

**CITY OF LAKE ELMO  
WASHINGTON COUNTY, MINNESOTA**

**RESOLUTION NO. 2013-07**

***A RESOLUTION APPROVING A VARIANCE TO ALLOW CHRIST LUTHERAN  
CHURCH TO SPLIT AN EXISTING LOT INTO TWO SEPARATE PARCELS THAT DO  
NOT MEET MINIMUM LOT SIZE AND WIDTH REQUIREMENTS***

**WHEREAS**, the City of Lake Elmo is a municipal corporation organized and existing under the laws of the State of Minnesota; and

**WHEREAS**, Christ Lutheran Church, 11194 36<sup>th</sup> Street North (the “Applicant”) has submitted an application to the City of Lake Elmo (the “City”) for a variance to split the lot at 3549 Lake Elmo Avenue North into two separate parcels that do not meet the minimum area and lot width requirements of the GB – General Business zoning district; and

**WHEREAS**, notice has been published, mailed and posted pursuant to the Lake Elmo Zoning Ordinance, Section 154.017; and

**WHEREAS**, the Lake Elmo Planning Commission held a public hearing on said matter on January 14, 2013; and

**WHEREAS**, the Lake Elmo Planning Commission has submitted its report and recommendation to the City Council as part of a Staff Memorandum dated February 5, 2013; and

**WHEREAS**, the City Council considered said matter at its February 5, 2013 meeting.

**NOW, THEREFORE**, based on the testimony elicited and information received, the City Council makes the following:

**FINDINGS**

- 1) That the procedures for obtaining said Variance are found in the Lake Elmo Zoning Ordinance, Section 154.017.
- 2) That all the submission requirements of said Section 154.017 have been met by the Applicant.
- 3) That the proposed variance is to split the existing lot at 3549 Lake Elmo Avenue North into two separate parcels that do not meet the minimum area and lot width requirements of the GB – General Business zoning district. The proposed parcels would be 0.42 acres

and 0.27 acres in size, which is under the minimum lot size requirement of 1.5 acres. The proposed parcels would also be 80 and 123.5 feet in length, which is shorter than the minimum requirement of 150 feet.

- 4) That the Variance will be located on property legally described as follows: Lots 39 and 40, County Auditor's Plat No. 8, as surveyed and platted and now on file in the Office of the Registrar of Titles of Washington County, Minnesota, being in the Village of Lake Elmo, Minnesota. More commonly known as 3549 Lake Elmo Avenue North.
- 5) That the strict enforcement of Zoning Ordinance would cause practical difficulties and that the property owner proposes to use the property in a reasonable manner not permitted by an official control. *Specific findings: That the proposed use is reasonable because the potential buyer of the former Lake Elmo Bank building has stated that they do not have a need for all of the parking provided on the site. Between the former bank building and the Christ Lutheran Church facility there is an expected amount of parking that will be using this property that will not change due to a change in ownership over a portion of the site.*
- 6) That the plight of the landowner is due to circumstances unique to the property not created by the landowner. *Specific findings: That the applicant's property is unique due to the large amount of parking that exceeds most other off-street parking lots in the downtown village area of Lake Elmo. The Zoning Ordinance does allow for waivers of parking requirements in the GB – General Business District and any future users would need to request such a waiver under if their parking needs exceeded the amount available.*
- 7) That the proposed variance will not alter the essential character of the locality in which the property in question is located. *Specific findings: That the proposed lot split will not change the current use of the site for offices and parking. Any potential impacts associated with a lack of parking for the office uses could be mitigated with a shared parking arrangement that allowed any potential building tenants to use the parking area outside of peak Church usage periods.*
- 8) That the proposed variance will not impair an adequate supply of light and air to property adjacent to the property in question or substantially increase the congestion of the public streets or substantially diminish or impair property values within the neighborhood. *Specific findings: No impacts above and beyond those considered normal for any other business use in the surrounding area would be expected should the variance be granted.*

### CONCLUSIONS AND DECISION

Based on the foregoing, the Applicant's application for a Variance is granted, provided the following conditions are met:

1. The Applicant shall execute a shared-parking arrangement with the future owners of the former Lake Elmo Bank Building that will allow any future tenants of this building to use the parking lot to be retained by the Applicant during time periods when the parking lot is not used by the Applicant. The agreement shall be drafted to be reciprocal regarding the use of the parking stalls that will be retained by the future owners of the former Lake Elmo Bank Building.
2. The applicant shall provide for a drainage easement across the storm water infiltration area that collects storm water runoff from both of the parcels to be created by the lot split.

Passed and duly adopted this 5<sup>th</sup> day of February 2013 by the City Council of the City of Lake Elmo, Minnesota.

Michael Pearson, Mayor

ATTEST:

Adam Bell, City Clerk
