

## MAYOR AND COUNCIL COMMUNICATION

DATE: May 10, 2016

**WORKSHOP**

ITEM #:

**AGENDA ITEM:** Washington County HRA Economic Development Bill

**SUBMITTED BY:** Kristina Handt, City Administrator

---

### **BACKGROUND:**

Council will receive a presentation from the Washington County HRA regarding their bill in the state legislature to add economic development activities to their organization. After the presentation and questions from the Council the Council should discuss the resolution. Staff is not looking for approval at this meeting but the resolution could be placed on the May 17<sup>th</sup> agenda. The last day for the state legislature to pass any bills, without going to special session, is May 22<sup>nd</sup> so the May 17<sup>th</sup> meeting would be the last opportunity for the City of Lake Elmo to weigh in on this issue.

Additional background materials, memo, and resolution from the HRA are included in your packet.
