<b>Item</b>	Emergency Management Exercise
<b>Description</b>	<p>Over the past several years, the city council and staff have periodically convened to hold an emergency management exercise. These exercises are a good way to measure the city's emergency preparedness status and to determine what areas need to be improved upon in the case of an actual emergency.</p> <p>This year the exercise will include the city's Community Emergency Response Team (CERT) members, who would be a critical asset in the case of an emergency. The exercise will be led by an outside consultant and will focus on how we respond to a natural disaster.</p> <p>Please note that this exercise and workshop will be held on a different date and time than normal workshops. <b>This exercise will begin at 7:00 pm on Thursday, February 3<sup>rd</sup> in the city council chambers.</b></p>
<b>Budget Impact</b>	Expenses associated with this exercise will be covered under a grant that the city received through the State of Minnesota Citizen Corps grant program.
