S. Adjourn

Full meeting packets can be accessed here: [Agendas and Minutes](#)

**Seeking Parks Master Plan
Update Advisory Committee
Members**

The City of Lake Elmo is looking for 6-8 community members to be a part of a Parks Advisory Committee. The Parks Advisory Committee will be a team of local residence, who will work closely

with the city's contractor in creating a new Parks Master Plan. Members can expect to attend at least four meetings throughout the next nine months to discuss and review a new Parks Master Plan. Volunteers will help generate new ideas, promote the new plan throughout the community and provide insight from current users on how to improve our park and trail system over the next ten years.

Individuals interested in sitting on the Parks Advisory Committee should contact Lake Elmo's Assistant Public Works Director, Adam Swanepoel [651-747-3946](tel:651-747-3946) for more information. Applicants will be accepted until October 20th 2023.

Recreational Fires

Increase your enjoyment of outdoor fires by knowing you're doing all you can to burn cleanly, safely, and responsibly for your family, neighbors and community. Recreational fires are restricted by size and material. A recreational fire cannot exceed three feet in diameter nor shall it exceed three feet in height (height of material stacked to burn). Only clean, dry, wood can be burned. Wood means dry, clean fuels, twigs, branches, limbs, manufactured fireplace logs, charcoal, or cord wood. "Wood" does not include wood or wood based products that is green with leaves or needles, rotten, wet, oil soaked, treated or manufactured with paint, glue, preservatives or other chemicals. Burning of leaves, grass and other yard waste is not allowed.

Don't Wait or Hesitate!

If your recreational fire gets out of control,

Be A Good Neighbor

Be a good neighbor when burning and consider your neighbors, as well as wind direction. Often times this prevents unnecessary calls to the fire department regarding smoke.

Cleaner Alternatives

Learn about your options before burning wood in your backyard. Switching to natural gas or propane reduces harmful air pollutants. Kits that convert existing fire rings and pits to natural gas or propane burners are available from local retailers.

Brush Disposal

Burning is not intended for the purposes of clearing brush piles, disposing of green leaved branches from tree trimming, or

don't wait or hesitate. Call 911 immediately.
Feel free to call the Fire Department at 651-747-3930 with any questions.

burning of leaves.
For more information regarding brush disposal, please visit: [Yard Waste](#)

Drop Box Available

The new City Center building has a convenient drop box located on the front of the building.

Utility payments, permit applications and other documents may be dropped in the box during or after office hours.

In person absentee voting now open

Residents in Mahtomedi, St. Paul Park, South Washington County School District 833, Stillwater Area Public Schools District 834, Hastings School District 200, and Chisago Lakes School District 2144 have elections this year.

The voting centers are at:

- Washington County Government Center: 14949 62nd St. N., Stillwater.
- Central Park, Lower Level: 8595 Central Park Place, Woodbury.
- Cottage Grove Service Center: 13000 Ravine Parkway S., Cottage Grove.
- Headwaters Service Center: 19955 Forest Road N., Forest Lake.

See the county's website to learn about eligibility requirements and how to fill out an absentee voting application at www.co.washington.mn.us/3441/Voting. There are also sample ballots on the website.

VOLUNTEER THIS FALL

OCTOBER 21 OR 28

Rake a difference in the community!

It is illegal to discharge chlorinated water to a municipal storm sewer system!

Drain your swimming pool safely!

1

Discharging chlorinated pool or hot tub water into the street or a lake, stream, or wetland can kill fish and aquatic life! 

Stop adding chlorine and leave the water exposed to the air for 3-5 days to naturally break down the chlorine.

2

Once the water is de-chlorinated, you can safely drain it to your yard.

Clean streets = Clean water

Rake and bag leaves along the curb and on top of storm drain inlets

ADOPT A STORM DRAIN PROGRAM

Storm drains serve as direct pathways to our lakes rivers, and streams, and natural materials (grass clippings, leaves, and dirt) can act as pollutants once they go down the drain. If you

live in an area with storm drains, you can join a statewide effort to help keep our storm drains clean through the Adopt a Drain program.

More information is available here: [Adopt A Drain](#)

Washington County Public Health & Environment is asking residents to participate in a short survey to inform local planning for groundwater and solid waste programs that help manage garbage, recycling, food waste, yard waste, and hazardous waste from residents. Your input will help us develop programs and services that make Washington County a great place to live, work, and play.

[Take the survey](#)

What would our cities look like if kids were in charge?

The Mayor for a Day Essay Contest is back to find out!

To enter, fourth, fifth, and sixth graders can answer the prompt, "What would you do if you were mayor for a day?" for a chance to win \$100 and recognition in Minnesota Cities magazine.

The deadline for submissions is Dec. 12. Students and parents/guardians can submit essays via an online form, a PDF email attachment, or through the mail. Details can be found here: [LMC](#)

Drop It Off

The Sally Manzara Interpretive Nature Center is open every day
Visit <https://sminc-lake-elmo.org/> for details.

The Sally Manzara Interpretive Nature Center in Lake Elmo's Sunfish Lake Park is operated by a non-profit organization for the benefit of the entire community. We offer programs and events for people of all ages and have "adopted" the Park in the City's program. This work is all funded by donations. Thank you for your support!

Here are some things happening at the SMINC:

- **Mark Your Calendars!**

The Buckthorn Festival is just around the corner! Our annual festival is a big contributor to our buckthorn removal and rehabilitation efforts and it comes every year on the last Saturday in October (the 28th this year). Stay tuned for more details!

- **Want to get rid of some buckthorn**, but can't wait till the Buckthorn Festival? Our monthly buckthorn removal day will be this Saturday, October 14. We have the loppers and gloves, bring your energy. Free fresh air and exercise. The Restoration of Sunfish Lake Park project has done initial clearing of 40 acres of buckthorn, and replanted oaks, and native grasses and forbs. For more details, visit <https://sminc-lake-elmo.org/buckthorn/>
- **Tree Medicine Workshops** with Paul Red Elk continue through the fall. Upcoming workshops will be on October 29 and November 5. They are daylong workshops (9-4) and cost \$90 (\$100 for late sign ups). Interested? You can sign up with Paul Red Elk by emailing him at traditionallakotamedicineman@gmail.com

Washington
County

The City of Lake Elmo has begun participation in the State of Minnesota's Performance Measurement Program. This program began in 2010 for cities and counties to report on at least 10 performance measures annually as a way to aid residents, taxpayers, and state and local elected officials in determining the efficacy of counties and cities in providing services and measure residents' opinions of those services.

The Valley Branch Watershed District
(VBWD) is a public organization tasked

with protecting and managing local water resources within an area spanning 14 cities and townships in Washington and Ramsey Counties. The VBWD is seeking input from you as it begins updating its Watershed Management Plan which will guide VBWD actions for the next 10 years. Please take a brief (5-10 minute) survey to help the VBWD better understand your concerns and priorities regarding our local water resources.
