

STAFF REPORT

DATE: February 7, 2017

REGULAR

ITEM #: 15

AGENDA ITEM: Financial Management Services Agreement

SUBMITTED BY: Kristina Handt, City Administrator

BACKGROUND:

Staff reached out to AEM Financial Management Services to provide financial services similar to a finance director position. AEM contracts with a number of cities in MN to provide this service and I received positive feedback from some of those other communities.

ISSUE BEFORE COUNCIL:

Should the Council contract with AEM Financial Services?

PROPOSAL:

Included in your packet is a proposal from AEM. The proposal includes information about the firm and personnel, an agreement for financial services through 12/31/19, the scope of services covered, list of communities with similar engagements, and a sample report of what would be provided to the Council on a quarterly basis. The city attorney has reviewed the agreement and no legal issue were noted.

FISCAL IMPACT:

The annual fee for the rest of 2017 is \$86,363. There will be additional charges related to audit preparation. The hourly rate is included and more details will be provided once they have an opportunity to look at our financial records.

In comparison, the annual cost for a finance director if hired at the market minimum (provided in the David Drown Associates Classification and Compensation Study), including taxes and benefits (assuming family insurance) would be \$113,706.15.

The annual cost for services under the agreement in 2018 and 2019 would be \$101,700 and \$104,280 respectively.

OPTIONS:

- 1) Approve the Agreement for Financial Services
- 2) Amend and then Approve the Agreement for Financial Services
- 3) Do not approve the agreement

RECOMMENDATION:

"Motion to approve the Agreement for Financial Services with AEM Financial Solutions."
