

**CITY OF LAKE ELMO
WASHINGTON COUNTY
STATE OF MINNESOTA**

RESOLUTION NO. 2023-88

***A RESOLUTION APPROVING THE ROYAL GOLF POOL AND FITNESS CENTER
MINOR SUBDIVISION***

WHEREAS, the City of Lake Elmo is a municipal corporation organized and existing under the laws of the State of Minnesota; and

WHEREAS, Royal Development LLC, 10995 Club West Parkway, Suite 300, Blaine, MN 55449 submitted application to the City of Lake Elmo (“City”) for a Minor Subdivision for the Royal Golf Pool and Fitness Center, a copy of which is on file in the City of Lake Elmo Community Development Department; and

WHEREAS, the Lake Elmo Planning Commission held a public hearing on August 28th, 2023 to review and consider a Minor Subdivision (Preliminary Plat and Final Plat) request; and

WHEREAS, the consensus of the Lake Elmo Planning Commission was to recommend to the City Council approval of the Minor Subdivision subject to conditions of approval; and

WHEREAS, the City Council reviewed and approved the Minor Subdivision at its September 19, 2023 meeting subject to conditions of approval.

WHEREAS, the proposed Royal Golf Pool and Fitness Center Minor Subdivision includes two lots; and

WHEREAS, the City Council reviewed the Royal Golf Pool and Fitness Center Minor Subdivision at its meeting held on September 19th, 2023 and made the following findings of fact:

1. That the Royal Golf Pool and Fitness Center minor subdivision is consistent with the Lake Elmo Comprehensive Plan and the Future Land Use Map for this area.
2. That the Royal Golf Pool and Fitness Center minor subdivisions is consistent with the future development plans of the area and with the standards of the City’s Golf Course Community zoning district and the Royal Golf Planned Unit Development.
3. That the Royal Golf Pool and Fitness Center minor subdivision meets the requirements of the City’s minor subdivision regulations and specifically the requirements concerning exceptions to platting.
4. The Royal Golf variance request has proven practical difficulties given the applicant is intending to use the lot in a reasonable manner and keeping in the spirit with the intent of the Golf Course Community zoning district and Royal Golf Planned Unit Development.

5. The Royal Golf variance request has proven unique circumstances given the unique existing barbell-shaped lot layout (11455 20th St North) and the existing infrastructure location which required the shift in location of the pool and fitness facility. The pool and fitness facility is also not a public place and used exclusively by the residents of Royal Golf whereas the clubhouse and golf course are public facilities.
6. The Royal Golf variance request has proven the essential character of the locality will not be altered given the structures are to remain the same, only lot lines will be shifting.
7. The Royal Golf variance request will not have an adverse effect on adjacent properties and will not cause there to be an increase in traffic.

NOW, THEREFORE, BE IT RESOLVED THAT the City Council does hereby approve the Royal Golf Pool and Fitness Center Minor Subdivision subject to the following conditions:

1. The applicant must obtain all other necessary City, state, and other governing body permits and approvals prior to release of the final plat for recording.
2. The City Attorney's comments set forth in the plat opinion shall be addressed prior to release of the final plat for recording.
3. The special assessments currently levied against the property subject to the minor subdivision shall be transferred to Lot 1, Block 1, The Royal Golf Club Pool and Fitness.
4. The special assessments that are transferred to Lot 1, Block 1, The Royal Golf Pool and Fitness will need to be paid at the time of recording the final plat unless the applicant signs a new fee assessment form that will allow the applicant to continue to make payments on the special assessments.
5. That the developer records the approved Final Plat with Washington County within 180 days after City Council approval. Failure to record the Final Plat within 180 days of approval will cause the approval to become void.

Passed and duly adopted this 19th day of September, 2023 by the City Council of the City of Lake Elmo, Minnesota.

Mayor Charles Cadenhead
