Also present: Council Liaison Wehyee, Staff Liaison Moretto

Members absent:

C. APPROVAL OF MINUTES: March 8, 2021

Changes were offered pertaining to the schedule for Environment Corner posts for 2020. **Moved, seconded to approve revised minutes for March 8, 2021; motion carried.**

D. AGENDA

1. Discussion of Future Events and Activities

- i. The commission discussed the possibilities of having a commission presence at the Ice Cream Social, Sustainability Fair, and other events as they are scheduled.
- ii. The commission discussed possible activities related to the Dark Skies Initiative and future discussions on this topic.
 1. Key items include alley lights, city lighting policy, and commercial lighting requirements.
- iii. The commission discussed storm water management and comprehensive plan benchmarks. The commission would like further discussion on these issues.

- iv. There is continued discussion on the electric vehicle charging station at city hall. Staff will discuss with the administrator about possible improvements at city hall and elsewhere.
- v. The commission discussed tracking the carbon footprint of the city and how that can be accomplished. What efforts need to be made to do this work and at what cost.

E. ADJOURN

The meeting was adjourned at 9:00 p.m.
