Re: Hammes Estates
Final Plat and Development Contract

Dear Mr. Schroeder:

On October 7, 2014, the Lake Elmo City Council approved the Hammes Estates Final Plat and Development Contract for my family's property (Resolution No. 2014-81). Due to various complexities, the Final Plat was not recorded. We are working on the issues and now feel ready to move forward with the project as previously approved.

Accordingly, we are requesting that the City Council extend our Final Plat approval and Development Contract for two years from the original date of approval (until October 7, 2016).

Thank you for your consideration.

Sincerely,
