ADDENDUM TO AGENDA

RESOLUTION R-87-36 AUTHORIZING REDUCTION IN DEBT LEVY FOR 1988 ADOPTED

Hard moved, seconded by Wallin, adoption of Resolution R-87-36. Motion carried unanimously.

RESOLUTION R-87-36

A RESOLUTION AUTHORIZING THE COUNTY AUDITOR TO REDUCE THE DEBT LEVY BY \$25,000 IN THE YEAR 1988, WHICH WAS TO BE PROVIDED FOR IN THE GENERAL OBLIGATION TAX INCREMENT (525m) OF SEPTEMBER 1, 1983

CHENOWETH ARRIVES (7:08 P.M.)

APPROVAL OF ELECTION JUDGES FOR NOVEMBER 3, 1987 CITY ELECTION

Wallin moved, seconded by Hard, approval of the slate of election judges as presented. Motion carried unanimously.

BALDWIN ARRIVES (7:09 P.M.)

CITY EMPLOYEES TO PROVIDE INTERIM ANIMAL CONTROL

Wiessner explained the firm presently providing animal control for the

city is going out of business the end of September and as there is no other service available at this time, the only alternative is for city employees to serve in this capacity until other arrangements can be made. Following a discussion Council accepted the animal control plan as proposed by staff in the September 23, 1987 memo.

1988 RAMSEY COUNTY SHERIFF'S CONTRACT DEFERRED

Ciernia commented on the fact that the Sheriff's contract costs are based partially on area and population, and since the University and State Fair area/population is not policed by Ramsey County, those numbers could be deleted reducing the charges. Council concurred the matter should be deferred to allow time for further study.

7:30 P.M. - PUBLIC HEARING ON PROPOSED BUDGET FOR 1988

At 7:30 P.M. Baldwin opened the Public Hearing and presented the Affidavit of Publication. As there was no one present wishing to be heard the hearing was closed at 7:31 P.M. Wiessner gave a brief explanation of the proposed budget, after which Hard moved, seconded by Wallin, approval of the 1988 Budget as presented. Motion carried unanimously.

PROPOSED COUNCIL RULES DISCUSSED AND DEFERRED TO A FUTURE MEETING

Ciernia presented the proposed rules and explained the purpose is to streamline and speed up meetings. Council then reviewed the rules, made some suggestions, and agreed to discuss the matter further at a future meeting. Ciernia will redraft the document.

NOVEMBER 11TH AND 25TH MEETINGS RESCHEDULED

Due to the fact that the November 11th meeting falls on a legal holiday (Veterans Day) the meeting was rescheduled for November 4, 1987. The November 25th meeting was rescheduled for November 18, 1987.

DISCUSSION - 12:00 NOON TO 8:00 P.M. POLLING HOURS FOR CITY ELECTION

Council briefly discussed the inconvenience caused by the present practice of having shortened polling hours for city elections, and methods by which voters should be notified of absentee ballot procedures (newsletter and the possibility of candidates for office distributed while campaigning). Council also felt it would be worthwhile to attempt to have the election laws amended to allow absentee voting between 7:00 A.M. and 12:00 Noon on city election days.

WORKSHOP ON GOAL SETTING SCHEDULED FOR OCTOBER 14TH FOLLOWING COUNCIL MEETING

Council scheduled a workshop for October 14, 1987 immediately following the Council Meeting.

ADJOURNMENT

Chenoweth moved adjournment at 9:16 P.M.

Boche moved, seconded by Mead, to approve the August 3, 1987 Minutes as presented. Motion carried unanimously.

AUGUST 3
MINUTES
APPROVED

Gary Langer, 1740 Simpson, requested a variance to construct a utility building four feet from the north lot line. Mr. Langer advised that he wishes to position the utility shed on the property so as not to disturb a tree while still allowing enough space from the property line to maintain the property. His neighbors voiced no objections. The shed will be 8 feet by 10 feet in size and placed on a treated wood floor. Finegan moved, seconded by Nestingen to approve the variance request to construct a eight foot by ten foot utility shed four feet from the north property line. Motion carried unanimously.

MINUTES
HUMAN RIGHTS COMMISSION MEETING
September 17, 1987

Members Present: B. Seal, B. Emerson, T. Vavoulis, B. Thomas, Tsippi Wray

Members Absent: B. Lamb, C. Wicklund

New Member

B. Thomas made a motion, seconded by T. Wray, to appoint Lisbeth Boger to fill C. Stiney's term, expiring December, 1988. All approved. Commission also updated names and addresses of the members.

League of Human Rights Commissions

B. Thomas answered questions and explained how the League works to new members. He explained how it is made up of all members on H.R.C.'s and helps to organize and co-ordinate state activities. The League meets every other month at various locations around the state. He expressed concerns that we need to be more responsive to the various workshops put on the League and need to continue our representation. T. Wray suggested that we should alternate so that every Commission member has an opportunity to attend League meeting. T. Vavoulis agrees that the League provides good information and brought a directory "Human Services Directory" from St. Cloud H.R.C.

The League annual meeting is September 25-26 at McGuires in Shoreview. T. Vavoulis, B. Thomas and B. Boger may attend.

Contract Compliance

B. Lamb had suggested that the Commission review the sexual preference statement again this fall. The Commission decided to schedule that in November or December.

No-Fault Training

Is scheduled for sometime in October. We are still waiting for more information.

Possible Goals & Projects for 1987-88

1. Publicity for H.R.C.--what we do and maybe a directory such as St. Cloud's H.R.C. has.
2. Education--held people understand what human rights are.
3. Housing in Falcon Heights--Is there enough subsidized housing?
 - Is there enough handicapped-accessible housing?
 - Check number of senior and low income units available.
 - T. Vavoulis suggested contacting Erma Olson at Metro H.R.A.
 - Ask Steve Hard to check for city ordinances on subsidized housing and bring to October meeting.

4. Update Human Rights literature.
5. Using the public access channel on Cable TV for showing H.R.C. material.
6. Sign for Human Rights Day in December.
7. Workshops for H.R.C. members and public on blindness and other handicaps.
8. Review and discuss City Ordinances on remodeling buildings to allow handicap access, i.e. ramps, braille numbers and signs.
9. Is Falcon Heights doing anything for mentally ill persons.

Christmas Pot Luck at B. Thomas's

Meeting adjourned.

City Council
City of Falcon Heights
2077 West Larpenteur Avenue
Falcon Heights, Minnesota 55113

Dear Council Members:

This letter will confirm our understanding of the arrangements covering our examination of the financial statements of the City of Falcon Heights, Minnesota for the year ending December 31, 1987.

We will examine the general purpose financial statements as of and for the year ending December 31, 1987. Our examination will be made in accordance with generally accepted auditing standards and will include such tests of the accounting records and such other auditing procedures as we consider necessary in the circumstances. The objective of our examination is to express an unqualified opinion on the financial statements, although it is possible that facts or circumstances encountered may require us to express a less than unqualified opinion.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected customers, creditors, legal counsel and banks. At the conclusion of our examination, we will request certain written representations from your staff about the financial statements and matters related thereto.

The fair presentation of financial position and results of operations in conformity with generally accepted accounting principles is management's responsibility. Management is responsible for the development, implementation and maintenance of an adequate system of internal accounting control and for the accuracy of the financial statements. Although we may advise you about appropriate accounting principles and their application, the selection and method of application are responsibilities solely of management.

Our engagement is subject to the inherent risk that material errors, irregularities or illegal acts, including fraud or defalcations, if they exist, will not be detected. However, we will inform you of any such matters that come to our attention.

City Council
City of Falcon Heights

Fees for our services are based on our regular per diem rates, plus out-of-pocket expenses, all of which will be billed as our work progresses. Our proposed fee for the 1987 audit is \$7,600. This figure also includes the work for our report on the City's legal compliance as required by the State Auditor.

Whenever possible, we will attempt to use your personnel. This effort could reduce our time requirements and help you hold down audit fees.

During the course of our engagement, we may observe opportunities for economy in or improved controls over your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

Please indicate your agreement to these arrangements by signing the attached copy of this letter and returning it to us.

We appreciate your confidence in retaining us as your certified public accountants and look forward to working with you and your staff.

Very truly yours,
