Re: Park Board Minutes

- January and February 2008 minutes have not been approved yet.
- The board did not meet in March or April.
- There wasn't a quorum (with old board members) at the May meeting to approve the January and February minutes.
- The June and July meetings were cancelled.
- The meeting in August was held on August 27 as a joint meeting with the environmental board.
- The September 2 meeting was a park tour and BBQ. No minutes taken.
