I don't see where the money would come to build and maintain. Cheaper than a pool but still expensive. The swimming pool at the reserve is so close already.

8/15/2016 11:32 AM [View respondent's answers](#)

Not sure. Concerned that may bring a lot of traffic into neighborhood

8/14/2016 9:57 PM [View respondent's answers](#)

To save on cost, maybe just a small water feature that can be used by the kids

I feel a field is vital for older kids and adults. This could allow for several sports to be played. Stationary grilling stations as well.

8/15/2016 2:33 PM [View respondent's answers](#)

Restroom and drinking fountain.

8/15/2016 1:53 PM [View respondent's answers](#)

More as a neighborhood - a tunnel that crosses under Keats like the one on Woodbury Drive at Fox Run Road so that our neighborhood could safely connect to the trail into the park reserve.

8/15/2016 11:32 AM [View respondent's answers](#)

Why does Lake Elmo want to maintain the park versus letting our association do so? Would prefer association maintains

8/15/2016 2:33 PM [View respondent's answers](#)

What is the expected timeline for the park project?

8/15/2016 1:53 PM [View respondent's answers](#)

It would be great to have a park I have 3 kids and they are very buzy.

8/15/2016 1:22 PM [View respondent's answers](#)

Would the Lions or other civic group be willing to help fundraise for the picnic shelter like the one at Powers Lake? With such a tight budget, I don't know how there will be money for much more than playground equipment.

8/15/2016 11:32 AM [View respondent's answers](#)

basketball court is #1!

8/15/2016 9:06 AM [View respondent's answers](#)

When can we expect a decision on what will be built, and when ground will break. Also, is there anything else we savonians can do to help move this forward (send emails, etc)
