

EAST OAKDALE PLANNING COMMISSION
Minutes 10-5-66

It was reported by Eberhard that Lampert Lumber has been granted a permit by the Town Board for a building 3 feet from the east boundry, with some sort of understanding that the west 33 feet of the property would be reserved for a road.

Eberhard also reported that Wright(outdoor movie) was denied a permit for a building he had moved to the site.

Moved by Beske, seconded by Morgan that we recommend to the Town Board that we get a road plan for the area between highways 12 & 94.
Carried.

The zoning map was reviewed briefly. It was agreed that we want the whole planning committee present before we finalise any opinions.

Next meeting Oct. 19, 1966
