#### 13. ADJOURNMENT

Page 1 of 4 June 11, 2013

Mayor Dains called the City Council meeting to order at 7:33 p.m.

Councilors present: Roxanne Grove, Mary Gaasch, Denise Hawkinson, Lara Mac Lean and Mayor Jeff Dains.

Staff present: Heather Butkowski, City Administrator; Jim Bownik, Assistant to the City Administrator; and Kevin Kelly, Deputy City Clerk.

Mayor Dains asked for changes to the meeting agenda. Butkowski added the Larpenteur Avenue Project to the agenda. Councilor Grove moved to approve the amended agenda. Councilor Gaasch seconded the agenda and it passed unanimously.

Councilor Mac Lean moved to approve the May 28, 2013 City Council meeting minutes. Councilor Hawkinson seconded the motion and it passed unanimously.

Councilor Mac Lean moved approval of the claims totaling \$82,064.90. Councilor Grove seconded the motion and it passed unanimously.

Councilor Hawkinson moved adoption of the Consent Agenda approving the Agreement with Tennis Sanitation for Bulky Waste Collection. Councilor Mac Lean seconded the motion and it passed unanimously.

Informational Presentation:

Bownik stated the Music under the Trees events this summer will be held on June 24 and July 15. The Falcon Heights-Lauderdale Lion's Club is sponsoring the music at this year's events. Schwan's will be handing out frozen treats and will be at Community Park from 3:00-9:00 p.m. with their food products for sale.

Discussion/ Action Items:

Front-Yard Variance Request for 1728 Malvern Street

Bownik said Jeremy and Jessica Newhouse would like to rebuild their fire damaged home 21 feet from the front property line. Due to the average of the adjacent clause in city code, he could build 24.5 feet from the front property line without a variance. He is requesting a 3.5 foot variance from the front-yard setback.

Mayor Dains opened the hearing regarding the variance at 7:45 p.m. Jeremy Newhouse, the owner of the property at 1728 Malvern, addressed the Council. Newhouse stated he would like to encroach into the front setback with the construction of his new home. Newhouse stated he

Page 2 of 4 June 11, 2013

enjoys living in the neighborhood and the setback variance would allow his family to have a larger backyard for his children to play in.

No one else came forward and Mayor Dains closed the hearing at 7:47 p.m.

The Council discussed the comments made by Newhouse during the public hearing and in his application. They felt the request was reasonable as it would make the neighborhood more family-friendly, which is a goal of the City Council.

Councilor Hawkinson moved approval of the 3.5 foot front-yard variance request for Jeremy and Jessica Newhouse, owners of 1728 Malvern Street. Councilor Mac Lean seconded the motion and it passed unanimously.

Skyview Park Fence

Bownik presented quotes for different styles of fencing for the northern property line of Skyview Park. Bownik stated that the Park and Community Involvement Committee recommended a wood cedar privacy style fence. Earl Peterson, owner of 1738 Walnut Street, addressed the Council. He said he would like to see a privacy style fence constructed beyond his clothes line (on City property). Peterson stated there can be quite a bit of noise from the park and suggested the City plant trees or a community garden to help decrease sound from the park. Doug Voges of 1731 Malvern addressed the Council. He stated the Park is in the back of his property and enjoys the Park and the views of the downtown skyline.

Councilors were concerned about the maintenance of the fence and how a community garden would work in this Park space.

Mayor Dains tabled a decision on the fence until the property corners are identified and the exact location of the property line is known.

2014 Police Contract with the City of St. Anthony

The Council had previously reviewed the draft agreement. No changes were recommended so final approval of the agreement was moved.

Councilor Gaasch moved approval of the 2014 Police Contract with the City of St. Anthony. Councilor Mac Lean seconded the motion and it passed unanimously.

Railroad Agreement

To complete the sewer lining project, the City and its contractor need to get a permit from MT Properties (Minnesota Commercial Railway). The agreement was prepared in coordination with the city attorney and legal staff from the League of Minnesota Cities. The permit is ongoing so the City will not need an agreement for any future work on the sewer line.

Councilor Mac Lean moved to approve the agreement with MT Properties as presented. Councilor Hawkinson seconded the motion and it passed unanimously.

Additional Items:

Pedestrian Improvements on Larpenteur Avenue

Geoff Martin from Stantec updated the Council on the progress of the Larpenteur Avenue pedestrian improvement project. Martin segmented the proposed plans into different phases with the costs for each phase itemized. The phases included the area on the north side of Larpenteur from TH280 to Fulham Street. The work incorporated plantings, bus shelters, street lighting, improved and expanded sidewalks, and stormwater improvements.

Councilor Grove moved approval of Stantec continuing to work on the pedestrian improvement plan including ordering lights through the City of St. Paul and bus shelters through Metro Transit. Councilor Hawkinson seconded the motion and it passed unanimously.

Agenda items for the June 25 Council Meeting may include a discussion of the Animal Control Ordinance, the Planned Unit Development agreements with Croix Oil, and further work on the Larpenteur Avenue project.

Mayor Dains explained that the Council was moving into the work session. Work sessions are a continuation of the meeting but not aired on community television.

Mayor Dains asked if anyone wished to address the Council.

Brian Olson of 1592 Roselawn Avenue in Falcon Heights addressed the Council. He noted that the addresses of the properties being discussed in the closed session were not included in the packet. Mayor Dains responded that he would be reading the addresses into the public record prior to closing the meeting.

June 11, 2013

The Mayor said the Council was going into a closed session to discuss the purchase of real property. The addresses of the properties being discussed are 2424, 2430, 2436, and 2448 Larpenteur Avenue.

Closed Session:

The Council went into closed session at 9:28 p.m.

The Council came out of closed session at 10:15 p.m.

The Mayor announced that the Council had taken no action during the closed session.

There being no further business on the council agenda, Councilor Hawkinson moved to adjourn the meeting. Councilor Gaasch seconded the motion and it carried. The meeting adjourned at 10:15 p.m.

Respectfully submitted,

Kevin Kelly

Deputy City Clerk

# MINUTES MONDAY, JUNE 3, 2013 PARK & COMMUNITY INVOLVEMENT COMMITTEE

1. CALL TO ORDER

6:40 p.m.

#### ROLL CALL

Members Present: Matt Eisenschenk, April Brandt, Nate Downing, Members Absent: Annie Downing, Trygve Hansen, Monica Gallagher,

Marilyn Smith, Susie Zahratka

Staff & Council Present: Jim Bownik

Others Present:

### 3. APPROVAL OF THE AGENDA

Brandt motioned to approve the agenda, second by N. Downing. Motion carried unanimously.

### 4. APPROVAL OF MINUTES OF MARCH 18, 2013 MEETING

Brandt motioned to approve the minutes, second by N. Downing. Motion carried unanimously.

#### REPORTS

### A. Skyview Park Fence

Bownik reported on the planning for a fence at Skyview Park, 1730 Walnut Street. The adjacent property owner, Earl Peterson (1738 Walnut), has been contacted to let him know. Mr. Peterson has said he would prefer the City sell him 10 feet of the park property to use as a buffer, but there does not appear to be support for that. Thus, the plan is to install a fence on the property line between his property and the Park. Mr. Peterson has expressed that if a fence were installed, he would prefer a privacy fence to help mitigate the sounds from the Park.

The Committee supported the fence project and recommended a wood cedar privacy fence.

#### 6. DISCUSSION/ACTION

### A. City-Wide Garage Sale Wrap Up

Bownik reported 18 registered sales this year, compared to 22 last year. It rained in the morning, but cleared up for the afternoon. Annie and Nate Downing made and painted new sandwich board signs.

### B. June & July Music Under the Trees Planning #2/2

Bownik provided an update on plans for the event. Sweet Rhubarb will perform Monday, June 24, and Blue Stratum will perform Monday, July 15. Both performances will be at 7:30 p.m. Hamline Auto Body sponsored the summer music the past three years, but a sponsor is not yet in place for this year. Schwan's will provide frozen treats and a fundraiser again. Brandt helped get the performance agreements signed by the musicians. Brandt and Eisenschenk volunteered to help distribute frozen treats, as needed.

### C. Day in the Park Planning #1/2 (Saturday, August 17)

The committee discussed plans for the event. The time will be the same as last year, 12-3 p.m. Bownik has arranged for the Lazy Does It Dixie Land Band, as well as the Wraps & Apps Food Truck again. Brandt suggested two food trucks be considered next year. Bownik will work on other details such as a bounce house, letters to local businesses, and volunteers.

### 7. OTHER BUSINESS

### 8. SET PRELIMINARY AGENDA FOR NEXT MEETING

Eisenschenk read the preliminary agenda for the next meeting.

### SET DATE FOR NEXT MEETING

The committee meets on Mondays at 6:30 p.m. The next meeting will be Monday, August 5 at 6:30 p.m.

#### 10. ADJOURNMENT

Brandt motioned to adjourn the meeting, second by N. Dowling. Motion carried unanimously and adjourned at 7:56 p.m.

Respectfully submitted,

Jim Bownik Assistant City Administrator PCIC Staff Liaison

### CITY OF LAUDERDALE COUNTY OF RAMSEY STATE OF MINNESOTA RESOLUTION NO. 062513A

RESOLUTION OF THE COUNCIL OF THE CITY OF LAUDERDALE APPROVING A 3.5-FOOT VARIANCE TO THE 24.5-FOOT FRONT YARD SETBACK REQUIREMENT FOR NONCONFORMING SETBACKS TO POSITION A NEW HOME 21 FEET FROM THE FRONT PROPERTY LINE AT 1728 MALVERN STREET

**WHEREAS**, Jeremy & Jessica Newhouse applied for a 3.5-foot variance to the 24.5-foot front yard setback requirement for nonconforming setbacks to position a new home 21 feet from the front property line; and

**WHEREAS**, Jeremy & Jessica Newhouse own the property at 1728 Malvern Street, which is legally described as:

PIN: 172923330068 Lot: 25, MANUEL'S ADDITION

WHEREAS, notification letters went to property owners and residents adjacent to the subject property; and

WHEREAS, Section 10-8-6 (Nonconforming Setback Requirements in R-1) requires a 24.5-foot setback from the front property line for the principal structure; and

WHEREAS, a new home is proposed to be situated 21 feet from the front property line; and

WHEREAS, the Lauderdale City Council has made the following findings:

- The applicant enjoys living in the neighborhood and the setback variance would allow their family to have a larger backyard for their children to play in.
- The variance would make the neighborhood more family-friendly, which is a goal
  of the City Council.

**NOW, THEREFORE, BE IT RESOLVED,** that the City Council of the City of Lauderdale, does hereby approve a 3.5-foot variance to the 24.5-foot front yard setback requirement for nonconforming setbacks to situate a new home 21 feet from the front property line, based upon the above findings.

**COUNCIL ACTION:** 

#### **PERMIT**

THIS AGREEMENT, made and entered into this 11th day of June, 2013 by and among M T PROPERTIES, INC., 2380 Wycliff Street, Suite 100, St. Paul, MN 55114, a Minnesota corporation ("MT"), and the city of Lauderdale, 1891 Walnut Street, Lauderdale, MN 55113, a municipal corporation under the laws of Minnesota (the "City"), and Visu-Sewer, Inc, a corporation under the laws of Minnesota (the "Contractor") acting for the City. The City and the Contractor are hereinafter called, collectively, the "Permittees".

#### WITNESSETH:

- 1. In consideration of the terms and conditions hereinafter set forth, MT grants to Permittees permission to install, maintain, and repair certain sanitary sewer linings under, across, and along the railroad right-of-way of MT property along TH 280 in the City of Lauderdale, Minnesota (the "Property") and legally described in Exhibit A attached hereto. The general alignment for said installation is depicted on Exhibit "B" attached hereto and by reference made a part hereof.
- 2. MT grants to Permittees the right to enter upon the Property of MT, and its lessee, Minnesota Commercial Railway Company ("MC") in the vicinity of the location aforementioned at all times with its employees and equipment for the purpose of installing, maintaining and repairing the said sanitary sewer fixtures and appurtenances. All work permitted herein shall be done and at all times maintained, repaired or renewed and the permission herein granted shall be in such a manner as to cause no interference with the continuous and uninterrupted use of the tracks and Property of MT and MC and nothing shall be done or suffered to be done by Permittees that will in any manner impair the safety of the use of the Property by MT or MC. Permittees shall give to MC at least seven (7) days advance notice of any work to be done by Permittees or its agent on the Property.
- 3. This permission is granted subject to the needs and requirements of MT and MC in the operation and use of the tracks and right-of-way herein referred to. It shall not interfere with the right of MT and MC to make changes in existing tracks or affect the installation or operation of additional tracks or structures. This permit is further granted subject to any outstanding agreements made by MT and MC for the use of its tracks or property affected by the same and subject to the right of MT and MC to enter further and different agreements for the use of its tracks and Property affected, which further and different agreements shall not prevent the Permittees from carrying out the terms of this Agreement.
- 4. Permittees shall observe and comply with all laws or ordinances and the direction of any public authority respecting the installation of the sewer lining.
- 5. The entire cost and expense of the installation, maintenance, repair, or renewal of any

sewer linings or any expense incidental thereto or removal shall be borne solely by Permittees. All work done affecting the track and Property of MT and MC shall be done under the direction of the chief engineer of MT and the general manager of MC and all plans and methods of installation, or renewal or change thereof shall be approved by them before work proceeds.

- 6. After completion of the installation herein permitted, or any subsequent repair thereto or renewal thereof or changes therein, Permittees shall remove from the right-of-way of MT and MC to the satisfaction of the chief engineer of MT and the general manager of MC all debris and all false work and the like used in the installation or repair work.
- 7. Permittees agrees to indemnify and save harmless MT and MC, and any and all railroads using the Property and tracks of MT and MC in the vicinity of said Property, from any and all claims for loss, damage and injury of every kind and nature, and all costs, expenses and attorney's fees incident thereto, which MT and MC or any of said railroads may sustain or incur by reason of Permittees' negligence in use of the permission herein granted.
- 8. To effectuate the indemnification provisions of paragraph 7 hereof, Permittees shall procure and keep in force during the term of this Agreement or any extension thereof a public liability insurance policy written by a company duly authorized to carry on business in the state of Minnesota, terms of which policy shall protect MT and MC and/or said railroads from any and all claims; or, in the alternative, Permittees shall procure and keep in force during the terms hereof for the protection of MT and MC and said railroads an insurance policy rider to any liability insurance policy it may now have in force.

A certified copy of said insurance policy and/or rider shall be furnished to MT prior to use by Permittees of the permission herein granted and the same shall be subject to approval by MT as to the company writing the same, the form and the substance thereof.

Said insurance policy and/or rider shall provide for a minimum coverage of not less than \$1,500,000\subseteq 500,000 for each person and \$1,500,000 for each occurrence and property damage limits of liability of not less than \$6,000,000 aggregate. The City may provide insurance coverage through the League of Minnesota Cities Insurance Trust, using standard coverage forms, in an amount equal to the maximum liability applicable to municipalities under Minnesota Statutes, section 466.04, subd. 1, as amended.

- 9. For the privileges herein granted, Permittees shall pay a one-time permit fee of \$1,500.00 payable in advance.
- 10. Permittees shall not transfer or assign this permit without the written consent of MT; and, subject thereto, it shall be binding upon and inure to the benefit of the respective successors and assigns of the parties hereto.
- 11. This permit is effective as of the date hereof and shall remain in full force until cancelled in writing by either party on ninety-day (90) day notice or until such time as Permittees ceases to maintain and operate said sewer linings. If Permittees shall at any time cease to and/or fail to faithfully perform every provision of this Agreement, MT may forthwith terminate this permit.

- 12. On or before the effective date of termination and/or cancellation of this Agreement, Permittees shall and will, at its sole expense, restore the Property to its former condition, to the satisfaction of the chief engineer of MT and the general manager of MC.
- 13. Any notices given under the provisions of this Agreement shall be good if deposited postpaid in a U.S. post office addressed to Permittees at Permittees' post office address stated above or as otherwise directed by Permittees.

IN WITNESS WHEREOF, the Parties hereto have caused this agreement to be duly executed as of the day and year first above written.

Motion to approve the right-of-entry agreement with Twin City Die Casting as presented.

## COUNCIL ACTION:

#### RIGHT OF ENTRY AGREEMENT FOR SEWER SERVICE LINING PROJECT

This Right of Entry Agreement (the "Agreement") is made on this day of day of \_\_\_\_\_\_\_, 2013 by and between the city of Lauderdale, a Minnesota municipal corporation (the "City"), and Twin Cities Die Casting (the "Owner").

#### I. RECITALS

- 1.01. The Owner is the fee simple owner of real estate located in Lauderdale and which is described on Exhibit A attached hereto (the "Property").
- 1.02. The City wishes to enter the Property to line and/or repair a municipal sanitary sewer line located on the Property.
- 1.03. It is understood that in executing this Agreement, the Owner will not be granting any permanent interest in the Property to the City nor exclusive use or possession of the Property to the City.

#### II. AGREEMENT

NOW, THEREFORE, in consideration of the premises and their mutual promises, the parties hereto hereby agree as follows:

- 2.01. <u>Right of Entry</u>. Effective upon the date hereof, the Owner hereby grants to the City, its agents, employees, contractors and invitees, the right to enter upon the Property for the purpose of making inspections, investigations, and lining of the sanitary sewer on the Property.
  - 2.02. Consideration. In consideration for such right of entry, the City agrees to:
  - (a) Notify the Owner of the date and time when work on the Property will commence under this Agreement at least five business days prior to doing any work on the Property;
  - (b) Dispose of all construction debris generated during the course of repair of the sanitary sewer and other related work on the Property in accordance with applicable state and local laws, rules and regulations;
  - (c) Complete installation of the sanitary sewer lining and/or repair and other activities permitted under this Agreement, by October 12, 2013 unless such period is extended in writing by the City and the Owner;
  - (d) Do no unnecessary damage to the Property and restore the Property to substantially the same condition as the condition in which it was found by the City at the time of entry upon the Property pursuant to this Agreement;

- (e) Hold the Owner harmless from and indemnify it for any and all claims, damages, judgments or obligations, including the cost of defense of suit, arising out of damage to property or arising out of injury to anyone incurred or alleged to have been incurred in connection with or as a result of any work done pursuant to this Agreement;
- (f) Neither the City, nor its employees, contractors nor invitees shall cause, suffer or permit their activities on the Property to interfere with the current use of the Property and the activities of the Owner which are currently being conducted on the Property, except such interference as is necessary and related to repair of the sanitary sewer.
- 2.03. Governing Law. This Agreement shall be interpreted in accordance with and governed by the laws of Minnesota.
- 2.04. <u>Notices and Demands</u>. All notices, demands or other communications under this Agreement shall be effective only if made in writing and shall be sufficiently given and deemed given when delivered personally or mailed by United States certified mail, return receipt requested, postage prepaid, properly addressed as follows:

(1) If to City:

City of Lauderdale 1891 Walnut Street

Lauderdale, MN 55113 Attn: Heather Butkowski

(2) If to Owner:

Twin Cities Die Casting 1070 33<sup>rd</sup> Avenue Southeast Minneapolis, MN 55414 Attn: Doug Harmon

or to such other persons as the parties may from time to time designate in writing and forward to the other persons entitled to receive notice as provided in this section.

2.05. Amendment. This Agreement may be amended by the parties hereto only by written instrument executed with the same procedures and formality as were followed in the execution of this Agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed in their names and on their behalves on or as of the above date.

## DESCRIPTION OF ISSUE AND PAST COUNCIL ACTION:

Geoff Martin will be at the meeting to present the concept plans to date. I have included materials he prepared. I also include the timeline he prepared. He would like to go out for bids as soon as possible and will discuss with the Council some revisions he has made to what was previously discussed.

I sent the attached letter to the homeowners along Larpenteur Avenue. I heard from about half of them. Some sent me responses by e-mail; those are included. In summary, the biggest concern is snow removal. Since Larpenteur is five lanes wide, the properties along Larpenteur Avenue get a fair amount of snow. The road is also plowed a number of times during snow events so they feel the shoveling could be overwhelming. Other concerns included the removal or damaging of trees, loss of yard, and people walking close to the fronts of homes. Brandychase's additional concern was the future placement of the sidewalk. Ordinance currently makes the adjacent property owner responsible for maintenance and replacement. They would need to add the sidewalk to their reserve plan and begin collecting from homeowners for that.

The concern about snow removal is not uncommon. Some cities have started removing snow in the high traffic areas of cities. If the Council wanted the City to take a role in snow removal, staff will provide more details at a future meeting about what that could look like. There are a number of ways that cities do that.

The property owners on the block between Carl and Pleasant were less supportive of the sidewalk idea. The owners from Eustis to Carl expressed support (except for the one I didn't hear from).

I have heard that a couple of residents may attend the meeting. Luke McGregor, President of Brandychase's Association, also said he plans to attend. Overall, the meeting will provide the Council an opportunity to further refine the scope of the project. Based on the discussion, further surveying work make be needed between Eustis and Fulham. The cost estimate is \$3450.00 but that could change based upon the discussion.

Dear Ms. Ortiz,

The City Council has had a long-standing goal to make the City more pedestrian friendly. This summer the City may have the opportunity to improve walkability along the north side of Larpenteur Avenue. This may include new stretches of sidewalks where they currently do not exist and pedestrian oriented lighting.

One area being considered for improvement is in front of your home. I would like to discuss this matter with you further. In order for the project design to move ahead for construction this year, I would like to make contact with you by Friday, June 21. That way I can relay your perspective to the City Council at their Tuesday, June 25 City Council meeting. If I do not hear from you, I will presume that you do not have questions or concerns regarding the proposed improvements.

You can reach me in a number of ways. My direct dial phone number is 651.792.7657 and my email address is <a href="mailto:heather.butkowski@ci.lauderdale.mn.us">heather.butkowski@ci.lauderdale.mn.us</a>. Generally, I am also available at City Hall between 8:00 a.m. and 4:30 p.m. Monday through Friday. Please call me before you stop by to make sure I am in the office.

Sincerely,

Heather Butkowski City Administrator

Subject:

Sidewalk project.

Heather,

I, along with everyone on the block between Carl and Pleasant am against this proposal. Yards are almost non existant as it is and with the chemicals that are used on the roads it makes the snow ridge impenetrable with shovels. My renters would probably not shovel this stretch of sidewalk and I can't afford to be fined. Furthermore I'm not in a position to pay additional taxes for these improvements.

Best Regards,

Kathy Toner 2387 Larpenteur 2379 Larpenteur Ave West Lauderdale, MN 55113 6/16/2013

To Whom it May Concern:

I have several questions and comments regarding putting a walking trail on the North side of Larpenteur Avenue between Eustis Street and Pleasant Street. This area is mainly residential.

If these sidewalks and lights are installed, who will be responsible for shoveling and maintaining the sidewalks and pedestrian lights? Who will be taxed for these changes? How much will it cost? I know that I personally have trouble shoveling the three feet at the end of my sidewalk as the County plows go very fast and pack the snow extremely hard. They keep coming back sometimes ten or more times per storm. It sometimes takes me days just to clear my sidewalks and driveway. The area at the end of my sidewalk leading to Larpenteur is the last thing I do because I have to use an ice chisel and a coal shovel to clear it out. I have even had the chunks of snow from the snow plows hit my house. No one will be able to shovel this or even snowblow it with a standard snow blower. It will have to be someone with a stronger snow blower like the ones the maintenance crews use that take care of the South side of Larpenteur. Also, we lost 3 feet of our property when Larpenteur was widened. Now we would lose even more lawn and have people looking into our windows. Now they walk on the South side of Larpenteur or down our alley and it is not an issue. It appears that we would all be losing our trees. I don't want to lose my tree. It is now finally big enough to shade my house. Also, my new retaining wall and lamp post are just inside where I believe the easement is. Would they be damaged in the process? If so, who will pay for replacement or repair? That could be \$8,000. How far in is the easement?

### My proposal:

I think it would be a lot cheaper and more user friendly to improve the alley just North of Larpenteur behind our properties. People are already using it. There are already a couple of lights in the alley. If you added lights to the other poles and took over maintenance and electrical charges on the ones that are already there it would be a lot cheaper than installing lights on the North side of Larpenteur. Also, the ones on the South side are bright enough to light the North side. The biggest thing that you would need to do is do a better job of plowing the alley. It gets full of ruts and gets very icing when it isn't plowed correctly or often enough in the Winter.

I also propose that you work with Ramsey County and install a traffic light at the corner of Larpenteur Avenue and Pleasant Street. This would help people who are out walking. People are having to run across 5 lanes of traffic to get to the bus, the swimming pool, the Nature Area and trail or the city park. I see many families trying to cross there and sometimes it is a little scary watching them with their strollers, etc. I also see children trying to cross by themselves. It would not have to be a full-fledge light. I believe that one could be installed for pedestrians to use to cross the street. If they painted a cross walk there and put in flashing yellow lights with a button for pedestrians it would help a lot. Right now cars don't slow down for pedestrians at this crosswalk or the one on Fulham Street. Cars speed on Larpenteur Avenue constantly, including Police cars, especially between 1 AM and 3 AM.

I believe that my proposal would be cheaper and more user friendly. I believe that the people out walking will continue to use our alley instead of walking so close to Larpenteur Avenue, especially the ones with children and/or dogs.
