BACKGROUND: Oakdale Athletic Association has applied for a premises permit to conduct lawful gambling at the Twin Point Tavern bar/restaurant in Lake Elmo. The Oakdale Athletic Association (OAA) is an independent, nonprofit, youth organization administered and managed by volunteer adults since 1971. All residents of Oakdale are eligible to be members of OAA. OAA intends to use proceeds from lawful gambling to help support its operations.

In order for the application to be considered by the Gambling Control Board, the City must pass a Resolution approving the application. The Gambling Control Board will then review the application and supporting materials and approve or deny the application.

ISSUE BEFORE COUNCIL: Should the Council approve the application for OAA to operate charitable gambling in the form of pull tabs at the Twin Point Tavern?

PROPOSAL DETAILS/ANALYSIS: The Lake Elmo Jaycees have been conducting pull tab sales at the Twin Point for several years. Staff has learned that the Lake Elmo Jaycees will no longer be conducting pull tab sales and OAA has obtained permission to take over the location. Pull tab sales benefit the City in the form of a yearly donation as outlined in the City's ordinance, and the establishment hosting the pull tab booth benefits from the customers drawn in to participate in the activity.

FISCAL IMPACT: The City will receive an annual donation of 10% of the profits from the charitable gambling.

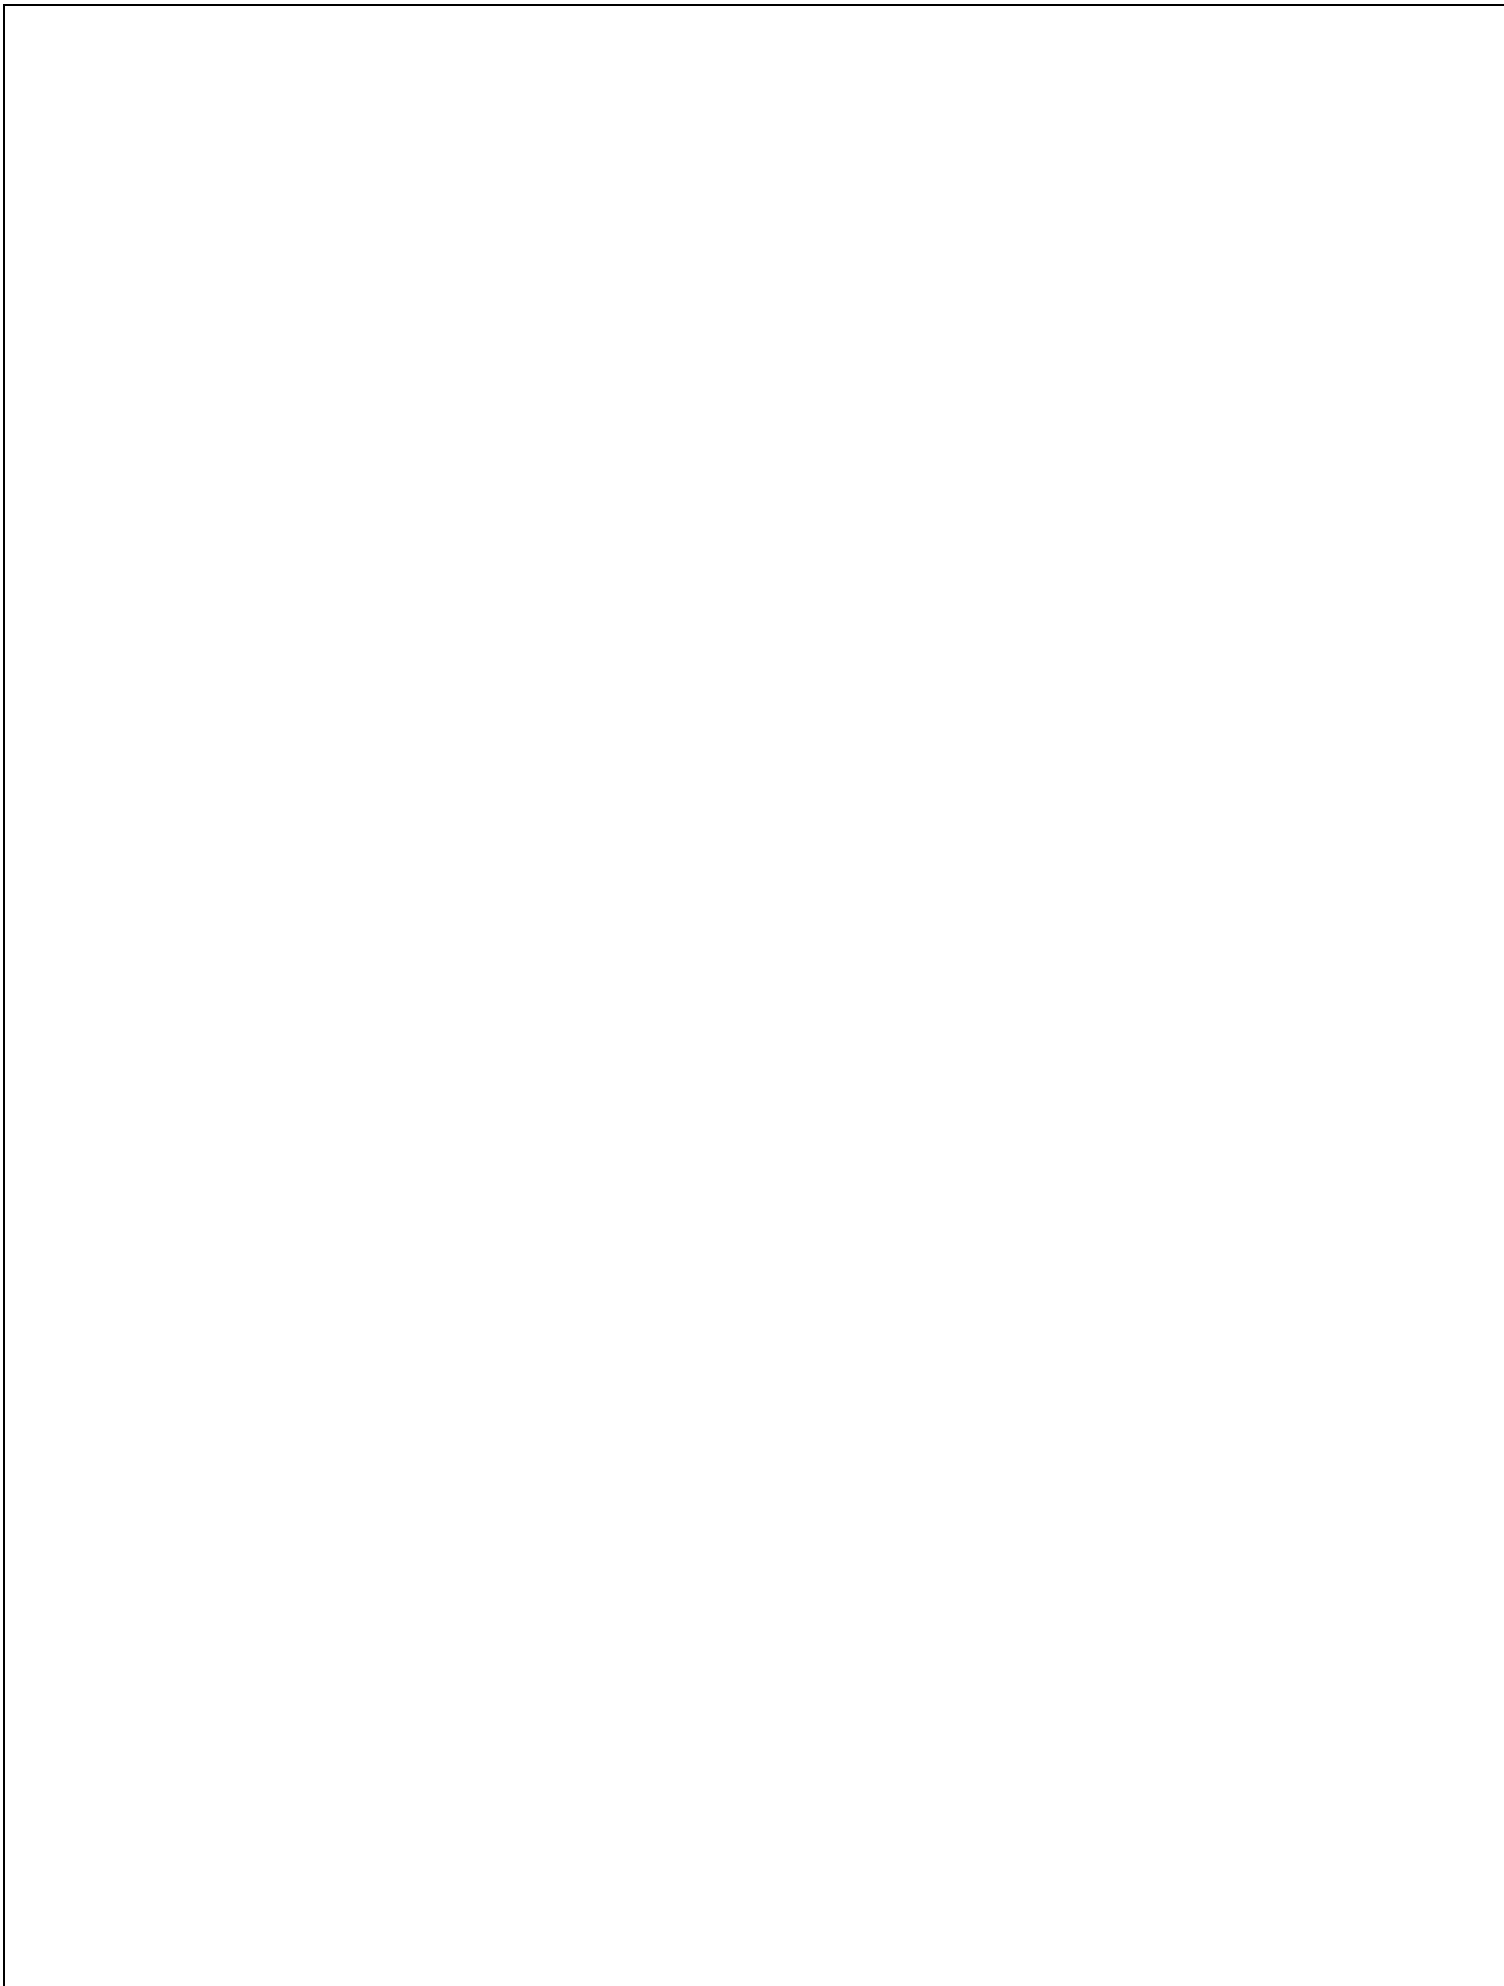

OPTIONS: Approve or deny the application.

RECOMMENDATION:

Motion to approve the charitable gambling permit for Oakdale Athletic Association.
