Water Rebate Program

The City of Lake Elmo, in partnership with the Metropolitan Council, is offering a rebate program for purchases of eligible water efficient products. The goal of the water efficiency grant program is to improve municipal water use. This funding has enabled Lake Elmo to provide a rebate to current water customers who replace existing devices with specified water efficient products. Qualifying purchases are eligible for a rebate on your water bill. More information is available on the City's website via the link below.

Lake Elmo Farmers Market

The Lake Elmo Farmers Market runs every Saturday thru September 2nd, 9-1pm. Located @Lake Elmo Elementary.

*Market will be open rain or shine unless inclement weather of high winds or lightning.

***UPCOMING EVENTS AT THE MARKET:

This week: **July 29th** is our annual **Christmas in July** market.

In 2024 we will be celebrating our **10th season!!**

In honor of our 10th season, we would love to put together a Lake Elmo Farmers Market cookbook, but we need YOUR help! We are currently collecting recipes and will continue throughout the remainder of the 2023 season. With a number of vendors kindly committing to sharing some signature recipes, we would LOVE additional recipes from the community as well. If you have a recipe you would like to share, please stop by the market table to pickup a blank recipe form OR drop off your favorite recipe. Be sure to include your name and city.

For more information contact Jill (market manager) 651-261-4493 OR find us on Facebook @LakeElmoFarmersMarket

Business and community working together. Lake Elmo Farmers Market is a 501c3.

Park and Court Reservations

City parks and courts are in high demand this time of year. Did you know you can reserve use of a court, ball field or park shelter? To access all reservations, please visit the website via the link below and use the drop down menu on the top right side to move between park calendars. The city's park use policy can also be found on the reservation page.

The Sally Manzara Interpretive Nature Center is open every day
Visit <https://sminc-lake-elmo.org/> for details.

The Sally Manzara Interpretive Nature Center in Lake Elmo's Sunfish Lake Park is operated by a non-profit organization for the benefit of the entire community. We offer programs and events for people of all ages and have "adopted" the Park in the City's program. This work is all funded by donations. Thank you for your support!

Here are some of our upcoming events:

- Honey Extraction Day is Saturday from 10 a.m. to 1 p.m. Our bees have been working overtime to fill lots and lots of frames with delicious honey. Come see how honey gets extracted and processed! You can even pick up a pound of SMINC honey for a small donation!
- Lake Elmo Night Out is next week! August 1st, 6-8 p.m. The Naturemobile will be there!

- Understanding Reptiles w/ Beth Girard: The SMINC welcomes Beth Girard on Thursday, August 17 at 7 p.m. as part of our ongoing adult education lecture series. Not sure how you feel about reptiles in general? Perhaps snakes in particular?? Join us as we look at the anatomy and unique adaptations of snakes. Hopefully we can "shed" a new light and help you move past their long, legless bodies so you can understand the important roles they play in the health of our ecosystem. Turtles and lizards too! Be prepared to touch, maybe even hold, some calm reptiles!

- Minnesota Caves w/ Dr. Greg Brick: On September 14 at 7 p.m. we welcome Dr. Greg Brick, who will lecture on the history and lore of caves in Minnesota. Minnesota has many caves, some known nationally. Carver's was the earliest cave in what is now the US to be described in published literature after Jonathan Carver's visit ten years before the Revolution. Fountain Cave was the birthplace of the capital city, St. Paul. Specialized uses included for beer, cheese, mushrooms, and as nightclubs. Mystery and Niagara are the state's best known show caves. Far north, the violent waves of Lake Superior hammered out caves accessible only by kayak. Other caves were purely mythical. Learn about all of them from the geologist who wrote the book on the subject. Copies available for purchase.

HONEY EXTRACTION DAY

SATURDAY, JULY 29, 2023

10:00 am – 1:00 pm

**PEOPLE OF ALL AGES ARE INVITED TO
COME WATCH AND PARTICIPATE IN THE
PROCESS, HAVE A TASTE, AND RECEIVE A
POUND OF HONEY WITH A DONATION.**

The City of Lake Elmo has begun participation in the State of Minnesota's Performance Measurement Program. This program began in 2010 for cities and counties to report on at least 10 performance measures annually as a way to aid residents, taxpayers, and state and local elected officials in determining the efficacy of counties and cities in providing services and measure residents' opinions of those services.

The Valley Branch Watershed District
(VBWD) is a public organization tasked

with protecting and managing local water resources within an area spanning 14 cities and townships in Washington and Ramsey Counties. The VBWD is seeking input from you as it begins updating its Watershed Management Plan which will guide VBWD actions for the next 10 years. Please take a brief (5-10 minute) survey to help the VBWD better understand your concerns and priorities regarding our local water resources.
