

CITY COUNCIL
DATE: 06/06/23
AGENDA

ITEM: **Minor Subdivision** – Brookman 3rd Addition

SUBMITTED BY: Jenni Faulkner, Consulting Planner
Nathan Fuerst, Consulting Planner

REVIEWED BY: Kristina Handt, City Administrator
Sophia Jensen, City Planner

SUMMARY AND ACTION REQUESTED:

On April 4, 2023 the City Council was asked to consider a minor subdivision request from Frisbie Properties LLC to divide Lot 3, Block 2 of Brookman 3rd Addition into two separate parcels. The proposed minor subdivision would facilitate the separation of 5.01 acres (218,242 sq. ft.) into a proposed Lot 1 consisting of 2 acres (87,121 sq. ft.) and proposed Lot 2 consisting of 3.01 acres (131,121 sq. ft.).

After some discussion on the matter and water appropriation within the City, the City Council tabled the item to the June 6, 2023 meeting. There was concern about the impact of new development on the city's water usage under DNR water appropriation limits. Further, the City had vested interest in proposed legislation regarding future water appropriations which could impact the City Council's ability and/or desire to approve new developments. That special legislation was passed, and the City will have some temporary relief to water appropriations.

Attached is the staff report from April 4, 2023, for reference as well as an updated resolution to reflect the pause in the review and decision of this item.

RECOMMENDATION

Staff and the Planning Commission recommend that the City Council approve the Minor Subdivision request from Frisbie Properties LLC to divide this parcel of the Brookman 3rd Addition into two separate parcels.

Motion to adopt Resolution 2023-32 approving the Brookman 3rd Addition Minor Subdivision based on the findings of fact and conditions presented in the staff report."

AGENDA #G-19

ITEM: **Minor Subdivision** – Brookman 3rd Addition

SUBMITTED BY: Jenni Faulkner, Consulting Planner
Nathan Fuerst, Consulting Planner

REVIEWED BY: Kristina Handt, City Administrator
Sophia Jensen, City Planner

SUMMARY AND ACTION REQUESTED:

The City Council is being asked to consider a minor subdivision request from Frisbie Properties LLC to divide Lot 3, Block 2 of Brookman 3rd Addition into two separate parcels. The proposed minor subdivision would facilitate the separation of 5.01 acres (218,242 sq. ft.) into a proposed Lot 1 consisting of 2 acres (87,121 sq. ft.) and proposed Lot 2 consisting of 3.01 acres (131,121 sq. ft.). Staff and the Planning Commission are recommending approval of the minor subdivision as presented.

GENERAL INFORMATION

Applicant: Frisbie Properties LLC,

Property Owners: Frisbie Properties LLC,

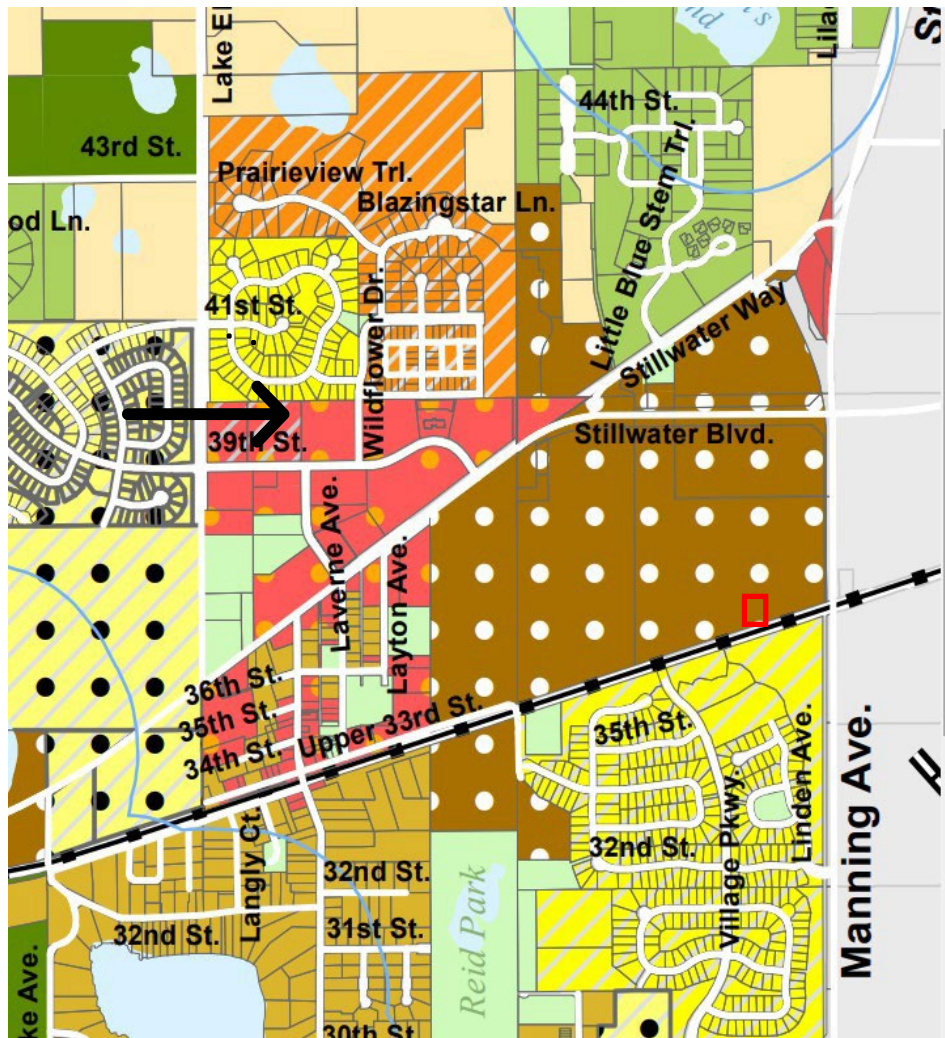

Location: Lot 3, Block 2, Brookman 3rd Addition. PID Number 13.029.21.22.0014

Request: Application for a Minor Subdivision to divide said property into two parcels

Existing Land Use and Zoning: Open field; Current Zoning: Village Mixed Use V-MX

Zoning Map

Surrounding Land Use and Zoning: North – Low-Density Residential on 40th Street N and Lady Slipper Road

East – Future residential site across Wildflower Drive

West – The Fields at Arbor Glen (High Density Residential) connected along 39th Street N

South – Village Mixed Use with Retail and Commercial businesses across 39th Street N

Comprehensive Plan:

V-MX (Village Mixed Use)

Future Land Use Map

History: The City Council approved the Final Plat of Brookman 3rd Addition in 1988. Staff and the Planning Commission have reviewed concepts for a daycare and townhomes at this site. However, neither of those were final plans. Specific plans for a daycare and townhomes are expected to be submitted for review and approval in the coming months.

Deadline for Action: Application Complete – 2-27-2023
60 Day Deadline – 4-28-2023
Extension Letter Mailed – No
120 Day Deadline – N/A

Applicable Regulations: Chapter 153 – Subdivision Regulations

REQUEST DETAILS

The City of Lake Elmo has received a request from Frisbie Properties LLC (the property owners), for a minor subdivision to divide their parcel of the Brookman 3rd Addition into two lots. The purpose of the proposed minor subdivision is to facilitate the creation of two separate lots for future proposed townhomes and a daycare facility on each respective lot. The proposed minor subdivision would create a 2-acre lot on the south end of the parcel for the future daycare and a 3.01-acre lot on the north half of the parcel for future townhomes. No grading or tree removal is proposed with this plat.

The City's Subdivision regulations allow for certain major subdivision procedures and requirements to be waived for when platting when no more than four lots are being created, when no new public infrastructure or rights-of-way or streets are necessary and when the proposed lots meet the minimum road frontage and area requirements of the underlying zoning. This is known as a "minor subdivision" under the ordinance. The minor subdivision process allows for concurrent review and approval of a preliminary and final plat.

The proposed minor subdivision does not require any new public infrastructure or any new public streets as those improvements are in place. Each of the lots the minor subdivision would create exceed the village mixed use zoning requirements concerning lot size and lot frontage (20,000 square feet and 100 feet respectfully). As such, the proposed plat meets all the City requirements for a minor subdivision.

There are exiting drainage and utility easements on the perimeter of the existing lot being subdivided. Those will remain in place. New drainage and utility easements will be dedicated with the new plat along the newly created common lot line.

The City Attorney has provided a Plat Opinion. Many of the items have been addressed. However there is one minor change needed before the plat is approved for recording. The City Engineer has provided comments regarding future driveway access, drainage and utility easements, and the need for additional right-of-way on Wildflower. A verification from the City Engineer that those items have been resolved is needed. Addressing those items are a condition of approval and need to be done prior to the City releasing the final plat document. Comments from the Landscape Architect and Fire Chief relate to future development and are not specific to the proposed subdivision.

DRAFT FINDINGS

Staff and the Planning Commission are recommending that the City Council consider the following findings with regards to the proposed Lot 3, Block 2 Brookman 3rd Addition minor subdivision:

- That the Brookman 3rd Addition minor subdivision is consistent with the Lake Elmo Comprehensive Plan and the Future Land Use Map for this area.
- That the Brookman 3rd Addition minor subdivision is consistent with the future development plans of the area and with the standards of the City's V-MX – Village Mixed Use zoning district including lot width and minimum lot area.
- That the Brookman 3rd Addition minor subdivision meets the requirements of the City's subdivision ordinance and specifically the requirements concerning exceptions to platting.

RECOMMENDED CONDITIONS OF APPROVAL

Staff and the Planning Commission recommend the following conditions as part of an approval:

1. The City Engineers' comments shall be addressed prior to the City's release of the final plat.
2. The City Attorney's comments related to the plat opinion shall be resolved prior to the City's release of the final plat.
3. Platting fees, including park dedication, shall be paid prior to the City's release of the final plat.
4. Development fees such as utility access and connection fees, AUAR fee, etc. shall be paid with building permits.
5. That the developer records the approved Final Plat with Washington County within 180 days after City Council approval. Failure to record the Final Plat within 180 days of approval will cause the approval to become void.

FISCAL IMPACT

Approval of this Minor Subdivision may result in additional park dedication fees to be paid. The applicant and City are researching if this fee has already been paid. The developer will have to pay for any increase in lots or intensification of land-use if its determined its previously been paid. Park dedication fees will have to be resolved prior to the City's release of the final plat. When the property develops it will have urban services and will pay sewer and water connection charges, building permit fees and other development fees.

PUBLIC COMMENTS

A public hearing was noticed and held at the Planning Commission meeting on March 27, 2023. One member of the public spoke and had questions about the ribbon markings on the trees and the timing of construction of the future daycare. The ribbons were part of the tree inventory, and the timing of the daycare is unknown, although it was speculated it could be under construction this summer if they get their entitlements this spring. No other public comments have been received to date.

OPTIONS

The City Council may:

- Approve the requests.
- Approve the requests with conditions.
- Deny the requests, citing findings of fact.

PLANNING COMMISSION RECOMMENDATION

The Planning Commission reviewed the request, heard public comments, and discussed the proposed development at their regular meeting on March 27, 2023. The Commission found the request to be straight forward. A motion was made to recommend approval of this item, with the findings and conditions as proposed by staff and passed unanimously.

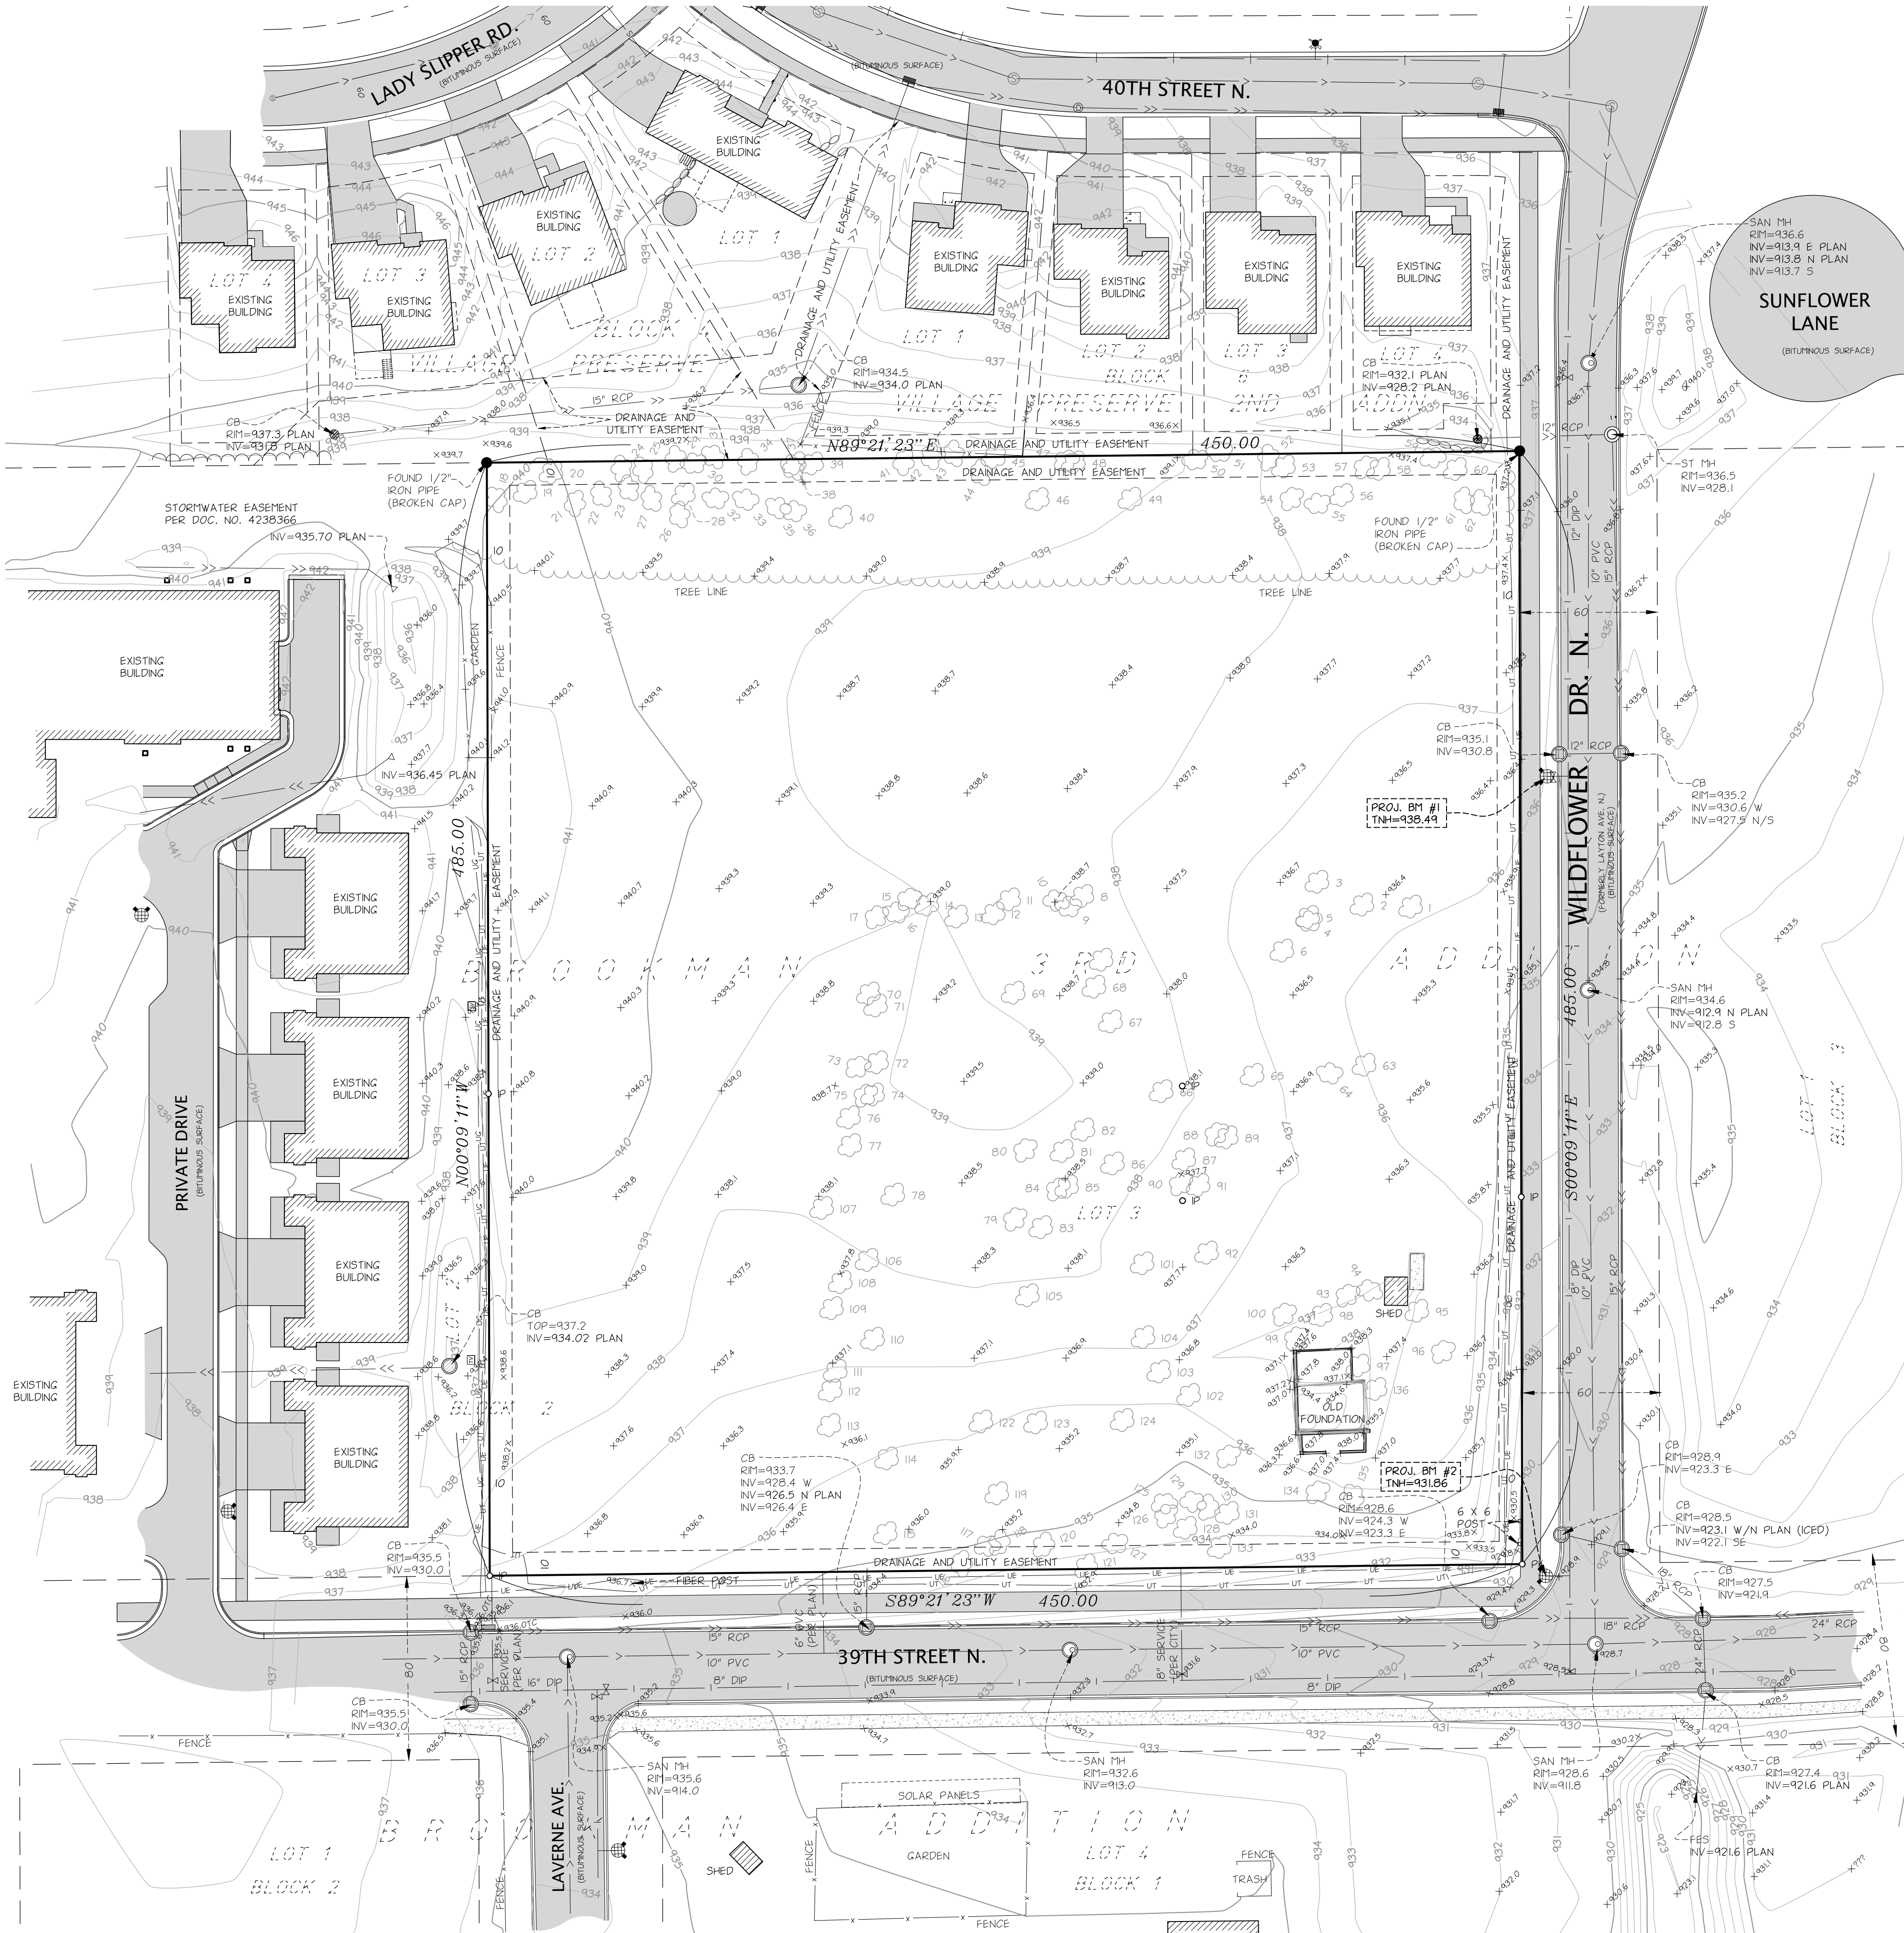

RECOMMENDATION

Staff and the Planning Commission recommend that the City Council approve the Minor Subdivision request from Frisbie Properties LLC to divide this parcel of the Brookman 3rd Addition into two separate parcels.

Motion to adopt Resolution 2023-32 approving the Brookman 3rd Addition Minor Subdivision based on the findings of fact and conditions presented in the staff report."

Re: Frisbie Properties 2-Lot Minor Subdivision
(NW Corner of 39th Street & Wildflower Dr)
PID 1302921220014

Engineering has reviewed the 2 lot minor subdivision application for Frisbie Properties located at the northwest corner of 39th Street and Wildflower Drive (PID 1302921220014) received on March 1, 2023. The review consisted of the following documentation:

- Preliminary Plat dated February 27, 2023.
- Final Plat dated February 27, 2023.
- Concept Overlay dated February 27, 2023.
- Topographic Survey dated March 1, 2023.

1. Site Access. The Minor Subdivision will result in two separate lots. In order to maintain city approved access spacing, Lot 1 will be allowed only one access to 39th Street North. Lot 2 will be allowed only one access to Wildflower Drive. The specific access location for each Lot will be reviewed and approved by the city with any future site improvement plans/applications. No specific access location is approved with this Minor Subdivision.
2. Lot Development Limitations. The future development on both Lot 1 and Lot 2 will be limited to structures requiring only a single access per the state fire code.
3. Public right-of-way. Additional public right-of-way dedication should be provided along Wildflower Drive to provide the necessary right-of-way for the construction of a future dedicated southbound right turn lane along Wildflower Drive, at the intersection with 39th Street. The additional right-of-way dedication is needed for a width of 10-feet for a distance of 240 feet along the easterly property line of the parcel. A 10-foot-wide lot drainage and utility easement is still required along the right-of-way frontage.
4. Drainage and Utility Easements. A 10-ft drainage and utility easement must be dedicated as part of the minor subdivision along each property line and in particular along all public right-of-way.
5. The drainage and utility easements must be reserved for the use of small/dry utilities and remain free from all site design encroachments including trees, retaining walls, stormwater basins, and slopes exceeding 4%.

Subject: RE: Lake Elmo Land Use Review - March 1st Batch
Date: Wednesday, March 1, 2023 1:36:49 PM

The Fire Department does not have specific comments regarding the 2 lot minor subdivision. Previous comments regarding the daycare and future townhome proposal have not changed:

Minor Subdivision - Frisbie: PID 12.029.21.22.0014

The Fire Department has reviewed this development concept and has the following comments:

- All roads and drive lanes shall meet the Lake Elmo Fire Department requirements for widths and turning radiuses.
- On-street parking shall be provided in approved locations following review by Engineering and Public Works.
- An approved signage and marking plan shall be determined for all No Parking and Fire Lane access roads.
- Fire hydrants shall be provided in approved locations following review by Engineering and Public Works.
- Building address numbers shall be plainly visible from the street fronting the property and shall contrasting color from the background.
- Child Care Center shall have a fire sprinkler system installed compliant with provisions of 2016 NFPA Standard 13 and the Minnesota State Fire Code. City permit required prior to initiation of work.
- Future townhomes: may require a fire sprinkler system installed compliant with provisions of 2016 NFPA Standard 13D and the Minnesota State Fire Code. City permit required prior to initiation of work.

RE: City of Lake Elmo - Plat Opinion for WILDFLOWER AND 39TH

Dear Jenni:

At the City's request, I have reviewed the title commitment issued by FSA Title Services, as issuing agent for First American Title Insurance Company, Commitment No. 220174, with an effective date of April 21, 2022 (the "Commitment"). I have also reviewed a plat prepared by Cornerstone Land Surveying, Inc., which is titled **WILDFLOWER AND 39TH** (the "Plat").

The Commitment purports to cover the following legal description:

Lot 3, Block 2, Brookman 3rd Addition, Washington County, Minnesota.

Abstract Property

(the "Property").

Based on my review of the Commitment and the Plat, I have the following comments relative to the proposed Plat:

1. **Plat execution.** The Plat must be signed by:
 - a. The fee owner: Lake Elmo Business Park Company, a Minnesota general partnership.

The Plat is set up for signature by Frisbie Properties, LLC, a Minnesota limited liability company. *The Commitment and a search of the Wisconsin Secretary of State records indicate that Frisbie Properties, LLC is a Wisconsin limited liability company, and revisions to the Plat must be made per 2.a., below.*

The Plat must be executed with all the formalities of a deed of title. If the Property has been, or will be conveyed to Frisbie Properties, LLC, I require review of the documents of conveyance from Lake Elmo Business Park Company, general partnership, to Frisbie Properties, LLC. I require a certificate of good standing from the Wisconsin Secretary of State and evidence that the fee owner of the Property is authorized to convey the easements dedicated on the Plat and that the person signing is authorized to execute the Plat on the fee owner's behalf. *I require review of these instruments.*

- b. The Commitment indicates that there is no mortgage on the Property. *I require verification that no mortgages will be recorded against the Property prior to the recording of the Plat.*

2. Plat Corrections:

- a. The fee owner as on the Commitment and on the Plat must match exactly. If the Property is to be conveyed to Frisbie Properties, LLC, I require review of the documents as described in 1.a., above. Additionally, the Commitment and the Wisconsin Secretary of State indicate that Frisbie Properties, LLC, is an entity registered in Wisconsin, rather than Minnesota, and, if Frisbie Properties, LLC, is the fee owner of record, the Plat must be revised accordingly. *I require review of this revision.*
- b. The fee owner's certificate should be revised from "Have caused the same to be surveyed" to "Has caused the same to be surveyed". *I require review of this revision.*
- c. The fee owner's certificate should be revised from "public use forever the easements as created by this plat for drainage and utility purposes only." to "public use the drainage and utility easements as created by this plat.". *I require review of this revision.*
- d. The fee owner's certificate should be revised from "Signed: Frisbie Properties, LLC, a Minnesota limited liability company" to "Signed: Frisbie Properties, LLC". *I require review of this revision.*
- e. The fee owner's acknowledgment should be revised from "on behalf of the corporation" to either "on behalf of the company" or it may be omitted entirely. *I require review of this revision.*
- f. The fee owner's acknowledgment section appears to not leave enough space for both the Notary's signature and printed name. The line for both the Notary's

signature and printed name must be revised to allow for both to appear on the Plat.
I require review of this revision.

- g. The surveyor's certificate should be revised from "do hereby certify that I have surveyed and platted or directly supervised the surveying and platting of the property described on this plat as WILDFLOWER AND 39TH;" to "do hereby certify that this plat was prepared by me or under my direct supervision;". *I require review of this revision.*
- h. The surveyor's certificate should be revised from "monuments depicted on the plat have been correctly set;" to "monuments depicted on this plat have been, or will be correctly set within one year;". *I require review of this revision.*
- i. The surveyor's certificate should be revised from "wet lands as of this date, as defined in Minnesota Statutes Section 505.01, Subd. 3, are shown and labeled;" to "wet lands, as defined in Minnesota Statutes, Section 505.01, Subd. 3, as of the date of this certificate are shown and labeled on this plat;". *I require review of this revision.*
- j. The surveyor's certificate should be revised from "The foregoing Surveyor's Certificate was acknowledged before me this _____ day of _____, 202__, by Daniel L. Thurmes, Licensed Land Surveyor." to "This instrument was acknowledged before me this _____ day of _____, 202__, by Daniel L. Thurmes." *I require review of this revision.*
- k. The surveyor should confirm the information in the notary block for the surveyor's certificate. *I require review of any revisions to the Plat.*
- l. The heading for the Planning Commission review and approval certificate should be revised from "PLANNING AND ZONING COMMISSION OF THE CITY OF LAKE ELMO" to "LAKE ELMO PLANNING COMMISSION". *I require review of this revision.*
- m. The Planning Commission review certificate should be revised from: "Planning and Zoning Commission of the Lake Elmo, Minnesota, this _____ day of _____" to "Planning Commission of the City of Lake Elmo, this _____ day of _____". *I require review of this revision.*
- n. The Planning Commission signature lines should be revised to include spaces following the commas on the byline (for example: "_____, Secretary". *I require review of this revision.*

- o. The City Council certificate should be revised from “this _____ day of _____,” to “this _____ day of _____.” *I require review of this revision.*
 - p. The City Council certificate should be revised from “Subd. 2, Minnesota Statutes” to “Subd. 2.” *I require review of this revision.*
 - q. The County Auditor/Treasurer approval should be revised from “Subd. 9, taxes payable for the year 202__, on the land hereinbefore described, have been paid. Also pursuant to Minnesota Statutes, Section 272.12, there are no delinquent taxes and transfer entered” to “Subd. 9 and Section 272.12, taxes payable in the year 202__, on real estate hereinbefore described, have been paid; and there are no delinquent taxes, and transfer has been entered”. *I require review of this revision.*
3. **Title Commitment Exceptions.** The Commitment is subject to the following exceptions:
- a. Drainage and utility easements as shown on the plat of Brookman 3rd Addition, if any. *The drainage and utility easements as shown on Lot 3 of Brookman 3rd Addition encompass the entire perimeter of Lot 3, where the drainage and utility easements on the Plat encompass the perimeter of the new Lots 1 and 2 of Block 1. The City and the developer should discuss if the easements that were dedicated by the plat of Brookman 3rd Addition should be vacated.*
 - b. Overhead and/or underground utility lines that may currently exist and rights of the utility companies to use and maintain any such existing lines. *The developer and surveyor should provide the location of these utility lines, if any, so that the City may determine if they interfere with any utilities dedicated to the public by the Plat.*
 - c. Assessments, covenants, conditions, terms, restrictions, easements, and obligations contained in Petition and Waiver Agreement between the developer and the City of Lake Elmo, dated May 28, 2014, filed January 2, 2015, as Document No. 4011597, which does not contain a forfeiture or revisionary clause. The Petition and Waiver Agreement was amended on August 13, 2014 to increase the assessment amount to \$103,708. *The Agreement levies funds to finance certain public improvements and permits those charges to be assessed against on the Property. The City should determine if there are any pending special assessments against the Property as those assessments will need to be paid off at the time of recording of the final plat.*
 - d. City of Lake Elmo Ordinance No. 08-145, renaming Layton Avenue North to Wildflower Drive North, dated July 5, 2016, recorded August 25, 2017, as Document No. 4125502. *The Ordinance only renames the foregoing street name. No further action is required.*
4. **Property taxes and assessments.** All real estate taxes due in the year the Plat is to be recorded must be paid prior to recording. All assessments must also be paid.

Taxes payable in 2022 are in the amount of \$2,874 and are paid (PID No. 13.029.21.22.0014). According to Washington County property tax records, taxes due and payable in 2023 have been proposed in the amount of \$2,658.00. There are no delinquent taxes of record which must be paid prior to recording.

5. Title Commitment.

The Commitment is dated April 21, 2022. I require review of a Commitment that is less than 90 days old.

This letter does not purport to set forth every matter relevant to a determination of whether title to the Property is marketable, and no one should rely upon it for that purpose. The sole purpose of this letter is to identify required signatories to the Plat and related issues of interest to the City in connection with platting, as evidenced by the Commitment.

This opinion is conditioned upon the issuance of a title policy in the amount of \$100,000 in favor of the City of Lake Elmo, insuring the City's interests as they appear on the Plat.

Please contact me if you have any questions regarding this information. Thank you.

Sincerely,

Samantha C. Zuehlke

Samantha C. Zuehlke

**CITY OF LAKE ELMO
WASHINGTON COUNTY
STATE OF MINNESOTA**

RESOLUTION NO. 2023-032

***RESOLUTION APPROVING THE BROOKMAN 3RD ADDITION MINOR SUBDIVISION
PRELIMINARY AND FINAL PLAT***

WHEREAS, the City of Lake Elmo is a municipal corporation organized and existing under the laws of the State of Minnesota; and

WHEREAS, Frisbie Properties LLC, N8654 1090th Street, River Falls, WI 54022 submitted application to the City of Lake Elmo (“City”) for a Minor Subdivision (Preliminary and Final Plat) for the Brookman 3rd Addition, a copy of which is on file in the City of Lake Elmo Community Development Department; and

WHEREAS, the Lake Elmo Planning Commission held a public hearing on March 27, 2023 to review and consider the Minor Subdivision request; and

WHEREAS, the consensus of the Lake Elmo Planning Commission was to recommend to the City Council approval of the Minor Subdivision (Preliminary Plat and Final Plat) subject to conditions of approval; and

WHEREAS, the City Council reviewed the Frisbie Brookman 3rd Addition Minor Subdivision (Preliminary and Final Plat) at its meeting held on April 4, 2023 and tabled the item for review to June 6, 2023 to wait until the City’s special legislation regarding water appropriation was decided upon; and

WHEREAS, the City’s special legislation regarding water appropriation was approved and the City will receive a temporary increase in water appropriation; and

WHEREAS, the City Council revisited and approved the Preliminary Plat and Final Plat at its June 6, 2023 meeting subject to conditions of approval; and

WHEREAS, the proposed Frisbie Brookman 3rd Addition Minor Subdivision Preliminary Plat and Final Plat creates two lots from the existing Lot 3 Block 2 Brookman 3rd Addition PID 13.029.21.22.0014; and

WHEREAS, the City Council reviewed the Frisbie Brookman 3rd Addition Minor Subdivision (Preliminary Plat and Final Plat) at its meeting held on June 6, 2023 and made the following findings of fact:

1. That the Brookman 3rd Addition minor subdivision is consistent with the Lake Elmo Comprehensive Plan and the Future Land Use Map for this area.

2. That the Brookman 3rd Addition minor subdivision is consistent with the future development plans of the area and with the standards of the City's V-MX – Village Mixed Use zoning district including lot width and minimum lot area.
3. That the Brookman 3rd Addition minor subdivision meets the requirements of the City's subdivision ordinance and specifically the requirements concerning exceptions to platting.

NOW, THEREFORE, BE IT RESOLVED THAT the City Council does hereby approve the Frisbie Brookman 3rd Addition Minor Subdivision (Preliminary Plat and Final Plat) subject to the following conditions:

1. The City Engineers' comments shall be addressed prior to the City's release of the final plat.
2. The City Attorney's comments related to the plat opinion shall be resolved prior to the City's release of the final plat.
3. Platting fees, including park dedication, shall be paid prior to the City's release of the final plat.
4. Development fees such as utility access and connection fees, AUAR fee, etc. shall be paid with building permits.
5. That the developer records the approved Final Plat with Washington County within 180 days after City Council approval. Failure to record the Final Plat within 180 days of approval will cause the approval to become void.

Passed and duly adopted this 6th day of June 2023 by the City Council of the City of Lake Elmo, Minnesota.

Mayor Charles Cadenhead

ATTEST:

Julie Johnson, City Clerk
