

**CITY OF LAKE ELMO
COUNTY OF WASHINGTON
STATE OF MINNESOTA**

RESOLUTION NO. 2023-103

A RESOLUTION REPEALING THE ADOPTION OF RESOLUTION NO. 2023-094

WHEREAS, on September 19, 2023, the City Council adopted Resolution No. 2023-094, a Resolution Adopting the Final Assessment Roll for the Torre Pines Street and Utility Improvements; and

WHEREAS, the City had chosen to impose special assessments on properties that did not connect to City water and seal their wells in order to ensure that the City remained in compliance with the Minnesota Pollution Control Agency (“MPCA”) Grant Agreement that required “all associated wells” to be sealed in order for the City to be reimbursed with grant funds for its project costs; and

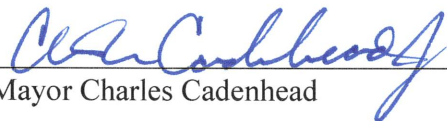

WHEREAS, the MPCA has agreed to change the Grant Agreement so that it no longer requires “all associated wells” to be sealed in order for the City to be reimbursed with grant funds for its project costs; and

WHEREAS, because of this change in circumstances, the City has decided that it is no longer necessary or beneficial to the City or the property owners to assess the property owners for the project costs if they do not connect to City water and seal their wells; and

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Lake Elmo as follows:

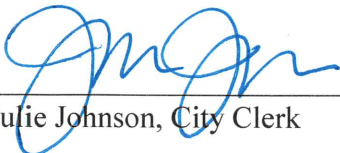

1. Resolution No. 2023-094 is hereby repealed in its entirety.
2. City staff shall take all appropriate action in order to ensure that the properties that are set forth on the assessment roll in Resolution No. 2023-094 are not specially assessed for the project costs.

Passed and duly adopted this 17th day of October, 2023 by the City Council of the City of Lake Elmo, Minnesota.

Mayor Charles Cadenhead

ATTEST:

Julie Johnson, City Clerk
