AGENDA ITEM: Council Liaisons

SUBMITTED BY: Kristina Handt, City Administrator

BACKGROUND:

In the past, the Council has designated members as liaisons to a couple of groups. First, there has been a school liaison to attend city school leadership meetings, events or work collaboratively with the schools on issues. The meetings are held on an as needed basis with the exception of the Mahtomedi School District which holds meetings four times a year during the school year.

Second, the Lease Agreement regarding the Sally Manzara Nature Center at Sunfish Lake Park provides a position on their Board of Directors for a city representative. The Board meets monthly on the third Wednesday at 7pm. They also have a strategic plan meeting scheduled for Saturday, January 26th.
