

ITEM: Update on the posting of parking restrictions in the Tri-Lakes area

SUBMITTED BY: Mike Bouthilet, Public Works Superintendent

REVIEWED BY: Susan Hoyt, City Administrator
Jerry Filla, City Attorney

PURPOSE The city council is being asked to receive an update on the upcoming posting of new parking restrictions in the Tri – Lakes area. The city will be posting some new “No Boat Trailer Parking” signs in some new areas as well as adding “Tow Away Zone” signs to no parking areas (attachment 1 – map). This activity will get underway in late April and early May prior to the fishing openers. An ordinance was approved to permit the posting and enforcement of these sign in September, 2006. (attachment 2). The purpose of these signs is to maintain safety along these roadways and to manage the amount of boat traffic that occurs on the tri – lakes of Lake Jane, DeMontreville and Olson. To protect the quality of these waterways, the Department of Natural Resources (DNR) limits the access to residents along the lakes as well as to 23 boat trailers and 7 cars at the two landings. (10 boat trailers at Lake Jane and 13 boat trailers and 7 cars at Lake Demontreville – confirming this number).

ADDITIONAL INFORMATION

A letter will be sent to residents within the tri – lakes neighborhoods alerting them to the new regulations (attachment 3).
