ITEM #: 4

MOTION

TO: City Council

FROM: Greg Malmquist, Fire Chief

AGENDA ITEM: Replacement of Tahoe

REVIEWED BY: Kristina Handt, City Administrator

BACKGROUND: On January 6, 2016, CV2 was involved in a traffic accident while responding to an emergency. This was the 2007 Tahoe scheduled for replacement this year. The insurance company made the determination that the vehicle was a total loss.

We purchased a similar "Emergency Services Vehicle" in 2015, which is our current CV1. At that time Council reviewed the recommended purchase and approved it on March 17, 2015. This vehicle was discussed again at the Special Meeting held on March 24, 2015. At this time the focus was on the color of the vehicle as a resident had raised the question of a red vehicle being safer. Chief Malmquist did a presentation on the history of the Duty Vehicle within Lake Elmo FD. Part of this presentation included information pertaining to safety and the color of Police/Fire/EMS vehicles. Studies had been done showing that color did not improve on the safety of the vehicle, but rather, emergency lighting and lighting patterns impacted safety and visibility. Council took no action and the vehicle was purchased.

ISSUE BEFORE COUNCIL: Replacement of CV2

PROPOSAL DETAILS/ANALYSIS:

Purchase of replacement vehicle through the State Contract, from Ranger GM in Hibbing MN, (state contract vendor). The LMC Insurance has determined the replacement value to be \$18,134.67. The LMC will also cover additional costs associated with getting the replacement vehicle equipped identical to the original. We will salvage and transfer as much equipment as possible from the old vehicle, to be reused. This includes lighting, radios, etc. We will also make some minor improvements to the overall safety of the vehicle. Currently we have two purchase options with the vendor: They have a new 2016 on the lot, ready for immediate delivery, or, if that is sold, we would order a 2017 with a 90 day delivery. The reason for purchasing this particular model vehicle, is that they are designed specifically for public safety use, with better brakes, better suspension, pre-wiring for emergency lights and several other minor modifications. The LMC will reimburse the City the \$18,134.67, less the \$1,400.00 salvage fee which will be paid to the City by the salvage company once transfer of equipment is completed and we release it. They will also cover the \$3,177.31 cost of transferring equipment as well as the \$220.00 cost of graphics.

FISCAL IMPACT:**OPTION A (2016)**

\$35,300.23 – vehicle cost

\$17,634.67 – insurance reimbursement,
less \$500 deductible

\$2,450.49 – safety improvements

\$20,116.05 cost to City

OPTION B (2017)

\$37,066.29 – vehicle cost

\$17,634.67 – insurance reimbursement,
less \$500 deductible

\$2,450.49 – safety improvements

\$21,882.11 cost to City

Funding will come from and is available in the “Vehicle Replacement Fund”.

OPTIONS:

Purchase 2016, if available, and if not, order 2017.

RECOMMENDATION:

Motion to “Approve purchase of replacement vehicle and associated costs in the amount not to exceed \$22,500”

ATTACHMENTS:

2017 Fleet/Non-Retail Chevrolet Tahoe 4WD 4dr Commercial CK15706

STANDARD EQUIPMENT

STANDARD EQUIPMENT - 2017 Fleet/Non-Retail CK15706 4WD 4dr Commercial

SAFETY

- Brakes, 4-wheel antilock, 4-wheel disc, VAC power with Brake Assist
- StabiliTrak, stability control system with brake assist, includes traction control
- Daytime Running Lamps, with automatic exterior lamp control
- Teen Driver mode a configurable feature that lets you activate customizable vehicle settings associated with a key fob, to encourage safe driving behavior. It can limit certain vehicle features, and it prevents certain safety systems from being turned off. An in-vehicle report gives you information on your teen's driving habits and helps you to continue to coach your new driver
- Air bags, frontal and side-impact for driver and front passenger and head curtain side-impact for all rows in outboard seating positions (Included and only available with (AZ3) 40/20/40 split-bench front seat. With (9C1) Police Vehicle or (5W4) Special Service Vehicle requires (AZ3) 40/20/40 split-bench front seat and (9U3) SEO front center seat (20% seat) delete. Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.)
- Automatic Occupant Sensing System sensor indicator inflatable restraint, front passenger/child presence detector
- Door locks, rear child security
- OnStar Guidance Plan for 3 months, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation, Advanced Diagnostics and more (trial excludes Hands-Free Calling) for 6 months, including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation, Advanced Diagnostics and more (trial excludes Hands-Free Calling) (Fleet orders receive a 6-month trial. Visit www.onstar.com for coverage map, details and system limitations. Services vary by model. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.) (Retail orders receive a 3-month trial. Visit www.onstar.com for coverage map, details and system limitations. Services vary by model. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.)
- Rear Park Assist with audible warning
- Rear Vision Camera
- LATCH system (Lower Anchors and Top tethers for Children), for child safety seats; lower anchors and top tethers located in all second row seating positions, top tethers located in third row seating positions
- Tire Pressure Monitor System air pressure sensors in each tire with pressure display in Driver Information Center
- Theft deterrent, electrical, unauthorized entry
