

**City of Lake Elmo
Washington County, Minnesota**

RESOLUTION NO. 99- 43

A RESOLUTION APPOINTING Year 2000 (Y2k) COORDINATOR

“WHEREAS the City of Lake Elmo recognizes that the Y2k challenge involves more than just a computer issue; and

WHEREAS the City recognizes that all of its departments and services may be impacted by the Y2k challenge; and

WHEREAS the City considers the Y2k challenge as a top priority for all city operations; and

WHEREAS the City in this policy sets forth its commitment to identify, address and resolve potential problems created by the Y2k challenge and to make its best effort to ensure continuity of essential city services; and

WHEREAS the City’s efforts to minimize the potential impact of the Y2k challenge will likely involve multiple city operations and outside organizations; and

WHEREAS the City believes that coordination of all persons working on the Y2k challenge on behalf of the City is essential to the efficiency and effectiveness of the City’s overall Year 2000 effort; and

WHEREAS the City pledges to create contingency and community preparedness plans to reduce the possible effects of computer and operational system failures throughout the community; and

WHEREAS the League of Minnesota Cities has requested that cities designate a contact person to receive information on the Y2k challenge;

THEREFORE, be it resolved that the City of Lake Elmo hereby appoints Cynthia Young, to serve as the City’s Year 2000 Project Coordinator.”

Adopted by the Lake Elmo City Council this 6th day of July , 1999.
