

**CITY OF FALCON HEIGHTS  
COUNCIL RESOLUTION**

January 8, 2025

No. 25-03

---

**RESOLUTION APPROVING THE MASTER AGREEMENT FOR MAINTENANCE OF  
TRAFFIC CONTROL SIGNAL SYSTEMS WITH RAMSEY COUNTY**

**WHEREAS**, the County owns and operates traffic control signal systems within the City “Signal Systems.” These Signal Systems may be located at intersections where all legs are controlled by the County or at intersections in which one or more legs are controlled by the City or another city; and

**WHEREAS**, it is the intent of the parties to identify herein the allocation of maintenance and power provision responsibilities for the Signal Systems, in accordance with County policies identified in Ramsey County Board Resolution 78-1394 (policy for lighting Ramsey County roadways) and Ramsey County Board Resolution 81-1001 (policy for allocation of costs for traffic control signal systems), and as agreed by the parties; and

**WHEREAS**, it is the intent of the parties to document and periodically update this Master Agreement with a list of all known Signal Systems (those traffic control signal systems located on a county road or highway within the City) and the allocation of maintenance and power provision responsibilities; and

**WHEREAS**, it is the intent of the parties to further document and periodically update this Master Agreement with a list of all known stand-alone pedestrian crossing signals (those pedestrian crossings located on county roads and highways, but not on a Signal System, within the City) (“Ped Signals”) and the allocation of maintenance and power provision responsibilities; and

**WHEREAS**, it is the intent of the parties to further document and periodically update this Master Agreement with a list of all known traffic control signal systems controlled by Minnesota Department of Transportation (“MnDOT Signals”) within the City and the allocation of maintenance and power provision responsibilities; and

**WHEREAS**, it is the intent of the parties that at intersections with a least one City leg, the City shall be responsible for provision of electrical power and related costs for the Signal System (“Provision of Power”) and shall be responsible for the maintenance of street and ambient lighting incorporated into the Signal System (“Luminaires”); and

**WHEREAS**, where a Signal System is located at an intersection on the border of two or more cities, where the costs or responsibilities of the City may be shared with another city, it is the intent of the Parties to allow the City and other city (or cities) to allocate costs and responsibilities outside

of this Master Agreement and nothing herein is intended to adjust those separate arrangements between the cities, nor do those agreements impact the allocations identified herein.

**NOW, THEREFORE, BE IT RESOLVED** by the Council of the City of Falcon Heights, Minnesota:

1. The Council approves the Master Agreement drafted by Ramsey County and entered into with the City of Falcon Heights and that the Mayor and City Administrator are authorized to execute the agreement.
