

STAFF REPORT

DATE: December 3, 2024

CONSENT

TO: Mayor and City Council
FROM: Clarissa Hadler, Finance Director
AGENDA ITEM: Authorize Certification of Delinquent Storm Water Bills & Utility Bills

BACKGROUND:

Property owners had until November 15, 2024 to make payment in full on their past due storm water bills and past due utility bills. For those past due amounts that remain unpaid, the City of Lake Elmo has authority under Minnesota State Statute 444.075, subdivision 3, to certify the delinquent balances. For those property owners to be certified, the City prepares an assessment roll, and sends it to Washington County in December. Upon receipt, Washington County will then certify the amount to the property owner as part of their property taxes for payment in 2025.

ISSUE BEFORE THE CITY COUNCIL:

- 1) Does the City Council approve of certifying delinquent storm water and delinquent utility amounts to Washington County for payment on the 2025 property taxes?

PROPOSAL DETAILS/ANALYSIS:

The Storm Water and Utility Funds are enterprise funds that the City operates, and are therefore meant to operate similar to a business enterprise. As such, utility rates are reviewed on a regular basis and are set based on full and timely payments. The certification process is a tool that enables the City to receive payment for those accounts that become delinquent.

FISCAL IMPACT:

As of November 25, 2024, the number of accounts that will be certified is 382 for a total of \$120,130.

Note: The delinquent utility accounts list (Exhibit A) will likely decrease as the City will continue to collect payments through December 15. Payments made after that date will be applied to the next regular utility bill. The list is due to County on December 28th.

RECOMMENDATION:

If removed from consent agenda:

“Motion to Adopt Resolution No. 2024-124 authorizing certification of delinquent storm water and utility bills to be sent to Washington County, MN, which will be assessed on property owner’s taxes payable in 2025.”

WHEREAS, the Municipal Code for the City of Lake Elmo contains a provision to certify delinquent accounts to the County Auditor for the collection with taxes payable.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LAKE ELMO, MINNESOTA, THAT:

1. The list of delinquent accounts, a copy of which is attached hereto as “Delinquent Utility Accounts – Exhibit A”, and made part hereof, is hereby accepted and shall be certified to the Washington County Auditor for collection with taxes payable.
2. The certified amount shall be payable over a period of one year.
3. The owner of the property may at any time prior to certification to the County Auditor, pay the delinquent amount to the City of Lake Elmo.
4. The City Finance Director shall forthwith transmit information to the County Auditor to be extended on the property tax lists of Washington County. Such delinquent accounts shall be collected and paid over in the same manner as other municipal taxes.
