional signage from the current memorial to Fulham at the western boundary of Falcon Heights. As a 30 year resident of Falcon Heights and 60+ year resident of this area, I am in complete support of honorary street signage in memory of Philando Castile. Thank you, Fay Cushman	1/11/2021 9:35 AM
371	Philandro was killed for no reason other than a scared cop, who had had extra training	1/11/2021 9:23 AM
372	We need to be reminded of things like this so we don't make the same mistakes again.	1/11/2021 9:12 AM
373	Philando lost his life unfairly due to police violence. Philando was a fine gentleman & loved by so many.	1/11/2021 9:06 AM
374	I think this is a wonderful honor in righting a wrong	1/11/2021 9:05 AM
375	Minneapolis needs to remember what was done to one of its own and use that reminder to stop police brutality.	1/11/2021 9:03 AM
376	It keeps the issue of racism in our police force in our minds. Hopefully this will help us change for the better.	1/11/2021 9:02 AM

## Honorary Naming of Larpenteur Avenue

377	Black Lives Matter, and this was a murder.	1/11/2021 8:58 AM
378	Philando's life was carelessly cast aside by reckless policing. It may not change anything now, but he should be memorialized so we don't forget.	1/11/2021 8:45 AM
379	Because Philando was unnecessarily killed and any little bit we can do to remember and learn from our terrible mistakes is a step in the right direction.	1/11/2021 8:24 AM
380	In support of BIPOC communities.	1/11/2021 8:10 AM
381	Philando Castile was a wonderful person and member of this community, needlessly murdered, and I we need to start making changes and making progress in true equality for all	1/11/2021 8:06 AM
382	Justice	1/11/2021 7:50 AM
383	To remind us all of Philando's life and the cost that he paid by being Black and killed out of fear. We must not forget him!	1/11/2021 7:37 AM
384	It will keep the incident relevant and serve as a reminder	1/11/2021 7:22 AM
385	Because he was an innocent man needlessly killed by police	1/11/2021 7:17 AM
386	Because it is one small way in which we can honor a man who gave up his wages to feed children who couldn't afford to buy their own meals in the schools, and because he did nothing to deserve being shot 7 times. It is a very small thing we CAN do to honor the man.	1/11/2021 7:12 AM
387	To allow our community to never forget the atrocity that was Philando Castile's untimely murder	1/11/2021 6:59 AM
388	He was a very good friend of my family.	1/11/2021 6:08 AM
389	Because what happened to him was wrong I knew him personally and he was a sweet very impressionable young man	1/11/2021 5:29 AM
390	Mr. Castille was shot in cold blood by an officer who escalated a completely calm and compliant situation into a criminal act on his part. He has not been held responsible, and that is a disgrace to Mr. Castille, his family, and the community at large.	1/11/2021 4:47 AM
391	As a resident of Falcon Heights, this action seems to me to be an appropriate way to acknowledge his life and death.	1/11/2021 4:25 AM
392	In Honor of Philando.	1/11/2021 3:11 AM
393	No one should die in vein and he should never be forgotten nor	1/11/2021 2:24 AM
394	Everyone needs to remember his name. His taken was taken too soon, he did not deserve to die, but he does deserve to have his named remembered this way.	1/11/2021 1:22 AM
395	Philando deserves to be honored and remembered.	1/11/2021 12:28 AM
396	No one should have their life taken from them at a traffic stop. Philando was an inspiration to young people in his work and I can only imagine the void his family still feels five years after his killing. Philando Castile deserves to be remembered.	1/11/2021 12:11 AM
397	Black Lives Matter.	1/11/2021 12:02 AM
398	It would be a wonderful tribute to Philando's memory. He touched a lot of young lives, and it's a way of recognizing the good he did, and a life cut much too short. We couldn't get him justice, but we can honor him.	1/10/2021 11:59 PM
399	In honor of Philando, his work, and his family. It also should serve as a reminder that Black lives matter and that the police are a violent, racist institution.	1/10/2021 11:47 PM
400	Because a life was senseless ended and we should all remember his name.	1/10/2021 11:44 PM
401	He was did great work at Central High and wanted to help everybody	1/10/2021 11:44 PM
402	It is an appropriate memorial to Philando lest we ever forget	1/10/2021 11:39 PM
403	History must be remembered so it doesn't repeat itself	1/10/2021 11:34 PM
404	Philando changed the whole state of Minnesota for the better after his wrongful death. Many	1/10/2021 11:30 PM

## Honorary Naming of Larpenteur Avenue

children looked up to him at the school he worked at.

405	Philando's name and the circumstances of his death are important to memorialize locally and nationally, which will be a step toward community healing and social justice.	1/10/2021 11:29 PM
406	He and his story need to be remembered.	1/10/2021 11:24 PM
407	This is to support and memorialize an honored citizen of the State of Minnesota who was unjustifiably murdered by a St. Anthony police officer.	1/10/2021 11:03 PM
408	Because he never should have died & no one should ever forget him	1/10/2021 11:02 PM
409	He shouldn't be forgotten	1/10/2021 10:48 PM
410	I feel he was wrongly killed and his memory needs to be acknowledge even if it's just a street named after him	1/10/2021 10:48 PM
411	His life mattered. His name should live on.	1/10/2021 10:46 PM
412	He was killed for doing nothing wrong. I believe that if we was white, he wouldn't have been killed.	1/10/2021 10:43 PM
413	Separate from the horrific circumstances of Philando Castile's death, the dedication he had to his community tells me that he very well may have ended up being nominated for such a memorial at the end of his life had he lived a full, natural lifespan. We can never know what he would have championed, advocated for, and achieved for his community were he still alive, and in the spirit of community honoring community, I believe that this honorary naming would be a way to remember Philando Castile and the values he carried and passed on. Considering the way that he was horrifically murdered and the significance of his death in the racist system that have killed so many other Black men, I also think it is important to have this honorary naming in order to ensure that the community not forget the history and circumstances that led to Philando Castile dying before his time so that we will be continually prompted to advocate for necessary change.	1/10/2021 10:43 PM
414	Philando Castile must not be forgotten	1/10/2021 10:39 PM
415	We can never forget Philando and the unnecessary loss of his life. All Minnesotans need to feel safe and this is a needed act to encourage healing.	1/10/2021 10:37 PM
416	I knew Philando personally. He was a kind and caring man. He did not deserve being murdered, especially by a police officer that was sworn to protect and serve. His family received no justice - it is right and honorable make amends to them in any and all ways possible.	1/10/2021 10:34 PM
417	He was a well loved person who should not have died as he did. Honoring him will keep the inequality we seek to correct present, instead of receding into the fog of the past. So he will not be only another name added to the densely packed list of unjustly killed people in the USA	1/10/2021 10:29 PM
418	Philandro's death was a racially-biased tragedy and one we (as a City and individually) should not forget. Naming the street is one small way to remind us how important it is that we treat ALL humans (living things) with dignity and respect, which the police officers did NOT do. They assumed guilt (and were afraid for their lives) just because Philandro was a black man. Many of us have benefited because our skin color is light and have no idea of what it is like to grow up and live as a black person in the USA. As much as Minnesota prides itself on being progressive, we are not even CLOSE to having accomplished equality for all. Let's get this done!	1/10/2021 10:28 PM
419	He deserved to be honored!	1/10/2021 10:26 PM
420	Philando Castile deserves to be remembered, especially since his murder won't see justice. The least we can do is have a monument to remember him by for generations	1/10/2021 10:24 PM
421	Philando should be remembered.	1/10/2021 10:18 PM
422	He was great man	1/10/2021 10:17 PM
423	This is a beautiful way to honor Philando Castile.	1/10/2021 10:17 PM
424	I think it should be Castile Ave, the other one is kind of a mouthful but we need to change with history and support the good people in the world dead or alive!	1/10/2021 10:16 PM

## Honorary Naming of Larpenteur Avenue

425	I feel it will bring more attention to the separation us , African Americans have with police. That murder touched millions and respect for the man that made so many peoples children's even your owns days ! Please make this happen!	1/10/2021 10:16 PM
426	This young man deserves for his legacy to be remembered in Minnesota	1/10/2021 10:15 PM
427	Because I want EVERYONE to remember his name and his story! Let it be a reminder of the implicit bias that exists in our country as well as a reminder that Philando lived and his life mattered!!	1/10/2021 10:15 PM
428	To remember philando and show solidarity and respect for due process. Everyone should remember what happened to continue to hold law enforcement accountable for its actions.	1/10/2021 10:14 PM
429	Because it was a horrible thing that had happened.	1/10/2021 10:14 PM
430	We must never forget this member of our community whose life was taken unjustly.	1/10/2021 10:13 PM
431	Aleah	1/10/2021 10:13 PM
432	Philando Castile deserves this honor. He was a wonderful soul taken too soon	1/10/2021 10:13 PM
433	What was done to him was wrong. He seemed like a law abiding citizen and was murdered. This is the least we can do in his name.	1/10/2021 10:13 PM
434	This is part of reparations the city can do to honor him.	1/10/2021 10:12 PM
435	It deserves to be named this in honor of Philando	1/10/2021 10:11 PM
436	BLM	1/10/2021 10:10 PM
437	I support the naming because his life mattered. He was a good man who should still be here with us, and we need the names in our community to better reflect the diverse people who live here. This honorary name change will help to ensure that the life he lived and the way he gave to his community will leave a positive imprint on future generations.	1/10/2021 10:08 PM
438	It would be nice to honor someone who was a fixture in the community that was taken too soon	1/10/2021 10:05 PM
439	It's important to always remember the tragedy and to remind us that we must actively strive for equality.	1/10/2021 10:04 PM
440	He deserves to be honored	1/10/2021 10:03 PM
441	To remember a life lost and to not repeat the mistakes of the past	1/10/2021 10:01 PM
442	As citizens we have a responsibility to honor this innocent life that was taken by a government employee. This is a fitting way to remember this tragedy so that it never happens again.	1/10/2021 9:58 PM
443	Out of respect for an unfortunate incident of cultural misunderstanding that took the life of an innocent man and ruined the life of another.	1/10/2021 9:52 PM
444	Philando deserves to be remembered. Furthermore, we NEED to remember Philando and what his death means for our reckoning with white supremacy.	1/10/2021 9:47 PM
445	Because he was a great man that needs to be honored	1/10/2021 9:45 PM
446	Philando's legacy of feeding the children will serve as an important cause locally, nationally and globally forever. There's nothing more important than taking care of children by keeping them safe, fed, housed and loved. This is what Philando's legacy represents.	1/10/2021 9:45 PM
447	He needs to be remembered and honored	1/10/2021 9:30 PM
448	Having Mr Castile's name on the street will keep him in people's minds. I think of him every time I drive by his memorial and say a prayer for peace and non-violence in Falcon Heights and Saint Paul.	1/10/2021 9:28 PM
449	Because from all of the stories out there, for Philando Castile was a wonderful human being, and community member who gave back to his community, but did not get the recognition he deserved until after his fatal shooting by police.	1/10/2021 9:25 PM
450	His life was taken by police.	1/10/2021 9:20 PM

## Honorary Naming of Larpenteur Avenue

451	Because Philando's life was wrongfully taken and it's the least the city can do to honor him and his family. His family has done so much great in the community in his name.	1/10/2021 9:16 PM
452	Because we have a deep inherent problem in this country and the only way to fix it is to move forward but not forget.	1/10/2021 9:16 PM
453	It signifies a reckoning and acknowledgement of racial injustice.	1/10/2021 9:14 PM

461	Castile deserved Justice. With a lack of that, we must honor him.	1/10/2021 9:00 PM
462	Mr. Castille was a beloved person who had his young life tragically ended short by an unjust act. He should live on as a reminder that violence that takes a life doesn't take the memory of a special person. I hope that honoring Mr. Castille will prevent needless violence moving forward. I'm white. I'm a physician and my life is different than his was but his killing hurts me nonetheless.	1/10/2021 8:58 PM
463	RIP Philando	1/10/2021 8:53 PM
464	Because Philando was an incredible person working with kids and there was no justice for the tragedy that took his life. His legacy is worthy of such an honor.	1/10/2021 8:52 PM
465	Because it is important for our community to remember the events both good and bad. He should not have been killed by our police. Changing the name of the street will help us continue to #sayhisname forever.	1/10/2021 8:44 PM
466	I think that it will be a great way to honor Philando Castle.	1/10/2021 8:43 PM

474	We need to honor his memory and not forget about the tragedy of his death.	1/10/2021 8:14 PM
475	Philando loved his community and showed up every day to support those around him. He deserves to have his memory honored and uplifted, as people who show that quiet kind of love and support for their community are the kind of people we should honor and memorialize as examples to our community of the kind of personality and behavior we love and respect.	1/10/2021 8:11 PM
476	Because this is the least that could be done for Philando's family.	1/10/2021 8:10 PM
477	Honoring Philando Castile this way helps us remember who he was—he worked at my friend's daughters school, JJH Montessori, and she adored him—and how he was taken from us. As	1/10/2021 8:03 PM

481	He deserves to be alive, but this will at least honor him	1/10/2021 7:47 PM
482	Philando Castile should still be alive, his killer should be in jail, a child is forever traumatized, and black lives matter. The least we can do is honor his memory.	1/10/2021 7:45 PM
483	Because there are many people~adults and children~who still want to remember and visit Mr Castile. They've created a spiritual place to do just that. It helps erase traumatizing last memories of him being ripped from his life and all who loved him. It comforts in being assured he won't just be another statistic and forgotten. I live in the neighborhood where the school is he worked at. People still have his name in windows and his name gets brought up. Let all have that spiritual safe place of assurance and comfort. It's a simple thing for a horrific event.	1/10/2021 7:44 PM

justice can amount to being murdered by an officer of the law. This would be a memorial, a recognition, a dedication to the work at the school he did and aid in the belief that we will not stand for this, never forget his name and his legacy will live on forever.

506	He was murdered and we must remember and honor him & show the community support	1/10/2021 6:31 PM
507	Because even though he has passed on , HE DESERVES IT !!! He was brutally MURDERED just for reaching for his ID and other information that DEVIL OFFICER asked him for... 512	Because he was a great, peaceful man.	1/10/2021 6:19 PM
513	Philando Castile should not be forgotten, and putting his name in public aids that goal	1/10/2021 6:17 PM
514	We need to remember the injustices that have taken place, so that we can make sure those injustices aren't repeated.	1/10/2021 6:07 PM
515	It is a small gesture that is an easy and reasonable way to publicly acknowledge this tragedy and honor the loss of Philando. The makeshift memorial is always a sobering spot for me when driving along Larpenteur and I would appreciate the city formally recognizing the incident and the life lost in this way.	1/10/2021 6:06 PM
516	It is the very least we can do to honor Philando & his family.	1/10/2021 6:04 PM

518	He was, by all accounts, a pillar of the broader community. Naming a section of Larp. after him will prompt questions and will stand as a reminder of our history.	1/10/2021 5:59 PM
519	Philando was a good guy who cared for the children in his school and went above and beyond to serve the community with his care for them. He was also brutally murdered and his death should always be a reminder to USA of why black lives matter. Please name the avenue in his honor. What a lovely gesture.	1/10/2021 5:49 PM
520	It's the right thing to do	1/10/2021 5:46 PM

523	Philando was murdered by the police hired to protect Falcon Heights. This racist crime needs to be memorialized and Serve as a reminder to everyone that drives past the corner that Black Lives Matter. Philando was a kind man who supported the children he served.	1/10/2021 5:36 PM
524	If this is the family's wishes, it is the least that can be done. A more permanent and physical decree for his life and memory.	1/10/2021 5:29 PM

532	Its the least you can do for his memory.	1/10/2021 5:02 PM
533	It's the literal bare minimum we can give him in place of the justice we denied him.	1/10/2021 5:01 PM

535	Because Philando Castile deserves to be remembered.	1/10/2021 5:00 PM
536	Philando Castile did not deserve to die, we should at least remember him as someone beloved by the community	1/10/2021 4:57 PM
537	Its one the best things that the city can do to honor the death of Philando Castile..	1/10/2021 4:57 PM
538	He is a honorable man and father	1/10/2021 4:54 PM
539	Critical legacy to create	1/10/2021 4:51 PM
540	After watching the video, I drove by many, many times out of respect for his life and the sad experience of Diamond and her daughter. There are so many wrongful deaths, but his was without a doubt the most debilitating to watch. He was trying to make a difference in the life of school children. He was trying to comply with the officer. It is a central location near fair grounds. He should never be forgotten!	1/10/2021 4:50 PM
541	Because Philando's story needs to continue to be told and it would honor the community memorial currently being tended there. It is the least that can be done! I'm not a resident of falcon heights but I live 5 minutes away and drive by there all the time. I would like to see Philando's memory honored in this way.	1/10/2021 4:48 PM
542	He was unjustly killed.	1/10/2021 4:43 PM
543	He brought lite and hope to a desperately that pledges black men continuously for many years.	1/10/2021 4:42 PM
544	As a graduate of SPPS, I believe it is crucial to honor community members who make our schools what they are. I grew up in a troubled home with little money, and I know how much people like Philando can help students like me better ourselves and Thrive. I also believe in my heart that justice was not properly served after this man was shot dead, and thus the least we can do to honor his memory is to name this portion of the street after him.	1/10/2021 4:42 PM
545	To not forget the tragedy of his murder and honor the truth of his character	1/10/2021 4:40 PM
546	Philando needs and deserves to be honoured	1/10/2021 4:39 PM
547	Because his family deserves it for everything that they have been though the state owes them that much.	1/10/2021 4:38 PM
548	It's the least that can be done since Philando's murderer walked free	1/10/2021 4:36 PM
549	I think it's a good way to remember him for the good he did in the community.	1/10/2021 4:35 PM
550	His death resulted in social justice and racial issues being raised and addressed. His death should not be in vain.	1/10/2021 4:33 PM
551	His life and spirit should be remembered and honored. His death must not be forgotten. It's right to honor him in this way.	1/10/2021 4:33 PM
552	I pass by the place where Philando was killed several times each week. Each time, I feel a strong calling to honor his life and make the world a better place. Philando made the world better, and his life deserves honor and respect. Naming that part of the street for Philando would help ensure that people remember him.	1/10/2021 4:32 PM
553	His life deserves to be honored and remembered in a permanent way.	1/10/2021 4:31 PM
554	The memorial garden for Philando is called the Peace Garden because his name cannot be used as the name of the memorial. Thus, a street marker for that portion of Larpenteur would be a permanent reminder of his death.	1/10/2021 4:31 PM
555	Justice was not served. The least we can do is give Mr. Castile some street signs.	1/10/2021 4:28 PM
556	This is an important step for healing in our community	1/10/2021 4:21 PM

563	Rest in Honor Mr Phil	1/10/2021 4:16 PM
564	So we always remember what happened to Castile in our neighborhood and never let it happen again.	1/10/2021 4:16 PM
565	Philando Castillo's memory is a highly important part of Falcon Heights history. The US has a bad habit of whitewashing its history and this is one very small way that we can avoid that action.	1/10/2021 4:15 PM
566	To denounce police brutality and raise the name of an innocent life take	1/10/2021 4:14 PM
567	I think it is the least a minority white community can do.	1/10/2021 4:12 PM
568	Because white supremacy in LE is real and Philando's life mattered. His family never received justice. Black Lives Matter. It's the least we can do...	1/10/2021 4:12 PM
569	Since justice was never served, the least we can do is memorialize his name in honor of his tragic death.	1/10/2021 3:58 PM
570	Philandro deserves to be remembered and honored	1/10/2021 3:57 PM
571	I am in support of this honorary naming to keep the memory of philando alive in a tangible way, especially since the his murderer was acquitted	1/10/2021 3:55 PM
572	It's symbolic of trying to make amends for the wrongs committed against BIPOC for centuries in this country.	1/10/2021 3:54 PM
573	We have many memorials for people who died around St Paul and Philandro's life was taken from him! He was killed in cold blood, he needs to be honored! And a street name change will do just that! Honor Philandro! Thank you	1/10/2021 3:53 PM
574	He was a great man who touched the lives of kids when he didn't have to. He could have simply done his job and went home. He and his family should continue to be honored, he was murdered, with no justice and the very least the city can do is name a street after him. Never forget.	1/10/2021 3:50 PM
575	The man's death was a result of state action. This is the absolute least you can do to honor his memory.	1/10/2021 3:49 PM
576	Because Black Lives Matter and Philando should still be alive today.	1/10/2021 3:47 PM
577	I believe it is right to memorialize those that have passed away so future generations can remember and learn.	1/10/2021 3:43 PM
578	There was no justice in Philandro's case. He was a good man, doing absolutely nothing wrong and was executed.	1/10/2021 3:39 PM
579	He is a man who deserves to be remembered	1/10/2021 3:38 PM
580	We need to support this young man who lost a life	1/10/2021 3:34 PM
581	We have to show our support to someone who lost a life, that should not have.	1/10/2021 3:31 PM
582	Honor the memory of someone killed by the city here.	1/10/2021 3:30 PM
583	This was a uncalled for shooting. The officer didn't spend a night and jail and justice was not served.	1/10/2021 3:28 PM
584	Because it is vital that we remember both this man as well as what happened to him and where.	1/10/2021 3:21 PM

## Honorary Naming of Larpenteur Avenue

585	I created the Not Reaching Pouch after the fatal traffic stop of Philando Castile, and I wholeheartedly support the honorary naming of the street.	1/10/2021 3:15 PM
586	Because he was a good man, and it's important that we remember who he was, and what happened there.	1/10/2021 3:09 PM
587	Justice	1/10/2021 3:09 PM
588	He needs to be remembered. He was a good man who was doing nothing wrong and was killed for no good reason. We need to be reminded of the injustices done to people of color.	1/10/2021 3:08 PM
589	This heinous incident happened in our community and an innocent man was killed. Sadly, his family will never enjoy his company even with this honorary naming. We do this so we NEVER forget our own prejudices.	1/10/2021 3:02 PM
590	It's important to send a message that he mattered!	1/10/2021 3:00 PM
591	I live in Falcon Heights and I was profoundly affected by the senseless loss of life in our little community. Designating part of Larpenteur as a memorial to Philando's life is a small act we can do to preserve his memory and work for better policing protocols.	1/10/2021 2:56 PM
592	Philando Castille's death was unwarranted and left a scar on our community. I live in nearby Roseville - I drive down Larpenteur all the time. A reminder to check our prejudices is the least we can do in his memory.	1/10/2021 2:54 PM
593	He should be remembered. What happened should be remembered. Hopefully remembering will lead to it not happening to another.	1/10/2021 2:48 PM
594	We should honor what happened and should use his tragedy for something good and as a reminder to us all about prejudice that exists.	1/10/2021 2:41 PM
595	Philando's life should NOT have been taken and his killer still able to go to work and see his family. Philando's family deserves this name change at the bare minimum of what the city and state can do for them; especially his young daughter.	1/10/2021 2:31 PM
596	The history we forget is the history we repeat.	1/10/2021 2:11 PM
597	Racial healing	1/10/2021 2:10 PM
598	This is the right thing to do.	1/10/2021 2:06 PM
599	To remember Philando and to acknowledge that we lost a very loving person when he died. Also, we should be honest about our history.	1/10/2021 2:06 PM
600	Philando Castile should not have been shot, let alone died. This would honor a person who gave his warmth and support to his school community and who was killed under deplorable circumstances. The honorary name would show an awareness of the need for racial equity, and be one step further along that path toward a more just society	1/10/2021 2:00 PM
601	It is the right thing to do. Falcon Heights did too little to support justice for Philando's memory and holding Yanez and his department accountable. This is too little too late, but it's something very basic that needs to happen.	1/10/2021 1:59 PM
602	He deserves to be remembered.	1/10/2021 1:57 PM
603	He didn't deserve to die he deserves to be remembered forever	1/10/2021 1:55 PM
604	We need to never forget this ugly incident	1/10/2021 1:54 PM
605	It is important to be transparent about the ugly things the city has done. And to honor the murder of a man who did absolutely wrong.	1/10/2021 1:47 PM
606	So we never forget	1/10/2021 1:45 PM
607	Philando deserves to be remembered, both for who he was as a person, and as a reminder to our community to continue working for change so more police killings do not occur.	1/10/2021 1:43 PM
608	Updating is key!	1/10/2021 1:41 PM
609	Personal reasons	1/10/2021 1:33 PM
610	I live in a neighborhood nearby, although I am not a resident of Falcon Heights, and I	1/10/2021 1:31 PM

## Honorary Naming of Larpenteur Avenue

personally would appreciate the reminder of Mr. Castile's life and his memory as I drive or walk by. I would also be reminded that this kind of tragedy can happen in our area; we are not immune to police violence against Black, Indigenous, and other people of color. The honorary naming would also prompt others to remember his life and tragic death, or to learn about it if they are unfamiliar with the story.

611	So he isn't forgotten	1/10/2021 1:27 PM
612	I believe we owe it to Mr. Castile's memory, his family, and all of us to forever remember who he was and how we all have a role in preventing such tragedies now and into the future.	1/10/2021 1:26 PM
613	I don't want to forget what happened.	1/10/2021 1:23 PM
614	I grew up in Falcon Heights, I believe this is the right thing to do..I	1/10/2021 1:10 PM
615	We should never forget what happened there. This is a way to preserve the history and to acknowledge that a life was needlessly lost there. This may be looked back on as part of what prompted change in how police are trained and managed and awareness of how deep and harmful institutional racism is at all levels of society.	1/10/2021 1:07 PM
616	It is important for this tragedy to be visible and remembered so that we can do better as a community.	1/10/2021 1:03 PM
617	It is fitting and appropriate. We should not forget what happened!	1/10/2021 1:02 PM
618	Philando deserves to forever be remembered.	1/10/2021 12:59 PM
619	He was a decent man who helped others and was needlessly killed. We should remember and honor him.	1/10/2021 12:59 PM
620	Because his memory should be cherished and respected as someone who lost his life due to the ongoing struggle against racism in our communities. His death should not be in vain.	1/10/2021 12:59 PM
621	It would be an appropriate way to acknowledge Mr. Castile and our city's place in history.	1/10/2021 12:59 PM
622	Philando was shot unjustly and in a traumatic way that racist and disproportionate to the reasons he was pulled over. Moreover he was an asset to the community and to the school he worked in.	1/10/2021 12:56 PM
623	Philando was an upstanding, loved community member, who tragically lost his life due to a city department. This is literally the least you can do, but it is something, and hopefully will help him never be forgotten	1/10/2021 12:55 PM
624	Philando Castile was a good man who deserves to be remembered. Naming a street after him would serve to remind all of us, every time we drive through, to strive for a more just and kind society.	1/10/2021 12:55 PM
625	Philando Castile is a black man who loved God community. Since his unjust murder, it is only right that the Falcon Heights honor him and his family	1/10/2021 12:52 PM
626	I am in support of this happening 100% as I am a POC Individual and tired of seeing POC and BIPOC suffer Police Brutality. This is heartbreaking to see in this country. YES YES And this needs to happen.	1/10/2021 12:50 PM
627	Because it is a step in healing a gap in our cities distrust in our democratic system. Our chosen officials should serve the communities they were elected to serve. If the community has gained enough signatures that are required for this change then the community has spoken. Has the family of Philando supported this honor? Then if it does not do harm to them to drive that stretch of road feeling a sense of pride as well as all they have suffered within that township. The city is then giving back as we should not forget the lives of the ordinary man who tried to make an honest life and live by the rules of the law. Too many of our young men are forgotten as well as the atrocities they have endured. Let us not forget the changes we as a community have yet to make for the future of our youth. Those same children that loved Philando can see that we can come together and grow as well as heal through our tragedy.	1/10/2021 12:50 PM
628	We should forget neither Philando Castile, nor the manner of his killing.	1/10/2021 12:49 PM
629	Just the right thing to do. All things considered!	1/10/2021 12:47 PM
630	It is important to remember what happened there.	1/10/2021 12:45 PM

## Honorary Naming of Larpenteur Avenue

631	I think it speaks to the memory of a person who, as a school employee, had committed to helping the youth, and who's life was ended too soon.	1/10/2021 12:45 PM
632	His story needs to be remembered. Having part of a street named after him will tell future generations he mattered. His life mattered.	1/10/2021 12:43 PM
633	It would honor a man who was killed needlessly, always reminding people who pass by of his story.	1/10/2021 12:41 PM
634	This the bare minimum symbolic gesture we can make to honor Philando's beautiful life.	1/10/2021 12:36 PM
635	To ensure the story will be told and learned from.	1/10/2021 12:28 PM
636	Because Philando Castile was a community pillar who deserves to be honored and memorialized for the heinous slaying he endured at the hands of police.	1/10/2021 12:25 PM
637	So he is remembered and honored	1/10/2021 12:23 PM
638	It is the smallest possible symbolic act to start providing Castille's community with some sense of healing.	1/10/2021 12:23 PM
639	Philando was a great man who brought joy to the lives of many. He was well liked in his community. He was murdered by police while complying to what the officers asked. There was no justice for Philando. This street would honor his legacy.	1/10/2021 12:20 PM
640	Because he was a good man and died unjustly and this is a tiny way to acknowledge the tragic loss of his life, honor who he was and the goodness he brought to others. It also recognizes the community trauma and the injustice of violence against black and brown people in this country. The naming could also be a symbol that we acknowledge there is much work that still needs to be done and that there is the desire as a community for us to do better and become better and this is one way to honor him and show the desire for change and that Philando Castile's death was not completely in vain. That this black man's life meant something to many people and his life and death have meaning that needs to be honored recognized.	1/10/2021 12:14 PM
641	It may be the closest we get to justice for him.	1/10/2021 12:09 PM
642	He should be remembered. He was an honorable citizen killed in a tragedy relating to national conditions on a Falcon Heights location.	1/10/2021 12:09 PM
643	I drive by the memorial to and from work everyday I work Mon - Fri and I would always think of him and I think this would be nice. Even though I never met him.	1/10/2021 12:04 PM
644	It's what the Philando's community is asking for as his legacy	1/10/2021 12:02 PM
645	So that Philando and this horrible time in our history is not forgotten. Acknowledging the horror of this tragedy helps to begin the healing.	1/10/2021 12:01 PM
646	It's important that we not let this event fade into history.	1/10/2021 11:57 AM
647	Least the city can do. A reminder of the injustice....the murder.	1/10/2021 11:55 AM
648	It deserves to be recognized	1/10/2021 11:53 AM
649	To preserve the memory	1/10/2021 11:52 AM
650	Philando Castile's death was an unnecessary tragedy and I hope that we can remember it going forwards and learn from that error.	1/10/2021 11:49 AM
651	As a reminder that the work of racial justice is ongoing.	1/10/2021 11:41 AM
652	Because we should never forget his loss of life and the light that it shone on white supremacy and racism.	1/10/2021 11:31 AM
653	A permanent memorial.	1/10/2021 11:29 AM
654	It is the loving and kind thing to do to honor someone who was loved in his community, who gave lovingly to his community.	1/10/2021 11:26 AM
655	It's the least that can be done for justice in his name	1/10/2021 11:23 AM
656	To memorialize and honor Philando.	1/10/2021 11:23 AM

## Honorary Naming of Larpenteur Avenue

657	He was a good lunch lady	1/10/2021 11:15 AM
658	This was an injustice to all cars carrying law abiding gun owners.	1/10/2021 11:15 AM
659	He was a valued member of this community taken away too soon. His life mattered. He should be honored and what happened to him not forgotten.	1/10/2021 11:13 AM
660	Mr. Castile was a kind and generous man. His name should be visible and his story should be retold in future generations.	1/10/2021 11:11 AM
661	I think it is a fitting memorial for a good person.	1/10/2021 11:11 AM
662	To honor Mr. Castile's legacy as a vibrant and beloved member of society.	1/10/2021 11:08 AM
663	He died needlessly At the hand of an inexperienced police officer that should have never been a police officer the first place,	1/10/2021 11:06 AM
664	Philandro should be honored for his life-long service to the children at the school where he worked. I believe he death was uncalled for and tragic.	1/10/2021 11:04 AM
665	To raise awareness to social injustice.	1/10/2021 11:03 AM
666	It will allow MN to never forget.	1/10/2021 11:03 AM
667	Because he is worthy of such a memorial and so we never forget how damaging implicit bias is.	1/10/2021 11:03 AM
668	Lest we forget.	1/10/2021 11:02 AM
669	It is practically the least that we can do. This should never be forgotten. It is a part of our collective history.	1/10/2021 10:57 AM
670	Because he was an innocent man and hard-working that did not deserve that	1/10/2021 10:54 AM
671	To honour a young man whose life was taken. It would show people that he was a beloved man by young and old and needs to be honoured.	1/10/2021 10:51 AM
672	Acknowledgement of a horrible wrongdoing is never a bad thing.	1/10/2021 10:51 AM
673	Philando was a role model to the students in SPPS. His life was taken from him and everyone who drives down Larpenteur should remember his name.	1/10/2021 10:48 AM
674	We need to remember where the life of a innocent Black man was brutally lost at the hands of a government employee. Naming this section of street will be a reminder of the violence experienced by so many people of color in our communities.	1/10/2021 10:46 AM
675	Philando never received the true justice he deserves. This symbol is the least we can do.	1/10/2021 10:44 AM
676	I am in support of the name change because of Castiles contributions to our community as well as to the tragic nature of his murder.	1/10/2021 10:41 AM
677	Because I think that it's wrong that police are always killing innocent people. That guy told the cops he has the gun license and when he went to go grab it they shot him! Those cops and every other cop who thinks it's okay to be like that needs to be fired! This family needs justice and time to heal! Hence me supporting this	1/10/2021 10:41 AM
678	To honor the life and loss of Philando Castillo	1/10/2021 10:41 AM
679	Philando was a good person, he was an honest, hard working man who was wrongfully killed by the police. He should be alive. Justice was not served in the trial of the officer who killed him. Naming the street for him would, at the very least, serve to let the community know what happened there, and be a reminder that it should not happen again.	1/10/2021 10:40 AM
680	As a society, we need to remember the lives that were taken by systemic racism.	1/10/2021 10:39 AM
681	He sacrificed his life for unjust reasons- it's the least we can do.	1/10/2021 10:38 AM
682	Black Lives Matter, simple as that.	1/10/2021 10:38 AM
683	1) to help our community heal 2) to remind us that we can do better 3) to honor the legacy of someone who contributed to our community	1/10/2021 10:37 AM
684	Tk raise awareness of police brutality in our community.	1/10/2021 10:34 AM

## Honorary Naming of Larpenteur Avenue

685	To create unity and consciousness by remind our community the good people's name that had impacted the nation and the word, from our own neighborhood, and also to do not forget the terrible mistakes we had make that hurt many people so deeply.	1/10/2021 10:34 AM
686	We should never forget the names of people murdered by the police.	1/10/2021 10:33 AM
687	Average joe citizen can barely spell Larpenteur let alone know who he was... (unless they found the recent online post in the Bugle...) Renaming of streets is a key way to support peacemaking in our community. As a well known St Paul Public School employee in a large school, this man positively impacted the lives of many of today's citizens. This name change will not erase our past, instead make space for today's lives and stories to be part of that narrative. BLM, Representation Matters, the young people of our city deserve to have some hope that this place will change and be better. Let's us older, in power people make a visible change for them. Thank you for this opportunity.	1/10/2021 10:31 AM
688	To honor Philando	1/10/2021 10:30 AM
689	It will serve as a useful reminder of this tragedy that one hopes help us learn and prevent similar events on the future.	1/10/2021 10:27 AM
690	My heart breaks every time I drive by Larpenteur and Fry. This event should be remembered, so we can do better.	1/10/2021 10:23 AM
691	Philando Castille deserved to live.	1/10/2021 10:21 AM
692	It doesn't negatively impact anyone, and it will honor a man who did not deserve to be murdered in front of a child and loved one.	1/10/2021 10:06 AM
693	He was an educator, an upstanding citizen who was a victim of ongoing police brutality. He (his family) deserve so much more!!!	1/10/2021 10:05 AM
694	It is the right thing to do and such a minimal effort task that will be immensely positive and profound. It will be another huge move to show how we care about the tragic event that happened.	1/10/2021 10:04 AM
695	I live on Fulham St and drive by Philando's memorial every day. His memory deserves this honor, because he was treated as less than human in his last moments of life. Please do this! Janine Bunkowski	1/10/2021 10:01 AM
696	Philando was a generous and giving person. I love the memorial signing, it's not replacing or renaming the streets but truly remembering him. What happened was a tragedy and memorializing it in a positive way helps to promote both change and unity.	1/10/2021 10:00 AM
697	His death was unjust and his name deserves to live on.	1/10/2021 10:00 AM
698	Why do I need to explain racism and police brutality to you? Honor this murdered individual.	1/10/2021 9:58 AM
699	This young man was a good man. Every day I pass the memorial that has been set up for him when I drive my car. He should be remembered, as his life was taken from him far too early. We should remember the racism that has divided our country, and create positive reminders so that we don't forget that we have much to do to fight it.	1/10/2021 9:51 AM
700	BLM	1/10/2021 9:49 AM
701	He was a hard working young man that did not deserve to be killed by the police	1/10/2021 9:49 AM
702	He was a treasure of our Twin Cities & killed for no reason, taken from us-	1/10/2021 9:46 AM
703	I want the city in which I live to stand up for racial justice. Philando Castile was wrongly killed and we should honor the memory of his life. As well as signal that we will do everything in our power to keep this from happening again.	1/10/2021 9:44 AM
704	Philando was a great man who needs to be remembered for all the good he did, not just with school kids, but the community.	1/10/2021 9:43 AM
705	Because innocent black men and women being killed by cops deserve to be remembered forever. Things like this shouldn't happen in America.	1/10/2021 9:40 AM
706	It's the right and caring thing to do.	1/10/2021 9:38 AM
707	It's the right thing to do	1/10/2021 9:37 AM

## Honorary Naming of Larpenteur Avenue

708	I think it's important to have a permanent historical marker of some kind . Although I appreciate the current memorial near the State Fair entrance and I do actually think about what happened there as I drive, walk or ride by, it's not permanent. Naming the street wouldn't be my first choice, but it's currently the only choice.	1/10/2021 9:37 AM
709	Because Philando did not receive justice so this is the least that can be done years after the fact.	1/10/2021 9:35 AM
710	Philando has become a symbol of senseless murder by over zealous police toward Black and Brown people. We watched it on livestream, and then his killer walked free, as they always do. He deserves recognition for his extraordinary acts of kindness in his short life.	1/10/2021 9:35 AM
711	Placing this honorary name is the least we can do to honor a man who lost his life without reason.	1/10/2021 9:30 AM
712	It's a simple and non-intrusive way to add some history to the street.	1/10/2021 9:29 AM
713	It shows the city is recognizing the systemic racism and its commitment to correcting it.	1/10/2021 9:28 AM
714	Philando was a good man and deserves this honor to remind his community and all of its visitors that police brutality and racism must end.	1/10/2021 9:26 AM
715	Philando never saw justice in any way shape or form. I grew up four blocks from where this murderer occurred, slept outside the mansion for a month, went through it all fighting for him and he never saw justice. The least we can do as FH community members is let him and his family know we remember him.	1/10/2021 9:25 AM
716	Philandro was a small example of how bad things happen to good people. He deserves a good memory of him.	1/10/2021 9:22 AM
717	Because he is worthy of such an honor.	1/10/2021 9:21 AM
718	Phil was murdered for being black. It's the least you can do	1/10/2021 9:18 AM
719	To recognize him and to show FH's support for racial justice everywhere.	1/10/2021 9:17 AM
720	So we don't forget the life Philando led, continue to support feeding children. Before we can help children learn physical needs have to be met. And unfortunately so we never forget how Philando died and keep working to prevent more needless deaths.	1/10/2021 9:16 AM
721	What happened there was a stain on our community and we need to acknowledge and remember it to deter it from happening again. Also, it upsets people who oppose efforts to improve equity, so it must be a step in the right direction.	1/10/2021 9:10 AM
722	Remembering is important	1/10/2021 9:08 AM
723	Philando was unjustly killed by police and had done nothing wrong. It is important that the community recognizes him and naming this street after him will help people remember and honor his memory.	1/10/2021 9:07 AM
724	We give honorary namings to denote a person's significant contribution or effect in promoting positive change in our communities. While Castile did not volunteer for the job, as in many cases of honorary naming, circumstances chose him to be the agent of much positive change in our city. His family, for whom these actions are actually taken when done in memoriam, deserves this.	1/10/2021 9:03 AM
725	Philando Castile was murdered by the city. This tragedy should never, ever be forgotten. Forgetting this heinous crime for even one day will let people not think about pursuing justice and progressing to a better community, and the city desperately needs to progress to something better, and anyone who doesn't want the city to be even better certainly doesn't love the city and wants bad things for it.	1/10/2021 9:01 AM
726	It is the right thing to do along with justice for Philando Castile!!!	1/10/2021 8:55 AM
727	Castile was unjustly killed by police and would still be an active member of society to this day if he wasn't murdered for no reason. He deserves to be honored permanently.	1/10/2021 8:54 AM
728	I support this naming due to this is where this mans life ended in a senseless murder , and this would be a good way to honor his life and we he stood for and meant to our community	1/10/2021 8:53 AM

## Honorary Naming of Larpenteur Avenue

729	He should never be forgotten. I would prefer it if Larpenteur was just renamed Castile Avenue.	1/10/2021 8:48 AM
730	Because he deserves it	1/10/2021 8:46 AM
731	I live nearby in Falcon Heights and believe that our city should honor Philando Castile and his tragic death.	1/10/2021 8:44 AM
732	We must remember our history, this is something that happened through no fault of his own, and it has for ever changed the way I see race.	1/10/2021 8:43 AM
733	Given the contributions Castile gave to our community and the way in which his life was tragically and wrongfully ended, his sacrifice deserves to be remembered.	1/10/2021 8:40 AM
734	The death of Philando changed me and it changed our region. We must continue to surround ourselves with the names of those slain by white supremacy. It is a reminder to not forget, to not stop working, and to ensure his death is not in vain.	1/10/2021 8:34 AM
735	We want to be a community that learns from the mistakes we've made and honor a man whose life was usually taken	1/10/2021 8:28 AM
736	Honorary naming would solidify the significance of this street. I think of Philando Castile whenever I drive down it. I remember that injustice is not just an abstract problem for other people but I feature of my community and daily life. I hope that others who see the sign will look up his name and the history of this street so that they can remember, too.	1/10/2021 8:27 AM
737	Philando Castile was a human, murdered like so many by the state for existing while Black. He was also a beacon of light for the most vulnerable in his community. He is deserving of this honor, and we must always be reminded that his life mattered and the violent police force must be stopped from brutalizing us.	1/10/2021 8:00 AM
738	To honor the memory of Philando.	1/10/2021 7:59 AM
739	Police brutality against Black people has been ignored or forgotten for too long. We need to do all we can to make sure Philando Castile's murder is remembered, and his life is honored.	1/10/2021 7:47 AM
740	It is the right thing to do	1/10/2021 7:37 AM
741	So that it can serve as acknowledgement the community cares about Philando and what happened that night.	1/10/2021 7:35 AM
742	to remember him and how he died	1/10/2021 7:33 AM
743	He was a Victim of mistaken identity.	1/10/2021 7:14 AM
744	To honor Philando Castille and all the others who have been wrongly killed by law enforcement.	1/10/2021 7:10 AM
745	As a constant reminder of the need for racial equity.	1/10/2021 7:07 AM
746	To honor the work he did and recognize the injustice in his death	1/10/2021 6:05 AM
747	Philando as well as his death has made such a significant impact on me. I live in Falcon Heights and use Larpenteur daily. I wave to his memorial each time I pass it. I would celebrate an honorary naming as well as a permanent memorial in his name.	1/10/2021 6:00 AM
748	This was such a tragic event that greatly affected me, as I live near this area. I think about Philando whenever I drive by his memorial site. I believe that this tragedy should not be forgotten.	1/10/2021 5:36 AM
749	I used to live down the street from where Mr. Castile was murdered, and I feel deeply traumatized about the whole experience. I feel like as a community we deserve some kind of happiness from the outcome of the situation.	1/10/2021 5:12 AM
750	I am a retired Saint Paul Public Schools Administer. I have heard first hand from employees of JJ Hill School what a remarkable and caring person Mr. Castile was. Knowing the facts of the case I strongly believe that a gross travesty of justice occurred in not convicting Mr. Yanez. Honorably a section of Larpentuer tor Mr. Castile is appropriate.	1/10/2021 4:07 AM
751	From what I've learned, Mr Castille was a good person. If his family supports naming a street after him as a way to remember him, then I support it, too.	1/10/2021 3:51 AM
752	So he is never forgotten	1/10/2021 2:42 AM

## Honorary Naming of Larpenteur Avenue

753	In memorandum of a black man who unnecessarily lost his life to police. It is a statement of validation for BIPOC people in this state.	1/10/2021 1:23 AM
754	We can't make things right, but we can do something to help people remember.	1/10/2021 1:14 AM
755	He and his family and loved ones deserve this honor in his name after his life was tragically taken.	1/10/2021 12:36 AM
756	It's an important part of Minnesota/Falcon Heights history.	1/10/2021 12:32 AM
757	It's important to honor the history of our city. To learn so a tragedy like this never happens again.	1/10/2021 12:28 AM
758	In memory of a man who gave so much back to his city and to children.	1/9/2021 11:51 PM
759	He deserves it and it is a good reminder to us all.	1/9/2021 11:38 PM
760	Cause i care	1/9/2021 11:25 PM
761	Cause he was shot in cold blood	1/9/2021 11:22 PM
762	Falcon Heights never did anything, so I guess this is at least something to remember Philando by.	1/9/2021 11:17 PM
763	I think it's the smallest thing that the city could do to recognize his death and to attempt to show that the city cares just a little bit about racial equality and justice.	1/9/2021 11:15 PM
764	Because he was shot for no reason by the cop.	1/9/2021 11:15 PM
765	We need to remember our brothers and sisters who suffered injustice by our systems in our state. It will be a reminder of what happened and where we want to move forward.	1/9/2021 10:56 PM
766	Philando was a community member who had his life taken because of the systemic racism and violence in the very fabric of our culture. He deserves to be remembered, and his story is an important reminder to all of us to continue to do our best for our community.	1/9/2021 10:46 PM
767	Forgetting makes it easier to get repeated. Never forget!	1/9/2021 10:46 PM
768	Because we should never forget Philandro Castille.	1/9/2021 10:45 PM
769	Philando Castile was a great member of our community. His life was stolen from him and all of us. Any way we can keep his memory alive is important.	1/9/2021 10:40 PM
770	He Deserves Something in his Honor	1/9/2021 10:34 PM
771	I think it would help serve as a constant reminder for those who live near or commute through the area of what happened here and how we need to be aware of our individual and institutional biases.	1/9/2021 10:23 PM
772	To help prevent similar tragedies in the future.	1/9/2021 10:20 PM
773	Because it is crucial to uplift his memory and recognize the atrocious murder of Philando Castile. It is important that his commemoration be visible.	1/9/2021 10:17 PM
774	Philando Castile meant so much to the young students he served. This would give a place for them- and the many people still grieving him- to hold him in their hearts. This is the right thing to do;! This kind man was callously shot and left to bleed out. He deserves this honor! ♥	1/9/2021 10:15 PM
775	Philando was a good person who did not deserve to have his life end that way. We need to honor and respect him in this way.	1/9/2021 10:14 PM
776	Because I will never forget the day I was awoken by my wife crying who learned from friend that her friend and co-worker Phil has been killed unnecessarily by a police office. I've been fortunate to live my life as a privileged white male, but in the nearly a dozen times I was pulled over when I was younger (for speeding) I was never treated poorly by a cop, and was often let go. We live in two different America's and by re-naming a portion of Larpenteur Avenue we can help other learn about what happened to Phil, and hopefully move our city and country to a brighter, progressive, and more just future.	1/9/2021 10:11 PM
777	Because I will never forget the day I was awoken by my wife crying who learned from friend that her friend and co-worker Phil has been killed unnecessarily by a police office. ## Honorary Naming of Larpenteur Avenue

over when I was younger (for speeding) I was never treated poorly by a cop, and was often let go. We live in two different America's and by re-naming a portion of Larpenteur Avenue we can help other learn about what happened to Phil, and hopefully move our city and country to a brighter, progressive, and more just future.

778	Least the city can do	1/9/2021 9:56 PM
779	My understanding of the man he was at his job at school and the inconsiderate officer and wrong circumstance that took his life needs to be a daily reminder of the man he was.	1/9/2021 9:48 PM
780	The death of Mr Castille permanently changed our city's reputation and image as peaceful community. We must honor his memory so that we work to keep such a tragedy from happening again.	1/9/2021 9:43 PM
781	He should be honored.	1/9/2021 9:42 PM
782	Castile deserves recognition for his service to others and the ignominious manner in which he died.	1/9/2021 9:39 PM
783	Such a society altering moment. To honor a man who was unjustifiably murdered is the least we can do to memorialize this significant event in our community's history. As long as Philando's family is in support of this, I am too.	1/9/2021 9:27 PM
784	I think it is important to remember citizens of good standing who have been harmed irreparably by institutional racism.	1/9/2021 9:26 PM
785	He was a colleague of mine in St. Paul. Staff and students liked him very much. The trauma that it brought to our school community has been ongoing since his shooting. This might help some in healing for our students and staff.	1/9/2021 9:24 PM
786	Not to forget him and also bring closure to his family and the community	1/9/2021 9:11 PM
787	Unnecessarily killed	1/9/2021 9:11 PM
788	I would like to see it as a permanent memorial to him.	1/9/2021 9:09 PM
789	So that this horrific incident is not forgotten.	1/9/2021 9:09 PM
790	Because a Black man was murdered by our racist militarized police. We need a permanent reminder that this is the america we all live in.	1/9/2021 9:08 PM
791	To honor his life and the community he supported for so many years. His death was unfortunate and is a blemish on Falcon Heights.	1/9/2021 9:08 PM
792	It's the right step to begin healing our community and honoring Philando. It will also show the black and brown community that Falcon Heights is making progress in becoming more inclusive to its residents and visitors.	1/9/2021 9:03 PM
793	He needs to be remembered for the person he was. And unjustly lost his life.	1/9/2021 8:55 PM
794	We can never forget this atrocity that happened in our community. Honoring his name in this way is a great start.	1/9/2021 8:50 PM
795	Although I no longer live in Falcon Heights, I did when I was in high school, then again for 13 years while caring for my parents in their Falcon Heights home during their last years. I heard the sirens the night Philando was shot. I walked across the University fields early that Saturday morning, feeling the pain of the knowledge that my community, and the police force we had contacted, were responsible for the death of a fine man; and also the realization that because of my white privilege, I did not know about the discriminatory treatment at the hands of our police. I walked with my refugee high school students to the memorial during summer school, where they talked, wrote in chalk on the sidewalk, and prayed. I believe it is essential to keep the memory of Philando Castille alive, to keep us moving closer to a place of equity and understanding. Renaming a section of Larpenteur Avenue will be a daily reminder of that goal.	1/9/2021 8:50 PM
796	The petition sums up my position well. I'd change the name of the whole road if I could. Who was Larpenteur anyway. Philando Castille Parkway sounds lovely.	1/9/2021 8:41 PM
797	He was shot by the cops for no reason	1/9/2021 8:25 PM
798	Are you kidding me for Lando Castile was a good person who was shot and killed by Saint	1/9/2021 8:23 PM

## Honorary Naming of Larpenteur Avenue

	Anthony police Yanez over ratio by us the least you can do is name a street after him	
799	Seems like the right thing to do, plus I'm not attached to the name larpenteur	1/9/2021 8:12 PM
800	It feels like the least we can do to honor the tragedy that occurred in our city.	1/9/2021 8:09 PM
801	We have an obligation to never forget and to honor Philando. If his family wishes for this then I do too.	1/9/2021 8:08 PM
802	So every cop who drives down the street has to look at it.	1/9/2021 8:04 PM
803	It's important to remember him and how he died.	1/9/2021 7:58 PM
804	It is fitting	1/9/2021 7:50 PM
805	A reminder that Castile's life mattered, and it shouldn't have been taken there in that manner. An additional means of keeping that wrong in the public consciousness, so that we are less likely doomed to repeat it.	1/9/2021 7:50 PM
806	The memorial is a start, but deserves to be honored so everyone says hi@@ name.	1/9/2021 7:43 PM
807	It would add some formal backing to his memorial and be a more permanent recognition of the tragedy that was his death.	1/9/2021 7:41 PM
808	Its time to change something its crazy he was license to carry a gun in the police still shot that man	1/9/2021 7:36 PM
809	An innocent person was needlessly killed. He seemed to be a generally nice person who worked at a school that he liked and kids liked him. I'm pretty sure if his skin color was the same as mine he'd be alive today.	1/9/2021 7:27 PM
810	Because Black lives matter! Because we need to always remember what happened here. Because Philando was loved.	1/9/2021 7:20 PM
811	We must not forget those that have died at the hands of police. The black community continues to feel the effects of systemic, institutional racism. This reverberates to the broader community.	1/9/2021 7:16 PM
812	I used to live 1/2 mile from where Mr. Castile was shot. I drove that stretch often. The day he was killed I thought: "if that were me (a middle-aged white woman), no way am I stopped. And I certainly don't lose my life." It's a senseless tragedy. Renaming a street for him is a very, very small action that in no way compensates for the tragic loss of his life, but is nonetheless a small way to remember him, ideally so that such tragedies can be avoided in future. Thank you for your consideration.	1/9/2021 7:13 PM
813	It's a good way to honor a man who deserves it.	1/9/2021 7:12 PM
814	It's the last place he was alive. His death was unnecessary and he should be remembered. His case started the protesting on the freeway and stuff. He deserves something for his horrible death.	1/9/2021 7:05 PM
815	It's the right thing to do.	1/9/2021 7:04 PM
816	He deserves to be remembered. This is a way to transform the memorial our community has created at that site into something permanent.	1/9/2021 7:03 PM
817	It's a nice way to remember what happened and honor a member of the community.	1/9/2021 6:59 PM
818	It would serve as a reminder that as a community we can do better.	1/9/2021 6:51 PM
819	I think it's important to always remember.	1/9/2021 6:49 PM
820	Celebrating his life	1/9/2021 6:48 PM
821	We need public recognition of people who are deeply meaningful to the community	1/9/2021 6:41 PM
822	This is my neighborhood and I felt very moved by his tragic death. I am a resident of Lauderdale. For many earlier years I lived immediately adjacent to the site of his death.	1/9/2021 6:40 PM
823	Because we need to never forget what happened here and because he was a positive influence in many kids lives. Black lives matter	1/9/2021 6:34 PM

## Honorary Naming of Larpenteur Avenue

824	Philando Castile should be remembered for generations.	1/9/2021 6:28 PM
825	I know he wasn't perfect but he was trying to change his life, he was helping troubled youth, he was gunned down by a racist policeman, yes he was Hispanic hit Hispanics are very racist too... It wasn't right... So yea his life matters, I love that he is being memorialized, he should be, he was only 30 and he was robbed of his life, just think of all the lives he could of changed, I guess we will never know now..	1/9/2021 6:24 PM
826	Because he deserves it. He was a respected member of his community.	1/9/2021 6:19 PM
827	As a reminder of the city's failure of oversight of policing in FH. Sadly, this resulted in the death of Philando, a beloved employee of students at JJ Hill.	1/9/2021 6:19 PM
828	To bring attention and memorial to the senseless murder of a black man in our community.	1/9/2021 6:17 PM
829	It's right for our community to honor the man and remember the horrific event.	1/9/2021 6:17 PM
830	because his memory and story deserves to live on rather than the horror of his murder.	1/9/2021 6:17 PM
831	His life should be remembered & we MUST start addressing the systemic racism in our state.	1/9/2021 6:14 PM
832	I think he should be remembered for a very very long time. He was a stable support to the children he worked with and that type of kindness needs to be remembered. I have no idea who Larpenteur is. Philando is more relevant to my life and my communities life.	1/9/2021 6:14 PM
833	To honor Mr. Castile	1/9/2021 6:10 PM
834	I want him remembered.	1/9/2021 6:10 PM
835	He represents the people in the community	1/9/2021 6:08 PM
836	As a reminder of what happens way too often, and honor a life cut short needlessly.	1/9/2021 6:08 PM
837	If that's what his family would have wanted it is the least we can do. And it will help keep the problem of police shootings at the front of our minds.	1/9/2021 6:00 PM
838	It's a beautiful way to remember who Philando was.	1/9/2021 5:59 PM
839	It should be the entire intersection. IMO. I want a reminder in my community that honors the life of Philando and serves as a symbolic reminder for everyone to end systemic racism in this country.	1/9/2021 5:58 PM
840	He should not have been pulled over and he should be alive.	1/9/2021 5:55 PM
841	He worked within the community (serving meals to school kids) and died tragically... we need to document and preserve the memories of all these black men who have died at the hands of the police	1/9/2021 5:53 PM
842	Philando Castile's murder was a catalyst that opened the eyes of this white neighborhood to the realities of what White Supremacy does to BIPOC. George Floyd's murder showed the world what happens when White Supremacy is left unchecked. And we keep getting complacent. Even after White Supremacists targeted our neighborhoods with their threatening notes and actions, there is shock and pearl clutching at the assault on the Capitol. This is America, this is who we are. We cannot be allowed to think that this isn't who we are. We have to acknowledge the atrocities, we have to feel into our discomfort and own it, in order to heal from it. Feel it, face it, forgive it, and do something about it. Naming this street is something we can do.	1/9/2021 5:53 PM
843	Mr. Castile was an exemplary person and deserves this honor.	1/9/2021 5:52 PM
844	We need to remember what happened here more permanently	1/9/2021 5:47 PM
845	Philando was a member of our community & deserves to be remembered.	1/9/2021 5:47 PM
846	I think it is a fitting way to memorialize is life. And death.	1/9/2021 5:46 PM
847	This was an important event that needs to be remembered	1/9/2021 5:40 PM
848	Because he was killed by a man in uniform unjustifiably. At the very least he deserves this small piece of justice.	1/9/2021 5:33 PM
849	Because it's a way of repairing the damage caused by Law Enforcement to Black residents	1/9/2021 5:30 PM

## Honorary Naming of Larpenteur Avenue

850	Because BLACK LIVES MATTER! TODAY TOMORROW YESTERDAY ALWAYS!!! Nothing will change if we forget the actions of the past and use them to change going forward. Philando was a beloved man, but regardless of who he was he deserves to be alive.	1/9/2021 5:15 PM
851	It's very least that could be done to honor him.	1/9/2021 5:08 PM
852	Philando Castile was an upstanding citizen. We as a city need to show that we do not value police brutality, so I think it is important we honor and remember his legacy. I should note I do not live in falcon heights but rather very close by in Roseville near Roselawn and Fairview.	1/9/2021 5:07 PM
853	It is important that the Falcon Heights community recognizes the tragedy that took place on our blocks. I think it would be reminder to ourselves, the community, and visitors that we refuse to forget, or let happen again, the violent murder of a wonderful man for no reason.	1/9/2021 5:05 PM
854	So current and future residents will reflect on our community values.	1/9/2021 5:02 PM
855	it would be horrible to be against it	1/9/2021 5:00 PM
856	Because I support anti-racism and because I live in the neighborhood	1/9/2021 4:58 PM
857	To honor and correct a grave disservice to a life that was taken too soon and should be a reminder of our determination to see the humanity of each person in our community as deserving of grace and always strive to set aside systemic and fractured bias.	1/9/2021 4:56 PM
858	Honorary naming validates the memory of a man who was murdered by police. Yanez was not a court and jury and it wasn't up to him to decide the fate of Castillo. The police offered no assistance as the world watched a man die. This cannot be excused or forgotten. I live in Roseville off Roselawn.	1/9/2021 4:50 PM
859	Philando's death was an avoidable, shameful tragedy, but his legacy has inspired so many. This will continue his memory and make sure people know his name.	1/9/2021 4:49 PM
860	He should not have been murdered and he should not be forgotten.	1/9/2021 4:39 PM
861	As a reminder of what authoritarian policing can do	1/9/2021 4:38 PM
862	Philando Castille was killed in a senseless incident and the only way we can keep this in mind as we move towards police reform is if we honor him loudly and publicly.	1/9/2021 4:37 PM
863	We need to honor the victims of tragedies, and let their names fuel the progress of humanity.	1/9/2021 4:34 PM
864	So people don't forget the murder and let it become just another tragedy we forget about	1/9/2021 4:32 PM
865	Because he was reaching for his wallet not his gun. I know how hard it is to get my phone out of my right pocket with the seatbelt still on.	1/9/2021 4:27 PM
866	He was an honorable man.	1/9/2021 4:20 PM
867	Philando deserves to be recognized and appreciated as a human being who took care of children in SPPS.	1/9/2021 4:20 PM
868	To remember the fight for racial equality and justice	1/9/2021 4:16 PM
869	To always remember, learn from, grow with, and respect his memory and the event and where our country is in history.	1/9/2021 4:15 PM
870	His murder needs to be a reminder that racial profiling and discrimination in policing isn't just a problem in some other state: it happens in our neighborhood too.	1/9/2021 4:15 PM
871	The community wants to remember and honor the horrific event that happened 4 years ago.	1/9/2021 4:12 PM
872	Because what happened to him was a tragedy. It shouldn't have happened. I think this should be a memorial for the family and children he worked with that he was stolen from	1/9/2021 4:04 PM
873	Falcon Heights mismanagement in not bothering to monitor policing irregularities in their city limits is partially what led to Castile's death, so I'm all for an honorary street renaming!	1/9/2021 3:43 PM
874	xxx	1/9/2021 3:24 PM
875	It demonstrates our community's commitment to racial justice, which existed before but was catalyzed by Philando's killing by police in our city	1/9/2021 3:21 PM

## Honorary Naming of Larpenteur Avenue

876	Because the violence faced by Mr. Castille, and all Black and Brown people must be remembered/never forgotten. SAY THEIR NAME.	1/9/2021 3:15 PM
877	To remember the tragedy that occurred at that location.	1/9/2021 3:11 PM
878	We need to acknowledge the terrible toll that racial bias has played in the history of our community.	1/9/2021 3:07 PM
879	Lest we forget the lessons we should have learned. We need to remember and do better.	1/9/2021 3:04 PM
880	To honor a man that was wrongfully murdered.	1/9/2021 3:04 PM
881	Philando Castile deserved to live, not to be murdered by the police. The least we can do is to not forget him.	1/9/2021 3:00 PM
882	a man was murdered and justice was not served. this is literally, literally, the LEAST the city can do.	1/9/2021 2:46 PM
883	Never forget	1/9/2021 2:44 PM
884	This was a tragedy and he should be remembered.	1/9/2021 2:29 PM
885	It's important to memorialize our history so we don't repeat it and can teach our children what lessons we've learned from in our community	1/9/2021 2:27 PM
886	To keep his spirit alive, to own our racism and it's impact, and to vow to do better	1/9/2021 2:25 PM
887	BLM	1/9/2021 2:24 PM
888	Philando was a kind human whose life didn't deserve to end the way it did. Honoring him in this way keeps the dialogue about his life and death open, hopefully as a path to change.	1/9/2021 2:23 PM
889	Why not? The man was shot to death for telling a law enforcement officer that he was *carrying* a weapon. He was not a threat. He did everything he was supposed to do, yet was still killed. He deserves recognition, with or without having a memorial already.	1/9/2021 2:20 PM
890	So we never forget a great injustice and do better in the future.	1/9/2021 2:19 PM
891	Philando contributed to the community and was killed unjustly. It would be just to name a portion of the community he helped after him.	1/9/2021 2:16 PM
892	We should honor those who have sparked a large amount of change and discussion to move our community in a better direction.	1/9/2021 2:15 PM
893	It will help us remember. Remember that racism is in our community. Remember to continue to act toward justice.	1/9/2021 2:07 PM
894	Honor someone who's life was cut tragically short and now has helped inspire a movement	1/9/2021 2:05 PM
895	His death was shameful and a stain on us all. He should be remembered forever.	1/9/2021 2:03 PM
896	To honor Philando Castile who was taken too soon and a commitment to root out systemic racism in our community.	1/9/2021 1:59 PM
897	This is my community	1/9/2021 1:55 PM
898	I disagree with how and why he was shot and killed, I think this is a very special thing to do.	1/9/2021 1:52 PM
899	Philando Castile should not be forgotten. He was innocent and a pillar of the community. Children in the future should learn his story when they ask about the name of the avenue.	1/9/2021 1:51 PM
900	It's the least we can do as a community to honor Mr. Castile.	1/9/2021 1:48 PM
901	It is the right thing to do	1/9/2021 1:47 PM
902	It's a more permanent way of remembering Philando and the struggle for racial justice.	1/9/2021 1:45 PM
903	My kids attend JJ Hill school and we live in the Como neighborhood and attend Falcon Heights UCC church. We drive on Larpenteur avenue to run many of our errands and support the honorary name as a way to remember the horrible tragedy in our community and so we will never forget that we need to keep being active in social and racial justice to create a more equitable world for all.	1/9/2021 1:43 PM

## Honorary Naming of Larpenteur Avenue

904	About time.	1/9/2021 1:38 PM
905	We must never forget. It's only right to honor him, esp after the damage to is memorial recently.	1/9/2021 1:35 PM
906	It would be a more permanent way to honor his memory.	1/9/2021 1:33 PM
907	To honor the memory of a member of our community who was unjustly killed by a member of our police force.	1/9/2021 1:32 PM
908	To keep his name and legacy in the forefront of our minds.	1/9/2021 1:24 PM
909	Because what happened to Mr. Castile was terrible and we need to remember history to help us not repeat it.	1/9/2021 1:20 PM
910	I live on Larpenteur. Although I am white, I want racism to be called out, and addressed. Philando should not have lost his life this way. Let's honor him!	1/9/2021 1:19 PM
911	Doing this permanently would signal that we honor the life of Philando Castile and that what happened to him was unacceptable and tragic. It helps ensure that his life and death are not forgotten.	1/9/2021 1:17 PM
912	it was one of the worst police killings and has been mostly forgotten	1/9/2021 11:46 AM
913	I believe it's important to acknowledge the death of Philando Castile as he died at the hands of the law.	1/9/2021 10:22 AM
914	Recognizing an historic event that impacted the community	1/9/2021 10:21 AM
915	This was a tragic event in the history of our country and it happened right here in falcon heights at the hands of police officers paid by our community. Honorary street naming would be a reminder to "never forget" what happened here.	1/9/2021 10:01 AM
916	I am strongly against police violence and in favor of elevating POC voices and the memory of victims.	1/9/2021 9:53 AM
917	Mr. Castile should be honored and remembered permanently. Someday his memorial will fade, so please put him on the map for good.	1/9/2021 9:36 AM
918	To promote remembering what happened	1/9/2021 9:35 AM
919	It's the absolute least we can do	1/9/2021 9:33 AM
920	Philando was a positive force in the community and deserves to be remembered.	1/9/2021 9:05 AM
921	What happened with Philando Castile was a tragic event, and his name needs to be memorialized as a reminder of this sad situation.	1/9/2021 8:08 AM
922	We should remember him and remember what happened.	1/9/2021 6:35 AM
923	It gives the city a chance to honor a good man who prematurely lost his life.	1/9/2021 6:21 AM
924	Anything to show that we have not forgotten him and honor the man he was is something we should do as a community. Additionally, it is a low cost/effort way to honor him, so it seems like a no-brainer.	1/9/2021 6:11 AM
925	It serves as a reminder to what happened to Philando and keeps his memory alive.	1/8/2021 10:01 PM

## Honorary Naming of Larpenteur Avenue

932	It is a wonderful idea to honor him and all of us who live near. Love .this idea	1/8/2021 5:53 PM
933	Why not! It's a great way to commemorate Mr. Castile	1/8/2021 5:31 PM
934	I'm fine with it.	1/8/2021 5:17 PM
935	To show respect for Philando Castile, to show we remember him.	1/8/2021 5:08 PM
936	We need to remember this horrific moment in our community's history and constantly be reminded of how much we need to improve and do better when it comes to racial injustice and violence.	1/8/2021 5:02 PM
937	We should remember Mr. Castile and work to change the things that led to this tragedy.	1/8/2021 5:00 PM
938	Philando should not be forgotten.	1/8/2021 4:54 PM
939	He was killed by a police officer who got off!	1/8/2021 4:46 PM
940	Many reasons first and most importantly ,to help us all remember that he was killed and. if we listen first and believe all people are of value, he would still be alive. we need to remember and honor his memory so we can learn from this tragedy.	1/8/2021 4:46 PM
941	I'm marginally in favor. I don't think it's enough and can go either way but at the end of the day I think it's better than almost anything that's been done thus far.	1/8/2021 4:35 PM
942	Honoring Philando's sacrifice towards the broader evolution through racial issues by our country.	1/8/2021 4:34 PM

7	I dont feel he should have a street named after him just because he was shot by a cop. He wasnt listening to the cop, if he would have listened he probably would not have been shot	1/27/2021 8:26 AM
8	Why honor somebody who was not a law abiding citizen??	1/27/2021 7:31 AM
9	Too Confusing in regards to Navigating!!! Leave it be!!!	1/27/2021 7:23 AM
10	Instead of a street being renamed there should be a memorial site.	1/27/2021 7:21 AM
11	A community shouldn't name street after people who have criminal history and remove names of people that have done good things for the community. Costs and confusion in process. Racist? Would this be happening if a Caucasian had been shot by police, like the woman in Mpls., who had called to report a possible crime?(Justine)	1/27/2021 7:20 AM
12	There are many many more individuals that have contributed more to this city and the state that have done more of note than an individual who failed to follow the directives of a plice officer. He did not deserve to die, but he does not rise to the level of a civic memorial.	1/27/2021 7:14 AM
13	Although he was found not guilty, he was a drug addict. I don't believe we should honor drug addicts.	1/27/2021 7:11 AM
14	This is unnecessary and does nothing to help in systemic racism prevalent across this country.	1/27/2021 7:11 AM
15	I think it sets a bad precedent for any future tragedy within the city.	1/27/2021 7:11 AM

23	He's a criminal. Enough said.	1/27/2021 6:49 AM

26	We don't need to keep honoring criminals! Enough already!!	1/27/2021 6:29 AM
27	He was a criminal. When he was shot he was driving around with a child, loaded gun, big bag of drugs, open bottle. It would be a disgrace to rename Larpenteur Ave. after him. Philando's news story was so full of misinformation and lack of actual details about him. He was also known to sell drugs to kids at the school he worked at. The fact that so many people are in support of this is sad and a disgrace.	1/27/2021 6:25 AM
28	He was a criminal with a record a mile long. He had no respect for authority and had he been a law abiding citizen who followed the rules like rest of society, he wouldn't be dead.	1/27/2021 6:23 AM

32	I don't think we should name streets via mob rule.	1/27/2021 6:09 AM
33	Honorary Naming is no different then having a statue!nif statues are wrong then so is an honorary street sign!	1/27/2021 6:09 AM
34	I'm not	1/27/2021 6:08 AM
35	the guy was a criminal	1/27/2021 6:08 AM
36	I don't think we should be honoring drug users, even if it is just marijuana, which is still an illegal drug in Minnesota. So he was breaking the law. We also shouldn't be honoring people for not obeying police directives (show us your hands, don't reach for the gun he told them he had) because this lack of following orders throws up a "red flag" that seems to almost always be present in these police shooting incidents. If orders were followed in the first place, police would have nothing to be suspicious of and things would probably have turned out very different.	1/27/2021 6:04 AM
37	It is disrespectful of all law enforcement, and I think it encourages others who have incidents with law enforcement a sense of entitlement.	1/27/2021 5:22 AM
38	I don't feel its necessary and Larpenteur Ave is a historic ave and feel it should be left alone. I realize it's for a stretch of it and not the whole ave. I would rename a stretch of a smaller side street, or the streetvin front of the families house. Thank you.	1/27/2021 5:14 AM
39	Waste for a person to name after	1/27/2021 5:13 AM
40	It is more about this council's priorities than it is about the naming. Basic city functions such as infrastructure and public safety are not being addressed. Streets are in disrepair, park structures are deteriorating, crime is rising and Ramsey County admits it cannot protect us, and we now are depending on St Paul for our fire protection. This council needs to refocus and get back to the basics of local government. If the City wants to rename part of Larpenteur then it should be approaching St Anthony and Lauderdale as partners. Falcon Heights was not alone in this tragedy yet we continue to act as if we are. Mr Castille was killed by a St Anthony employee who was purportedly investigating a crime committed in Lauderdale. Those cities, especially St Anthony which hired, trained, and supervised the officer, need to step up are start owning their roles in this.	1/26/2021 8:19 AM
41	I honestly don't really care that much. What bothers me is that you are listening to people who not only don't live in Falcon Heights, but have no actual vested interest in it. What happened to Philando Castile was tragic, and I think it was criminal. But it was the St Anthony police who were investigating a crime in Lauderdale (whether it was the robbery or traffic violation) and it just happened to be in Falcon Heights when he was pulled over. We citizens of Falcon Heights should not have to be continuously punished for this incident. The city council's perpetual focus on this has cost us higher taxes and our safe streets and now the fire department. By safe streets I'm talking about the constant car break-ins and thefts of both catalytic converters and cars - in broad daylight. The Ramsey County Sheriff is nowhere to be found except the parking lot at the golf course. Pretty soon people will be asking why we are even our own city anymore because the City Council only cares about what happened in July 6, 2016. I would like the city council to start focusing on things like fixing the streets, plowing them curb to curb and making our streets safer again.	1/25/2021 12:34 PM
42	I have no objection to the renaming.	1/23/2021 8:42 AM
43	Non deserving of this honor.	1/22/2021 11:51 PM
44	The shooting was determined justified by the courts. Perhaps it should be named after the police officer who was put in the horrible position of having to make that decision.	1/22/2021 9:14 PM

buildings, or parks after everyone who dies tragically. I feel this to be the case especially because before his death he was no different than any other citizen, as far as lifetime achievement, or contribution goes.

48	Don't place criminals on pedestals or street signs	1/22/2021 4:12 PM
49	He may have been good to the kids, but he was also a career criminal	1/22/2021 4:06 PM

52	Enough attention has been paid to this event	1/22/2021 1:23 AM
53	A lot of people do a lot for their communities. This incident was a tragic mistake, but I don't want to be reminded of it by seeing street signs posted in that area. My kids used to get on the school bus at that corner when they were children. I am not sure what message that sends to young children now who may get on school busses there (when they have school again). This could set a precedence for more sections of streets to be named for more people. It seems to me that Philando was smoking marijuana in the car too. To me this is not a good role model. It's not like he was Kirby Puckett or Martin Luther King Jr. How many of the people signing the petition live in the neighborhood? Perhaps there could be a renaming near or at the school where he worked instead of the street where he died.	1/21/2021 10:02 PM
54	Rather than change the name of a major thoroughfare, maybe have a scholarship or permanent monument at the site.	1/21/2021 9:21 AM

60	I realize you re no doubt getting pressure from Castilles Family to make this change. When I think of renaming something in someones honor, I usually look at the fact that that person was outstanding in our society. Castillo and George Floyd were far from outstanding, they were both a couple of druggies. I realize that Castille worked in a school, he was also smoking pot in a car with a young child. Please don't give in to this crazy request. The memorial is enough to make a person puke. I use to lie over on Larpenter and Falcon Heights is such a lovely part of the city. I hd a niece who lived in Falcon Heights.	1/19/2021 8:29 PM
61	I don't believe the place where he died a horrible awful death should be the place that hones him, it's a negative and dark thought. I think where he worked and changed lives and brought happiness to people should be what is named after him. Celebrate how he lived not how he died.	1/19/2021 8:17 PM

73	I do not think this is being fiscally responsible in today environment. In addition, renaming streets or putting signs in your yard does not change peoples hearts. This starts in the homes and schools with educating and leading by example.	1/17/2021 2:10 PM

77	I am, generally, however there should be no confusion on maps (there really shouldn't be due to the lack of addresses there). A Google Map acknowledgement would raise international awareness of community support, as well.	1/16/2021 1:28 PM

80	I am not in favor of honorary naming of most things, yet alone someone who is controversial. I also would prefer any honorary naming was done for someone who did something for society. I'm sorry but a wrongful death is not an accomplishment. This is a political statement by those who have power in our City. It will not serve to unite us. I am sure that my statement that he was controversial will immediately turn off some people, that is the problem, as my opinion will not be considered legitimate. 101	I feel his killing was a tragic and should never have happened. It clearly is a failure of police training and a great injustice. However, I am not in favor of setting a precedent whereby streets are renamed in honor of all those tragically killed. I think a memorial should stand at the site to remind us of our biases, and remind the council to continue to pursue justice in policing. Another thing that occurs to me is that, while the shooting was tragic, he was driving around our streets under the influence of drugs, with drugs in the car, along with a gun in the car. He also had a small child in backseat of the car. I am just not sure we should name a street after someone who put a child at such risk on the same street. The child did not choose to be in a car with someone under the influence and carrying a gun.	1/15/2021 7:55 AM
102	He was smoking marijuana when he was stopped. He had a a child in the back of his car getting a "contact" high as well. He was absolutely no hero!	1/15/2021 1:04 AM

113	Honorary name is appropriate as street name for a person who is patriotic and served his/her country.	1/14/2021 7:21 PM
114	An honor such as this should be reserved for honorees who have supported community to a far greater extent. This is in no way meant to belittle Castile. It is simply to say that the circumstances of his life and tragic passing do not warrant such an honor.	1/14/2021 7:19 PM
115	The downside to me is the risk of seeming to condone driving under the influence of drugs with a child in the car. I still think we should do it but it is a risk.	1/14/2021 7:17 PM

193	My grandparents were the 2nd people to build their home on the 1700 block of Albert St. in 1930. He died of cancer in 1954, but she lived in her house until she died in 1995. Then, I lived there while I attended college, at the U of M. A few years later we finally sold the house. Our family has a LONG history in Falcon Heights. Streets should be named after people who have achieved great things. I was already against the endless building of monuments to constantly remind us of certain things. I can't stand the 9-11 anniversary every year. It's SO hyperbolic & dramatic & it's being used to manipulate people into thinking a certain way. It's disgusting that St. Anthony officer Jeronimo Yanez murdered Philando Castile, but many people have been murdered, both by police & by others, including in domestic violence by their own husbands & children beaten to death by their own mother like just happened in St. Paul w/ the Vangs. So, no, I do not believe that we should be renaming streets after murder victims. Frankly, at this point, I'd like to see streets named after things in our natural environment since there is no Planet B and no living being can live without clean air, clean water, clean soil to grow our food. I'm sick to death of the HUMAN CENTRIC NARCISSISM. We should name streets after ecological things like animals & bodies of water, etc. because CLEARLY self-centered humans are in desperate need of a constant reminder that we are killing our only home planet, our Mother Earth, & all the other living beings & their habitats w/ our endless greed & self centeredness.	1/12/2021 10:34 AM

## Honorary Naming of Larpenteur Avenue

Minneapolis Avenue, Larpenteur Avenue was renamed by the Saint Paul City Council in 1904 in honor of Auguste Louis Larpenteur, a fur trader and one of the original 12 citizens in the city of Saint Paul. It was bad enough to see a statue of Christopher Columbus torn down at the state capitol or the renaming of Lake Calhoun but please do not rename streets and thereby forget the history of St. Paul and how it came to be the city it is today.

326	The narrative that he was a saint is false, while he did not deserve to die, his choices led to his own fate. Do not continue down this road of Chamberlain-esque appeasement to the left.	1/11/2021 9:49 AM

Philando Castile, was a good man and unfortunately died in our city, but he made no contributions to our community. If you are going to name something, name it after someone who has made lasting and meaningful contributions throughout their life. If we really want to honor his tragic death and try to avoid it from happening in our community in the future then the appropriate response would be teach and remind all those that drive on the streets of the city of Falcon Heights that; 1) Driving a motor vehicle is a privilege NOT a right, 2) before you drive your vehicle on our streets make sure it meets ALL safety standards (all working head lights, tail lights, turn signal lights, current tabs and registration, and proper insurance and drivers license requirements are current), 3) follow all signed speed limits, stop lights and signs. 4) if you are pulled over by police officers please remain in your vehicle, roll your window down, and show BOTH of your hands, and treat the officers with honor and respect.	1/10/2021 3:40 PM

And I have concerns about honoring someone who was most likely a mostly nice man but he was caught driving under the influence of marijuana with a minor child in the car. In my opinion, when you put someone's name in a place of honor, they should be honorable people and DUI and child endangerment are not honorable things. 631	Philando Castile wasn't a law abiding citizen. He was high at the time of his death, which contributed to his own death. In order to obtain a permit to purchase [a firearm], you have to certify you aren't an unlawful user of any controlled substances. Castile blatantly lied about his marijuana use (a crime in its own) to obtain a firearm. Thus, his possession of the gun would also have been illegal. Naming streets after criminals is simply unjust. Stop catering to the bull shit and stand up for what's right - don't approve this request for an "honorary" street name; there's nothing "honorary" about Castile.	1/10/2021 10:14 AM

655	Changing the name does nothing but just that. Nobody gains anything from it! Are we going to start changing every street name someone dies or is killed on? It's sad what happened to him but, there are better ways and things that a few people can do than change a road name to honor him, if they feel they need to do something in his name sake. Aid in something he was passionate about to honor him. Renaming a road only reminds so many someone died there. 704	We have taken down statues and renamed sports teams, parks, and roads of many people because some people said it was offensive. At the same time they put up a tribute to George Floyd etc. these people were not innocent people and had some history of unlawful action. Not right	1/10/2021 7:50 AM
705	Renaming the street where he died highlights his untimely death, not his life. Better to rename a street adjacent to JJ Hill.	1/10/2021 7:49 AM

707	Had he not been killed, no one would want to name anything after him. In 25 or 50 years, when sensitivities change, will we need to rename the street again? Nothing should be named after people anymore. Nobody is so virtuous to deserve it....nobody.	1/10/2021 7:41 AM
708	What happened to him was tragic ,but if he was still with us this would not be happening	1/10/2021 7:41 AM
709	While it was a tragic end to a mans life, he also was responsible for the outcome. He was not an innocent party to what took place. He also contributed to the events that lead to his awful death. Do we memorialize every person who dies tragically? No. Was he doing something heroic and selfless? No. Was he in the wrong place at the wrong time. Yes. Could officer Yanez have handled it differently, definitely! Does this mean that he should be memorialized? No.	1/10/2021 7:40 AM

While I can only imagine what the habit is doing through, this is not the method of honoring their loved one. 736	He was in the wrong. Reaching for a gun when a cop tells you not to... Not the cops fault and it's disrespectful to make it seem like it is	1/10/2021 2:03 AM
737	Turning criminals into heroes and those who risk their lives to protect our communities into villains is extremely dangerous to our community safety. It's also emboldening destructive groups of Antifa/BLM to continue terrorizing our communities. The officer involved was found not guilty. Naming a street after castille teaches the community you can disobey police commands which is the exact wrong message. For the safety of all involved it is essential we continue to reinforce the respect for police. We continue to see skyrocketing crime as police are made out to be the bad guys and less policing is done. This sends a message that we celebrate those who commit crimes and give another slap in the face to our sons, daughters, brothers, sisters, mothers and father's putting their personal safety in jeopardy everyday. Nothing good will come from this! We need to go back to the days of respecting authority for the safety of all of us. Stop venerating criminals!	1/10/2021 1:33 AM
738	I strongly support it.	1/10/2021 1:15 AM
739	He was a lifetime felon and a criminal	1/10/2021 1:02 AM
740	Regardless of weather his death was or was not justified, we cannot continue to idolize unlawful persons. Also by doing so you bring more controversy to a city who has already had too much. The poor citizens of Falcon Heights are being run by the horrible dictator in their city administrator who has scared even the mayor into being his puppet. Falcon Heights is now a joke to everyone because no police department wants them and they fired the most qualified fire chief in department history because the city administrator didn't like him and now he is stealing the fire department from his citizens without letting them have a say. Stop turning this, once beautiful, city into the laughing stock of the state. Its an absolute no in my opinion.	1/10/2021 1:01 AM

I also am grateful for the work of our police force and this name change does not seem respectful to the legal system who found Yanez not guilty. 757	We should not be naming any streets for people that break the law. We are removing honorary mentions of others that have not behaved properly in the past and now we will start again. Why wouldn't we honor those that put their lives on the line every day? Those men and women that protect us and then are judged for their actions by those that have no understanding of their role and their jobs. When the mayor and each member of the city council go on ride alongs and do some training exercises, then they can make these choices. Let's see how easy they think it is to make split second choices in a training exercise. So no. We should not be honorary someone that was breaking the law and who's choices resulted in an officer forced to react and then be crushed for it.	1/9/2021 10:41 PM

Morally wrong and irresponsible with a small child in the vehicle. 768	We have to stop making a martyr out of criminals. We will not start to mend the current racial and officer tensions until we stop making heros out of criminals	1/9/2021 10:13 PM
769	The overall incident was a tragic and terrible event for a lot of individuals involved. The justice system found the officer to be innocent. There are many reasons why renaming a section of Larpenteur Avenue is counter intuitive to the legacy of Philando Castile. This individual when looked deeper into the lens of life had a checkered past. Glorifying someone who was killed by a member of law enforcement who was driving without a license, no present vehicle insurance, and high on a controlled substance when in possession of a firearm doesn't warrant a renaming of a street. Those aforementioned actions on his part proves his disregard for the welfare of others.	1/9/2021 10:01 PM

773	Let's not forget he was under the influence of an illicit drug outlawed by state and federal statutes while driving with a kid in the car.	1/9/2021 9:48 PM
774	It's ridiculous to "honor" someone who was not obeying the officer's orders. This was settled by the courts! I'm sure there are others who are more worthy of being honored.	1/9/2021 9:47 PM
775	Someone in the future is going to find out "something" about him and demand that the name be changed!!! Leave it alone.	1/9/2021 9:46 PM

781	Tragic death, officer found to have used deadly force appropriately. What accomplishments to society did mr. Castillo have throughout his life? Smoking Marijuana then driving a vehicle with a firearm and your young child in the backseat is not worthy of a "memorial street name change" in my book.	1/9/2021 9:33 PM
782	No need to have yet another name for a portion of the street. Castillo was a person of questionable integrity, not someone to honor.	1/9/2021 9:30 PM

Next thing we will be seeing is people wanting to name streets after thug Jamar Clark or thug George Floyd. We can't have streets named after People from 100 years ago because they were supposedly bad people but we can name streets after thugs who break the law and disrespect law enforcement. I can't believe that you are thinking about renaming a part of Larpenteur after this guy, quit giving in to that Castille Organization. Castille and George Floyd are not two people we should be emulating and putting on a pedestal, they were both a couple of druggies, who also got into other forms of trouble. Besides, the officer was acquitted of all charges. The fact of the matter is that this event is seen as a racial issue, when by all available information it was not. This was a tragic, tragic accident. I do not believe it merits this honorific renaming.	1/9/2021 6:37 PM

## Honorary Naming of Larpenteur Avenue

868	It's ridiculous and unnecessary tax money to spend.	1/9/2021 6:16 PM
869	I don't believe he has contributed enough to society to warrant this. I'm sorry for his passing, but it could have been avoided.	1/9/2021 6:14 PM
870	He didn't do anything for our Country - it was sad that he died, but come on - this is getting to be a bit ridiculous!	1/9/2021 6:12 PM
871	Waste of time and money	1/9/2021 6:10 PM
872	We don't honor white men when they refuse to obey lawful police orders	1/9/2021 6:02 PM
873	I wouldn't personally want to be associated forever with the location of my unjust killing, but if his family and community feel this is an appropriate way to memorialize him, I defer to their opinion.	1/9/2021 6:01 PM
874	Because it's a waste of time and money. He should not be honored in this way.	1/9/2021 5:58 PM
875	n/a	1/9/2021 5:53 PM
876	He did not deserve to die, but he does not deserve to have a street named after him either.	1/9/2021 5:50 PM
877	Too many signs and slippery slope	1/9/2021 5:48 PM
878	why would we honor a man who was driving stoned with a child in the car. He could of killed someone like ME. Had he followed police direction he would be alive and in Jail.	1/9/2021 5:41 PM
879	I do not support renaming streets to make community activists happy.	1/9/2021 5:28 PM
880	I don't support it, he wasn't a hero.	1/9/2021 5:24 PM
881	Pot smoking person illegally carrying a gun that couldnt listen to police when pulled over and you want to name a street after him	1/9/2021 5:15 PM
882	He probably deserve something like that, but chopping a section of a main road for that purpose only make it harder for everyone. There are other options.	1/9/2021 5:14 PM
883	When he was killed, he was under the influence of drugs. The officer who killed him was found not guilty by a jury. I have talked to several police officers who told me, after looking at the officers video, they were certain Castille was going to shoot Yanez. This would send a very demoralizing message to our police. We do not want to turn Falcon Heights into Minneapolis where the police are hardly doing their job and lawlessness reigns.	1/9/2021 5:11 PM
884	Honoring a man who was driving under the influence of an ILLEGAL substance, a loaded gun in his pocket WITH a young child in the car makes no sense. His death was tragic. There are lots of tragic deaths. This one does NOT require an over the top memorial.	1/9/2021 5:09 PM
885	Most of the signatures are likely not residents past or present of Falcon Heights so why cater to them?	1/9/2021 5:09 PM
886	N/A	1/9/2021 5:08 PM
887	I don't idolize or pedestalize anybody.	1/9/2021 5:06 PM
888	He committed a criminal act. He didn't listen to a police officers order. That is why he was shot. I'm teaching my children to respect and listen to police officers by memorializing this person you are sending the wrong message.	1/9/2021 5:05 PM
889	I am in support of the honorary naming.	1/9/2021 5:05 PM
890	N/A	1/9/2021 4:58 PM
891	Mr Castile, however great of person he was to friends, family, those he worked with, was engaged in illegal activity during the moments of his death. Celebrating a person who is only known across the world for the engaging in illegal behavior is not what a city should memorialize.	1/9/2021 4:56 PM
892	N/A	1/9/2021 4:50 PM
893	Because he was armed and should've followed the officer's commands to not reach for the gun! Why don't you name it after a fallen officer who died while serving his community rather than someone who failed to follow simple commands because he was high!	1/9/2021 4:34 PM

898	Senseless	1/9/2021 4:04 PM
899	I would prefer better signage for the memorial garden. A memorial seems more fitting for the murder of Castile than naming a road.	1/9/2021 3:59 PM
900	Philando was a thug criminal. He was not MLK, or historical figures. His shooting was justified in court. He was under the influence of drugs and not complying.	1/9/2021 3:55 PM
901	A loss of life is always tragic, however, Philando Castile's character and actions on that day do not warrant a memorial to honor him.	1/9/2021 3:50 PM
902	As I understand it he reached abd dyd not out his hands on the steering wheel	1/9/2021 3:39 PM
903	This loser didn't do anything to justify naming a street after him. And please clean up the trash near the North exit of the fairgrounds.	1/9/2021 3:28 PM

923	I am in support of the honorary naming, but I do have concerns about it this would cost the city anything to maintain (beyond just adding the small street sign) or if it would cause any sort of protests or retaliation from white supremacist groups.	1/9/2021 1:34 PM

## REQUEST FOR COUNCIL ACTION

<b>Meeting Date</b>	December 16, 2020
<b>Agenda Item</b>	Policy D3

<b>Submitted By</b>	Melanie Leehy, Council Member

<b>Item</b>	Honorary naming of Larpenteur Avenue as Philando Castile Memorial Avenue
<b>Description</b>	<p>The following input and research has been conducted which brings the City Council of Falcon Heights to have the capability of honoring a request by Philando Castile’s family, the Philando Castile Relief Foundation, and the broader community. The request is to make a portion of Larpenteur Avenue West “Philando Castile Memorial Avenue”.</p> <p>(A) As a member of the Philando Castile Peace Garden Committee I, Melanie Leehy, know that this petition is a reoccurring conversation and desire for Philando’s mother Valerie Castile along with the other Committee Members. I first learned of this desire in July 2017 during the Philando Castile Commemoration events of which I was the lead community volunteer. Based upon my research, I would like to submit for Larpenteur Avenue West to carry the honorary name of Philando Castile Memorial Avenue from Fulham Street to Fry Street.</p> <p>(B) The Philando Castile Relief Foundation started a petition to Ramsey County and 10 other “decision makers” via <a href="http://www.Change.org">www.Change.org</a> that reads as follows: “Please sign the petition to name Larpenteur Ave Philando Castile’s Memorial Ave! On July 6th 2016 Philando Castile was killed by a police officer, followed 2 miles from highway 280 to Larpentuer &amp; Fry Ave then being fatally shot five times after being stopped for a broken tail light. After the death of Philando many community members poured out their love and support by creating a memorial space on Larpenteur for Philando and we feel it would be helpful to our healing by dedicating the street he died on in the state he loved by renaming the intersection Philando Castile’s Memorial Ave. Philando was a humanitarian who loved his community, he worked for the Saint Paul school district for over 11 years , he served lunch to over 500 students who he loved and adored.”</p> <p>(1) There are at least 20,444 signatures to the petition.</p> <p>(C) Our Ramsey County Commissioner, Trista MatasCastillo did the necessary process at the County level to make this street naming feasible.</p> <p>(1) The County grants authority to cities for street naming: “Cities have the authority for street names. That is what you sometimes see a border road between two cities have two different names (i.e TH 120 / East County Line / Century Ave / Division St / Geneva Ave).”</p>

(D) Before proceeding forward I asked Commissioner MatasCastillo to help me confirm our city’s authority so that we do not run into legal constraints along the way. Public Works Director and County Engineer, Ted Schoenecker verified this authority with the County’s attorney.

(1) On December 7, 2020 Ted provided this summary of some information around this topic:

- Cities have the statutory authority for naming all streets within their city boundaries. This is why you could see the street name change as you go from one city to the next. An example is Trunk Highway 120 (border between Ramsey and Washington County) is named Century Ave, Geneva Ave and Division St based on each city’s designation.
- Ramsey County developed a Countywide Facility and Site Naming policy in 2019. Within that policy, this authority for cities to name streets is identified so we were aware of this prior to preparing the policy and made sure that it was highlighted in it.
- We could not find any statutory guidance/direction on who has the authority for the placement of an honorary street name in conjunction with the street’s official name.
- Cities own, maintain and install the street name blades that are at the intersections on county roads. These are the signs that have white lettering on a green background to designate the street names that you will see placed on one of the corners of an intersection.
- We are aware of several locations in St Paul where honorary street name signs have been placed in addition to the official street name sign. More specifically, these signs existed along Dale St in the Rondo Area and we are reinstalling them after the reconstruction project at Dale/94 (an example is attached). These were originally installed by St Paul and are owned and maintained by them. These honorary street name signs are typically black lettering on a white background so they are no confused with the official name of the street.

Based on the above information, a review of the county policy finds that it would not apply to a city applying an honorary street name on Larpenteur Avenue as it is typically up to cities for placing of honorary street name signs along county roads. Similar to the actual street name sign, the cities would be fully responsible for these honorary street name signs within their city. If Falcon Heights chooses to move ahead and place an honorary street name sign on Larpenteur Ave, please let us know for our awareness.”

If the COUNTY cannot obtain insurance and/or elects to self-insure, the MUNICIPALITY shall pay a pro rata share of the costs of self-insurance, based on each MUNICIPALITY'S share of the approved annual budget. Insurance costs as they relate to insurance coverage shall include premiums and deductibles. Costs of self-insurance shall include reserves, claims and damage payments, and administration costs required to maintain self-insurance.
6. The MUNICIPALITY acknowledges that the COUNTY may, in an effort to provide the best insurance coverage at the most economical cost, become a member of the Minnesota Counties Insurance Trust or some similar organization; and the MUNICIPALITY further acknowledges that membership in such an organization may be for a fixed minimum term and may expose the COUNTY to some type of contingent cost liability, such as debts, obligations and liabilities, in the event that the COUNTY withdraws its membership. The MUNICIPALITY agrees to reimburse the COUNTY for the MUNICIPALITY'S pro rata share of any such contingent cost liability arising during

the term of this Agreement for Law Enforcement Services and assessed against the COUNTY. Upon notification to the COUNTY of any such contingent cost liability, the COUNTY will notify the MUNICIPALITY in a timely manner.

If either party has not approved a successor agreement at the end of the Term, the COUNTY will continue to provide law enforcement services in accordance with this Agreement.
3. Either party may terminate this Agreement at the end of a calendar year and prior to the end of the Term of the Agreement by notifying the other party to this Agreement and the other MUNICIPALITIES in writing of their intent to terminate the Agreement at least nine (9) calendar months prior to the end of the calendar year.
4. Notice to the COUNTY shall be given to the County Manager and Ramsey County Sheriff, and Notice to the MUNICIPALITY shall be given to the MUNICIPALITY'S City Manager. Notice to the other MUNICIPALITIES will be given in accordance with the notice provisions of the contracts between the COUNTY and the other MUNICIPALITIES.

**D. COST AND PAYMENT**

1. The MUNICIPALITY agrees to pay the COUNTY the actual cost of providing all services covered by this Agreement. Actual cost shall mean the MUNICIPALITY'S pro rata share of the COUNTY'S total cost of providing patrol and police protection services as described in this Agreement to the MUNICIPALITIES with which the COUNTY has agreements for the current contract year, including, but not limited to the following: salaries of employees engaged in performing said services, including vacation and sick leave; mileage; uniforms; public employees retirement contributions; workers' compensation, automobile, general liability and police professional liability insurance costs or the cost of self-insurance; general overhead, including indirect expenses and supplies, radio unit expense, and health and welfare expense. The term "costs" as used herein shall not include items of expense attributable to services or facilities normally provided or available to all cities within the COUNTY as part of the COUNTY'S obligation to enforce state law. Computation of actual costs hereunder shall be made by the Ramsey County Finance Department based on information provided by the Sheriff.
2. During the term of this Agreement, the COUNTY shall annually submit a Budget Estimate for the following year of services to the MUNICIPALITY no later than August 1 of the current year. Said Budget Estimate will be for the limited purpose of better enabling the MUNICIPALITY to estimate its annual budget and tax levy. It is understood by the parties to this Agreement that said Budget Estimate shall in no way prevent the COUNTY from charging its actual costs.
3. If the MUNICIPALITY does not allocate the necessary funding for its proportionate share of the COUNTY'S Approved Budget to the MUNICIPALITIES for a given year, the MUNICIPALITY and the COUNTY must meet by January 31 of the

budget year in question to review and reach agreement on modifications to service levels provided by the COUNTY that are consistent with the MUNICIPALITY'S budget and that recognize the impact of these service level changes to other MUNICIPALITIES that contract with the COUNTY for these services.

4. Unless the COUNTY and MUNICIPALITY have reached agreement pursuant to the prior paragraph for a change in the MUNICIPALITY'S contribution, the COUNTY shall bill the MUNICIPALITY on a monthly basis in advance in an amount equal to one-twelfth (1/12) of the Budget Estimate for services to the MUNICIPALITY. The MUNICIPALITY shall pay the COUNTY within 45 days of receipt of the monthly statement. At the close of the contract year, the COUNTY will reconcile the current year Budget Estimate and current year actual costs, shall provide a copy of the current year actual cost to the MUNICIPALITY, and shall either give a credit to the MUNICIPALITY or bill the MUNICIPALITY for additional costs in excess of the Budget Estimate.

**E. GENERAL PROVISIONS**

1. Notice to the COUNTY shall be given to the County Manager and Ramsey County Sheriff, and Notice to the MUNICIPALITY shall be given to the MUNICIPALITY'S City Administrator. Notice to the other MUNICIPALITIES will be given in accordance with the notice provisions of the contracts between the COUNTY and the other MUNICIPALITIES.
2. It is understood that prosecutions for violations of ordinances or state statutes, together with disposition of all fines collected pursuant thereto, shall be in accordance with state statutes, state rules, and judicial orders.
3. The Ramsey County Sheriff's Office shall submit to the MUNICIPALITY quarterly activity reports detailing the activities of the Sheriff's Office under this agreement within the MUNICIPALITY. Said reports shall contain, at a minimum, the number of calls answered and the number of citations issued. However, no information will be provided which would violate the State Data Practices Act.
4. The MUNICIPALITY may contract with the COUNTY for additional law enforcement services above and beyond those provided in this Agreement.
5. Any alterations, variations, modifications, or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, signed by authorized representatives of the COUNTY and the MUNICIPALITY and attached to the original of this Agreement.

IN WITNESS WHEREOF, the MUNICIPALITY, by resolution duly adopted by its Council has caused this Agreement to be signed by Mayor Peter Lindstrom and City Administrator Sack Thongsvanh, and the seal of the MUNICIPALITY to be affixed hereto on the 1<sup>st</sup> of November, 2017 and the COUNTY, by resolution of its Board of County Commissioners, has caused this Agreement to be signed by the Chair and Chief Clerk of said Board on the 21<sup>st</sup> day of November.
