

JUN 11 1990

June 10, 1990

To the city of Lake Elmo Planning Commission and
City Council:

Dear Members,

Our farm is proposed on the future land
use map as R1D. We feel this is too
restrictive for future land use and would
like our land zoned as R1E.

Please let us know your final decision
since we were told you are now listening
to long time property owners of Lake Elmo.

Sincerely,

Charlotte R. Morris
