

**CITY OF LAKE ELMO
CITY COUNCIL WORKSHOP MINUTES
JULY 13, 2021**

CALL TO ORDER

Called the meeting to order at 6:30 pm.

PRESENT: Mayor Cadenhead, Councilmembers Katrina Beckstrom, Dale Dorschner, Jeff Holtz and Lisa McGinn. Absent: Councilmember Jeff Holtz.

Staff present: City Administrator Handt, Planning Director Roberts, City Planner Prchal and City Clerk Johnson.

Highway 36 Transit Project Update

Emily Jorgensen, Washington County Public Works, presented a transit study on Highway 36 transit needs and recommendations.

Setback for Agricultural Buildings

City Planner Prchal presented an overview of the current setback requirements in the agricultural districts and comparisons from similar neighboring communities. Council consensus to have the Planning Commission consider reducing the setback to 100 feet for principal and accessory buildings.

No Boat Trailer Parking on Olson Lake Trail

City Administrator Handt reviewed current parking conditions and discussion with Washington County regarding the possibility of installing “no parking” signs. Mayor Cadenhead added that the lake association is concerned about the potential of parking issues due to new residential development in Oakdale.

Items for Future Agenda

Items proposed for future agendas were noted by Mayor Cadenhead.

Meeting adjourned at 7:46 p.m.
