- Questions from Council to Staff..... Mayor Facilitates
- Call for Motion Mayor & City Council
- Discussion..... Mayor & City Council
- Action on Motion..... Mayor Facilitates

POLICY RECCOMENDER: Fire Chief Greg Malmquist

FISCAL IMPACT: N/A

SUMMARY AND ACTION REQUESTED: Review monthly activity update from fire department. Advise on any additional information requested.

LEGISLATIVE HISTORY: On going monthly report to Council of Fire Department Activities.

51 calls for the month of October.

- 1 -Fire alarm with no fire – unintentional
- 4 -Dispatched and cancelled enrout
- 32 -Medicals
- 1 -False alarm or false call
- 6 -Gas leaks

- 1 -Malicious fire alarm activation
- 5 -Car accident with injuries
- 1 -Smoke or odor removal

51 Total

A CV did not respond on 3 of the 51 calls for the month equaling a 94% response rate.

Our average response time was great this month. This was mostly in part to multiple calls that were back to back allowing personnel to respond from the station and/or the previous scene. Either way, we touted an impressive average of just under 5.8 minutes.

16 of our calls in October had 3 or less responders total minus CV response.

4 of the 16 calls with 3 or less responders had only 1 responder besides the CV response and there was one additional call with the CV being the only responder for the call.

Department Training Drills for the month were:

- #1 – CEU Fire ground Communication
- #2 – Officer’s meeting
- #3 – Annual physical ability test
- #4 – Station and truck checks

Points of interest:

- Construction continues to slow response and delay personnel although the numbers are skewed this month
- 1 Fire fighter resigned this month
- Both Chiefs attended the State Chief’s Conference for CEU training and updates
- 2 Fire fighters are continuing Fire Officer 1 training.
- We attended the EMPSTF Open House and were able to showcase the Ladder truck.
- We attended the Washington County Health Fair event at the Lake Elmo Park Reserve.
- The Lake Elmo Elementary Kindergarteners visited the Fire Department for Fire Prevention – 105 children attended the event
