ITEM #: 14

AGENDA ITEM: Street Naming Policy
SUBMITTED BY: Emily Becker, City Planner
THROUGH: Kristina Handt, City Administrator
REVIEWED BY: Stephen Wensman, Planning Director

BACKGROUND:

Currently, Chapter 153: Subdivision Regulations, Section 07: Preliminary Plat, Subd. E: Proposed Design Features mandates that street names and numbering system shall comply with the County Uniform Street Numbering System. It also states that the "name of any street used in the city or its environs shall not be used [in a proposed plat] unless the proposed street is a logical extension of an already named street, in which event the same name shall be used."

The County Uniform Street Naming and Property Numbering System was developed by the County in 1967 and adopted by the City in an Agreement with the County in 1971. The City canceled the street naming portion of the agreement by Resolution #2000-071 in 2000 in response to the County's refusal to record the Fields of St. Croix II plat because the street names did not correspond to the agreed-to system.

In 2005, Ordinance 97-149 was adopted reintroducing a uniform street naming system within the City that follows the general pattern (alphabetical west-to-east) of the 1971 Agreement, but which also allows some street naming latitude as long as the alphabetical range is adhered to. The purpose of this ordinance was to have the force of law for future plats in regards to street naming. This ordinance, however, no longer exists in the published Lake Elmo Code of Ordinances. The reason for this is unclear to Staff as there has been no found record of its repeal.

Without a current and clear street naming policy or ordinance, there has been recent confusion and discussion about street naming within new developments. Attached is research gathered on these discussions about street naming from Council meeting minutes in the past year. Summarily, with Staff transitions, it has not been clear what actual policy or ordinance to refer to when reviewing proposed street names.

Staff has found that a motion "that if the street dead ends, so does the name" was passed at the May 5, 2015 City Council meeting with a vote of 3-2. However, no formal document was prepared or approved. This supposed policy holds that when streets are not continuous, they should not have the same name (i.e. a street name should only be in one development within the City).

In order to provide clarity on this issue and to remove conflicting City Code, , Staff is proposing an official City street naming policy be enacted and that the policy be referred to in the City Code. Staff is also recommending the repeal of City Code references to the County Uniform Street Naming and Property Numbering System

ISSUE BEFORE COUNCIL:

The Council should decide if the City should adopt a street naming policy, repealing reference to the County Uniform Street Numbering System

PROPOSAL DETAILS/ANALYSIS:

Repeal Section 540. Ordinance No. 97-149, which added Section 540 relating to the uniform system for naming streets and numbering properties and principal buildings in the City of Lake Elmo, was never found to be repealed, according to research by Staff; there is no reference to the References to Ordinances Section of the City Code. As a result, the proposed ordinance will officially repeal this Section.

Amendment to Section 153.07: Preliminary Plat, Subd. (E) (1). It is being proposed that the reference to the County Uniform Street Numbering System in Chapter 153 be repealed as well as the language stating that the “name of any street used in the city or its environs shall not be used [in a proposed plat] unless the proposed street is a logical extension of an already named street, in which event the same name shall be used.” Reference to the City Street Naming Policy should be placed here instead.

Proposed Policy. As previously explained, a number of changes have been made to how streets are named over the past years. With changes to the City, it is likely that changes will continue to happen in order to accommodate new development. Because of this, it is proposed that a street naming policy be enacted, and that this policy be referenced by ordinance. Resultantly, changes to the way streets are named can be made without ordinance amendments.

Partial Utilization of County Uniform Street Naming and Property Numbering System. There are a number of procedures from this manual that make sense and should be utilized in the City street naming policy. The following are proposed policies that follow the Uniform Street Naming and Property Numbering System:

North-South Streets. Streets running north-south are labelled as avenues. It is proposed that streets will need to be named based on alphabetical order east to west, starting with “Hi-“ on the far west side of the City and ending with “Ma-“ on the far east side of the City. A grid outlining this system is attached.

Exception. Because the City has deviated from this rule in the past (i.e. in the Wildflower, Tapestry, Whistling Valley) the Council should consider if street names that do not follow the alphabetical order but relate to the development name should be allowed.

East-West Streets. Streets running north-south are labelled as streets and are numbered, decreasing from 60th Street at the far north of the city, ending at Hudson Boulevard. A grid outlining this numbering system is attached.

All Other Streets. Such streets that do not directionally fit in to the above-mentioned categories should be named as follows:

NE to SW streets shall be called Boulevards.

NW to SE streets shall be called Roads.

Streets that relate to a base street from which it is extended shall be called Courts or Circles.

Streets that dip in form a connecting off-shoot from another street shall be called Lanes or Ways.

Meandering routes shall be called Trails.

Property Numbering System. There shall be 1000 property numbers, or 500 numbers on each side of the street, available per mile. Each 12 feet of street frontage shall be assigned a number.

Odd and Even Numbers. Odd numbers shall be used on the South and East sides of the streets and even numbers shall be used on the North and West sides of the streets.

Assignment of Numbers on Corner Lots. Property numbers should be assigned to according to what is meant to be the front lot line as defined by the Lake Elmo Code of Ordinances.

No Duplication. Any street that stops in one part of the City shall not be used in another part of the City, regardless if it is on the same grid as another street. Numbered streets are an exception to this rule.

Must End With "North." In order to keep all street names uniform, it is proposed that all street names be required to end with "North."

New Development. The City Street Naming Policy shall apply to new development. Existing street names shall remain the same.

FISCAL IMPACT:

Enacting a clarifying City Street Naming Policy may reduce Staff, Commission and Council time spent reviewing and approving street names.

OPTIONS:

The Council has the following options in regards to this Agenda Item:

- Approve the City Street Naming Policy as proposed.
- Approve the City Street Naming Policy with edits.
- Deny the City Street Naming Policy and keep existing language of Section 153.07: Preliminary Plat, Subd. (E) (1).
- Deny the City Street Naming Policy and direct Staff to prepare edits to Section 153.07: Preliminary Plat, Subd. (E) (1).
- Deny the City Street Naming Policy and direct Staff to prepare an Ordinance guiding street naming.

RECOMMENDATION:

Staff recommends that the Council approve the City Street Naming Policy as proposed.

City of Lake Elmo Street Naming Policy

Title and Scope

This guide shall be known as the Lake Elmo Street Naming Policy. Its purpose is to establish standards for naming streets, assigning property numbers, and posting street signs. The goal of these standards is to assist emergency services, the United States Postal Service, and the public in timely and efficient delivery of services to residents and businesses.

Street Naming Agency

It will be the responsibility of the Planning Director or designee to assign street names and property numbers in accordance with the guidelines set forth in this Policy. The Planning Director should confer with the Fire Chief to ensure that street names and property numbers provide adequate directional assistance to emergency service providers. An inventory of City street names should also be kept so as to avoid duplication.

Street Naming Process

Streets are named and approved at the time of Preliminary Plat approval.

Street Naming Methodology

- I. *North-South Streets.* Streets running north-south are labelled as Avenues. Except as outlined in this Policy, such street names should be assigned alphabetically consistent with the Address Map attached to this Policy. The first two letters of street names should progress alphabetically from West to East along the grid.
 - i. *Exception.* Street names that relate to a specific development are allowed as approved by Council during Preliminary Plat approval. Street names must be easily identifiable with the development.
- II. *West-East Streets.* Streets running west-east are labelled as Streets. They must be numbered as outlined in the Address Map grid attached to this Policy. While proposed streets should be numbered according to the Address Map grid, chronological ordering of streets in relation to existing streets directly north and south of the proposed street takes precedence.
 - i. *Duplication.* There may be more than one street that has the same number only if the proposed street is both numbered according to the Address Map grid and is located in a logical numerical order in relation to existing streets directly to the north and south of the proposed street. If the proposed street does not meet the aforementioned criteria, the street need not be labelled Street, and a different name, as approved by Council, may be chosen, however, the street should still be assigned a number.

- III. *Deflecting Streets.* Parts of deflecting streets that run continuous may be categorized by preceding street numbers with the words “Upper” or “Lower,” depending on how the section of street relates to the grid.
- IV. *Streets Changing Direction.* Streets that run from west to east and turn to run from north to south, or vice versa, forming a logical angle and turning point for the driver, should have different names in order to match the grid. This standard shall not apply to streets that run circular, have no turning point and do not form an angle.
- V. *All Other Streets.* Such streets that do not directionally fit in to the above-mentioned categories shall be named as follows:
 - i. NE to SW streets shall be called Boulevards.
 - ii. NW to SE streets shall be called Roads.
 - iii. Streets that relate to a base street from which it is extended shall be called Courts or Circles.
 - iv. Streets that dip in form a connecting off-shoot from another street shall be called Lanes or Ways.
 - v. Meandering routes shall be called Trails.
- VI. *No Duplication.* Any street that stops in one part of the City shall not be used in another part of the City, regardless if it is on the same grid as another street. Numbered streets are an exception to this standard as provided in this Policy. Names tending to be confused as homonyms or have the same or similar pronunciation but with different spellings are also discouraged (i.e. Allen or Alan; Smith or Smyth; John or Jon, etc.).
- VII. *Theming.* If appropriate, names with the same theme (i.e. flowers, nature) are suggested for naming streets in an entire subdivision.
- VIII. *Pronounceability.* When possible, names should be easily pronounceable in order for children to read and pronounce them in emergency situations.
- IX. *Directional Suffix.* All street names must end with the directional suffix of North.

Property Numbering Methodology

- I. *Numbering System for Properties Located on Avenues.* Properties with front lot lines abutting avenues should be numbered according the Address Map grid whenever possible. In the event a street number does not correlate with the Address Map grid, properties should be numbered according to the street number above which they are perpendicularly located directly north. Each 12 feet of street frontage shall be assigned a number as demonstrated in Figure 1-1. In the case of an “Upper” and “Lower” street number prefix, or any other situation in which there may be two street numbers are adjacent to each other, property numbers should increase accordingly to the next street number. Similarly, in the case there is not enough lineal footage between numbered streets, properties shall be numbered accordingly.
- II. *Numbering System for Properties Located on Numbered Streets.* Properties with front lot lines abutting streets should be numbered according to the Address Map Grid.
- III. *Assigning Addresses.* Addresses should be assigned according to what is meant to be the front lot line as defined by the Lake Elmo Code of Ordinances.

- IV. *Odd and Even Numbers.* Odd numbers shall be used on the South and East sides of the streets and even numbers shall be used on the North and West sides of the streets.
- V. *Multi-Tenant Structures.* Multi-tenant structures including apartment buildings, office buildings, townhomes and duplexes shall be assigned a property number if all on one parcel and then unit numbers as secondary location indicators.
- VI. *Manufactured Home Parks.* Manufactured Home Parks may be assigned one number and then unit numbers for individual homes.
- VII. *Exemptions.* The following buildings and uses will be exempt from the addressing system, but may be addressed at the request of the property owner:
 - i. Unoccupied farm land or lots containing no dwellings or businesses.
 - ii. Farm buildings which are not residential or commercial.

Applicability

New Development. The City Street Naming Policy shall apply to new development only. Existing street names at the time of publication of this policy shall remain the same.

Placement/Display Requirements

Each principal building shall bear the number assigned to the frontage on the side of the building that faces the assigned frontage. In case a principal building is occupied by more than one business or family dwelling unit, each separate front entrance of such principal building shall bear a separate number.

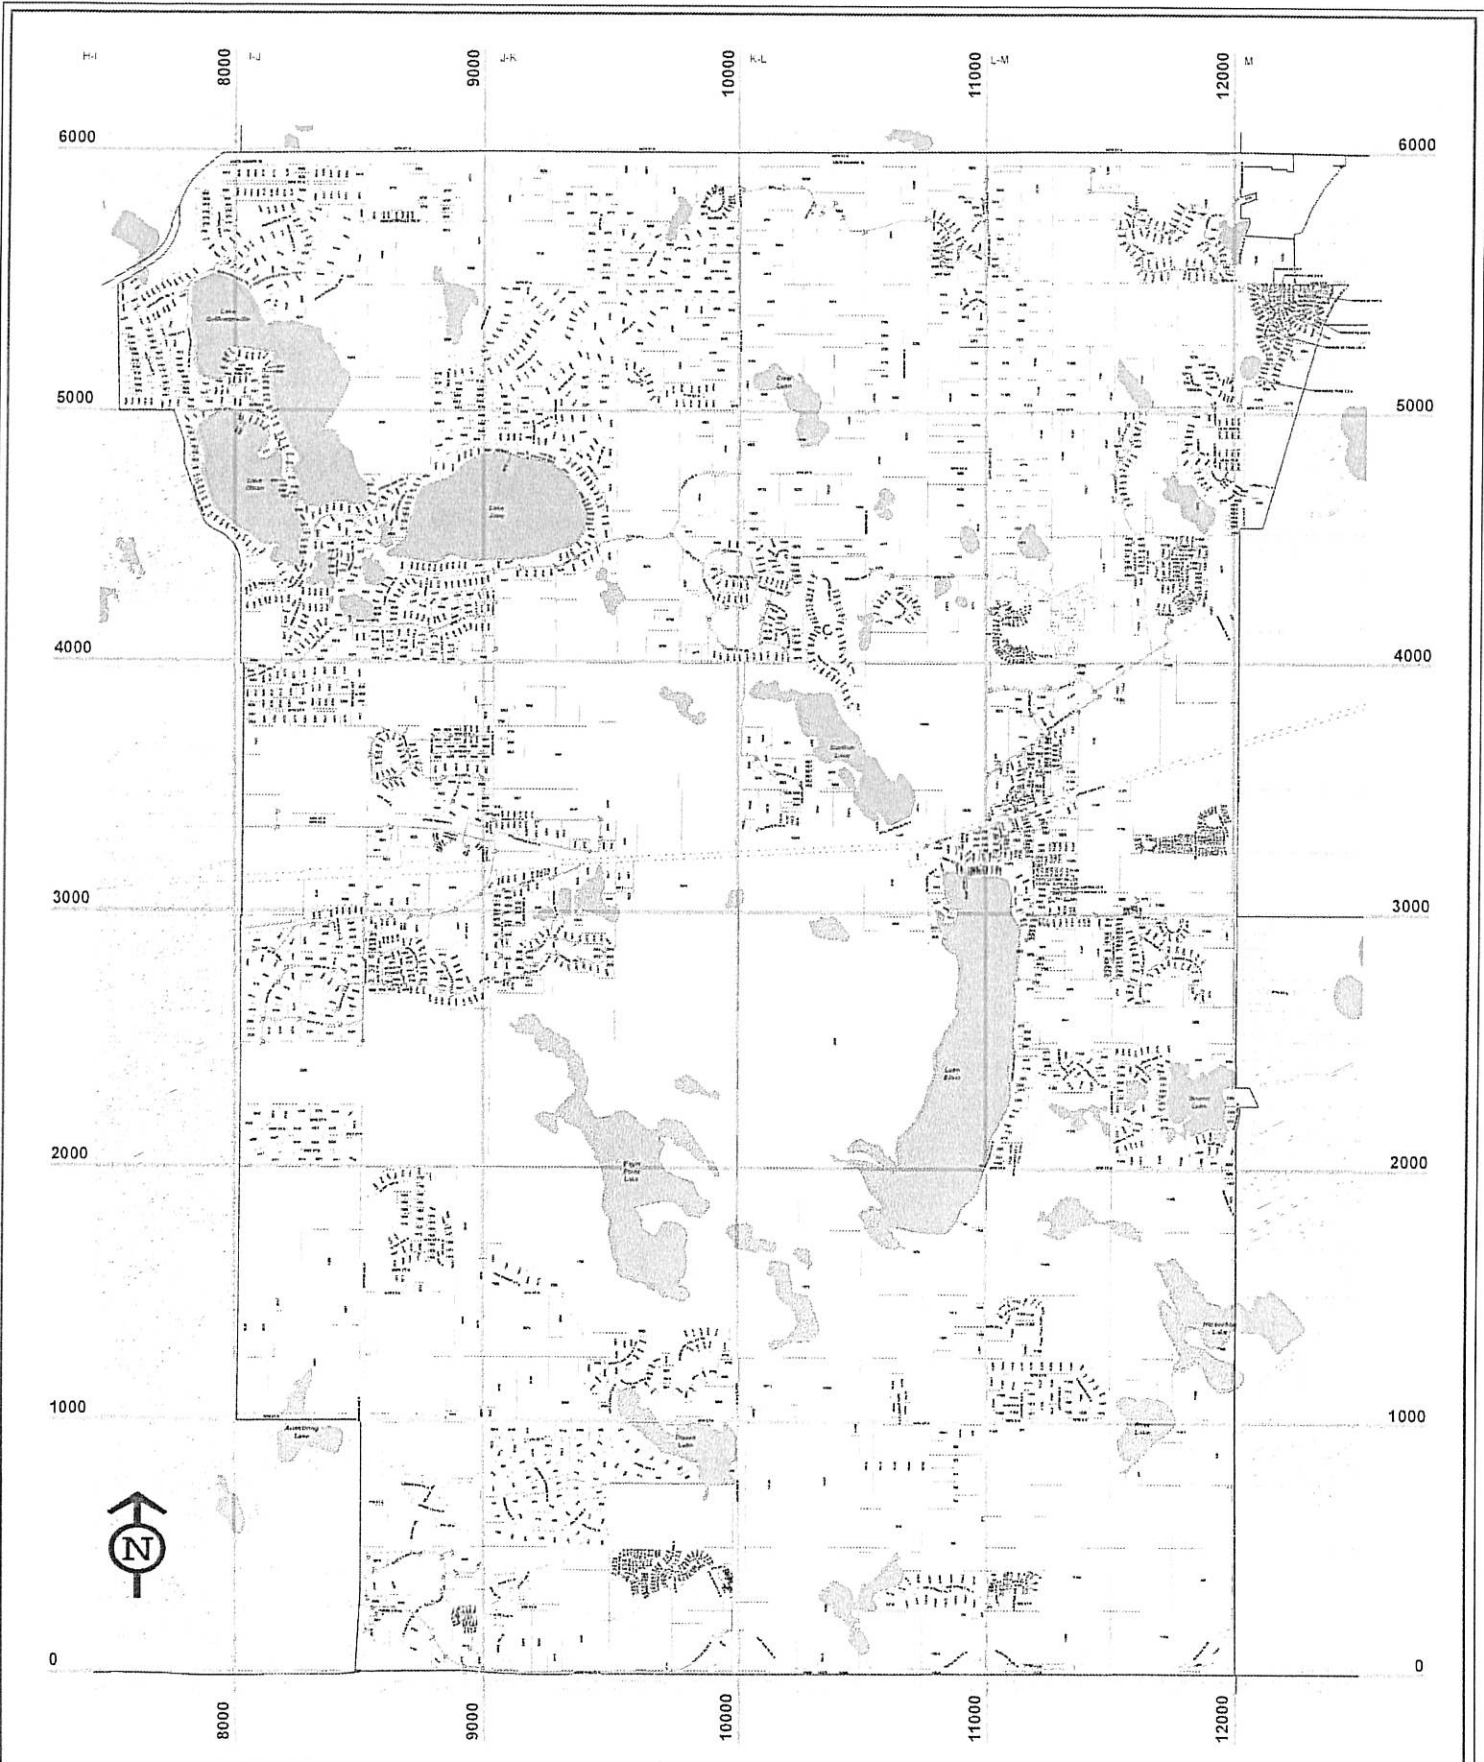

Visibility of Property Numbers. Numerals indicating the official numbers for each principal building or each front entrance to such building shall be posted in a manner as to be visible from the street on which the property is located. Numerals shall be at least four inches in height and located at a reasonable height on the building. Properties with principal buildings set back far enough for four inch numerals to be deemed illegible should bear larger numerals, while still complying with the City's Sign Code, or display property numbers both on the building and elsewhere on the property to make them visible from the street; Zoning Code regulations apply.

Street Signs. Street signs shall be displayed in accordance with City Engineer Design Standards.

Figure 1-1

The above example shows a property with front lot line frontage on Irish Avenue north, abutting 28th Street North. There is 135 feet of frontage on Irish Avenue North. 135 divided by 12 is approximately 11. Therefore, it is properly addressed as 2811; the property essentially starts at the 2800 block and is given one number for every 12 feet of street frontage.

Agenda Item: Street Naming Ordinance

Background Information for February 15, 2005:

On February 8 the Council’s Public Health and Safety Committee considered the present City policy for the naming/numbering of streets. The City Planner explained that the City continues to use the street/address numbering system that was developed for Washington County in 1967, and adopted by the City in an Agreement with the County in 1971. He explained that the City canceled the street naming portion of the Agreement by Resolution #2000-071 in 2000 in response to the County’s refusal to record the Fields of St. Croix II plat because the street names did not correspond to the agreed-to system.

The Committee directed staff to draft City Council action that would reintroduce a uniform street naming system within the City that follows the general pattern (alphabetical west-to-east) of the 1971 Agreement, but which also allows some street naming latitude as long as the alphabetical range is adhered to. The City has never had an ordinance establishing street naming – only the 1971 Agreement. If street naming is to have the force of law for future plats, it must be addressed by ordinance. Staff has prepared a draft ordinance that would, by reference, adopt the County-wide street naming/numbering system – but with a slight modification to provide the street naming latitude noted above.

SECTION 1. The City Council of the City of Lake Elmo hereby amends Chapter 31 of the City Code by deleting sections 31.01 through 31.11 in their entirety and replacing them with the sections as follow:

§ 31.01 MEETINGS.

(A) *Authority.* City councils are authorized to adopt rules of procedure and provide for order at their meetings.

- (1) *Parliamentary procedure.* Except as specifically provided under statute or these parts, the most current version of the Robert's Rules of Order Revised governs any question of parliamentary procedure that arises at a city meeting.

(B) *Purpose.* The purpose of this policy on City Council meetings is to set the groundwork for orderly and respectful communications between and among council members, city staff, and citizens to promote the efficient working of the public's business at City Council meetings.

(C) *Regular meetings.* Except as provided herein, regular meetings shall be held at City Hall beginning at 7:00 p.m. on the first and third Tuesdays of each month. The City Council may cancel regular Council meetings by adopting the appropriate motion at any duly called Council meeting. The City Council may change the date, time, and/or place of a regular meeting by adopting the appropriate motion at any duly called Council meeting and by posting a written notice of the date, time, and place of the rescheduled meeting on the city bulletin board and at the main entrance to the City Hall at least 3 days before the date of the rescheduled regular meeting.

- (1) *Quorum.* A simple majority (3) of the Council shall constitute a quorum for the valid transaction of any scheduled business to come before the Council.
- (2) *Location.* All meetings, including special, recessed, closed, and continued meetings, shall be held in the City Council chambers, located at City Hall, unless otherwise designated, pursuant to Minn. Stat. § 13D.04, subd. 2.
- (3) *Schedule.* A schedule of regular meetings shall be kept on file with the city clerk.
- (4) *Recessed or continued meetings.* When a meeting is recessed or continued, the presiding officer shall state the time and place for the next meeting to occur pursuant to Minn. Stat. § 13D.04, subd. 4. The time and place shall also be noted in the minutes. If the time and place is stated and noted in the minutes, no additional notice of the meeting is required, unless otherwise required by law. However, if the time and place is not stated and noted as required herein, compliance with the notice procedures for a special meeting, as defined in this Section, shall be required.

(D) *Open Meeting Law.* The Minnesota Open Meeting Law ("OML"), Minn. Stat. Ch. 13D, generally requires that all meetings of public bodies be open to the public.

- (1) Principles. The presumption of openness in the OML serves three basic principles:
 - (a) To prohibit actions from being taken at a secret meeting, where it is impossible for the interested public to become fully informed concerning the decisions of public bodies, or to detect improper influences;
 - (b) To ensure the public's right to be informed; and
 - (c) To afford the interested public an opportunity to present its views to the public body on matters of public interest.
- (2) The City Council views providing and encouraging citizen access to city meetings as one of its most important duties. As a result of this principle, all Council and committee meetings, including special meetings, with the exception of closed meeting, as required by Minn. Stat. Ch. 13, shall be open to the public.
- (3) In calculating the number of days for providing notice under the OML, the first day that the notice is given is not counted, but the last day is counted. If the last day is a Saturday, Sunday, or legal holiday, that day is omitted from the calculation and the day following the Saturday, Sunday, or legal holiday is considered the last day.
- (4) In keeping with the intent of the OML, Council members shall not use any form of communications technology, such as text messaging or email, to communicate with another person during a public meeting in a manner that is hidden or shielded from public view.
- (5) Pursuant to Minn. Stat. § 13D.01, subd. 6, at least one copy of the written materials made available to the Council at or before the meeting shall also be made available for inspection by the public, excluding any non-public data, attorney-client privileged data, or materials related to agenda items of closed meetings, or anything else otherwise deemed not public by any applicable law.

(E) *Special meetings*. Special meetings may be called by the Mayor or by any two (2) Council members filing a written notice with the city administrator. The notice shall indicate the date, time, place, and purpose of the special meeting. If matters not directly related to the purpose of the special meeting are discussed or acted upon at the special meeting, the minutes of the special meeting shall include a specific description of the matters. § 31.04 ORDER OF BUSINESS AT REGULAR MEETINGS.

(A) *Order established.* Each meeting of the Council shall convene at the time and place appointed for the meeting. Council business shall be conducted in the order determined by the Council at its first annual meeting or as thereafter amended by the majority vote of the Council.

- (1) *Order of Business.* The standard order of business for Council meetings shall be the following:
 - (a) Call to Order/Pledge of Allegiance;
 - (b) Approval of Agenda;
 - (c) Approval of Minutes from Past Meeting(s);
 - (d) Public Comment;
 - (e) Presentations;
 - (f) Consent Agenda;
 - (g) Regular Agenda;
 - (h) Report of the Council;
 - (i) Reports from City Staff; and
 - (j) Adjourn.

(B) *Agenda.* An agenda will be prepared for all regular Council meetings by the city clerk/administrator or their designee. Agenda items may be placed on the agenda by the Mayor and a Council member, two Council members or staff. Members of the public wishing to place

an item on the agenda must do so by contacting city staff or Council members, or by speaking during the public comment period. No member of the general public may add any items to the agenda.

- (1) *Special Meetings.* When a special meeting is called pursuant to applicable law, the agenda for the special meeting must be included in the request for the meeting and in the publication of the notice of the meeting pursuant to Minn. Stat. § 13D.04, subd. 2.
- (2) *Agenda Procedures.* Any Staff member or Mayor and Council member or two Council members wishing to add an item to any agenda pursuant to this Section shall do so by complying with the following:
 - (a) All requests to place an item on the posted agenda must be received by the city clerk/administrator by 10 a.m. five days prior to the next Council meeting. For a regularly scheduled Tuesday meeting, the deadline for agenda items would be 10 a.m. on the preceding Thursday.
 - (b) All requests to place an item on the posted agenda must be on the form prescribed by the city clerk/administrator. The form shall be completed with the goal of clearly describing the subject matter to be considered by the Council and any action requested or required. Supporting information may be attached to the form as necessary.
 - (c) All requests to place an item on the posted agenda by city staff or Council members must be reviewed by the city clerk/administrator or their designee prior to being included in the agenda.
 - (d) The agenda, along with all related information materials, will be provided to all City Council members and the city attorney at least three days prior to the Council meeting for which it applies. For a regularly scheduled Tuesday meeting, the packet will be provided by 5 p.m. the Friday preceding.

(C) *Consent Agenda.* A consent agenda may be used to improve the efficiency of meetings. The consent agenda allows the Council to consider several items at one time. Only one motion is necessary to approve all items on the consent agenda.

- (1) Items that require findings of fact or an explanation of Council actions, such as land use matters and the consideration of licensing requests, should not be placed on the consent agenda.
- (2) An item on the consent agenda may be removed from such agenda for full consideration by the Council upon request made by any member of the Council. Items removed from the consent agenda will be placed on the regular agenda for discussion and consideration.

(D) *Presentation, discussion and agenda item decisions.* The following is the order of business for presenting and discussing items on Council agendas:

- (1) Introduction of item;
- (2) Report by staff or other presenter;
- (3) Questions from Council members to the presenter in a round robin manner. The presiding officer will facilitate the round robin process by asking each individual Council member for one question and allowing for a response to the individual question. Then the presiding officer will ask the next Council member, in sequence, until all Council members have asked and received responses to a question. No Council member shall take more than three minutes to ask a question or comment on an item which is being presented before another Council member has a turn to question and comment on the same item;
- (4) Receive questions/comments from the applicant/requesting party to the Council, and allow each Council member to respond in the round robin process;
- (5) Allow questions from Council members to the applicant/requesting party, if applicable, using the round robin process;
- (6) Allow questions/comments from the public to Council members. Each member of the public shall state his or her comments in six minutes. Council shall not interrupt or interact until all public comments are completed;
- (7) At the conclusion of the round robin process, the presiding officer calls for a motion or discussion among the Council. Discussion on any presentation shall be kept to a minimum, and each Council member shall only speak twice on the issue. This action is not an indication that the motion on the table is the motion that will be approved in its current form. It is purely for discussion purposes;
- (8) Discussion among Council members using the round robin process with each member speaking no more than twice on a motion;
- (9) Action by the Council on the motion.

(E) *Meeting Schedule.*

- (1) Each meeting of the Council shall convene at the time and place appointed. All public hearings shall commence at the advertised time.
- (2) Council business shall be conducted in the order of the prepared agenda, unless an alteration is approved by a majority of the Council.
- (3) The last item on the agenda will be commenced no later than 12 a.m.

- (4) If all business has not been completed by 12 a.m., the meeting shall be continued to another date and time following the notice provisions contained herein.

(F) *Public participation and comment at council meetings.* Council meetings are the forum for the Council to conduct the city's business. While Council meetings are open to the public pursuant to the Minnesota Open Meeting Law, they are not a forum for public expression. As such, members of the public are not allowed to participate in Council discussion and debate without a specific invitation and/or formal recognition by the presiding officer. Members of the public shall not applaud, engage in conversation, or engage in other behavior through words or actions that may disrupt the proceedings of the Council.

(G) *Members of the public shall follow the direction of the presiding officer.* Members of the public who do not follow the direction of the presiding officer will be warned that further disruptive conduct will result in removal from the meeting. After such warning, if the conduct continues, the presiding officer may ask the member of the public to leave the meeting room. If the member of the public refuses to follow the direction of the presiding officer, the presiding officer may direct the sergeant-at-arms to remove the person through any lawful means. In emergency situations, or where the conduct is an egregious threat to the safety of the public or the Council, a warning is not necessary before the sergeant-at-arms is directed to remove the person.

(H) *Public comment period.* A limited forum for members of the public to speak with the Council is provided on each agenda. Public comments during the public comment period are subject to the following limitations:

- (1) Speakers must be recognized by the presiding officer before speaking and are limited to six minutes for comment;
- (2) When multiple speakers appear to speak on the same topic, comments should not be repetitive. The presiding officer may request speakers to appoint a spokesperson;
- (3) The presiding officer may place a time limit on the public comment period if necessary to allow for the conduct of city business. If there is not sufficient time at the meeting to hear all public comments, the comment period may be deferred to the next regular Council meeting or at a continued meeting;
- (4) Speakers must sign up prior to speaking and provide their name, address, and a brief summary of the subject matter which they wish to address. The sign-up sheet will be available at the start of the City Council meeting;
- (5) Speakers must direct their remarks toward the presiding officer;
- (6) Speakers shall not use obscene, profane, insulting, or threatening language, nor conduct themselves in a threatening, loud, or boisterous manner that disrupts the

conduct of the meeting or the security of the public;

- (7) Speakers are required to follow the direction of the presiding officer; and
- (8) The Council will generally not respond at the same meeting where an issue is initially raised by a member of the public. Generally, the matter will be referred to staff for further research and possible report or action at a future Council meeting.

(I) *Public Hearings.* Public hearings are sometimes required by law to allow the public to offer input on Council decisions. Unlike public comment periods, public hearings allow the public to speak on a matter currently before the Council. When public hearings are required by law, notice shall be provided as required by state statute. Public hearings shall be commenced at the time advertised in any notice required by law.

- (1) *General procedure for public hearings.* The order of business for all public hearings conducted by the Council shall be:
 - (a) Opening comments by the presiding officer announcing the purpose of the public hearing;
 - (b) The presiding officer opens the public hearing portion of the meeting;
 - (c) Staff presentation, if any (i.e. administrator/clerk, attorney, engineer etc.);
 - (d) Developer/other presentation, if any;
 - (e) Public comment (all individual comments limited to six minute maximum);
 - (f) The clerk/administrator shall make note of any submitted written testimony; and
 - (g) The presiding officer formally closes the public hearing portion of the meeting.
- (2) Speakers who wish to address the Council at a public hearing must follow the same rules as contained herein for public comment periods. The presiding officer may allow more time, where appropriate.
- (3) Speakers may also provide written comments to the Council before or at the meeting. Written comments shall be noted and provided to the Council and to anyone else as required by law.
- (4) The presiding officer may continue the hearing, if necessary, following the procedures for continuing a meeting contained in this Section.

§ 31.05 VOTING.

(A) The votes of the Council will be taken by voice or hand vote. The presiding officer shall announce the results of all votes of the Council.

(B) A clear statement of the matter being voted upon and the names of those voting for and against the matter shall be recorded in the official minutes.

(C) The presiding officer may ask for a roll call vote to be conducted by the clerk/administrator on any motion of resolution.

(D) The clerk/administrator may ask for a verification roll call if the vote of a Council member is not clear on the voice vote.

(E) A majority vote of the quorum present shall be sufficient for all matters before the Council, unless otherwise provided by law.

(F) Any Council member may abstain from voting for any reason.

(G) If any Council member is present but does not vote, the minutes, as to his or her name, shall be marked "Present-Not Voting."

§ 31.06 ORDINANCES, RESOLUTIONS, MOTIONS, PETITIONS, PROCLAMATIONS AND COMMUNICATIONS.

(A) *Signing and publication proof.* Every ordinance and resolution passed by the Council shall be in writing and signed by the Mayor, attested by the clerk, and filed by the clerk in the ordinance or resolution book. Unless otherwise provided by law, no ordinance shall require more than one reading and all ordinances shall be adopted by a majority vote of Council members present at the Council meeting. Proof of publication of every ordinance shall be attached and filed with the ordinance.

(B) *Repeals and amendments.* Every ordinance or resolution repealing a previous ordinance or resolution or a section or subdivision shall give the number, if any, and the title of the ordinance or code number of the ordinance or resolution to be repealed in whole or in part. Each ordinance or resolution amending an existing ordinance or resolution or part shall set forth in full each amended section or subdivision as it will read with the amendment.

(C) *Mayoral and city proclamations.* Except as otherwise provided by law, all mayoral and city proclamations recognizing events, persons, and official observances shall be adopted by a majority of the Council members present and voting at the meeting where such proclamation is presented for adoption.

(D) *Seating assignments.* Council members shall occupy the chairs assigned to them by the presiding officer, but two Council members may exchange seats by joining in a formal request to the presiding officer to do so.

§ 31.07 SUSPENSION OR AMENDMENT OF RULES.

The rules of procedure applicable to Council meetings may be suspended or amended by 2/3rds vote of the Council members present and voting, provided that such action is not in violation of state statutes.

§ 31.08 SALARIES OF MAYOR AND COUNCIL MEMBERS.

The Mayor and Council members shall be paid salaries as determined from time to time by the Council and set by ordinance. An ordinance establishing Council salaries shall be adopted before a regular city election and shall not be effective until January 1 following such election.

§ 31.09 PAYMENT OF SALARIES.

The salaries provided by §§ 31.01 *et seq.* shall be paid semi-annually, or more frequently, as directed by the Council.

§ 31.10 COUNCIL TO ACT AS BOARD OF ADJUSTMENT AND APPEALS.

(A) *Establishment of Board of Adjustment and Appeals.* The Council is established as the Board of Adjustment and Appeals. The Board of Adjustment and Appeals shall have the following powers with respect to this section:

- (1) The exclusive power to hear and decide appeals where it is alleged that there is an error in any decision, order, requirement, or determination made by an administrative officer in the enforcement of the zoning code; and

 - (b) The name and address of the appellant;
 - (c) The grounds for the appeal; and
 - (d) The relief requested by the appellant.

(C) *Authority of the Board of Adjustment and Appeals.* The Board of Adjustment and Appeals may reverse or affirm, wholly or partly, or may modify the order, requirement, decision,

or determination appealed from and to that extent shall have all the powers of the officer from whom the appeal was taken, and may direct the issuance of a permit.

(D) *Hearing procedures.*

- (1) The Zoning Administrator shall, upon the filing of a notice of appeal, refer the matter to the Board of Adjustment and Appeals and establish a time for the hearing of the matter by the Board.
- (2) The Zoning Administrator shall notify the appellant or applicant, the Chairperson of the Planning Commission, the Building Official, the abutting property owners, and in the case of an appeal the officer from whom the appeal is taken, of the time and place of the hearing. The notice shall be in writing and shall be served on the person by mail, provided the notice shall be mailed at least 10 days preceding the date of the hearing.

(E) *Record of findings.*

- (1) The Board of Adjustment and Appeals shall make written findings in any case of an appeal and shall state in the findings the reasons for its decision. The order issued by the Board of Adjustment and Appeals shall include the legal description of the land involved. (F) *Decision; appeals.* All decisions of the Board of Adjustment and Appeals acting upon an appeal from an order, requirement, decision, or determination by an administrative officer or upon an application for a variance shall be final, except that any aggrieved person may have any decision or order of the Board reviewed for an appropriate remedy in district court as provided by law.
