**CITY OF FALCON HEIGHTS**  
Regular Meeting of the Parks & Recreation Commission  
City Hall  
2077 West Larpenteur Avenue

**MINUTES**  
November 7, 2022 at 6:30 P.M.

A. CALL TO ORDER: 6:35 PM

B. ROLL CALL:

Yager   x   Bradbury   x    
Curtin      Faust   x   Lundell   x   Tracy   x  

COUNCIL LIAISON:

To be named     

STAFF PRESENT:

Nelson   X  

C. PRESENTATION: N/A

D. APPROVAL OF MINUTES:

1. Approval of January 3, 2022 -Joint Meeting minutes.
2. Approval of February 7, 2022 -Joint Meeting minutes.
3. Approval of March 21, 2022 -Joint Meeting minutes. No Quorum

Faust 1<sup>st</sup> Motion  
Yager 2<sup>nd</sup> Motion  
Motion Passed

E. AGENDA:

1. Introduce new PARC commissioners , Randi Lundell and Mike Tracy.

- Bradbury read the role of the PARC to new members, which, in short, is to produce advisement to the Council on public parks, facilities and rec programming; the term is three years and you can serve up to two consecutive terms.

2. 2023 Goals Discussion

- Goals that were suggested but have not yet been finalized for 2023, include:
  - To meet regularly; the PARC has struggled to have quorum at meetings in the last couple of years.
  - To create an event calendar
  - To bring back the 5K or some type of fun run.
  - To (re)visit Roseville park buildings to gain knowledge on how to improve our own building at Community Park.
  - To do a park audit, looking at the amenities we currently have and to find things to improve upon.

- To study the ice rink's use at Curtiss Field and look for improvements for next year.
- To develop one goal per each of the categories that PARC advises on (public parks, facilities, and rec programming).

3. 2023 Snowstravaganza Discussion

- Group discussed what this event has consisted of in the past, the typical attendance at the event, the estimated expense using last year's event template (the event was planned for and cancelled last year due to weather) and was asked to think about the event, to determine at a later date if the event should occur in 2023. And, if so, what changes they may recommend at that time.

4. Describe Officer Duties and Announce Upcoming Officer Elections

- Because the PARC has not met regularly with quorum in 2022, officer elections for this calendar year have not taken place. Commissioners were given a handout to see the various positions and duties to look over and told that the election will be held at the January 2023 PARC meeting for the 2023 calendar year.

F. INFORMATION/ANNOUNCEMENT

Next PARC meeting will be on December 5, 2022. Nelson asked commissioners for input in setting the agenda for that meeting. Yager would like to see a programming analysis over the last few years to look deeper at rec enrollment numbers so that we can discuss spring/summer programming at a future meeting. Faust asked if we could discuss ice rink(s) a bit as well to consider improvements for 2023 and beyond. Roseville uses cement under their rink and it extends the skating season. Also, without a permanent warming house structure, is there anything more to be done there?

G. ADJOURNMENT: 7:51 PM

## ITEM FOR DISCUSSION

<b>Meeting Date</b>	December 5, 2022
<b>Agenda Item</b>	E1
<b>Attachment</b>	N/A
<b>Submitted By</b>	Kelly Nelson Assistant to the City Administrator

<b>Item</b>	Past City parks programming offered; a look at enrollment history
<b>Description</b>	The PARC will discuss past course offerings (mainly, summer programming), looking at enrollment numbers and expenses/revenue to help shape later decisions for programming in 2023.
<b>Budget Impact</b>	N/A
<b>Attachment(s)</b>	N/A
<b>Action(s) Requested</b>	Begin preliminary discussions regarding Summer 2023 programming by looking at past enrollment numbers of the programming offered within the City parks to better understand which courses have historically been popular (or not).

## **Parks and Rec Budget**

Finances dedicated to Parks and Recreation comes from multiple budgets including the Parks Maintenance Fund, Parks Programming Fund, and Parks Dedication Fund. Additionally, some functions go through Communication Fund and Administrative Fund.

### **Expenses Parks and Rec Budget Covers**

The Parks and Rec budget covers regular and part time salaries, benefits, supplies, communications, utilities in the parks, training and conferences for staff, pro-rated portion of insurances, maintenance expenses, and an estimated \$22,000 subsidy from reserves to make the fund break even. The goal is to have Park and Rec programs more self-sustaining, but it is not always possible.

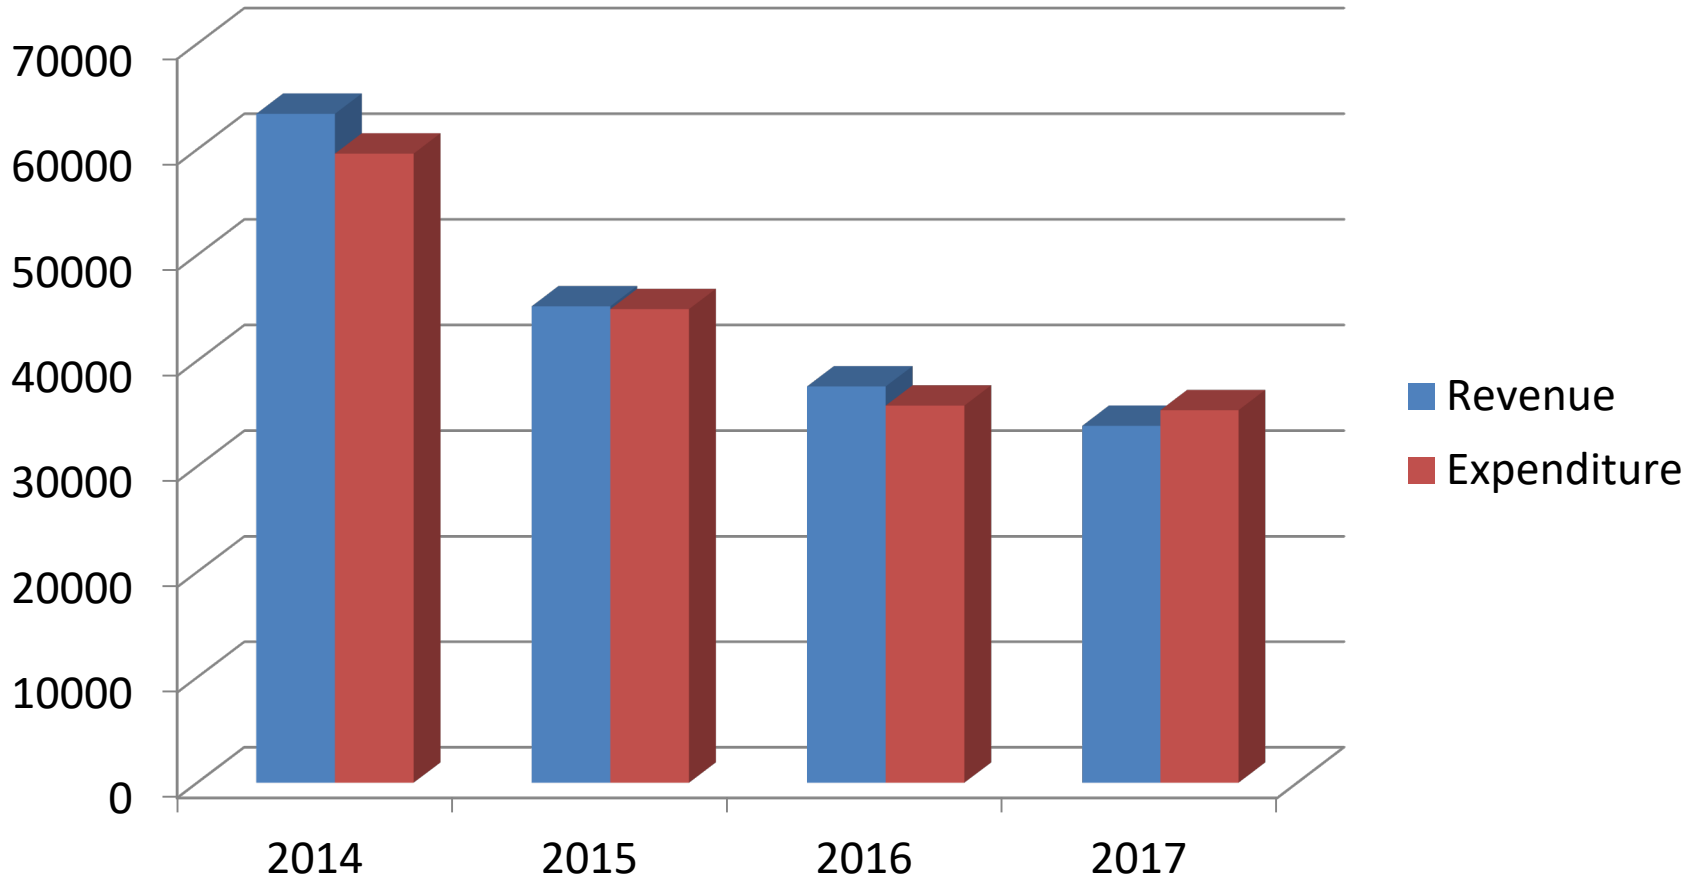

Special events such as Winterfest and Ice Cream Social are funded outside the park and rec budgets. Ideally, sponsor donations and ticket sales cover costs of these events.

### **Funding New Programs, Amenities or Events**

If the commission has an idea for a new program, park amenity or event, they should formalize the proposal (target audience, budget impact, staff time commitment, etc.) and direct staff representatives to talk to the city administrator about the best way to present it to the city council. Running the idea by the city council liaison also is a good way to test the idea for the elected official perspective.

# 2014

In 2014, the City had four ice rinks as compared to one rink today. This is how Falcon Heights compared to other nearby cities.

- Usage from 2011 was 1022 total users.
- For the 2015-2016 season, that total had become 449. However, ice quality may have been a factor, as there were several daily notes about the ice being slushy or in poor shape.
- I could not find a more recent study of usage and nearby rinks. In 2021-2022, just going by daily activity logs kept by Falcon Heights Warming House Attendants, we had approximately 10 users per day at Curtiss Field.
