Dear Mark,

I have decided to resign from the Planning Commission at the end of my term and not apply for another term. I believe the current talent on the Planning Commission is very strong and it is a good time for me to step down.

Thank You!

I appreciate the opportunity I have had to get to know you. Thanks for all your help - it was interesting (trying) but you were a great help!

I will miss it, but it is in good hands - that is if Erica stays around! :-)

Sincerely -

Brian Hechler
