D. AGENDA

1. Quick Updates

i. Discussing looking at placing an EV charging station at Amber Union. Amber Union will set money aside for the installation of conduit for the wiring of the station.

ii. Partners in Energy

1. Look to complete an application. January 2022.

2. Update on tools and resources for measuring environmental goals

i. Staff demonstrated and explained performance measuring tools for environmental goals relating to the Comprehensive Plan and the City's Sustainability Plan. The commission looked at the GreenStep worksheet, the Wedge tool, and a version of the B3, not available at the time of the meeting.

3. Dark Skies

- i. The commission discussed and review the website of Dark Skies Initiative as well as other resources. Commission members are interested in looking at ways to incorporate these methods into city standards.
- 4. Other
  - i. The commission discussed the possibilities of having a commission presence at the Ice Cream Social. Some are willing to table the event. We will need a few volunteers. The commission would also like to have a survey.
  - ii. Outreach to children and families are a priority. Would like to have a documentary or other kind of film to play at city hall (outside) and then have a discussion after. Concept is in progress.

E. ADJOURN
