

CITY OF LAKE ELMO
WASHINGTON COUNTY
STATE OF MINNESOTA

ORDINANCE NO. 97-176

A SPECIAL ORDINANCE ESTABLISHING LATERAL WATER MAIN CHARGES

The Lake Elmo City Council hereby ordains that the following connection charges are approved:

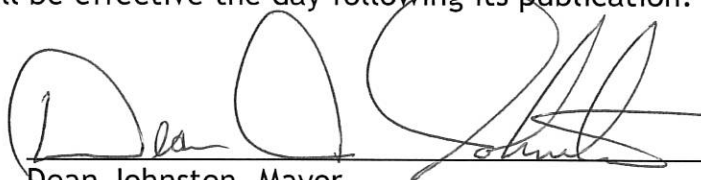

- (1) The lateral water main charge for City Water System Interconnect Project Phase I shall be \$4,512.00 per lot, if such charges are paid in calendar year 2006.
- (2) The lateral water main charge for City Water System Interconnect Project Phase II shall be \$5,718.00 per lot, if such charges are paid in calendar year 2006.

If the charges for these projects are paid after 2006, the actual charge will be adjusted to reflect the City's carrying costs from 2006 to the year of payment. Computations for the above charges are contained on the lateral benefit worksheets for the City Water System Interconnect Project for each phase which are on file at the City of Lake Elmo administrative offices and which are incorporated herein.

ADOPTION DATE: Passed by the Lake Elmo City Council on the 15th day of August, 2006.

EFFECTIVE DATE: This Ordinance shall be effective the day following its publication.
