The Bonds shall be issuable only in fully registered form. The interest thereon and, upon surrender of each Bond, the principal amount thereof shall be payable by check or draft issued by the Registrar described herein, provided that so long as the Bonds are registered in the name of a securities depository, or a nominee thereof, in accordance with Section 2.08 hereof, principal and interest shall be payable in accordance with the operational arrangements of the securities depository.

2.03. Dates and Interest Payment Dates. Upon initial delivery of the Bonds pursuant to Section 2.07 and upon any subsequent transfer or exchange pursuant to Section 2.06, the date of authentication shall be noted on each Bond so delivered, exchanged or transferred. Interest on the Bonds shall be payable on January 15 and July 15 in each year, commencing July 15, 2014, each such date being referred to herein as an Interest Payment Date, to the persons in whose names the Bonds are registered on the Bond Register, as hereinafter defined, at the Registrar's close of business on the first day of the calendar month in which the Interest Payment Date falls, whether or not such day is a business day. 2.05. Appointment of Registrar. The City hereby appoints Northland Trust Services, in Minneapolis, Minnesota, as the initial Bond registrar, transfer agent and paying agent (the Registrar). The Mayor and City Administrator are authorized to execute and deliver, on behalf of the City, a contract with the Registrar. Upon merger or consolidation of the Registrar with another corporation, if the resulting corporation is a bank or trust company organized under the laws of the United States or one of the states of the United States and authorized by law to

conduct such business, such corporation shall be authorized to act as successor Registrar. The City agrees to pay the reasonable and customary charges of the Registrar for the services performed. The City reserves the right to remove the Registrar, effective upon not less than thirty days' written notice and upon the appointment and acceptance of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Bonds in its possession to the successor Registrar and shall deliver the Bond Register to the successor Registrar.

2.06. Registration. The effect of registration and the rights and duties of the City and the Registrar with respect thereto shall be as follows:

(a) Register. The Registrar shall keep at its principal corporate trust office a register (the Bond Register) in which the Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged. The term Holder or Bondholder as used herein shall mean the person (whether a natural person, corporation, association, partnership, trust, governmental unit, or other legal entity) in whose name a Bond is registered in the Bond Register.

(b) Transfer of Bonds. Upon surrender for transfer of any Bond duly endorsed by the Holder thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the Holder thereof or by an attorney duly authorized by the Holder in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the first day of the month of each interest payment date and until such interest payment date.

(c) Exchange of Bonds. At the option of the Holder of any Bond in a denomination greater than \$5,000, such Bond may be exchanged for other Bonds of authorized denominations, of the same maturity and a like aggregate principal amount, upon surrender of the Bond to be exchanged at the office of the Registrar. Whenever any Bond is so surrendered for exchange the City shall execute and the Registrar shall authenticate and deliver the Bonds which the Bondholder making the exchange is entitled to receive.

(d) Cancellation. All Bonds surrendered for payment, transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the City.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The City and the Registrar may treat the person in whose name any Bond is at any time registered in the Bond Register as the absolute

owner of the Bond, whether the Bond shall be overdue or not, for the purpose of receiving payment of or on account of, the principal of and interest on the Bond and for all other purposes; and all payments made to or upon the order of such Holder shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer or exchange of Bonds (except for an exchange upon a partial redemption of a Bond), the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that the Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the City and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the City. If the mutilated, destroyed, stolen or lost Bond has already matured or been called for redemption in accordance with its terms it shall not be necessary to issue a new Bond prior to payment.

(i) Authenticating Agent. The Registrar is hereby designated authenticating agent for the Bonds, within the meaning of Minnesota Statutes, Section 475.55, Subdivision 1, as amended.

(j) Valid Obligations. All Bonds issued upon any transfer or exchange of Bonds shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Resolution as the Bonds surrendered upon such transfer or exchange.

2.07. Execution, Authentication and Delivery. The Bonds shall be prepared under the direction of the City Administrator and shall be executed on behalf of the City by the signatures of the Mayor and the City Administrator, provided that the signatures may be printed, engraved or lithographed facsimiles of the originals. In case any officer whose signature or a facsimile of whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until the date of delivery of such Bond. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until a certificate of authentication on the Bond, substantially in the form provided in Section 2.09, has been executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Bonds need not be signed by the same representative. The executed certificate of

authentication on any Bond shall be conclusive evidence that it has been duly authenticated and delivered under this Resolution. When the Bonds have been prepared, executed and authenticated, the City Administrator shall deliver them to the Purchaser upon payment of the purchase price in accordance with the contract of sale theretofore executed, and the Purchaser shall not be obligated to see to the application of the purchase price.

2.08. Securities Depository. (a) For purposes of this section the following terms shall have the following meanings:

“Beneficial Owner” shall mean, whenever used with respect to a Bond, the person in whose name such Bond is recorded as the beneficial owner of such Bond by a Participant on the records of such Participant, or such person’s subrogee.

“Cede & Co.” shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Bonds.

“DTC” shall mean The Depository Trust Company of New York, New York.

“Participant” shall mean any broker-dealer, bank or other financial institution for which DTC holds bonds as securities depository.

“Representation Letter” shall mean the Representation Letter pursuant to which the City agrees to comply with DTC’s Operational Arrangements.

(b) The Bonds shall be initially issued as separately authenticated fully registered bonds, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC. The Registrar and the City may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Bonds under this resolution, registering the transfer of Bonds, and for all other purposes whatsoever; and neither the Registrar nor the City shall be affected by any notice to the contrary. Neither the Registrar nor the City shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the Bond Register as being a registered owner of any Bonds, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest on the Bonds, with respect to any notice which is permitted or required to be given to owners of Bonds under this resolution, with respect to the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken by DTC as registered owner of the Bonds. So long as any Bond is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Cede & Co. in accordance with DTC’s Operational Arrangements, and all such payments shall be valid and effective to fully satisfy and discharge the City’s obligations with respect to the principal of and interest on the Bonds to the extent of the sum or

sums so paid. No person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the City to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds will be transferable to such new nominee in accordance with paragraph (e) hereof.

(c) In the event the City determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bonds in the form of physical certificates, the City may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Bonds in the form of certificates. In such event, the Bonds will be transferable in accordance with paragraph (e) hereof. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the City and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Bonds will be transferable in accordance with paragraph (e) hereof.

(d) The execution and delivery of the Representation Letter to DTC, if not previously filed with DTC, by the Mayor or City Administrator is hereby authorized and directed.

(e) In the event that any transfer or exchange of Bonds is permitted under paragraph (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this resolution. In the event Bonds in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Bonds, or another securities depository as owner of all the Bonds, the provisions of this resolution shall also apply to all matters relating thereto, including, without limitation, the printing of such Bonds in the form of physical certificates and the method of payment of principal of and interest on such Bonds in the form of physical certificates.

2.09. Form of Bonds. The Bonds shall be prepared in substantially the following form:

SECTION 3. USE OF PROCEEDS. There is hereby established on the official books and records of the City a General Obligation Bonds, Series 2013A Construction Fund (the Construction Fund). Within the Construction Fund are established the following accounts:

(a) Improvement Construction Account. The Improvement Construction Account shall be credited with \$_____ from the proceeds of the Improvement Bonds. Every item of expense made for the Improvement Project shall be deducted from Improvement Construction Account to the extent paid from proceeds of the Improvement Bonds. The City Administrator shall maintain the Improvement Construction Account until payment of all costs and expenses incurred in connection with the construction of the Improvement Project have been paid.

(b) Utility Construction Account. The Utility Construction Account shall be credited with \$_____ from the proceeds of the Utility Bonds, an amount equal to the estimated cost of the Utility Projects. The City Administrator shall maintain the Utility Construction Account until all costs and expenses incurred by the City in connection with the construction of the Utility Projects have been paid.

All funds on hand in the Construction Fund when terminated shall be credited to the Bond Fund described in Section 4 hereof, unless and except as such proceeds may be transferred to some other fund or account as to which the City has received from bond counsel an opinion that such other transfer is permitted by applicable laws and does not impair the exemption of interest on the Bonds from federal income taxes.

SECTION 4. GENERAL OBLIGATION BONDS, SERIES 2013A BOND FUND. So long as any of the Bonds are outstanding and any principal or interest thereon unpaid, the City Administrator shall maintain on the official books and records of the City a separate fund designated as the General Obligation Bonds, Series 2013A Bond Fund (the Bond Fund). Into the Bond Fund shall be paid (a) the amounts specified in Section 3 above, (b) any amount in excess of the amounts credited to the Construction Fund as provided in Section 3 hereof received from the Purchaser upon delivery of the Bonds, (c) the special assessments and net revenues described in Sections 5 and 6 hereof; (d) any taxes collected pursuant to Section 7 hereof, and (e) any other funds appropriated by the City Council for the payment of the Bonds. The principal of and interest on the Bonds shall be payable from the Bond Fund, and the money on hand in the Bond Fund from time to time shall be used only to pay the principal of and interest on the Bonds. If the balance on hand in the Bond Fund is at any time insufficient to pay principal and interest then due on the Bonds, such amounts shall be paid from other money on hand in other funds of the City, which other funds shall be reimbursed therefor when sufficient money becomes available in the Bond Fund. The City Council also covenants and agrees that it will each year levy a sufficient amount of ad valorem taxes to pay any accumulated or anticipated deficiency, which levy is not subject to any constitutional or statutory limitation.

There are hereby established two accounts in the Bond Fund, designated as the "Debt Service Account" and the "Surplus Account." There shall initially be deposited into the Debt

Service Account upon the issuance of the Bonds the amount set forth in (b) above. Thereafter, during each Bond Year (i.e., each twelve month period commencing on July 16 and ending on the following July 15), as monies are received into the Bond Fund, the City Administrator shall first deposit such monies into the Debt Service Account until an amount has been appropriated thereto sufficient to pay all principal and interest due on the Bonds through the end of the Bond Year. All subsequent monies received in the Bond Fund during the Bond Year shall be appropriated to the Surplus Account. If at any time the amount on hand in the Debt Service Account is insufficient for the payment of principal and interest then due, the City Administrator shall transfer to the Debt Service Account amounts on hand in the Surplus Account to the extent necessary to cure such deficiency. Investment earnings (and losses) on amounts from time to time held in the Debt Service Account and Surplus Account shall be credited or charged to said accounts.

SECTION 5. SPECIAL ASSESSMENTS. The City hereby covenants and agrees that, for the payment of the costs of the Improvement Project, the City has done or will do and perform all acts and things necessary for the final and valid levy of special assessments in a principal amount (\$ _____) not less than 20% of the cost of the Improvement Project. The cost of the Improvement Project, inclusive of financing costs, is estimated to be approximately \$ _____, [of which all but approximately \$ _____ will be financed with proceeds of the Improvement Bonds]. It is estimated that the principal and interest on such special assessments will be levied beginning in 2013 and collected in the years 2014-2028 in the amounts shown on Appendix I attached hereto. The principal of the assessments shall be made payable in annual installments, with interest as established by the City Council in accordance with law on unpaid installments thereof from time to time remaining unpaid. In the event any special assessment shall at any time be held invalid with respect to any lot or tract of land, due to any error, defect or irregularity in any action or proceeding taken or to be taken by the City or by this City Council or by any of the officers or employees of the City, either in the making of such special assessment or in the performance of any condition precedent thereto, the City hereby covenants and agrees that it will forthwith do all such further things and take all such further proceedings as shall be required by law to make such special assessment a valid and binding lien upon said property.

SECTION 6. PLEDGE OF NET REVENUES. It is hereby found, determined and declared that the City owns and operates each System as a revenue-producing utility and convenience, and that the net operating revenues of each System, after deducting from the gross receipts derived from charges for the service, use and availability of the System the normal, current and reasonable expenses of operation and maintenance thereof, will be sufficient, together with any other pledged funds, for the payment when due of the principal of and interest on the Utility Bonds herein authorized, and on any other bonds to which such revenues are pledged.

Pursuant to Minnesota Statutes, Section 444.075, the City hereby covenants and agrees with the registered owners from time to time of the Bonds, that until the Utility Bonds and the interest thereon are discharged as provided in Section 7 or paid in full, the City will impose and collect reasonable charges in accordance with said Section 444.075 for the service, use and availability of the System according to schedules sufficient to produce net revenues sufficient to pay the Utility Bonds and any other bonds to which said net revenues have been pledged, and the net revenues, to the extent necessary, are hereby irrevocably pledged and appropriated to the payment of the Utility Bonds herein authorized and interest thereon when due. Nothing herein

shall preclude the City from hereafter making further pledges and appropriations of the net revenues of the System for payment of additional obligations of the City hereafter authorized if the Council determines before the authorization of such additional obligations that the estimated net revenues of the System will be sufficient, together with any other sources pledged to the payment of the outstanding and additional obligations, for payment of the outstanding bonds and such additional obligations. Such further pledges and appropriations of net revenues may be made superior or subordinate to or on a parity with, the pledge and appropriation herein made.

SECTION 7. PLEDGE OF TAXING POWERS. For the prompt and full payment of the principal of and interest on the Bonds as such payments respectively become due, the full faith, credit and unlimited taxing powers of the City shall be and are hereby irrevocably pledged. However, it is presently expected that the special assessments pledged as described in Section 5 above and net revenues of the System pledged as described in Section 6 above, will produce not less than 5% in excess of the amount needed to meet when the principal and interest payments on the Bonds, and therefore no ad valorem tax levy is currently required.

SECTION 8. DEFEASANCE. When all of the Bonds have been discharged as provided in this Section, all pledges, covenants and other rights granted by this Resolution to the Holders of the Bonds shall cease. The City may discharge its obligations with respect to any Bonds which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full; or, if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The City may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms by depositing with the Registrar on or before that date an amount equal to the principal, redemption premium, if any, and interest then due, provided that notice of such redemption has been duly given as provided herein. The City may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with the Registrar or with a bank or trust company qualified by law to act as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited for such purpose, bearing interest payable at such times and at such rates and maturing or callable at the holder's option on such dates as shall be required to pay all principal and interest to become due thereon to maturity or, if notice of redemption as herein required has been irrevocably provided for, to an earlier designated redemption date. If such deposit is made more than ninety days before the maturity date or specified redemption date of the Bonds to be discharged, the City must have received a written opinion of Bond Counsel to the effect that such deposit does not adversely affect the exemption of interest on any Bonds from federal income taxation and a written report of an accountant or investment banking firm verifying that the deposit is sufficient to pay when due all of the principal and interest on the Bonds to be discharged on and before their maturity dates or earlier designated redemption date.

SECTION 9. TAX COVENANTS; ARBITRAGE MATTERS AND CONTINUING DISCLOSURE.

9.01. General Tax Covenant. The City agrees with the registered owners from time to time of the Bonds that it will not take, or permit to be taken by any of its officers, employees or

agents, any action that would cause interest on the Bonds to become includable in gross income of the recipient under the Internal Revenue Code of 1986, as amended (the Code) and applicable Treasury Regulations (the Regulations), and agrees to take any and all actions within its powers to ensure that the interest on the Bonds will not become includable in gross income of the recipient under the Code and the Regulations. All proceeds of the Bonds deposited in the Construction Fund will be expended solely for the payment of the costs of the Projects. The Projects are and will be owned and maintained by the City and available for use by members of the general public on a substantially equal basis. The City shall not enter into any lease, management contract, use agreement, capacity agreement or other agreement with any non-governmental person relating to the use of the Projects, or any portion thereof, or security for the payment of the Bonds which might cause the Bonds to be considered “private activity bonds” or “private loan bonds” pursuant to Section 141 of the Code.

9.02. Arbitrage Certification. The Mayor and City Administrator being the officers of the City charged with the responsibility for issuing the Bonds pursuant to this Resolution, are authorized and directed to execute and deliver to the Purchaser a certificate in accordance with Section 148 of the Code, and applicable Regulations, stating the facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds which make it reasonable to expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of the Code and Regulations.

9.03. Arbitrage Rebate. The City acknowledges that the Bonds may be subject to the rebate requirements of Section 148(f) of the Code. The City covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Regulations to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes, unless the Bonds qualify for an exception from the rebate requirement pursuant to one of the spending exceptions set forth in Section 1.148-7 of the Regulations and no “gross proceeds” of the Bonds (other than amounts constituting a “bona fide debt service fund”) arise during or after the expenditure of the original proceeds thereof.

9.04. Qualified Tax-Exempt Obligations. The City Council hereby designates the Bonds as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code relating to the disallowance of interest expense for financial institutions, and hereby finds that the reasonably anticipated amount of tax-exempt governmental obligations (within the meaning of Section 265(b)(3) of the Code) which will be issued by the City and all subordinate entities during calendar year 2013 does not exceed \$10,000,000.

9.05. Reimbursement. The City certifies that the proceeds of the Bonds will not be used by the City to reimburse itself for any expenditure with respect to the Projects which the City paid or will have paid more than 60 days prior to the issuance of the Bonds unless, with respect to such prior expenditures, the City shall have made a declaration of official intent which complies with the provisions of Section 1.150-2 of the Regulations, provided that this certification shall not apply (i) with respect to certain de minimis expenditures, if any, with respect to the Projects meeting the requirements of Section 1.150-2(f)(1) of the Regulations, or (ii) with respect to “preliminary expenditures” for the Projects as defined in Section 1.150-2(f)(2)

of the Regulations, including engineering or architectural expenses and similar preparatory expenses, which in the aggregate do not exceed 20% of the “issue price” of the Bonds.

9.06. Continuing Disclosure. (a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the Purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the SEC under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12), relating to continuing disclosure (as in effect and interpreted from time to time, the Rule), which will enhance the marketability of the Bonds, the City hereby makes the following covenants and agreements for the benefit of the Owners (as hereinafter defined) from time to time of the Outstanding Bonds. The City is the only obligated person in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made. If the City fails to comply with any provisions of this section, any person aggrieved thereby, including the Owners of any Outstanding Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this section, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this section constitute a default under the Bonds or under any other provision of this resolution. As used in this section, Owner or Bondowner means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any Beneficial Owner (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, Beneficial Owner means, in respect of a Bond, any person or entity which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond (including persons or entities holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of the Bond for federal income tax purposes.

(b) Information To Be Disclosed. The City will provide, in the manner set forth in subsection (c) hereof, either directly or indirectly through an agent designated by the City, the following information at the following times:

- (1) on or before twelve (12) months after the end of each fiscal year of the City, commencing with the fiscal year ending December 31, 2013, the following financial information and operating data in respect of the City (the Disclosure Information):
 - (A) the audited financial statements of the City for such fiscal year, containing balance sheets as of the end of such fiscal year and a statement of operations, changes in fund balances and cash flows for the fiscal year then ended, showing in comparative form such figures for the preceding fiscal year of the City, prepared in accordance with generally accepted accounting principles promulgated by the Financial Accounting Standards Board as modified in accordance with the governmental accounting standards promulgated by the Governmental Accounting Standards Board or as otherwise provided under Minnesota law, as in effect from time to time, or, if and to the extent such

financial statements have not been prepared in accordance with such generally accepted accounting principles for reasons beyond the reasonable control of the City, noting the discrepancies therefrom and the effect thereof, and certified as to accuracy and completeness in all material respects by the fiscal officer of the City; and

- (B) to the extent not included in the financial statements referred to in paragraph (A) hereof, the information for such fiscal year or for the period most recently available of the type contained in the Official Statement under headings: Economic and Financial Information, Summary of Debt and Debt Statistics and General Information – “Major Employers.”

Notwithstanding the foregoing paragraph, if the audited financial statements are not available by the date specified, the City shall provide on or before such date unaudited financial statements in the format required for the audited financial statements as part of the Disclosure Information and, within 10 days after the receipt thereof, the City shall provide the audited financial statements. Any or all of the Disclosure Information may be incorporated by reference, if it is updated as required hereby, from other documents, including official statements, which have been filed with the SEC or have been made available to the public on the Internet Web site of the Municipal Securities Rulemaking Board (the MSRB). The City shall clearly identify in the Disclosure Information each document so incorporated by reference. If any part of the Disclosure Information can no longer be generated because the operations of the City have materially changed or been discontinued, such Disclosure Information need no longer be provided if the City includes in the Disclosure Information a statement to such effect, provided, however, that if such operations have been replaced by other City operations in respect of which data is not included in the Disclosure Information and the City determines that certain specified data regarding such replacement operations would be a Material Fact (as defined in paragraph (2) hereof), then, from and after such determination, the Disclosure Information shall include such additional specified data regarding the replacement operations. If the Disclosure Information is changed or this section is amended as permitted by this paragraph (b)(1) or subsection (d), then the City shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of financial information or operating data provided.

- (2) In a timely manner not in excess of ten business days after the occurrence of the event, notice of the occurrence of any of the following events:
 - (A) Principal and interest payment delinquencies;
 - (B) Non-payment related defaults, if material;
 - (C) Unscheduled draws on debt service reserves reflecting financial difficulties;
 - (D) Unscheduled draws on credit enhancements reflecting financial difficulties;
 - (E) Substitution of credit or liquidity providers, or their failure to perform;
 - (F) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax

status of the Bonds, or other material events affecting the tax status of the Bonds;

- (G) Modifications to rights of security holders, if material;
- (H) Bond calls, if material, and tender offers;
- (I) Defeasances;
- (J) Release, substitution, or sale of property securing repayment of the securities, if material;
- (K) Rating changes;
- (L) Bankruptcy, insolvency, receivership or a similar event with respect to the City;
- (M) The consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (N) Appointment of a successor or additional trustee or the change of name of a trustee, if material.

As used herein, a material fact is a fact as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Bond or, if not disclosed, would significantly alter the total information otherwise available to an investor from the Official Statement, information disclosed hereunder or information generally available to the public. Notwithstanding the foregoing sentence, a material fact is also an event that would be deemed material for purposes of the purchase, holding or sale of a Bond within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

For the purposes of the event identified in (L) hereinabove, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

- (3) In a timely manner, notice of the occurrence of any of the following events or conditions:
 - (A) the failure of the City to provide the Disclosure Information required under paragraph (b)(1) at the time specified thereunder;
 - (B) the amendment or supplementing of this section pursuant to subsection (d), together with a copy of such amendment or supplement and any explanation provided by the City under subsection (d)(2);

- (C) the termination of the obligations of the City under this section pursuant to subsection (d);
- (D) any change in the accounting principles pursuant to which the financial statements constituting a portion of the Disclosure Information are prepared; and
- (E) any change in the fiscal year of the City.

(c) Manner of Disclosure.

- (1) The City agrees to make available to the MSRB, in an electronic format as prescribed by the MSRB from time to time, the information described in subsection (b).
- (2) The City further agrees to make available, by electronic transmission, overnight delivery, mail or other means, as appropriate, the information described in subsection (b) to any rating agency then maintaining a rating of the Bonds at the request of the City and, at the expense of such Bondowner, to any Bondowner who requests in writing such information, at the time of transmission under paragraph (1) of this subsection (c), or, if such information is transmitted with a subsequent time of release, at the time such information is to be released.
- (3) All documents provided to the MSRB pursuant to this subsection (c) shall be accompanied by identifying information as prescribed by the MSRB from time to time.

(d) Term; Amendments; Interpretation.

- (1) The covenants of the City in this section shall remain in effect so long as any Bonds are Outstanding. Notwithstanding the preceding sentence, however, the obligations of the City under this section shall terminate and be without further effect as of any date on which the City delivers to the Registrar an opinion of Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the failure of the City to comply with the requirements of this section will not cause participating underwriters in the primary offering of the Bonds to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof.
- (2) This section (and the form and requirements of the Disclosure Information) may be amended or supplemented by the City from time to time, without notice to (except as provided in paragraph (c)(3) hereof) or the consent of the Owners of any Bonds, by a resolution of this Council filed in the office of the recording officer of the City accompanied by an opinion of Bond Counsel, who may rely on certificates of the City and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in

the identity, nature or status of the City or the type of operations conducted by the City, or (b) is required by, or better complies with, the provisions of paragraph (b)(5) of the Rule; (ii) this section as so amended or supplemented would have complied with the requirements of paragraph (b)(5) of the Rule at the time of the primary offering of the Bonds, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and (iii) such amendment or supplement does not materially impair the interests of the Bondowners under the Rule.

If the Disclosure Information is so amended, the City agrees to provide, contemporaneously with the effectiveness of such amendment, an explanation of the reasons for the amendment and the effect, if any, of the change in the type of financial information or operating data being provided hereunder.

- (3) This section is entered into to comply with the continuing disclosure provisions of the Rule and should be construed so as to satisfy the requirements of paragraph (b)(5) of the Rule.
