

**City of Falcon Heights  
Environment Commission  
Meeting Minutes  
November 10, 2014**

Present: Commissioners Patti Holmes, Peggy Hall, Kathryn Hartman, Staff Liaison Chelsea Petersen

Absent: Councilmember Beth Mercer-Taylor, Commissioners Rebecca Montgomery, Jeff Connell

Other Attendees: David Murphy, Josh Johnson

1. Approval of Minutes from October 13, 2014 - Approved
2. **Check in on Do Green in Falcon Heights**  
David Murphy stopped in to see if there had been any additional conversation on the conversion to single hauler, and there had not been. Commissioners advised that this has been brought up in the past and that they can do some research but they won't do any extensive work without a Council directive. David said he would contact the City Administrator and City Council as needed.
3. **Car2Go - Josh Johnson**  
Josh presented on the car share service and asked about the possibility of getting a contract with the City of Falcon Heights. Commissioners voted to recommend in favor of a contract with Car2Go to City Council. Staff will work on a contract to bring forward at a later date.
4. **Sustainability Fair - Commission Involvement**  
The Commission will have a display similar to the one used at the Ice Cream Social.
5. **Information and Announcements**  
None.
