

**LAUDERDALE CITY COUNCIL MEETING AGENDA**  
**7:30 P.M. TUESDAY, AUGUST 13, 2019**  
**LAUDERDALE CITY HALL, 1891 WALNUT STREET**

The City Council is meeting as a legislative body to conduct the business of the City according to Robert's Rules of Order and the Standing Rules of Order and Business of the City Council. Unless so ordered by the Mayor, citizen participation is limited to the times indicated and always within the prescribed rules of conduct for public input at meetings.

1. **CALL TO ORDER THE LAUDERDALE CITY COUNCIL MEETING**
2. **ROLL CALL**
3. **APPROVALS**
  - a. Agenda
  - b. Minutes of the July 23, 2019 City Council Meeting
  - c. Claims Totaling \$123,978.82
4. **CONSENT**
  - a. 2019 Infrastructure Improvement Project Pay Request No. 3
  - b. Performance Agreement with Blue Stratum for August Farmers Market
5. **SPECIAL ORDER OF BUSINESS/RECOGNITIONS/PROCLAMATIONS**
6. **INFORMATIONAL PRESENTATIONS / REPORTS**
  - a. 2019 Infrastructure Improvement Project
  - b. Farmers Market – August 15
  - c. City Council Updates
7. **PUBLIC HEARINGS**

Public hearings are conducted so that the public affected by a proposal may have input into the decision. During hearings all affected residents will be given an opportunity to speak pursuant to the Robert's Rules of Order and the standing rules of order and business of the City Council.

  - a. Public Comment on Conditional Use Permit Application by Lauderdale BP to Open Service Bays
8. **DISCUSSION / ACTION ITEM**
  - a. Redevelopment of Luther Seminary Owned Land – Presentation by CommonBond Communities and Master Properties Minnesota, LLC
  - b. Abandonment of Front Yard Parking and Establishment of Rear Yard Parking at 1811-1813 Eustis Street
9. **ITEMS REMOVED FROM THE CONSENT AGENDA**
10. **ADDITIONAL ITEMS**
11. **SET AGENDA FOR NEXT MEETING**

- a. GEAR Training
- b. 2020 Budget and Levy

**12. WORK SESSION**

- a. Opportunity for the Public to Address the City Council

Any member of the public may speak at this time on any item not on the agenda. In consideration for the public attending the meeting, this portion of the meeting will be limited to fifteen (15) minutes. Individuals are requested to limit their comments to four (4) minutes or less. If the majority of the Council determines that additional time on a specific issue is warranted, then discussion on that issue shall be continued at the end of the agenda. Before addressing the City Council, members of the public are asked to step up to the microphone, give their name, address, and state the subject to be discussed. All remarks shall be addressed to the Council as a whole and not to any member thereof. No person other than members of the Council and the person having the floor shall be permitted to enter any discussion without permission of the presiding officer.

Your participation, as prescribed by the Robert's Rules of Order and the standing rules of order and business of the City Council, is welcomed and your cooperation is greatly appreciated.

- b. Housing Revenue Bonds and Affordable Housing Tax Credit Discussion with Staff from Ehlers and Associates
- c. 2020 Budget and Levy Discussion
- d. Community Development Update

**13. ADJOURNMENT**

LAUDERDALE CITY COUNCIL  
MEETING MINUTES  
Lauderdale City Hall  
1891 Walnut Street  
Lauderdale, MN 55113

Page 1 of 3

July 23, 2019

**Call to Order**

Mayor Gaasch called the Regular City Council meeting to order at 7:31 p.m.

**Roll Call**

Councilors present: Roxanne Grove, Kelly Dolphin, Jeff Dains, Andi Moffatt, and Mayor Mary Gaasch.

Councilor absent: None.

Staff present: Heather Butkowski, City Administrator; Jim Bownik, Assistant to the City Administrator; and Miles Cline, Deputy City Clerk.

**Approvals**

Mayor Gaasch asked if there were any additions to the meeting agenda. There being none, Councilor Dains moved and seconded by Councilor Grove to approve the agenda. Motion carried unanimously.

Mayor Gaasch asked if there were any corrections to the minutes of the July 9, 2019 city council meeting. There being none, Councilor Dolphin moved and seconded by Councilor Moffatt to approve the minutes of the July 9, 2019 city council meeting. Motion carried unanimously.

Mayor Gaasch asked if there were any questions on the claims. There being none, Councilor Dains moved and seconded by Councilor Grove to approve the claims totaling \$38,847.56. Motion carried unanimously.

**Consent**

Councilor Grove moved and seconded by Councilor Dolphin to approve the Consent Agenda thereby approving the June Financial report and the Second Quarter Investment Report.

**Informational Presentations/Reports**

A. Night to Unite

Administrator Butkowski gave an update on the upcoming Night to Unite parties taking place on August 6.

B. 2019 Infrastructure Improvement Project

Administrator Butkowski provided an overview of progress on the project.

C. City Council Updates

Mayor Gaasch thanked staff and volunteers for a successful Day in the Park celebration. She also announced that the Mississippi Watershed Management Organization is hosting a community cleanup event on July 25 from 6-8 p.m. in the Lauderdale Community Park. Councilor Dolphin

July 23, 2019

stated that she joined the Criminal Justice Board of Ramsey County as an alternate member. Finally, Mayor Gaasch stated that she is stepping down as the President of the League of Minnesota Cities Board of Directors but will continue as a member of their Policy Committee.

**Public Hearings**

A. Annual Municipal Separate Storm Sewer System (MS4) Public Hearing

Annually, the City must report on its storm water efforts as one of the requirements of our MS4 permit. Butkowski provided the Council and general public our most recent annual report submitted to the Minnesota Pollution Control Agency.

Mayor Gaasch opened the floor at 7:46 p.m. to anyone in attendance that wanted to address the Council on this matter. There being no parties interested in speaking, Mayor Gaasch closed the floor at 7:47 p.m.

**Discussion/Action Items**

A. Resolution 072319A – A Resolution Providing Preliminary Approval to the Issuance of Revenue Obligations under Minnesota Statutes, Chapters 462C and 474A, as Amended, and Taking Other Actions in Connection Therewith

Butkowski explained that Real Estate Equities (REE) plans to use revenue bonds and tax credits to construct a senior rental apartment at 1795 Eustis Street. In order to apply to the state for these bonds, they need a resolution of support from the City Council. The resolution is non-binding in that it neither creates a financial obligation for the City nor conveys land use rights. Julie Eddington, the City's bond counsel at Kennedy and Graven, explained this in greater detail.

Councilor Dolphin made a motion to adopt Resolution 072319A—A Resolution Providing Preliminary Approval to the Issuance of Revenue Obligations under Minnesota Statutes, Chapters 462C and 474A, as Amended, and Taking Other Actions in Connection therewith. This was seconded by Councilor Grove and carried unanimously.

Following, Ian Schwickert of Real Estate Equities; Julie Eddington; and the Council discussed options to improve the likelihood of REE getting the revenue bond and tax credit allocation. It is expected that builders will ask for about \$500 million in bonding ability but the federal government has only allocated \$100 million to the state. One options REE asked the Council to consider was lowering the age threshold from 55 to 50 as 55+ buildings are last in line to receive allocation. Lowering the age to 50 would allow REE to be eligible earlier in the award distribution process.

After discussion, the Council stated that they would only be comfortable entertaining this idea if they received community feedback first. Eddington explained that the rules surrounding the allocation process will be changing January 1 and that may make the change irrelevant.

Lauderdale, MN 55113

Page 3 of 3

July 23, 2019

**Set Agenda for Next Meeting**

Administrator Butkowski stated that the August 13 council meeting may include a presentation by CommonBond Communities regarding the Luther Seminary Redevelopment Project and the 2019 Infrastructure Improvement Project pay request number 3.

**Work Session**

A. Opportunity for the Public to Address the City Council

Mayor Gaasch opened the floor to anyone in attendance that wanted to address the Council.

Josh Hauser, 1778 Eustis Street, wanted to know if information regarding the senior housing project was covered on the City's website. He asked how items can be added to meeting agendas.

There being no other parties interested in speaking, Mayor Gaasch closed the floor.

B. GARE Follow Up Training

Due to a miscommunication, this will take place at a later date.

C. Community Development Update

Butkowski mentioned that CommonBond Communities will be at the next meeting on August 13.

**Adjournment**

Councilor Moffatt moved and seconded by Councilor Grove to adjourn the meeting at 8:56 p.m.  
Motion carried unanimously.

Respectfully submitted,

Miles Cline  
Deputy City Clerk

Work Session              

Meeting Date            August 13, 2019  
ITEM NUMBER            August Farmers Market  
STAFF INITIAL            Jim  
APPROVED BY ADMINISTRATOR

**DESCRIPTION OF ISSUE AND PAST COUNCIL ACTION:**

Staff is asking the city council to consider approving the attached performance agreement with Blue Stratum for music at the August Farmers Market at a cost of \$200.

**OPTIONS:**

Approve by adopting the consent agenda or remove for discussion.

Discuss and provide direction to staff and event organizers.

**STAFF RECOMMENDATION:**

By approving the consent agenda, the City Council approves the performance agreement with Blue Stratum as presented.

**City of Lauderdale Performance Agreement**

**Event: Farmers Market**

**Date & Time: Thursday, August 15, 2019 from 4-7 p.m.**

**Location: Lauderdale Community Park, 1885 Fulham Street**

**Performance Time: 5:00-7:00 p.m.**

**ARTIST or GROUP INFORMATION**

Artist or Group Name:	Blue Stratum
Artist/Group Leader:	Gordon Meyer
Daytime Phone:	Cell Phone: 612-270-9980
Email Address:	<a href="mailto:roadie@bluestratum.com">roadie@bluestratum.com</a>
Website Address (if applicable):	<a href="http://www.bluestratummusic.com/">http://www.bluestratummusic.com/</a>
# Chairs Needed:	_____

**PAYMENT INFORMATION**

Performance Fee: \$200.00

Name & Address for Payment of Fee:	Gordon Meyer
	4848 York Ave S
	Minneapolis, MN, 55410

**PERFORMANCE PROVISIONS**

- 1) The Artist or Group is considered an independent contractor and is responsible for all appropriate insurance, income taxes, and the licensed use of any or all copyright music performed.
- 2) The Artist or Group understands the City does not hold a public performance license, thus the artist agrees not to play music registered with ASCAP, BMI, SESAC, or any other licensing entity.
- 3) The Artist or Group will supply their own sound system and the following items as needed: music stands, stage etc.
- 4) The City will provide chairs, electricity and an extension cord.
- 5) Cancellation/Inclement Weather Policy:
  - If the performance is cancelled by the City before Noon the day of the performance, the City will pay 50% of the agreed performance fee as compensation.
  - If the performance is cancelled by the City after Noon the day of the performance, the City will pay 100% of the agreed performance fee as compensation.
- 6) Sale of promotional merchandise is allowed at the concert site.
- 7) Payment Information: The City will make every effort to present payment to the Artist or Group the day of the performance, but may mail payment within 30 days after performance date.
- 8) Indemnification: The Artist or Group agrees to defend and indemnify the City, and its employees, officials, volunteers and agents from and against all claims, actions, damages, losses and expenses arising out of the Artist or Group's performance or failure to perform its duties under this Agreement.

**DESCRIPTION OF ISSUE AND PAST COUNCIL ACTION:**

See attached memo and comments received from a neighboring homeowner.

**OPTIONS:**

- 1) Deny the conditional use permit application, stating the rationale for denial.
- 2) Approve the conditional use permit application as presented.
- 3) Approve the conditional use permit application with conditions, as deemed necessary.

**STAFF RECOMMENDATION:**

**COUNCIL ACTION:**

---

# M E M O

---

**DATE:** AUGUST 13, 2019  
**TO:** HONORABLE MAYOR AND COUNCIL  
**FROM:** JIM BOWNIK, ASSISTANT TO THE CITY ADMINISTRATOR  
**RE:** CONDITIONAL USE PERMIT REQUEST FOR 2421 LARPENTEUR AVE

## **BACKGROUND**

Proposal: The applicant is proposing to reopen three service bays for automobile service and repair at the Lauderdale BP.

Applicant: Scott Weber, 201 W. Co. Rd. E-2, New Brighton, MN 55112

Owner: Tony Rammer, 201 W. Co. Rd. E-2, New Brighton, MN 55112

❖ Attached is the conditional use permit application.

## **REQUIREMENTS FOR APPROVAL OF A CONDITIONAL USE PERMIT**

Title 10-12-4 & 10-12-5 of the City Code allows the City Council to consider the following for the approval of a conditional use permit:

- 1) Does the use conform to the B-1 Community Business District?
- 2) Will the use provide a harmonious relationship with adjacent properties?
- 3) Is the visual impression & environment of the use consistent with the district?
- 4) Does the use organize vehicular access & parking in a way that minimizes traffic congestion in the district?
- 5) Does the use promote the objectives of Title 10 of the City Code: Zoning, and the Land Use & Tax Base section of the Lauderdale Comprehensive Plan?
- 6) Does the use comply with the following performance standards?
  - a. Fire Protection.
  - b. Electrical Disturbance.
  - c. Noise.
  - d. Vibrations.
  - e. Odors.
  - f. Air Pollution.
  - g. Glare.
  - h. Erosion.
  - i. Water Pollution.

## **STAFF FINDINGS & REVIEW**

- 1) *Does the use conform to the B-1 Community Business District?*

The use conforms in that the business has three service bays that used to be open.

2) *Will the use provide a harmonious relationship with adjacent properties?*

The business currently operates as a gas station, convenience store and car wash. Reopening the service bays will mean more traffic and noise. Thus, a fence needs to be reinstalled on the north or south side of the alley to provide screening from adjacent residential properties.

3) *Is the visual impression & environment of the use consistent with the district?*

The visual impression and environment of the site should not change significantly with the opening of the three service bays. The applicants are planning to move the garbage and recycling dumpsters to the northwest corner of the property as well as enclose and screen them.

4) *Does the use organize vehicular access & parking in a way that minimizes traffic congestion in the district?*

The applicants have indicated seventeen on-site parking spots. The ordinance requires fourteen spaces (four per service bay and two for retail).

5) *Does the use promote the objectives of Title 10 of the City Code: Zoning, and the Land Use & Tax Base section of the Lauderdale Comprehensive Plan?*

The use appears to promote these objectives by encouraging development and/or redevelopment of commercial and industrial properties for the purpose of increasing tax base.

6) *Does the use comply with the following performance standards?*

- a. *Fire Protection.*
- b. *Electrical Disturbance.*
- c. *Noise.*
- d. *Vibrations.*
- e. *Odors.*
- f. *Air Pollution.*
- g. *Glare.*
- h. *Erosion.*
- i. *Water Pollution.*

- ❖ The above performance standards are addressed by the applicant in the attached letter dated June 19, 2019.

## **SITE PLAN**

- ❖ Attached is a survey of the property and a site plan that shows, among other things, defined parking spaces.

## **PUBLIC HEARING FOR THE CONDITIONAL USE PERMIT REQUEST**

On August 2, 2019, property owners within 350 feet from the perimeter of the subject property were sent notice of tonight's public hearing. A Public Notice was also published in the \_\_\_\_\_ edition of the *Roseville Review*.

## **CITY COUNCIL ACTION REQUESTED**

The requested action is to approve the reopening of three service bays at 2421 Larpenteur Avenue with the following conditions: 1) The applicant shall construct a fence along the alley for screening adjacent residential properties and; 2) The applicant shall enclose and screen the garbage and recycling dumpsters.

By signing above, the applicant agrees to pay the application fee and deposit an escrow fee to cover the city's consultants' costs associated with reviewing the associated request. Prior to having the request considered by the city, the applicant must deposit an escrow fee in an amount that is estimated to cover the city's consultants' costs as determined by the city administrator. If the city's consultants' costs exceed the initial escrow deposited by the applicant, an additional escrow fee will be required to cover the additional costs. The city shall use the applicant's fees to cover the city's actual consultants' costs in reviewing the request regardless of the city's action on the applicant's request. If the applicant's escrow fees exceed the city's actual consultants' costs for reviewing the request, the remaining escrow fees shall be refunded to the applicant.

**Review Timeline:** All applications, other than concept plans, must be complete before being formally reviewed. Minnesota Statute provides 15 days to determine the application's completeness. Completeness depends on whether or not the checklist items are fulfilled.

**Checklist:** Please review the checklist for the type of application you are applying for.

Jim Bownik  
Assistant to the City Administrator  
City of Lauderdale  
1891 Walnut Street  
Lauderdale, MN 55113

Dear Jim Bownik:

Here is a list of answers to the questions that you requested. I have also attached a map of the location with the proposed parking spaces needed.

- Hours of operation will be Monday through Friday 7am until 8pm and Saturdays 8am until 5pm.
- All 3 service bays will be operated by our employees.
- I have all the proposed parking spaces plotted out on the attached diagram.
- There will be no storage of supplies outside of the building.
- The fence on the west side of the building will be repaired and painted and a fence in the back of the building will be built to code or a variance will be applied for if necessary.
- We will contract with a fire extinguisher company to get the correct size and amount of fire extinguishers for the auto repair shop. We will also store and mark any flammable materials according to safety regulations.
- Electrical disturbances should not be an issue as the biggest electrical equipment we will use is already being used at the location. ( Air Compressor )
- Noise will be kept to a minimum. Most air tools will be used inside of the building as to muffle the noise.
- Vibrations will not be an issue as we will not be operating any equipment large enough to cause vibrations.
- Odors and air pollution will not change at the location. All automobiles in for repairs have catalytic converters to keep the emissions to a minimum.
- We will not be adding any equipment that will cause any problems with glare or erosion.
- All waste batteries and waste oils and fluids will be recycled according to EPA regulations.

Jim Bownik

06-19-2019

Page 2

We have already contracted with a landscaping company to clean up the landscape and weeds around the building. Also, parking lot repairs will be done along with sealing and striping the lot. The fence and building repairs along with painting will be happening in the next few weeks.

Sincerely,

Scott W Weber

General Manager

**Subject:** BP improvement concerns

**Caution:** This email originated outside our organization; please use caution.

Hi Heather,

I am not opposed to the improvements proposed to the BP Station but I do have a few concerns. A fence on the north side of the gas station would be great to separate the business part of Lauderdale and the residential part of Lauderdale. The concern is that with recycling and garbage truck traffic turning from the south in the alley to east or west and from east or west, north into the alley. This is already a very tight corner and with a fence, some vehicles may not be able to make the turn as I often see large vehicles struggle. You will see from the photos attached that in the past these large vehicles have caused damage to my property including the garage and the pavement because of the tight turn. Add to this, piles of snow during the winter. The northwest corner of the BP parking lot is where a lot of snow goes. Both snow from the BP lot and also snow plowed from the alley. Where will all the snow go if there is a fence on the BP north lot line?

In summary-

I am not opposed to improvements or a fence on the north side of the BP, in fact it would likely make my yard more quiet and reduce the amount of trash that blows into my yard from the BP (receipts, wrappers and chip bags are constantly found in my yard)

I am concerned about where snow will be plowed in the winter if there is a fence built.

I am concerned about the tighter space it will create for the garbage and recycling trucks that already struggle to turn in the confined space of the alley. And the possibility for more damage to my property.

I hope solutions can be found.

Hi Heather,

I just witnessed a big truck run over the post on the corner of my lot as it struggled to turn from south to west in the alley. They had to have heard me yelling but did not stop! It may have been Walters. It had a big green bin on the side of the box truck. May have been delivering bins. Also the post trying to protect my driveway and keep people away from hitting the garage is 10 or so feet from my south lot line.

I attached another picture below showing where the post is.

Damage to siding from garbage and recycling trucks

Damage to pavement from garbage and recycling vehicles

APPROVED BY ADMINISTRATOR \_\_\_\_\_

**DESCRIPTION OF ISSUE AND PAST COUNCIL ACTION:**

Cecile Bedor, Executive Vice President of Real Estate at CommonBond Communities will be at the meeting along with Max Heitzmann, President of Master Properties Minnesota, LLC. They would like to present to the City Council information about their vision for an affordable community on the Lauderdale side of the land Luther Seminary is selling. I have asked them to be direct about any financial asks they are making of the City Council to support this affordable housing project as Lauderdale has a limited tax base and one affordable housing project already in the works.

Keith Dahl of Ehlers and Associates will also be at the meeting as a resource. In anticipation of the meeting, I asked him to draft a memo addressing the 4d tax classifications that Ms. Bedor mentioned CommonBond would qualify for as it is different than what a market rate apartment would pay. Currently, the other apartments in Lauderdale do not qualify for this status even though most would be considered naturally occurring affordable housing.

Based on the discussion staff and consultants will consider the best next steps.

**STAFF RECOMMENDATION:**

# Memo

**To:** Heather Butkowski – City Administrator  
**From:** Keith Dahl, Ehlers  
**Date:** August 9, 2019  
**Subject:** Market Rate vs. Low-Income Tax Classifications

This memo has been prepared by Ehlers, at the request of the City, to explain the difference between market rate and low-income tax classifications, and depict how both tax classifications can impact a residential rental project.

Tax law prescribes several tax classifications. Two of those tax classifications directly relate to residential rental properties. The first being a tax classification for market rate residential properties containing four or more units (commonly referred to as 4a). The market value of the property has a classification rate of 1.25 percent.

The second tax classification relates to low-income rental housing (commonly referred to as 4d) that meet certain requirements set forth by the IRS. In order for a residential rental property to qualify as a low-income housing project, it must meet one of two tests:

- 20% of the units must be occupied (or available for occupancy) to households whose incomes do not exceeding 50% of area-wide median income; or
- 40% at 60% of median income

If a property meets the requirements above, the first tier of market value has a classification rate of 0.75 percent, whereas the remaining value of the property has a classification rate of 0.25 percent. Currently, the first-tier limit is \$150,000 but this value may vary on an annual basis.

Based on the information presented above, we have analyzed the potential tax impact of a residential rental project with 100 and 120 units at an estimated market value per unit of \$160,000.

Tax Impact Examples				
	Scenario A	Scenario B	Scenario C	Scenario D
Number of Units	100	100	120	120
Tax Classification	4(a)	4(d)	4(a)	4(d)
Estimated Market Value Per Unit	\$ 160,000	\$ 160,000	\$ 160,000	\$ 160,000
Estimated Market Value	\$ 16,000,000	\$ 16,000,000	\$ 19,200,000	\$ 19,200,000
Project Tax Capacity	\$ 200,000	\$ 115,000	\$ 240,000	\$ 138,000
Local Tax Rate	122.178%	122.178%	122.178%	122.178%
City Tax Rate	29.347%	29.347%	29.347%	29.347%
Market Value Tax Rate	0.22529%	0.22529%	0.22529%	0.22529%
TOTAL PROPERTY TAX	\$ 280,402	\$ 176,551	\$ 336,483	\$ 211,861
TOTAL TAX REVENUE TO CITY	\$ 58,694	\$ 33,749	\$ 70,433	\$ 40,499

Please contact me at 651-697-8595 with any question.

ITEM NUMBER Parking at 1811-1813 Eustis

STAFF INITIAL \_\_\_\_\_

*JAB*

APPROVED BY ADMINISTRATOR \_\_\_\_\_

### DESCRIPTION OF ISSUE AND PAST COUNCIL ACTION:

As part of the 2019 Infrastructure Improvement Project, the City identified driveways that do not conform to code and researched whether the City and/or County had permitted these curb cuts and driveways. In cases where permit records didn't show the driveways and parking spots were lawful, city staff notified the owners that barrier curbing would be installed and that the City could help them remove gravel and reestablish the grassy area if they wished.

At 1811-1813 Eustis Street, the owner was informed barrier curbing would be installed at 1811 Eustis Street thereby eliminating their parking spaces for 1811 Eustis Street but they would receive a curb cut for 1813 Eustis Street as they had the ability to create a code compliant driveway and parking pad on that side of the duplex. After considering his options, the owner asked that both access points be closed so that he could create parking off the rear of his property via the alley. As it is a duplex, he would like to create adequate parking to get tenants vehicles off the street to comply with winter parking rules and because parking on the west side of Eustis Street was eliminated.

Previously, the City has encouraged this in other two to four unit dwellings in down. The issue has not arisen in some time and our recent revisions to the driveway and parking ordinance do not adequately address it. The limitations on parking pads size stem from the presumption that they supplement existing driveways and garages (creating 2-3 parking space on lots). In order to accommodate the necessary parking, the owner of the duplex would need to exceed the 240 square foot limit. He would like to create space for six vehicles.

Staff support this as it will allow for the parking of all vehicles on the subject property and eliminates two non-code compliance gravel driveways in the front yard. Following are three images of 1811-1813 Eustis Street. The first is an aerial showing where the existing parking is located. The second and third show the back yard. The fence would be moved back approximately 25 feet to accommodate parking and snow storage. The final picture is 1759 Pleasant Street where the City worked with the owner about ten years ago to create parking in the rear of the property. They created four parking spaces as they were limited by a telephone pole.

### STAFF RECOMMENDATION:

Motion to allow for the creation of up to six parking space off the alley at 1811-1813 Eustis Street.
