No. 26-52

**RESOLUTION APPROVING A PROPOSAL FROM T2 SYSTEMS, INC. FOR THE
ADMINISTRATIVE CITATION HARDWARE, SUBSCRIPTIONS, AND SERVICES
USING STATE PURCHASING AGREEMENT FOR PARKING VIOLATIONS**

WHEREAS, the City of Falcon Heights has identified the desire to move non-moving parking citations away from a criminal misdemeanor process and to an administrative citation process; and

WHEREAS, the current process requires significant time from the police department, using time that could be better spent focused on traffic and safety measures; and

WHEREAS, the City has identified a company called T2 Systems, Inc. through Sourcewell, a competitive state-bidding system, that will provide competitive pricing; and

WHEREAS, T2 Systems, Inc. provides parking management solutions, offering services of handheld license plate readers (LPRs), ticket printers, citation processing, registered owner retrieval, letter services, payment processing and collections; and

WHEREAS, moving away from a criminal misdemeanor process for parking citations will allow collected revenue to cover the cost of equipment and services; and

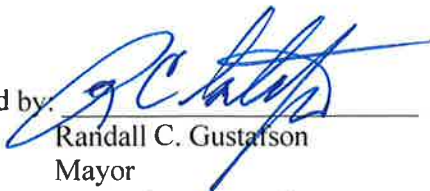

WHEREAS, the three-year agreement with T2 Systems, Inc. will include (3) handheld devices with data plans, automatic delinquency notifications for non-payments to be sent, and personalized webinar training;

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Falcon Heights, Minnesota, that:

1. The agreement with T2 Systems, Inc. for an administrative citations solution is hereby approved.
2. The City Administrator and Mayor are authorized to execute all necessary agreements with T2 Systems, Inc.
3. The City shall amend the budget to allocate the necessary funds from Fund 211 to cover the full project cost.
