WHEREAS, the City's Land Use Plan currently guides the 65 single-family homes in the Tapestry at Charlotte's Grove subdivision RAD (rural area development); and

WHEREAS, the Lake Elmo Comprehensive Plan describes the rural area development land use designation as inclusive of large-lot rural single-family detached residential uses and future conventional subdivisions and is for areas not within MUSA planning areas; and

WHEREAS, the City Council has approved an amendment to the City's Wastewater Services and Facilities Plan, adding the 65 single-family homes in the Tapestry at Charlotte's Grove subdivision to the Metropolitan Urban Service Area (MUSA); and

WHEREAS, the 65 single-family homes in the Tapestry at Charlotte's Grove subdivision now more closely fit the Land Use Designation of RSFS (rural single family sewerred); and

NOW, THEREFORE, based on the testimony elicited and the information received, the City makes the following findings:

1. The re-guiding of the 65 single-family residential properties in the Tapestry at Charlotte's Grove subdivision will remove inconsistency between the amended MUSA designation and Land Use category definition in the City's Comprehensive Plan.

NOW, THEREFORE, BE IT RESOLVED that based on the foregoing, the Lake Elmo City Council does hereby approve the Lake Elmo Comprehensive Plan Amendment, amending the City's Land Use Plan by re-guiding the 65 single-family residential properties in the Tapestry at Charlotte's Grove subdivision to Rural Single Family Sewered and authorize City staff to submit all the proposed Comprehensive Plan Amendments to the Metropolitan Council for review, subject to and contingent upon the following:

1. The Metropolitan Council's approval of the Comprehensive Plan Amendment.
