City of Lake Elmo Irrigation Zones

IRRIGATION REMINDERS

As we head into the irrigation season, please remember the city ordinance allows properties connected to the city water system to irrigate 2 days per week (according to the city irrigation zone map). Irrigation is restricted from the hours of 5am-5pm. Hand watering is allowed at any time and new sod waivers are available if needed.

You can further reduce your water usage by using a smart irrigation controller device. For more information on how to obtain a smart controller or more information on watering restrictions, please visit the city website. [Irrigation](#).

Irrigation Enforcement begins the week of May 20th

Thank you for doing your part to insure we all have sufficient drinking water and fire protection!

LAKE ELMO FARMER'S MARKET

Market runs 9am to 1 pm on Saturdays.

- Market will be open rain or shine unless inclement weather of high winds or lightning. Market starts June 15 to August 31st.
- Staff will be present on all Market days. Any concerns or questions please seek staff out. We will be in center of Market at a table.
- We will have two food trucks this year.
- Parking on West side of L.E. School only due to increase number of vendors.
- We will be selling our Lake Elmo Farmer's Market Cook Book that has Hand written recipe's from vendors and visitors.
- Last year we had 7,190 Visitors to the Market!! The previous year was 5811, we are growing.

As we grow as a community, and a Market, we are seeking volunteers to be an active part in our Market. Please give us a call at 651-261-4493.

Business and Community Working Together/ Lake Elmo Farmer's Market is a 501c3

Traveling I-94 at Hwy 95/St. Croix Trail

I-94 is reduced to two lanes in both directions between Hwy 95/St. Croix Trail and the River Bridge.

One of the through lanes is using the interstate while the other lane is using the Hwy 95/St. Croix Trail exit and entrance ramps. Use the ramps as your right lane to continue on I-94.

Metro - I-94 Oakdale to St. Croix: 2022-2024 construction

Traffic impacts

I-94 Oakdale to Lakeland project area map: [View full-size map](#)

All traffic impacts are tentative and weather-dependent.

Current

Road closures

- Hwy 95/St. Croix Trail is closed under the I-94 bridge
 - NB detour: [St. Croix Trail, EB I-94, Carmichael Rd., WB I-94 and Hwy 95 north \(PNG\)](#)
 - SB detour: [Hwy 95 north, WB I-94, Manning Ave., EB I-94 and St. Croix Trail \(PNG\)](#)

Lane closures

Through late June

- I-94 is reduced to two lanes in both directions between Hwy 95/St. Croix Trail and the River Bridge

Through mid-July

- EB I-94 is reduced to two lanes between Century Ave. and Woodbury Dr.
- WB I-94 is reduced to two lanes between Woodbury Dr. and Century Ave.

Ramp closures

7 p.m. Fri, May 3 through early June

- The ramp from SB Hwy 35 to WB I-94 is closed
 - Detour: [SB Hwy 35, EB I-94, Carmichael Rd. and WB I-94](#)

5 a.m. Thu, May 2 through mid-June

- The ramp from WB I-94 to Radio Dr./Inwood Ave. N. is closed
 - Detour: [WB I-94, Keats Ave. N./Woodbury Dr., Hudson Rd. and Radio Dr./Inwood Ave. N.](#)
- The ramp from Radio Dr./Inwood Ave. N. to WB I-94 is closed
 - Detour: [Radio Dr./Inwood Ave. N., Hudson Blvd., Keats Ave. N./Woodbury Dr. and WB I-94](#)

Ramp closures

Through October

- The ramp from 10th St. N. to NB I-694 is closed
 - Detour: [10th St. N., Inwood Ave. N., Stillwater Blvd., Ideal Ave. N., 34th St. N. and NB I-694 \(PNG\)](#)
- The ramp from Century Ave. to EB I-94 is closed
 - Detour: [Century Ave., Hudson Rd., McKnight Rd., Burns Ave. and EB I-94](#)

(PNG)

Through mid-July

- The following ramps are closed:
 - WB I-94 to SB I-494
 - Detour: [WB I-94, NB I-694, 10th St. N. and SB I-494 \(PNG\)](#)
 - NB I-494 to WB I-94
 - Detour: [NB I-494, 10th St. N., SB I-694 and WB I-94 \(PNG\)](#)

More about this project

We will be resurfacing the pavement and making other improvements to I-94 between Hwy 120/Century Ave. and the St. Croix River through fall 2024. The work will improve safety, traffic flow and ride smoothness.

For more information, including construction schedule and upcoming traffic impacts, visit the [I-94 Oakdale to St. Croix project webpage](#). If you have questions, please [contact the project team](#).

UMN EXTENSION WASHINGTON COUNTY MASTER GARDENER VOLUNTEER PROGRAM

City park reservations are now listed on our website

Please visit www.lakeelmo.org. City Parks that hold rentals for amenities may be found on the home page of the website. Once on the home page, click on VIEW ALL EVENTS above the calendar. City Meetings

is the default calendar listed. Toggle between parks with the drop down box on the top right corner of the calendar. Please see screenshot below for details.

Lake Elmo Park Reserve is a County Park. Please contact the county at 651.430.8370 for reservation information.

Paper Shredding Events

Washington County offers free paper shredding events for confidential papers at the Environmental Center. Documents will be shredded on-site by Shred Right and recycled.

These events are free and open to residents and businesses. Limit: 6 boxes (weighing no more than 30lbs each) per person.

2024 Dates:

- April 17
- May 22
- June 26
- August 14
- September 25
- November 13

Events are on Wednesdays at the Washington County Environmental Center from 8am-4:30pm

Exterior storage, parking and maintenance

As part of our ongoing efforts to maintain the appeal and safety of the City of Lake Elmo, city staff would like to remind residents about regulations pertaining to exterior storage, parking, and upkeep of properties. The way we manage our spaces is

important for maintaining our city's quintessential character.

Exterior Storage: All refuse, rubbish, or garbage (as defined in LEC 1.08) shall be kept in an enclosed building or properly contained in a closed container designed for the purposes. The accumulation, storing, or keeping of old machinery, wrecked or inoperable vehicles or household appliances, and unlicensed vehicles and other junk or debris is prohibited.

Parking: Unlicensed passenger vehicles and trucks shall not be parked in residential districts for a period exceeding seven days.

Parking Design and Maintenance: Surfacing and drainage. All off-street parking areas shall be surfaced as follows: Single-family and two-family dwellings shall provide a durable surface with suitable drainage. In all residential, commercial, and mixed-use districts, all areas intended to be utilized for parking space for five or more vehicles and associated driveways shall be paved with a durable surface, including, but not limited to, hot asphalt, bituminous or concrete.

The Sally Manzara Interpretive Nature Center is open every day
Visit <https://sminc-lake-elmo.org/> for details.

The Sally Manzara Interpretive Nature Center in Lake Elmo's Sunfish Lake Park is operated by a non-profit organization for the benefit of the entire community. We offer programs and events for people of all ages and have "adopted" the Park in the City's program. This work is all funded by donations. Thank you for your support!

Here are some things happening at the SMINC:

- Join us for a bird hike! Bright and early Saturday morning (8:30 a.m.), May 18, our friends Doug Shaw and Michelle Foster from Wild Birds Unlimited of Woodbury will be here to give guests a guided bird hike through Sunfish Lake Park. Why so early? This is when the birds are active! If you've been listening to our feathered friends in the mornings, you might have noticed that they get quiet right around 9, so we want to get out while they're still flying and singing. This event is free, but space is limited, so make sure to claim your spot. <https://www.eventbrite.com/e/885540043107?aff=oddtcreator>
- Mark your calendars! The annual Family Nature Day at Sunfish Lake Park returns on Saturday, June 1, from 9 to 1. We'll have something for nature lovers of all ages, from information about managing mosquitos, to using technology to help better enjoy your hikes, to the geology of the park, and everything in between. Someone from Carpenter Nature Center will be here too with live animals, so don't miss it!
- Summer is almost here! Be sure to check out our summer camp offerings!

Sally Manzara Interpretive Nature Center

SUMMER CAMPS 2024

Sally Manzara Interpretive Nature Center is located next to Sunfish Lake Park in Lake Elmo, Minnesota. The park offers 284 acres of natural area and over 8 miles of trails through forest, wetlands, and prairie.

GET YOUR KIDS OUTDOORS EXPLORING NATURE THIS SUMMER!

Little Explorers

**Mondays from 9:30am-11:00am
(Newborns to 5-year-olds)**

Where families can come together and give the little ones their first experiences in nature. The first hour is structured activity based on the day's theme. The last 30 minutes we encourage open play, to give families an opportunity to explore on their own. **Adults must stay with their children at all times.**

Camp Out – June 10
Flower Power – June 24
Into the Woods – July 1
Pollinators – July 15
Bird Mania – July 29
Bugs! – August 12

Sunfish Explorers

Monday - Thursday from 9am-12 noon

Our four-day camps will encourage and educate the youth of tomorrow about the beauty and importance of a healthy outdoors. Activities include hikes, crafts, games and of course a little education about the outdoors!

Outdoor Adventures - June 17-20
Bees & Butterflies – July 8-11
Birds! - July 22-25
Bugs! – August 5-8
Nature's Kaleidoscope– Aug. 19-22

Wonder Wednesdays

Wednesdays from 9am-2pm

Our one-day, fun-filled, Wonder Wednesdays let kids explore the beautiful outdoor setting and learn about their surrounding environment. It is run by experienced instructors and the days include interpretive education, games, crafts to bring home, free play and hikes.

Earth Elements – June 26
Nature Appreciation – July 17
Nature Theater & Puppetry– July 31
Prairie Explorers – August 14

Emerald Ash Borer (EAB)

With Emerald Ash Borer moving heavily into the Lake Elmo area, Public Works is starting to remove dead and dying ash trees from public properties and road right of ways.

Public Works will be prioritizing the removal of trees that are determined to be higher hazards on city property. Pink paint will mark dead and dying Ash trees that will be removed by Public Works Staff. With the number of infected ash trees in the city, we are not able to give a schedule of when we may be in your neighborhood to remove ash trees in the road right of way. Public Works staff will return to grind the stumps below grade, black dirt and seed the areas of the removed ash trees. The city will not be replacing trees that are removed. Property owners are welcome to replace trees but should follow the landscape plan for their development and choose trees that are approved. New planted trees should stay out of the road right of way (15 feet from the curb) as not to obstruct traffic lanes and create road way damage.

Staff will start removing ash trees around public buildings, well houses, pavilions, near park amenities and trails. Next they will then start removing ash trees along the road ways and neighborhood streets. Typically the city's road right of way extends roughly 15 feet behind the curb or road edge. Ash trees in this area will be investigated and measured before marked for removal.

Ash tree removal on public property will likely extend over the next couple of years. The City is not responsible for removing trees on private property.

Two links below are good sources to learn more about EAB:

<https://mntca.umn.edu/resources>

<https://www.dnr.state.mn.us/.../terrestria.../eab/index.html>

Emerald Ash Borer

Washington County will remove ash trees from Lake Elmo Park Reserve

Washington County is continuing ash tree removal within Lake Elmo Park Reserve in response to the emerald ash borer. Starting Nov. 15 through March 31, 2024, ash trees will be removed near trails and in natural areas of the park. These removals will help minimize risk to the public from falling trees and will also reduce fuel loads that can increase fire risk within the park.

To complete the work, a contractor will be using equipment to cut and haul the trees to staging areas, before chipping and removing debris from the site. Once work commences, ski trails on the south side of Lake Elmo and the snowmobile trail will be closed. Only ash trees will be removed, and new bareroot trees will be planted in suitable areas in the spring of 2024.

See the county website at to view a map of ash trees. Green dots are trees to be removed, and purple dots are ash trees surveyed in summer of 2023. If time and weather conditions allow, staff will also remove dead or dying ash trees along the property boundaries.

The Minnesota Department of Agriculture website has more information about the emerald ash borer at www.mda.state.mn.us/eab
