

**CITY OF LAKE ELMO  
NOTICE OF HEARING ON IMPROVEMENT  
INWOOD BOOSTER STATION AND TRUNK WATERMAIN IMPROVEMENTS**

Notice is hereby given that the City Council of Lake Elmo will meet in the council chambers of the city hall at or approximately after 7:00 P.M. on Tuesday, January 21, 2014, to consider the making of the following improvements, pursuant to Minnesota Statutes, Sections 429.011 to 429.111;

The improvement will consist of extending the water system approximately 2.8 miles south along Inwood Avenue beginning at 26<sup>th</sup> Street North, deviating into Parkview Estates along Ivory Avenue North, and back along Inwood Avenue south to and along future 5<sup>th</sup> Street, to provide municipal water service to developing properties in the southwest part of the City. Individual service stubs will be installed to properties with existing homes that are located adjacent to the watermain improvements. Fire hydrants will be installed along the corridor, providing increased fire suppression capabilities in the extended service area.

The area proposed to be assessed for these improvements include the properties with existing residences and located along Inwood Avenue and Ivory Avenue North, directly abutting the location of the proposed watermain improvements. The estimated total cost of the improvements is \$3,840,000. A reasonable estimate of the impact of the assessment will be available at the hearing. Such persons as desire to be heard with reference to the proposed improvements will be heard at this meeting.

**DATED:** December 3, 2013

**BY ORDER OF THE LAKE ELMO CITY COUNCIL**

**Mike Pearson, Mayor**
