

CITY OF LAKE ELMO

WASHINGTON COUNTY

RESOLUTION NO. 92-17

A RESOLUTION SUPPORTING THE RECOMMENDATION
OF THE CSAH13 STUDY COMMITTEE
FOR SHORT AND LONG TERM IMPROVEMENTS TO THE ROADWAY

WHEREAS, at the request of the Tri-Lakes Association, Washington County Public Works Department organized the formation of a committee to study improvements to CSAH13; and

WHEREAS, the City of Lake Elmo supported the committee formation and designated a City Council, staff member, and resident to represent the City; and

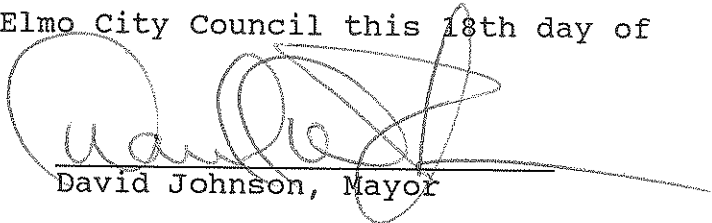

WHEREAS, the recommendation of the study committee is consistent, in part, with the city's trail system plan which identifies a bikeway, pedway along CSAH13; and

WHEREAS, the City of Lake Elmo will amend its trail system plan to coincide with the recommendation of the study committee.

NOW, THEREFORE, be it resolved that the Lake Elmo City Council supports the recommendation of the CSAH13 Study Committee for the provision by Washington County of four (4) foot paved shoulders from TH5 to TH36 as a short term solution, and rebuilding CSAH13 from TH5 to 50th Street North as a long-term solution, with the opportunity to provide for a separated trail through this segment.

BE IT FURTHER RESOLVED, that the City of Lake Elmo supports the inclusion of CSAH13 from Stillwater Boulevard to TH5 with the proposed improvements.

ADOPTED by the Lake Elmo City Council this 18th day of August, 1992.

David Johnson, Mayor

ATTEST:

Mary Kueffner, City Administrator
