

STAFF REPORT

DATE: December 5, 2023

CONSENT

TO: Mayor and City Council
FROM: Clarissa Hadler, Finance Director
AGENDA ITEM: Authorize Certification of Delinquent Storm Water Bills & Utility Bills

BACKGROUND:

Property owners had until November 15, 2023 to make payment in full on their past due storm water bills and past due utility bills. For those past due amounts that remain unpaid, the City of Lake Elmo has authority under Minnesota State Statute 444.075, subdivision 3, to certify the delinquent balances. For those property owners to be certified, the City prepares an assessment roll, and sends it to Washington County in December. Upon receipt, Washington County will then certify the amount to the property owner as part of their property taxes for payment in 2024.

ISSUE BEFORE THE CITY COUNCIL:

- 1) Does the City Council approve of certifying delinquent storm water and delinquent utility amounts to Washington County for payment on the 2024 property taxes?

PROPOSAL DETAILS/ANALYSIS:

The Storm Water and Utility Funds are enterprise funds that the City operates, and are therefore meant to operate similar to a business enterprise. As such, utility rates are reviewed on a regular basis and are set based on full and timely payments. The certification process is a tool that enables the City to receive payment for those accounts that become delinquent.

FISCAL IMPACT:

As of November 28, 2023, the number of accounts that will be certified is _____ for a total of \$_____.

Note: The delinquent utility accounts list (Exhibit A) might decrease as the City will continue to collect payments up to the day the list is sent to County. The list is due to County on December 28th.

RECOMMENDATION:

If removed from consent agenda:

“Motion to Adopt Resolution No. 2023-119 authorizing certification of delinquent storm water and utility bills to be sent to Washington County, MN, which will be assessed on property owner’s taxes payable in 2024.”
