BACKGROUND: The City of Lake Elmo Public Works Department has utilized a 2015 Bob Cat Tool Cat for daily park and street projects involving trail work, sidewalk snow removal, clearing debris and roadkill, operating augers, brooms, grapple buckets amongst other things to efficiently complete tasks. The 2015 Tool cat and broom is in service and is need of replacement due to its age, maintenance issues and having met the council approved vehicle replacement schedule.

ISSUE BEFORE COUNCIL: Should the City Council approve the purchase of a new Bobcat Tool Cat and Angle Broom as outlined in 2025 CIP?
