City of Falcon Heights City Council Minutes June 27, 2001

The meeting was called to order by Mayor Gehrz at 7 p.m.

PRESENT: Gehrz, Lamb, Lindstrom, Talbot. Also present was Heather Worthington,

City Administrator, Pat Phillips, Deputy Clerk

ABSENT: Kuettel

COMMUNITY FORUM: There was no one present wishing to speak.

APPROVAL OF MINUTES: The minutes of June 13, 2001 were approved.

CONSENT AGENDA

Councilmember Talbot moved to approve the following consent agenda. The motion passed unanimously:

1. General disbursements and payroll

2. Licenses

POLICY AGENDA

Establishment of a business subsidy policy for the City of Falcon Heights

Administrator Worthington said the city must have a business subsidy policy in place in order for the city to leverage state grants and other subsidies for redevelopment projects such as the SE Corner Redevelopment. A resolution would have to be adopted and filed with the Department of Trade and Economic Development. After brief questions, councilmember Lamb made a motion to adopt Resolution 01-14 establishing a policy for considering business subsidies in compliance with Minnesota Statutes, Sec.116.994. The motion passed unanimously.

ADDENDUM

Report on preliminary 2000 Census figures

Administrator Worthington presented a report, via slide presentation, of the preliminary 2000 Census figures for Falcon Heights. She said additional information will be forthcoming from the U.S. Census Bureau later this summer with updates given throughout the rest of the year.

Page 2 City Council Minutes June 27, 2001

2001 Budget Goal Update

Administrator Worthington gave an update on the 2001 budget goals set by the council during their budgeting session last year. A report was included which outlined specific goals met in the first six months of 2001.

REPORTS FROM COUNCILMEMBERS

Councilmember Talbot said he had attended the League of MN Cities conference and the theme was "E-Government". He said the city would be moving forward with web services to its citizens.

Mayor Gehrz reported on a couple of changes from the legislature that she received at the League conference. The first was the repeal of the law empowering city councilmembers to act as peace officers to suppress riotous or disorderly conduct. The law goes into effect August 1st. The second change was the law pertaining to potlucks so the city will be able to have home baked cakes at the Ice Cream Socials again.

INFORMATION AND ANNOUNCEMENTS

Councilmember Lindstrom reminded everyone of the upcoming Ice Cream Social on July 26th beginning at 6 p.m.

Mayor Gehrz said the University is considering several sites for the Bell Museum, two of which are in Falcon Heights. One is on the southwest corner of Cleveland and Larpenteur and the other is off Cleveland Avenue near the student parking lot inside the campus. A meeting will be set up with interested residents and the current director of Bell Museum as well as other university officials to further discuss this possibility of relocation.

ADJOURN

The meeting adjourned at 8:18 p.m.

Respectfully submitted,

Pat Deputy Clerk

CONSENT 1

Meeting Date: 7/11/01

ITEM DESCRIPTION: Disbursements

SUBMITTED BY: Roland Olson, Finance Director

EXPLANATION/SUMMARY:

1. General disbursements through July 6, 2001, \$36,682.14

2. Payroll, 6/16/01 to 6/30/01, \$14,167.05

ACTION REQUESTED: Approval

ITEM: Increase mileage reimbursement to IRS approved level of 34.5 cents per mile

SUBMITTED BY:

Roland O. Olson, Finance Director

REVIEWED BY:

Heather Worthington, City Administrator

EXPLANATION/DESCRIPTION:

Summary and Action Requested: Currently, the Internal Revenue Service allows mileage reimbursement in the amount of 34.5 cents per mile. The City of Falcon Heights currently has council approval for the rate of 33.5 cents per mile when an employee incurs automobile expenses while on city business. Request the mileage reimbursement be raised to the IRS approved level of 34.5 cents per mile effective June 1st. With the increased gas prices, a raise up to the IRS allowance is justified.

Meets goal # 4: To provide a responsive and effective city government.

Strategy # 7:

To effectively manage the city's financial resources.

ACTION REQUESTED:

Approve the 34.5 cent per mile mileage reimbursement rate effective June 1, 2001.

Consent 3

Date: 7/11/01

ITEM: Request for award of 2001 seal coat and crack sealing contract to

Pearson Brothers, Inc. as low bidder

SUBMITTED BY: Heather Worthington, City Administrator

REVIEWED BY: Terry Maurer, City Engineer

EXPLANATION/DESCRIPTION:

<u>Summary and action requested:</u> The council is being asked to approve a bid for seal coating and crack sealing the streets in the University Grove and Hollywood Court neighborhoods. The lowest of four bidders was Pearson Brothers, Inc. The City seal coats a section of the city each year on a four-year rotating schedule. The budget includes \$24,000 for seal coating.

This year we are adding crack sealing to our normal yearly street maintenance. This will include a routing of the crack, followed by bituminous fill in that area. This will seal the area around the crack so that water cannot pool and freeze in that area, causing further damage to the roadway. In future years, this component to the maintenance of the local streets will be a separate line item in our maintenance budget. We were able to include this work in the seal coating project this year because of lower costs for this type of work.

The bids were as follows:

Pearson Brothers, Inc.	\$20,967.50
Allied Blacktop	\$22,407.50
Bituminous Roadways	\$28,941.50
Astech Corporation, Inc.	\$33,330.00

Goal 2: To maintain and promote the assets of the City's unique neighborhoods.

Strategy 4: To maintain the city's infrastructure.

ATTACHMENT:

- 1 Letter from the city engineer, dated June 26, 2001
- 2 Map showing streets to be seal coated in 2001

ACTION REQUESTED:

Approve the bid from Pearson Brothers, Inc. in the amount of \$20,967.50 for seal coating and crack sealing the University Grove and Hollywood Court neighborhoods.

RE:

2001 SEAL COAT AND CRACK SEAL IMPROVEMENT BIDS

CITY OF FALCON HEIGHTS, MINNESOTA

Dear Council Members:

We have tabulated the bids opened on Thursday, June 21, 2001, for the 2001 Seal Coat and Crack Seal Improvements. There were a total of four bidders. The following list provides the bidders and their total bids:

Description Inc	\$20,967.50
Pearson Brothers, Inc.	\$22,407.50
Allied Blacktop Company	\$28,941.50
Bituminous Roadways	\$33,330.00
Astech Corporation, Inc.	Ψ50,060

We have worked with Pearson Brothers, Inc., on previous seal coat projects with several other communities. We have found their work to meet all specifications and to be of good quality. We recommend award of the 2001 Seal Coat and Crack Seal Improvements project to Pearson Brothers, Inc., as the lowest responsible bidder.

Attached is a resolution accepting the bid. If you have any questions or would like to discuss this further, please feel free to contact me at 651/644-4389.

Sincerely,

Howard R. Green Company

John M. Anderson, P.E.

CITY OF FALCON HEIGHTS

No. 01-15

COUNCIL RESOLUTION

RESOLUTION ACCEPTING BID FOR 2001 SEAL COAT AND CRACK SEAL IMPROVEMENTS

WHEREAS, pursuant to an advertisement for bids for the 2001 Seal Coat and Crack Seal Improvements, bids were received, opened, and tabulated according to law, and the following bids were received complying with the advertisement:

1.	Pearson Brothers, Inc.	\$20,967.50
2.	Allied Blacktop Company	\$22,407.50
3.	Bituminous Roadways	\$28,941.50
4.	Astech Corporation, Inc.	\$33,330.00

AND WEREAS, it appears that Pearson Brothers, Inc., is the lowest responsible bidder.

NOW THEREFORE, BE IT RESOLVED by the city council of Falcon Heights, Minnesota:

- The mayor and clerk are hereby authorized and directed to enter into the attached contract with Pearson Brothers, Inc., in the name of the City of Falcon Heights for the 2001 Seal Coat and Crack Seal Improvements according to the plans and specifications therefore approved by the city council and on file in the office of the city clerk.
- The city clerk is hereby authorized and directed to return forthwith to all bidders the deposits made with their bids, except the deposits of the successful bidder and the next lowest bidder shall be retained until a contract has been signed.

Adopted by the	e council this 11 th day of July 2001.

Approval of the first partial pay estimate to Hardrives, Inc. for the

Northome Street Repairs and Alley Improvements Project

SUBMITTED BY: Heather Worthington, City Administrator

REVIEWED BY:

John Anderson, P.E., H.R. Green Company

EXPLANATION:

Summary: The Council is being asked to approve the first partial pay estimate for the 2001 Northome Street Repair and Alley Improvements Project. The total amount budgeted for this project is \$625,213.82.

The total for this pay estimate is \$67,150.38. This includes \$70,684.61 earned, minus a retainage of \$3,534.23. The major pay items included in this pay estimate are the removal of pavement, curb and gutter and sidewalk along with the placement of Class 5 gravel.

RE:

2001 STREET REPAIRS AND ALLEY IMPROVEMENTS

PARTIAL PAY ESTIMATE NO. 1

Dear Ms. Worthington:

Enclosed are three copies of Partial Pay Estimate No. 1 for Hardrives, Inc. who is the Contractor for the 2001 Street Repairs and Alley Improvements project. This pay estimate is in the amount of \$67,150.38. This amount includes \$70,684.61 earned minus retainage of \$3,534.23. The major pay items included in this pay estimate are the removal of pavement, curb and gutter and sidewalk along with the placement of Class 5.

We have inspected the work performed by Hardrives, Inc. and recommend payment of Partial Pay Estimate No. 1.

We have also discussed the additional mill and overlay work on the five (5) additional streets not originally included in the plans for this project. The contractor has agreed to complete this additional work for the contract unit prices for the project. This additional work amounts to approximately \$42,000 in construction costs. Some additional time will be required on our part to administer and inspect this work. The amount for this additional time would be in the range of \$5,000 to \$8,000. The total addition to the project to include the five (5) blocks would be about \$50,000.

Please call with any questions you may have concerning this pay request.

Sincerely,

Howard R. Green Company

John M. Anderson, P.E. Project Engineer

ITEM: Additional work on streets in Northome neighborhood as part of the Northome Street Repair Project

SUBMITTED BY: Heather Worthington, City Administrator

REVIEWED BY: John Anderson, H.R. Green Company

EXPLANATION:

<u>Summary:</u> The Council is being asked to add five streets to the mill and overlay schedule for the Northome Street Repair project this summer.

We have calculated the cost not to exceed \$50,000. The original budget for this work was \$481,000.00. The final project cost for the current scope of work came in at \$359,369.34. Originally, we had estimated that there would not be enough money to mill and overlay all of the east-west streets in the Northome neighborhood. When the bids came in well under budget, we had some extra resources, and calculated that adding the five streets not originally included in the schedule would cost approximately \$50,000, including overhead.

We are recommending the addition of those five streets to the mill and overlay schedule, at a cost not to exceed \$50,000. This will bring the total cost of the project to \$409,369.34. This means that the final cost is still \$71,630.66 under the original budget for the project. The original budget included \$360,000 in state aid funding from the 2001 allocation, and an additional \$55,000.00 from the 2002 state aid allocation. The remaining \$66,000.00 that was budgeted was to come from the city's infrastructure fund. Our city engineer has recommended that the city not exhaust the 2002 state aid monies at this time, and instead pay for the additional work from the infrastructure fund as planned.

ACTION REQUESTED:

Approve the addition of five streets for mill and overlay schedule in the Northome Street Repair project area at the cost not to exceed \$50,000.00.
