CITY OF FALCON HEIGHTS

Regular Meeting of the City Council City Hall 2077 West Larpenteur Avenue

AGENDA March 27, 2019 at 7:00 P.M.

A. CALL 10 ORDER:			
B. ROLL CALL: Vacant Seat LEGUSTAFSON_X	EEHY_X	_ HARRIS_X	_MIAZGA _X
STAFF PRESENT: THONGVANH	X		

C. PRESENTATION

1. Appointment of Council Member Randy Gustafson to Mayor and Oath of Office

City Administrator Thongvanh

The Agenda is to appoint Councilmember Randy Gustafson as Mayor and do the Oath of Office. The Council will have to take a vote to elect Randy Gustafson as the mayor and adopt the resolution to appoint Randy to the seat and declare of a vacancy on the Council.

Mayor Pro-Tem Leehy stated that they would need a motion for Resolution 19-12 to appoint Randall C. Gustafson as Mayor and declare a vacancy on the Council.

Council Member Harris Moved, Approved 4-0

2. NYFS Annual Report – Jerry Hromatka

Jerry Hromatka

NYFS has been around for 42 years, and the primary population is from 5 - 21 years old (youths, adults, and families). The annual budget is \$3.3 million (Day Treatment 38%, OPMH 35%, Com Service 12%, Admin 4%, Development 6%, and Building 5%) and the organization focuses on Mental Health, Day Treatment, and Community Services. NYFS revenue sources come from Contracts, Fees, Grants, and Contributions. Your support buys services for residents are assured, benefits (Educational attainment, Effective workforce, Citizenship), reduce costs to public, and leverage outside resources.

The 2017-2018 Service Summary provides the number of Falcon Heights households that received services from NYFS. In 2017, Counseling was \$450, Diversion was \$1,237, Senior Chore (seniors/youth) was \$120, Cost of Contracted was \$1,807, Non Contracted was \$12,790, and City Contract \$9,017. As of September 2018, Counseling was \$3,387, Diversion was \$620, Senior Chore (seniors/youth) was \$1,308, Cost of Contracted was \$5,315, Non Contracted was \$63,406, and City Contract \$9,399.

NYFS future events are Leadership Lunch on May 1st and Taste of Northeast on October 10. Everyone is welcome to attend the event.

D. APPROVAL OF MINUTES:

1. March 13, 2019 City Council Meeting Minutes

Council Member Leehy

Prior to the meeting, I sent the grammatical errors to City Administrator Thongvanh.

City Administrator Thongvanh

Another change is the spelling of the word Mayor.

Council Member Leehy Moved, Approved 4-0

E. PUBLIC HEARINGS:

F. CONSENT AGENDA:

1. General Disbursements through: 3/20/19 \$173,448.97

Payroll through: 3/15/19 \$19,377.07

- 2. Approval of City License(s)
- 3. Council Appointments as Liaison for City Commissions
- 4. University of Minnesota Good Neighbor Fund

City Administrator Thongvanh

Item F3: Council Appointments as Liaison for City Commissions

Due to Mayor Peter Lindstrom's resignation, there is an open seat for a liaison in the Environment Commission. Council Member Miazga used to be the Chair for the Environment Commission, and with his experience and passion, I think it is a good idea for him to be the liaison.

Item F4: University of Minnesota Good Neighbor Fund

The city continues to apply for the University of Minnesota Good Neighbor Fund to enhance operations throughout the city. In the past, we used the fund for Piano in the Park and Fix-it stations. We are applying for the fund again, and it will focus on "Cultivating a Caring Community" theme. The funds will go towards building a storage shed for sports equipment at Curtiss Field, story time with Falcon Heights elementary students and area seniors, and Rec on the Go.

Council Member Leehy Moved, Approved 4-0

G. POLICY ITEMS:

1. 2018 Ramsey County Multi-Hazard Mitigation Plan

City Administrator Thongvanh

The Multi-Hazard Mitigation Plan (MHMP) is a requirement of the Federal Disaster Mitigation Act of 2000 (DMA 2000). The development of a local government plan is required to maintain eligibility for federal hazard mitigation grant funding programs. For communities to be eligible for future mitigation funds, they must adopt an MHMP. The plan intends to reduce the actual threat of specific hazards by limiting the impact of damages and losses.

City Council asked Bryan Mayer from Ramsey County to elaborate Number 16, Severe Winter & Summer Storms, because the status is new. Mr. Mayer stated that one of the larger items is to bury the power lines. One of our biggest concerns are ice storms because power lines primarily come from trees or built from ice. In the wintertime, it takes a long time to get heat back on. Heat does not work in houses unless the power is working. In Minnesota, if the temperature drops down below zero and following an ice storm, it will be dangerous. It is a new development and we will work with power utilities to bury the power lines. It will also be in zoning, planning and 2040 Comprehensive Plan and it will point to the mitigation plans. If funds become available, it is certainly something we can pull it in to assist with it.

Council Member Leehy Moved, Approved 4-0

2. Resolution of Support for Grant Application for Redevelopment at 1667 Snelling Ave (Formally TIES Building)

City Administrator Thongvanh

The building at 1667 Snelling Ave (formally TIES/Sourcewell) is in the final phases of being sold. The new owner, Buhl Investors, is making plans for how to redevelop the property. In order to recover some of these clean-up costs, Buhl Investors, and Braun Intertec Corporation plan to submit a grant application for the Metropolitan Council's Tax Base Revitalization Account. If awarded, the City would be the grantee and agree to be a legal sponsor to administer the funds appropriately. A separate agreement between the City and Buhl Investors will be needed if the grant is awarded.

Peter Deanovic (Buhl Investors)

Resolution 19-13 is to proceed with a plan we have to reinvigorate at the TIES Building. As you may be aware, Sourcewell recently vacated the property and is looking to sell the building. Buhl Investors stepped in and are in the purchase agreement process with Sourcewell. As a 1940s building, it needs asbestos mitigation and other maintenance that was deferred over many years. We are asking the City's support in customary and requesting grant funds from a group like Met Council to assist with the expenses associated with removing the asbestos.

Council Member Miazga asks if he can distinguish Falcon Heights being in the legal sponsor versus a partner. Mr. Deanovic stated that he does not know, but the letter before Council is

what the Met Council request from any municipality that would be receiving grants and put them towards an individual project such as the TIES Building.

Council Member Harris asked Mr. Deanovic why Buhl Investors want to buy the property, how they would use it, and are they leasing it to others. Mr. Deanovic answered that the firm has a long history of acquiring assets that do not have occupancy. When it was identified as a property that was going to be vacant, we thought it was well suited for our skills and step in to improve something that becomes vibrant to the city. We plan to lease it to others for office use and believe it is a once in a lifetime opportunity.

Council Member Miazga Moved, Approved 4-0

3. City Council Vacancy

City Administrator Thongvanh

In the last Regular City Council meeting, the Council accepted Peter Lindstrom's letter of resignation and declared a vacancy on the Falcon Heights City Council. Minnesota Statute states that the City Council "Shall" appoint, but it does specify when the City Council has to fill the vacant seat. The Council does have to appoint someone before the end of the term, which is December 30th, 2019. There are three options, and the City Council must choose the following three:

- Option #1: Take Applications and Interview
- Option #2: Hold a Special Election This can only be during designated dates and times (August and November) allowed by Ramsey County. It will cost the city up to \$10,000.
- **Option #3: Appointment** The City Council can appoint a person for the vacancy. The Council does have the option to appoint after the November election when the voters have decided a candidate.

Council Members Miazga, Leehy, and Harris like Option #3 because it saves the city money, can appoint a person for the vacancy, and citizens can choose someone in the November election. Mayor Gustafson likes Option #1 where the city takes applications and interviews.

Council Member Harris Moved, Approved 3-1

H. INFORMATION/ANNOUNCEMENTS:

1. April 3, 2019 City Council Workshop Rescheduled for April 10, 2019 after the Regular City Council Meeting

Council Member Miazga

· NYFS and the Bonding work are keeping me busy.

Council Member Leehy

· I received an invitation to speak on Sunday at the Falcon Heights United of Christ. It was an enjoyable opportunity to interact with everyone. I represented two presentations that were brought to the city already and looked at the essential items. The two things

Page 4

that stood out were the food trucks and surveys (S.O.S and Community Survey). They appreciate the efforts that the city is doing to create more inclusive and cultivating a caring community.

· Parks Commission is meeting Monday, April 1st at 6:30PM.

Council Member Harris

Last night, the Planning Commission met and discuss the changes to the 2040 Comprehensive Plan because the Met Council made some comments. We decided on recommendations that would be presented to the City Council, and one of them is building heights. Also, we had two residents who attended the meeting. One was a parent and a high school student. The high school student was interested in a planning career, and we invited them to contact anybody who works in planning; such as Justin and continue to attend our meetings.

Mayor Gustafson

- · Community Engagement Commission met on Monday. We discussed Spring Together, Neighborhood Liaison, Neighborhood Watch Program, and youth engagement ideas that revolves around "Cultivating a Caring Community".
- Spring Together is on June 8, 11AM 2PM at Curtiss Field Park.

City Administrator Thongvanh

- Due to a death in Ron Rabinovitz's family, we had to reschedule the event to Thursday, May 23, 7pm at City Hall. We hope everyone can make it.
- We will continue to work with the Fire Department in terms of structure. Mayor Gustafson, Council Member Leehy, and I will schedule individual meetings with Assistant Fire Chief, Captains, and all fire department employees.
- · Tim Pittman, Public Works Director and I have been working together to replace the dump truck. The good news is that it will not cost the city \$150-160,000 and is looking at \$80-90,000. The bad news is that the county is going the dual axle route instead of a single axle. This means the turning radius will be wider and it will be difficult to go through the University Grove and narrow roads in the community. That is a concern for us. The best option is to retain the old truck as a backup. We need to look at different options and structures.
- Regarding the half basketball court in Curtiss Field, we originally wanted it in last fall, but with the rain for three straight weeks and snow, we did not make it in time. Once the snow thaws and the ground is dry, we will put the half basketball court in.

I. COMMUNITY FORUM:

Bryan Sullivan (1802 Eustis, Lauderdale, MN)

I want to talk about your management team. You stated that the safety of the community and fire department is a priority and I call BS on that. The Fire Department is in a very valuable state right now. If we get a real emergency, it is not going to be good. You expect one of those management team members to run complex fire incident baffles me. None of them has been in command or leadership roles. I have a newborn son at home, and I do not know if I am going to go in a burning house with someone who is in command and have never walked in those

Page 5

shoes. If that does not bother all of you, then I do not know what will. Nobody here has the experience, knowledge, certifications, and insight scope on this City and Fire Department more than Rich did. You made a big mistake. It is very evident when all the community members came up and spoke in the last few weeks. Make this department safe again and bring Rich back.

In addition, I want to address about the names that appeared in the newspapers. It was embarrassing to Ben Smith and me. We were both told that this incident was classified and would remain in personal files. It is the city's responsibility to protect the names and by releasing it shows the incompetence of our administration and the lack of compassion you have for your employees. I trust the administration and council to have the names remain confidential, yet you betrayed my trust and faith. In last week's meeting, Ben wanted to know who was responsible for releasing the information to the news stations and so far, no one took responsibility for it. It upsets me because my file was not requested yet my personal information was released. This leads me to file a Workplace Hostile Work Environment against our city administrator because this was blatantly careless and hurtful. You fired Rich for the wrong reasons, and you owe it to the community to make it right.

Dale Ehuff (1795 Fry St)

I am a former firefighter for about ten years. I received an email that Rich was terminated and it is unbelievable. You made a big mistake. I do not know what were you thinking when you released the files but whoever released them should be fired as well. Hire him back because you can never replace him. You made a mistake.

Daryle Goodmanson (1803 Malvern St, Lauderdale, MN)

I want to talk about the 22 minutes fire response. In the last meeting, one of the council members stated that the fire chief had the highest percentage of being the first one on the job but not over 50%. Rich has his phone on whether he was on vacation or not. He does what he has to do whether he is in Florida or other places. His mind is always in the fire department. Rich does not just go on vacation and be on vacation. He is a firefighter, fire chief, and more knowledgeable than anybody is. I do not see the fire department getting any better unless he returns.

The City Administrator stated that one person does not make a fire station and I disagree with that. If you have a person in any business and is knowledgeable, get the company going, and good with his employees then his business will thrive. If not, his business will not last. Rich has built this Fire Department, and you fired the wrong person.

Steve Scott (Arden Hills Council Member)

My wife and I are part of the Ramsey County yellow ribbon network and assist veterans who are currently deployed and after when they return. Ramsey County oversees the north metro cities, and Falcon Heights is one of them. I will send some network information to you and get more representations from Falcon Heights. Ten years ago, a group of three Gold Star (a family that lost a service member in combat) families decided to establish an education fund to fallen soldiers. They hosted an Ice Cream Social event in their backyard and did not expect over 400 people. They continue to host the event at an outdoor venue park and added a 5K run and other outdoor activities. The event continues to grow throughout the years, and five years ago,

Page 6

they moved the event to Arden Hills Army Training Site. This year's Ice Cream Social is on Sunday, April 28, at Arden Hills Army Training Site from 10 AM - 3 PM. This year's guest speaker is Chaplain John Morris. If you are interested in participating in the 5K run or 3K run, please register at www.scoopsfortroops.net.

Mayor Gustafson asked Mr. Scott to send the electronic flyer to City Administrator and the city will put it on the newsletter.

Tom Brace (1433 Idaho Ave)

Have you considered hiring someone that is skilled in conflict resolution that can help bridge this situation? It is not common for a fire chief to get crosswise or uncoordinated with the council and mayor. What is the level of fire suppression activities of your current management staffs? Fighting fire requires a great deal of training, experiences, and leadership. As a city, you want to make sure that whoever is in charge has the experience to do it. I am not putting a negative on the staffs and council, but Falcon Heights has enjoyed a good fire department for a long time.

J. ADJOURNMENT: 8:47 P.M	
	Randy Gustafson, Mayor
Dated this 27th day of March, 2019	
Sack Thongvanh, City Administrator	

REQUEST FOR COUNCIL ACTION

Meeting Date	April 10, 2019
Agenda Item	Consent F1
Attachment	General Disbursements and Payroll
Submitted By	Roland Olson, Finance Director

Item	General Disbursements and Payroll
Description	General Disbursements through: 4/04/19 \$273,925.70 Payroll through: 3/31/19 \$18,283.54
Budget Impact	The general disbursements and payroll are consistent with the budget.
Attachment(s)	· General Disbursements and Payroll
Action(s) Requested	Staff recommends that the Falcon Heights City Council approve general disbursements and payroll.

Submitted By	Nalisha Nandkumar, Assistant to the	
	City Administrator	

Item	Commonwealth Terrace Cooperative (CTC) Recreation Programming	
Description	Falcon Heights has been partnering with Commonwealth Terrace Cooperative (CTC) in offering reduced pricing for youth programs and activities as part of the Parks & Rec program. CTC residents receive a discounted offer through their program guide and pay the amount advertised. CTC is invoiced at the end of the program season to match the amount paid by participants as part of the agreement. For the 2018 year CTC has offered their residents scholarship funds of \$570. There were 8 participants in the Messy Art session 1 program, 7 participants in the Messy Art session 2 program and 9 participants in the Discovery Playgrounds program. The Parks & Rec program would like to continue this indemnification agreement with CTC for the 2019 season.	
Budget Impact	CTC residents will pay the advertised program pricing on the specific program guide issued only to CTC residents. CTC will be invoiced at the end of the program season about matching the amount that each participant paid in order to cover the overall program cost to the Parks & Rec department.	
Attachment(s)	· 2019 Indemnification Agreement	
Action(s)	Staff recommends continuing agreement with CTC and authorize the City	
Requested	Administrator and Mayor to execute all necessary agreements.

INDEMNIFICATION AGREEMENT BETWEEN THE CITY OF FALCON HEIGHTS AND COMMONWEALTH TERRACE COOPERATIVE (CTC)

THIS INDEMNIFICATION AGREEMENT ("Agreement") is made as of _______, 2019, by and between the CITY OF FALCON HEIGHTS, a Minnesota municipal corporation ("City") and Commonwealth Terrace Cooperative (CTC), ("CTC").

RECITALS

A. City of Falcon Heights intends to conduct sports programs at Commonwealth Terrace Cooperative (CTC), 1250 Fifeld Ave. St. Paul, MN 55108 from June 10, 2019 through November 30, 2019.

AGREEMENT

1. CTC agrees to conduct recreation programs in accordance with applicable government regulations and utilize usual and customary safety procedures.

2. **Indemnification and Insurance.**

- (a) Commonwealth Terrace Cooperative (CTC) agrees that it will at all times defend, protect, indemnify, and hold harmless the City and its agents, officials, servants, contractors and employees from and against any and all claims for damages and other remedies, including but not limited to, costs and attorneys' fees, arising from or by reason of the conduct of the recreation programs. Nothing in this Agreement is to be construed as a waiver by the City of any immunities, defenses, or other limitations on liability to which the City is entitled to by law, including, but not limited to, the maximum monetary limits on liability established by Minnesota Statutes, Chapter 466.
- (b) Commonwealth Terrace Cooperative (CTC), at his/her/its sole cost and expense agrees that it will maintain in full force and effect during the term of this Agreement liability insurance in the minimum amounts stated in the City's recreation programs policy. A certificate of insurance evidencing compliance with the recreation programs policy must be provided to the City by CTC prior to the recreation programs. The City must be named as an additional insured on the insurance policy, and the policy must contain a stipulation that the CTC's insurer will provide ten (10) days' prior written notice of cancellation of such insurance to the City. The insurance shall be carried by a solvent and responsible insurance company that is licensed to do business in the State of Minnesota.

3. **Miscellaneous Provisions.**

- (a) Any titles of the several Paragraphs of the Agreement are inserted for convenience of reference only and are to be disregarded in construing or interpreting any of its provisions.
 - (b) Any notice, demand, or other communication under this Agreement by either

party to the other will be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

- (i) in the case of Commonwealth Terrace Cooperative (CTC), is addressed to or delivered personally to 1250 Fifeld Ave. St. Paul, MN 55108 and;
- (ii) in the case of the City, is addressed to or delivered personally to the City Administrator at City of Falcon Heights, 2077 W. Larpenteur Ave W., Falcon Heights, MN 55113

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this paragraph.

- (c) This Agreement may be executed in any number of counterparts, each of which will constitute one and the same instrument.
- (d) This Agreement constitutes the entire agreement between CTC and the City and supersedes any other written or oral agreements between the parties. This Agreement can be modified only in a writing signed by the parties.
- (e) The Agreement is effective on June 10, 2019 and terminates on November 30, 2019.
- (f) Except as specifically set forth herein, nothing in this Agreement is to be construed to exempt Commonwealth Terrace Cooperative (CTC) from or waive the application of any federal, state, or local law, rule, or regulation.

IN WITNESS WHEREOF, Commonwealth Terrace Cooperative (CTC) and the City of Falcon Heights have, by their duly-authorized representatives, executed this Agreement this 10th day of June, 2019.

	City Administrator

Item	Donations for 2019 Parks P	rogram Fund
Description	At the beginning of each year, Falcon Heights' and surrounding businesses provide donations to support the upcoming year's Park and Recreation Fund and Special Events. There are three levels at which the business can donate- Gold (\$200 - \$500) Silver (\$100-\$199) and Bronze (\$50-\$99). The Parks and Recreation department uses the money from the local businesses to assist in purchasing the events entertainment, supplies and any other event and programming related costs. Each donation is recognized by the city as appropriate.	
Budget Impact		been donated to the Parks and Recreation Programming und. These donations help offset the cost of Parks Events.
Attachment(s)	NA	
Action(s) Requested	Motion to accept the follow businesses: Gold Level (\$200-250):	Falcon Heights-Lauderdale Lions Club (\$500)
	Silver Level (\$100 - \$199):	Cox Insurance Associates, INC. (\$250) Hair Designs Unlimited (2X \$50 gift cards) (\$30) Total of \$130
	Bronze Level (\$50-\$99):	John A Knutson & Co., PLLP (\$50) Young Spa (\$50)

REQUEST FOR COUNCIL ACTION

Meeting Date	April 10, 2019
Agenda Item	Consent F5
Attachment	Recreation Agreement
Submitted By	Nalisha Nandkumar, Assistant to the
	City Administrator

Item	Recreation Agreement with the City of Lauderdale
Description	The City of Lauderdale does not offer recreation programs to their residents. In 2009, Lauderdale asked Falcon Heights Parks and Recreation to offer programs to their residents at a residential rate. In return, Lauderdale provides facility and park space for Falcon Heights Parks and Recreation programs.
	At the end of each year, Falcon Heights invoices Lauderdale the difference in resident rate and non-residential rate for each registrant that participate in a program that is provide at a Falcon Heights facility. The agreement is updated annually.
Budget Impact	With more sites available for programming, registration revenue in the recreation budget increases.
Attachment(s)	· Recreation Services Agreement
Action(s) Requested	Staff recommends that the Falcon Heights City Council adopt the Recreation Agreement with the City of Lauderdale and authorize the City Administrator and Mayor to execute all necessary documents.

Families, Fields and Fair

City of Falcon Heights City of Lauderdale

Recreation Agreement

THIS AGREEMENT is effective April 1, 2019 through December 31, 2019, by and between the City of Lauderdale, 1891 Walnut Street ~ Lauderdale, MN 55113, and the City of Falcon Heights, 2077 W. Larpenteur Ave ~ Falcon Heights, Minnesota 55113. Falcon Heights agrees to provide recreation programs within the City of Lauderdale. Lauderdale agrees to provide facility space for the programs.

The Cities of Lauderdale and Falcon Heights agree to the following obligations:

1. Falcon Heights agrees to:

- Provide recreation programs and experiences to Lauderdale residents for the same fee as paid by Falcon Heights' residents. Lauderdale will reimburse Falcon Heights the difference between the resident and nonresident rate for recreation programs and experiences held at Falcon Heights' facilities. Lauderdale will not reimburse Falcon Heights if the programs are held at Lauderdale facilities.
- Coordinate registration, supervision, and program curriculum appropriate for the recreation program.
- Hold recreation programs at Lauderdale City Hall and at Lauderdale Community Park as needs and interest warrant.
- · Provide program staff, program supplies and equipment, and program maintenance support for the agreed upon recreation program.

2. Lauderdale agrees to:

- Provide program space at Lauderdale City Hall and at Lauderdale Community Park. The City of Lauderdale agrees to provide regular facility and park maintenance such as sweeping the floor and supplying tables requested by Falcon Heights.
- Provide facilities access and keys to Falcon Heights Park and Recreation Staff.

Liability

Falcon Heights shall defend and indemnify Lauderdale and it employees, officers, volunteers and agents for any claims against Lauderdale arising from Falcon Heights's performance or failure to perform its duties under this Agreement.

Lauderdale shall defend and indemnify Falcon Heights and it employees, officers, volunteers and agents for any claims against Falcon Heights arising from Lauderdale's performance or failure to perform its duties under this Agreement.

Under no circumstances, however, shall a party be required to pay on behalf of itself and the other party, any amounts in excess of the limits on liability established in Minnesota Statutes, Chapter 466 applicable to any one party. The limits of liability for the parties may not be added together to determine the maximum amount of liability for any party.

Employees of Falcon Heights and Lauderdale shall remain employees of their respective cities regardless of where services are provided under this Agreement. Each party shall be responsible for injuries to or death of its own personnel. Each party will maintain workers' compensation insurance or self-insurance coverage, covering its own personnel while they are providing services pursuant to this Agreement. Each party waives the right to sue the other party for any workers' compensation benefits paid to its own employees or their dependants, even if the injuries were caused wholly or partially by the negligence of the other party.

IN WITNESS WHEREOF, the parties have duly executed this Agreement effective as of the date first above written.

REQUEST FOR COUNCIL ACTION

Meeting Date	April 10, 2019
Agenda Item	Consent F6
Attachment	N/A
Submitted By	Roland Olson, Finance Director

Item	Investment Internal Controls Policy Update
Description	The city completes a resolution each year designating the official depositories for the city's funds. In this resolution it is also resolved that the City Administrator and/or Finance Director is authorized to deposit general and other funds therein and make investments and transfers of funds for the City of Falcon Heights.
	The City uses the 4M Fund with the Minnesota League of Cities as the main depository for the funds. All transfers that might occur for investment purposes are transferred from and into the 4M fund. The 4M Fund has specific security requirements that must be followed. One is that any specific bank wiring instructions sent to the 4M Fund must be documented in specific ways by 4M Fund before the wiring instructions are approved into their system.
Budget Impact	
Attachment(s)	NA
Action(s) Requested	Staff recommends that both the City Administrator and Finance Director authorize the required 4M paperwork to set up wiring instructions. Currently, only one person can authorize. Staff recommends also sending the 4M fund the annual delegation of authority to the 4M Fund as approved by the City Council. Also, internally, staff recommends an approval document to request and obtain approval from the City Administrator for each investment transfer made.

Agenda Item	Consent F7
Attachment	N/A
Submitted By	Nalisha Nandkumar, Staff

Item	Minnesota Timberwolves Basketball Court Refurbishment
Description	The Minnesota Timberwolves FastBreak Foundation will travel across the state of Minnesota to help neighborhoods take their love of basketball outdoors with the 'Our Courts. Our Future.' program, presented by U.S. Bank. Four courts will be selected from the nominations received from the public.
	The City of Falcon Heights has nominated the basketball court at Community Park for the refurbishment program. The theme focused on for the basketball court nomination is cultivating a caring community and highlighting the heavy use of Community Park that brings the City together. If selected to move forward, voting for Community Park Court will begin on April 22 nd .
Budget Impact	N/A
Attachment(s)	N/A
Action(s) Requested	Staff recommends approval for nominating Community Park Basketball Court for Timberwolves Refurbishment project.

Agenda Item	Policy G1
Attachment	CDBG application and Resolution
Submitted By	Justin Markon, Community
	Development Coordinator

Item	Resolution of Support to Community Development Block Grant (CDBG) Funds for Group Home Rehab – Accessible Space, Inc
Description	The City received a request from Accessible Space, Inc. to consider a resolution of support for their Community Development Block Grant application with Ramsey County. ASI operates a shared room occupancy home for four adults in a single family home on Snelling Ave. They are licensed by the state Department of Human Services. This grant, through Ramsey County, would provide funds for rehabilitating this property as well as a location in White Bear Lake. The renovations are intended to make the properties more efficient, more attractive, and safer for residents. The grant request totals \$84,900, of which \$41,700 would be used for the Snelling Ave house to renovate windows, flooring, restroom, and deck.
Budget Impact	No impact
Attachment(s)	 CDBG application Resolution 19-15 Approving CDBG Grant Application – Accessible Space, Inc
Action(s) Requested	Staff recommend approving the attached resolution to approve the application of the Community Development Block Grant by Accessible Space, Inc.

Eligibility Determination top

Some answers will not be presented because they are not part of the selected group of questions based on the answer to #2.

1. Does your targeted population meet the applicable HUD income guidelines? Do you have the capacity to maintain accurate income documentation and keep records and data current, as required by the HUD program? Explain:

Refer to the Resource Documents Tab for HUD Income Limits and guidance on documentation requirements. Yes. In order to qualify at our apartments, applicants must be at or below 50% of the area median income (AMI) and have a qualifying physical disability. HUD requires annual income re-certifications, which are processed by our experienced Housing Certification Specialists.

2. Please indicate the type of project that is being submitted:

This is a branching question.

- Multi-family Housing
- Public Facilities- non-residential construction
- Public Service Project
- Other Housing Project
- Other

3. Describe the location of the proposed project and if it will meet local zoning and land use laws, if applicable. ASI Ramsey County, Inc. is a scattered two site project (meets zoning and land use laws). The locations are as follows:

Cedar Home: 2461 Cedar Ave White Bear Lake, MN 55110

Snelling Home: 1746 Snelling Ave N

Falcon Heights, 55113

4. Check which statements below apply to your project site:

More information about Environmental Review Requirements can be found in the Library. Please refer to the Documents tab to upload required environmental documentation.

- Project includes demolition or rehabilitation on an existing structure that is 50 years old or more
- Project is located within the 100- or 500-year floodplain
- There are identified wetlands on the project site
- There is an identified environmental contamination or hazard(s) on the project site
- ✓ None of the Above

5. Do you have site control for the property?

Provide a brief response and if applicable include proof of site control.

Yes

6. Is the subject property vacant or occupied?

Refer to the Library for additional information. Occupied.

7. If your project includes construction, it may be subject to state and/or federal (Davis-Bacon) wage requirements. Are Davis-Bacon wage rates reflected in your application?

If no, explain.

Yes, they are. However, due to the size of the homes, Davis-Bacon wages may not apply.

8. Capital Projects: please select the Project Activity Type:

Check all that apply.

- Rental
- Homeowner
- Acquisition
- ✓ Rehabilitation
- Rehab or Adaptive Reuse of an Existing Building (not currently residential)
- Redevelopment
- Mobile Home Park Preservation
- Affordable Housing Preservation
- Facility Capital Improvements
- New Construction
- Other:

9. If a public services project, indicate whether it will be a new or expanded service.

-answer not presented because of the answer to #2-

Application Questions top

Some answers will not be presented because they are not part of the selected group of questions based on the answer to #1.

BRANCHING QUESTION

Project Type

1. Please indicate the type of project that is being submitted.

Choose only one. Based on you answer, other questions will appear that are applicable to that respective program. Please disregard question numbering.

40 of 55

- Multi-family housing
- Public Facilities Non Residential Construction
- Public Services Project
- Other housing
- 2. Multi-family Housing Projects should also submit as attachment the MHFA Common Application as an attached document. If not applying for Minnesota Housing funds, please include the information on Appendix A, Project Description.

Please confirm your upload.

Attached

- 3. Has your organization previously been awarded HOME funds?
- ✓ Yes

€ No

4. Please provide a brief narrative summary of the proposed project. Describe the location, project type (new vs. acquisition-rehab), proposed affordability period, target population, housing demand/market need for neighborhood and community.

Describe any unique project characteristics, and its affordability level(s).

This project includes the renovation of two affiliated sites of Accessible Space, Inc. in suburban Ramsey County. Cedar Home, a shared room occupancy home in White Bear Lake for adults with traumatic brain injuries and Snelling Home, a shared room occupancy home in Falcon Heights for adults with traumatic brain injuries. The renovations are intended to make the properties more efficient, more attractive, and safer for the residents.

5. Indicate the anticipated number of Units for each Income category below:

Please insert a zero	(0) if you are not specifically serving that target population Income group.
8	0-30% Area Median Income (AMI)
	31-50% AMI
	51-80% AMI
8.00	TOTAL

6. Provide a detailed description of the proposed design, construction, rehabilitation, and/or other improvements.

Include a description of how the design of the project is suitable for and will meet the needs of targeted and Special Needs population(s) (if any) and any unique design components or characteristics of the Project.

Cedar Basement windows \$3000 Sidewalk replacement \$10,000 Decks \$12,000 Common area flooring \$5000

Gutter guards \$ 1200

Bath remodel Best Bath (accessible) \$ 12000

Snelling Windows \$15000 kitchen, hallway flooring \$ 3500 Deck \$10,000 Gutter guards \$1200 Best bath remodel \$12,000

7. Have you notified the adjacent property owners and the neighborhood about the project? If so, how.

The level of neighborhood notification appropriate for a project is based on the size and proposed use, but applicants are required to inform neighborhoods of the project.

We will inform the community about our proposed project. However, due to the size and proposed use, we don't expect any issues from our neighbors. The rehab work is primarily interior work except for the driveway.

8. Describe the area and neighborhood surrounding the proposed project, including proximity to public transportation, local services and amenities. Describe the relative access to schools, jobs, parks, medical facilities, etc.

What makes this location suitable? (Please include these locations in the site map requested under the Documents tab. Snelling Home: the Snelling home is near two bus lines (within two blocks), close to restaurants, a fitness c单性时 行动 a cub

foods grocery store. Parks are within two blocks as well.

Cedar Home: the Cedar home is less than a block from a park and a church. It is half a block from the nearest bus line and .5 miles from the nearest grocery store. The home is also less than a block from White Bear middle school.

Map has been attached. However, the locations of these amenities are not shown.

9. Given the specific characteristics of your project, what will be done to encourage neighborhood support? Describe how surrounding neighbors will continue to be informed about the project. Identify concerns that neighbors have raised and strategies to mitigate those concerns.

Since this is a renabilitation project - and will have very little impact on neighbors - we don't anticipate a lot of push back.

10. What is the current Form of Site Control?

Please provide Site Control Documentation under the Documents tab. If the project involves acquisition, you MUST submit the Informational Notice to the Owner/Seller prior to submitting the option or conditional contract.

- Deed
- Conditional Contract
- Purchase Option
- Lease
- Ease Option
- ✔ Other: HUD Approved Firm Commitment Application
- Site Control has not yet been established

11. Briefly describe the current zoning of the project site and if the proposed project is consistent with the zoning of the site.

Outline the steps that will be taken to address zoning issues, if any, and include the time frame needed to resolve these issues. Provide zoning documentation under the Documents tab.

No zoning issues

12. Describe how the project is consistent/compatible with surrounding uses:

The Adult Foster Care homes are in residential areas and next to single family homes. Rehabbing these homes will improve their curb appeal as well as allow the homes to stay financially independent for the foreseeable future. This project will help the homes stay consistent with other homes in the neighborhood, as well as improve safety and energy efficiency for our residents.

- 13. If the Site contains Existing buildings or structures, describe each on-site existing structure and whether the structure will be demolished, rehabilitated, or remain:
- -answer not presented because of the answer to #1-
- 14. Please describe the conditions of the buildings to be rehabilitated.
- -answer not presented because of the answer to #1-

15. Are there known adverse environmental conditions on the site? If so, what are they and can they be mitigated through reasonable measures?

No

16. Does the Project include components that contribute to improved energy performance, thermal comfort, a healthier indoor environment, increased durability and/or simplified maintenance requirements?

Will the proposed Project meet any green building certification standards? Describe.

Yes. The old windows at both homes are failing and letting in moisture. By adding new energy efficient windows our very low-income tenants with physical disabilities will be able to improve energy efficiency in their rooms and allow for better thermal comfort. We are also requesting funds for new flooring, which has been damaged due to wheelchairs, as well as sidewalk replacement and a replacement of the accessible "Best Bath model" shower. All of these items will improve durability, accessibility and extend the life of the homes for current and future ten=nants.

17. If there are any on-site structures subject to historic preservation requirements, briefly state how you plan to comply with applicable historic preservation requirements. No

- 18. For projects requesting \$100,000 or more, what will you do to assure that employment and/or job training opportunities for low-income individuals are provided in the development of your project, per HUD Section 3 requirements?
- -answer not presented because of the answer to #1-

- 19. For projects requesting \$10,000 or more, what steps will you take to hire businesses that are registered Minority-owned Business Enterprise (MBE) or Women-owned Business Enterprise (WBE) firms?

 -answer not presented because of the answer to #1-
- 20. Describe the target population to be served.

-answer not presented because of the answer to #1-

- 21. Will this project EXCLUSIVELY serve a Special Needs Population? Indicate which Special Needs Populations will be served:
- -answer not presented because of the answer to #1-
- 22. Will this project provide on-site services? Describe how these services promote self-sufficiency and independent living, including counseling, job training, and other on- or off-site education opportunities which will be made available.

If the services will be provided by a partner agency, describe the agency and its experience.

Cedar and Snelling homes provide Corporate Adult Foster care services in subsidized housing. Residents work with an ASI Site Supervisor along with a county Case Manager to identify care needs and set personal goals. ASI provides a comprehensive package to provide support and guide residents towards increased independence in activities of daily living including physical cares, medication management, transfers, household cleaning tasks, problem solving, bathing, scheduling and tracking appointments, transportation arrangements and behavior management.

- 23. If there are any known issues or circumstances that may delay the project, please list issues below, including an outline of steps that will be taken and the time frame needed to resolve these issues:

 None.
- 24. Program Description Public Services Describe the program to be funded, including the type of activities that will be provided
- -answer not presented because of the answer to #1-
- 25. Describe project characteristics that address special needs of the population you intend to serve: -answer not presented because of the answer to #1-
- 26. Public services: Indicate whether your activity is new or an expansion of existing services, and explain. -answer not presented because of the answer to #1-
- 27. Awarded funds for public service projects will be reimbursed, based on a per-client cost for each LMI eligible client served.
- -answer not presented because of the answer to #1-
- 28. Organizational Capacity: Provide an overview of your organization, including length of time in existence. -answer not presented because of the answer to #1-
- 29. If the project anticipates using a method other than direct benefit, indicate which. (See resource documents for details.)
- -answer not presented because of the answer to #1-
- 30. Organizational Capacity Partners Identify any other agencies you will partner with in implementing this activity, and what each partner's role will be.
- -answer not presented because of the answer to #1-
- 31. If serving low- to moderate-income clientele, how is income eligibility determined? To qualify for an award of CDBG funds, the program must collect income on all clients. (Direct benefit.)
- -answer not presented because of the answer to #1-
- 32. Service Location Provide the address or addresses where the services are provided (i.e. Street number, Street name, Street type (blvd, ct, ave, etc.), City, State, Zip Code
- -answer not presented because of the answer to #1-
- 33. Beneficiary Information: How will this project benefit low and moderate income residents of suburban Ramsey County?
- -answer not presented because of the answer to #1-

CITY OF FALCON HEIGHTS COUNCIL RESOLUTION

April 10, 2019

No. 19-15

RESOLUTION APPROVING PROPOSED APPLICATION FOR 2019 URBAN RAMSEY COUNTY COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM FUNDS AND AUTHORIZING EXECUTION OF SUB-RECIPIENT AGREEMENT WITH URBAN

RAMSEY COUNTY AND ANY THIRD PARTY AGREEMENTS

WHEREAS, the city of Falcon Heights, through execution of a Joint Cooperation Agreement with Ramsey County, is cooperating in the Urban Ramsey County Community Development Block Grant Program; and

WHEREAS, the city of Falcon Heights has developed a proposal for the use of 2019 Urban Ramsey County Community Development Block Grant funds;

NOW THEREFORE BE IT RESOLVED that the City Council of Falcon Heights approves the following project(s) for funding from the 2019 Urban Ramsey County Community Development Block Grant Program and authorizes submittal of the proposal to Urban Ramsey County/Consolidated Pool.

Activity
Snelling Home Rehabilitation

Sudget
\$41,700

BE IT FURTHER RESOLVED that the City Council hereby authorizes and directs the Mayor and its' City Administrator to execute the Sub-recipient Agreement and any required Third Party Agreement on behalf of the City to implement the 2019 Community Development Block Grant Program.

BE IT FURTHER RESOLVED that should the final amount of FY2019 CDBG available to the city be different from the preliminary amount provided to the city, the City Council hereby authorizes the city administrator to adjust project budget(s) to reflect an increase or decrease in funding.

REQUEST FOR COUNCIL ACTION

Meeting Date	April 10, 2019
Agenda Item	Policy G2
Attachment	Met Council comments
Submitted By	Justin Markon, Community
	Development Coordinator

Item	Consider changes to 2040 Comprehensive Plan
Description	The City received the first comments from the Metropolitan Council in mid- February regarding the 2040 Comprehensive Plan submittal. City staff, Roseville Engineering, and our consultants from WSB discussed the feedback and are preparing updates to the Plan. Staff felt one aspect of the plan that should be discussed by the Planning Commission and City Council pertains to density and mixed use developments.
	The Metropolitan Council would like to see more information about our plans for mixed use (MU), including the percentage of share of uses and overall density of the land use category. Currently, the City has stipulated one MU category in the Comprehensive Plan: MU-Residential.
	In the submitted Plan, the MU-Residential land use stipulates that: "These areas are comprised of a mix of both residential and commercial uses, either in horizontal or vertical mixture. The density will be a minimum of 12 units per acre (a minimum of 15 units per acre within ½ mile of Snelling Avenue) and a maximum of 46 units per acre with an anticipated minimum of 75% comprised of housing. The remaining 25% shall be a variety of commercial and office space." This information needs to be updated in a couple ways.
	First, the Met Council noted in their review that areas within ½ mile of a bus rapid transit line (A line in Falcon Heights) require 15 residential units per acre for redevelopment. WSB updated the Plan to include this information.
	Next, an expected share of land uses for the mixed use category needs to be more defined. This share is spread out over the entire land use category, rather than parcel by parcel or building by building. In our plan, most of the redevelopment opportunities identified between now and 2040 are of a mixed-use nature, 35.4 acres, concentrated in the Snelling/Larpenteur corner and along Larpenteur Ave west to Cleveland Ave. The Metropolitan Council requires that we identify what mix of uses we plan for over this entire area.
	Familias Fields and Fair

Families, Fields and Fair

WSB shared the following information about mixed use land use designations in other communities:

ARDEN HILLS

100 acres of possible redevelopment into Community Mixed-Use

Community Mixed Use (CMU) – areas designated for a broad range of retail, shopping, services, and office space to meet the needs of the community and surrounding areas. This area may also include medium to high density housing with a potential density of nine (9) to twenty (20) units per acre. The expected share of uses within this area are as follows: 10% to 50% Light Industrial; 10% to 100% Retail; 10% to 100% Office; 10% to 50% High Density Residential; and 0% to 25% Medium Density Residential

ROSEVILLE

170.91 acres of possible redevelopment into Community Mixed-Use

<u>Density:</u> 10–36 dwelling units/acre <u>Uses:</u> Medium- to high-density residential, commercial, office, civic, parks and open space <u>Residential requirement:</u> 10% <u>Scale/Intensity:</u> medium <u>Transportation considerations:</u> sidewalks, trails, multimodal facilities, connections between uses, and connections to transit stops

Community Mixed-Use areas are intended to contain a mix of complementary uses that may include housing, office, civic, commercial, park, and open space uses. Community Mixed-Use areas organize uses into a cohesive district, neighborhood, or corridor, connecting uses in common structures and with sidewalks and trails, and using density, structured parking, shared parking, and other approaches to create green space and public places within the areas. The mix of land uses may include medium- and high-density residential, office, community business, institutional, and parks and open space uses. Residential land uses will account for at least 10% of the overall mixed-use area.

The mix of uses may be in a common site, development area, or building. Individual developments may consist of a mix of two or more complementary uses that are compatible and connected to surrounding land-use patterns. To ensure that the desired mix of uses and connections are achieved, a more detailed small-area plan, master plan, and/or area-specific design principles is required to guide individual developments within the overall mixed-use area.

	Both examples illustrate a lower threshold for residency in mixed-use categories. Staff feel that an appropriate share for MU-Residential in our Comprehensive Plan is as follows: The Mixed Use Residential designation will have a mix of 50 to 90% residential, 25% to 50% commercial, and 0% to 25% office over the entire acreage of the MU-Residential area.
	The Planning Commission recommended approval of this language during their March 26, 2019 meeting.
	It should also be noted that Comprehensive Plan land use categories and Zoning Code districts are different planning pieces. Land use categories guide the overall look of a community while districts apply to specific parcels that help reach the land use goals.
	Other comments from the Metropolitan Council are included in the following pages.
Budget Impact	No impact
Attachment(s)	Other comments from the Met Council
Action(s) Requested	Staff recommend discussion and a decision on mixed use language for resubmittal of the 2040 Comprehensive Plan

Dated February 8, 2019

Future Land Use

The Plan needs to include a more legible Future Land Use Map. The legend uses identical colors for several of the land uses, including the following: Commercial Core and Medium Density Residential; Park and Recreation and Institutional (Golf Course); and, State Fair Grounds and Institutional (University). The map needs to be revised so that the different land uses can be differentiated.

A map with different colors is included in this attachment.

Table 14 provides a Future Land Use Table, but it also needs to show expected total acres for redevelopment for each 10-year planning period (now-2020, 2021-2030, and 2031-2040). The Table currently only shows 2040 totals, while the Plan discusses and identifies areas for potential redevelopment, such as in Figure 9. The acreages of those properties and in which decade they are expected to develop should be detailed in your Future Land Use table. This will also help satisfy some requirements identified elsewhere in this letter, such as with density calculations and housing requirements.

WSB provided the following table to address potential redevelopment.

Table 12: Potential Redevelopment by Decade

	Now - 2020		2021-2030		2031-2040		Total	
	Acres	Percent	Acres	Percent	Acres	Percent	Acres	Percent
Mixed-Use Residential (35.4 ac.)	1.3	100%	4.5	50.0%	6.8	100%	12.6	73.7%
Limited Business	0	0.0%	4.5	50.0%	0	0%	4.5	26.3%
Total	1.3	100%	9.0	100%	6.8	100%	17.1	100%

Forecasts

As noted in the Land Use comments above, the Plan must include a description and inventory of land supply for future development and redevelopment. Since the City has no forecasted household growth between 2017 to 2040, no extensive discussion is needed beyond that found on page 14. However, the current population estimate (2017) has exceeded the City's 2020 forecasts and the Employment estimate (2017) is far below the City's 2020 Forecast. The City may wish to consider a formal forecast change request to increase Population and/or decrease Employment forecasts to better represent future conditions and their plans for potential redevelopment along some of the corridors.

Parks

Include a capital Improvement Program (CIP) for parks and open space facilities as part of the Implementation Chapter, Chapter 7.

- Although a CIP is referenced on page 86, the focus is on the City's "biennial pavement
 management program to maintain its local streets." There are no parks or open space facilityfocused projects included in Appendix A -'Falcon Heights Street Improvement CIP 11/26/18",
 nor are there any other park-related CIP details in the Plan.
- If the City does not use a Capital Improvement Plan to budget for parks and open space facilities, it needs to describe how these facilities are/will be operated and maintained.
 - o Consider including language from the Funding section of the Falcon Heights Parks Improvement Study (pages 39-44).

Staff made the following addition to the Plan:

Due to the limited amount of park and recreation facilities in the City, there is no established Capital Improvement Plan. Furthermore, two of the three parks maintained by the City are on land leased by the University of Minnesota. Currently, the only capital improvement opportunity is the park building in Community Park. The building is reaching the end of its usable life. In the next three years, the City will determine the best course of action to address the building. Improvements may include rehabilitation or a completely new building. Funding for these improvements may come from bond issue, park dedication funds, general fund, grants, private donations, or some combination thereof. In other parks, the City will continue to make improvements that comply with the Americans with Disabilities Act of 1990 (ADA).

WSB included the following information regarding implementation:

Ordinances are a powerful tool for implementing the Comprehensive Plan since they provide the legal framework for evaluating projects and implementing many policies. The City currently uses a number of ordinances to regulate development and other activities, including, but not limited to:

- Zoning (Figure 8 on page 36 and Table 11 on page 35) regulates the use, type, and style of development throughout the City.
- Subdivision regulates the subdivision and consolidation of land.
- Water Supply To be described by Roseville Public Works
- SSTS To be Described by Roseville Public Works
- Storm Water Management provides regulations for controlling runoff and erosion from development and development activities throughout the City.

Ordinances require periodic evaluation to ensure they are meeting the City's vision, Metropolitan Council requirements, Watershed District regulations, and State Statutes. State law requires the official controls to be amended to conform to the Comprehensive Plan.
