- Call for Motion..... Mayor & City Council
- Discussion Mayor & City Council
- Action on Motion Mayor Facilitates

PUBLIC POLICY : Possible meeting management policies could be made

SUMMARY AND ACTION REQUESTED:

Unanimous vote by Council to engage in mediation services with the Bureau of Mediation Services (BMS) to improve the working dynamic of the city council.

BACKGROUND AND STAFF REPORT: In early August, the League of Minnesota Cities (LMC) was contacted to help mediate what was felt at the time as a decrease in working relations amongst council members. The LMC suggested the city work with the BMS to explore common ground amongst the council members and decrease conflict. The LMC and the BMS were invited to discuss and mediate council concerns. A number of meetings were held both with full council and a sub-set of council members, BMS staff and LMC staff. These meetings dealt with subject matter such as agenda setting, meeting decorum, council roles/lanes versus staff. At some point the BMS felt that progress was stalled and they withdrew from the process. They are willing to come back to the city council when there is full support from all council members to develop compromise on an issue which council is currently divided on.

RECOMMENDATION: It is the recommendation of the City Administrator that City Council invite the BMS back to provide mediation services for the purpose of improving meeting management/interaction and agenda setting.

Motion:

“The Lake Elmo City Council officially requests and invites the LMC and / or the BMS to continue working with the Council and city staff in an effort to improve the working dynamics of same; specifically, to help council resolve the issue of City Council meeting interaction and setting agendas.”
